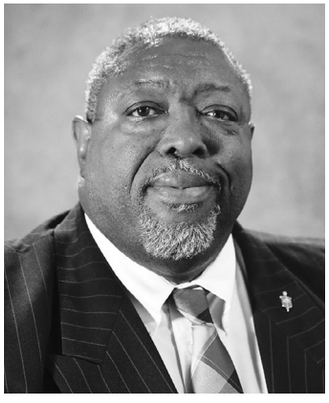
Bishop Frank J. Beard



Bishop Frank J. Beard was elected as a Bishop in the North Central Jurisdiction on July 13, 2016. Prior to coming to The Illinois Great Rivers Conference, he served as an ordained Elder in the Indiana Area of The United Methodist Church.

Bishop Beard has a wealth of experience in a variety of ministry settings across The United Methodist Church. He has served as a local church pastor, a District Superintendent, and as a Senior Pastor of a large congregation. He has served in positions with the General Commission on General Conference, the General Board of Higher Education and Ministry, and the General Board of Discipleship. He has also served as a member of the National Black Methodist for Church Renewal.

Bishop Beard is a gifted preacher and teacher and has a strong sense of community. He has a passion for Jesus Christ that is contagious. His primary focus is encouraging churches to be "on fire for Jesus." His life quote is, "I want to be so full of Jesus that when a mosquito bites me it will fly away humming 'there is power in the blood'!"

Bishop Beard is married to wife Melissa, has two adult daughters: Eleanor & Emily, and will soon have three grandchildren. The Bishop is an avid Chicago Bears Fan and an accomplished fisherman. When asked if he is going fishing he is quick to reply, "No, I'm going catching, anybody can fish!"

Daily Proceedings

The Twenty-Fourth Session of the Illinois Great Rivers Conference

(198th Session, Counting Antecedent Annual Conferences)

In March 2020, the World Health Organization declared the rapid spread of COVID-19 a pandemic. As a result, the annual conference session was held in a hybrid format. The one-day session was held with more than one thousand members participating online or through 13 remote voting sites. Remote voting sites voted by hand with a marshal reporting the vote totals to the Secretarial Staff.

Prior to the August 15th session two legislative items (Legislative Items 100 and 101) were sent to the registered clergy and lay voting members for vote. These items were ratified at the August 15 annual conference clergy and plenary sessions. In addition, special services were pre-recorded as a part of the annual conference worship. These services included: The Memorial Service and The Recognition of Retirees Service.

WHEREAS, the Sessions Committee has recommended and the District Superintendents and Bishop Frank Beard have approved that the 2020 Illinois Great Rivers Annual Conference be held on-line; and

WHEREAS, the Standing Rules Committee has determined that our existing standing rules require amendment to facilitate the meeting of an annual conference session held via streaming broadcast or video conferencing during which online voting will occur.

THEREFORE, be it resolved, that the Standing Rules be amended by adding a new Subsection III.I as set forth below, effective immediately.

   c) Paper copies will be sent to lay and clergy members who have requested them by the deadline outlined in the Conference Secretary policies.
   d) To expedite voting, the Conference Secretary in consultation with the Bishop and Sessions Committee may create a Consent Calendar of resolutions, reports, or other matters before the session that may be voted on in one action.

A contingency line item serves the local church by providing a means to care for unplanned events at the conference level. IGRC budget planning begins 18 to 24 months prior to the actual implementation of the budget. Planning for the 2019 budget began in 2017. World Service assists the local church by enabling them to reach out with love and compassion in the name of Jesus Christ to the world's most needy people. *The Book of Discipline (¶812)* proclaims that the World Service Fund, "is basic in the financial program of The United Methodist Church. World Service on apportionment represents the minimum needs of the general agencies of the Church. Payment in full of these apportionments by local churches and annual conferences is the first benevolent responsibility of the Church."

Anyone wishing to see a World Service detailed budget or any other General Church apportionment may do so by going to ***www.gcfa.org*** and typing, "Financial Commitment" in the search box.

Ministerial Education Fund - $369,483
This is a General Church Apportionment. The Ministerial Education Fund assists the local church in the development of current and future clergy leaders to guide local churches in their efforts to make disciples for Jesus Christ. The Ministerial Education Fund is a General Church apportionment which is used "to enable the Church to unify and expand its program of financial support for the recruitment and education of ordained and diaconal ministers and to equip the annual conferences to meet increased demands in this area." *(Book of Discipline ¶816)*. The largest portion of the fund goes to support the theological schools (usually, seminaries) of The United Methodist Church. However, the annual conference retains 25% of apportionment fund remitted for use by the IGRC Board of Ordained Ministry to support the education of our clergy.

Africa University Fund - $38,388
This is a General Church Apportionment. The Africa University Fund provides an avenue for local churches to support Africa University in educating future leaders for the continent of Africa bringing hope to the most desolate of circumstances. Founded in 1992, and located in Old Mutare, our apportionment giving to Africa University is extremely important with the current economic conditions in Zimbabwe. AU has managed to stay open during the worst of the economic crisis because of the faithfulness of United Methodists in local churches like yours.

