History Note

The Missionary Society of the Methodist Episcopal Church was created in 1820 and was reorganized in 1907 into the Board of Foreign Missions and the Board of Home Missions of the Methodist Episcopal Church. Prior to the 1907 reorganization, the society handled both foreign and domestic missions. The material in this sub-series represents the foreign missionary concerns of the society and its successor, the Board of Foreign Missions.

Scope Note

The missionary files series is composed of correspondence from missionaries in the field to the Missionary Society (or Board of Foreign Missions) and correspondence from the society, or board, to its missionaries. The former we refer to as missionary correspondence, while the later is board correspondence. The files may also contain reference material about missionaries, or about mission stations or conferences. The filing arrangements reflect different systems used at the board over periods of time. No attempt has been made to alter or restructure the original filing system. Some of the files in this series are arranged geographically, or by mission conference, and then alphabetically by missionary's last name. Some of the files in this series are arranged alphabetically by the missionary's last name, and there may be no direct reference to the geographic area served by the missionary. Correspondence is typically more full and complete for the files in the early subseries; for the time period of the 1890s until the 1920s. As the series progresses, the files become smaller and more formal. These files are primarily incoming correspondence from missionaries in the field. See Volume One/ Part Two for correspondence from the board for this same time period.

The filing system is arranged geographically, and then alphabetically by name within an area or conference. The following areas are represented in this subseries: Africa, China, Europe, India, Japan, Korea, Malaya, Mexico, Philippines, South America, Puerto Rico. Bishops are generally listed first, followed by the rest of the missionaries.
