SUPPLEMENTARY CHECKLIST OF DOCTORAL DISSERTATIONS ON METHODIST AND RELATED SUBJECTS

In April 1970 we presented Keith J. Hardman’s Checklist of Doctoral Dissertations on Methodist, Evangelical United Brethren, and Related Subjects, 1912-1968. This feature met with immediate approval from our readers, and especially from those in educational circles.

We promised at the time of this first publication to prepare a supplement and asked that additional titles be sent to us. We have had fine cooperation from universities, libraries, and individuals in compiling this supplementary list, and we hope that it will be valuable to those who need and use such a reference tool.

Some dissertations may even yet have escaped the list, and the submission of missing entries will be appreciated. As soon as the volume of material warrants, we will prepare another supplement.—EDITOR

(Note: A few errors were noted in certain entries in the first Checklist and the corrected listings are included here and indicated by an asterisk (*).)