Black College Fund - $170,749
This is a General Church Apportionment. The Black College Fund assists local churches in reaching out to improve the lives of dedicated and ambitious young people of color, who might otherwise have no means to fulfill their life potential. The Black College Fund (¶815) began in 1972 as one of the apportioned general Church funds. The fund provides financial support for institutions of higher education that have historically served the educational needs of black students. The fund provides support for eleven institutions of higher learning, more than any other religious denomination. The IGRC has a special relationship with Wiley College, made famous in the movie, "The Great Debaters." Wiley College is also a recipient of Black College Funds.

General Church Apportionments in excess of receipts - $355,000
The Illinois Great Rivers Conference is committed to paying 100% of its General Church apportionments. Our payment of our General Church apportionments provides the local churches of the IGRC to be full partners in the larger mission of the Church. It is this Conference's example that 100% payment of apportionments is our first benevolent responsibility. When apportionments come in at below 100%, the monetary difference needed to pay 100% is provided by this fund. As the "Prior Claims" item above, this line item provides full budgetary transparency and to offer the understanding that local churches paying 100% of their apportionments are paying more than their share of the funds needed for General Church apportionments.

Legislative Item 107: Policy Revision - Transportation Procedure

Subject: Operational Procedure: Transportation
Content: Amends the conference Abuse Prevention Policy for Children and Vulnerable Adults by adding procedures regarding transportation
Submitted by: Bishop's Resource Team on Relational Ethics
Financial Impact: None

Whereas, conference and district activities for children and vulnerable adults sometimes require the transportation of participants, and

Drivers providing transportation during events shall:

- Drive a legally licensed and insured vehicle.
- Not be under the influence of any substance that impairs their driving.
- Be at least 21 years of age.

WHEREAS, cyberbullying has become a serious problem in our society and is addressed in the 2014 book by Joy Thornburg Melton and Michelle L. Foster entitled Safe Sanctuaries in a Virtual World (page 54), and

WHEREAS, cyberbullying is not explicitly mentioned in the bullying language in the 2015 Abuse Prevention Policy, and

WHEREAS, the Abuse Prevention Policy delegates to the Bishop's Resource Team on Relational Ethics (BRTRE) the responsibility for its ongoing review and revision, and

WHEREAS, the BRTRE has met and considered language to clarify the policy's prohibition of bullying and to add language (adapted from Safe Sanctuaries in a Virtual World, page 54) prohibiting cyber-bullying,

Among children (or youth), bullying may be physical (hitting, or damaging possessions), verbal (name-calling or taunting), emotional (threatening or stalking), or social (spreading rumors or the imposition of isolation). In adults, bullying manifests itself primarily through ongoing harassment

and psychological intimidation that happens when one is ridiculed, insulted, degraded, threatened, or slandered.

Cyberbullying is bullying utilizing technology (including email, social networking sites, texts, websites, gaming sites, chat rooms, or blogs). Cyberbullying can include disclosure of personal, humiliating, or embarrassing information about another person without permission to share or fraudulent use of another person's internet accounts. It can also become cyberstalking, in which cyberbullying is carried out in a pattern of events and/or behavior that creates extreme emotional distress over an extended period of time.
Bullying and cyberbullying may produce any or all of the following results:

a. Adverse effects on an individual's ability to participate in or to benefit from the programs or activities of the Conference, its districts, or its agencies by placing the individual in reasonable fear of physical harm or substantial emotional distress.
b. An actual and substantial detrimental effect on an individual's physical or emotional health.
c. Substantial disruption in, or interference with, the orderly operation of the programs or activities of the Conference, its districts, or its agencies.[1]

Bullying and cyberbullying will not be tolerated by the Illinois Great Rivers Conference.

IGRC Project Accounts as of June 30, 2020

The IGRC Project Accounts hold dollars for specific departments and ministries. Unlike the IGRC annual General Budget dollars that if not spent in a fiscal year are not available in future years, Project Account balances at the end of the fiscal year are "rolled over" into the next fiscal year. The dollars are received through one or a combination of the following, apportionments, advance specials, specific donations, and registration fees. The report reflects the Project Account balances as of June 30, 2020. The total balance as of June 30, 2020 is $7,090,051.99.

Report 202: Report of the IGRC Board of Trustees

Subject: Report of the IGRC Board of Trustees
Submitted by: Betty Treat, Chairperson

The Board of Trustees is a not-for-profit corporation and is governed by the Bylaws of the corporation, the Constitution of the United Methodist Church and the *Discipline*. Voting members of the Annual Conference are voting members of the corporation.

The Mission of the Board of Trustees is to provide a safe, secure and functional environment for the Conference owned properties, including the United Methodist Center. To receive gifts from estates and trusts. To assist in the closing of church properties when the congregation has transitioned to another location.

The United Methodist Center is a meeting place for the entire Annual Conference and the high usage of the building makes it important to have a building that is safe and

meets the needs of those groups that come to Center. We can anticipate that in the future that this property which is now 17 years old will need upgrades. The United Methodist Center provides offices for the Bishop and conference staff and many programs operate at this site.

Trustees continue to focus on the responsibility of preventive maintenance, completing repairs, and the upkeep of the district and staff parsonages. Their goal is to provide housing that is well maintained, comfortable and a parsonage that the residents are happy to call home.

The Board recommends to the Annual Conference the sale and purchase of properties and carries out the directions of the Annual Conference. Churches finish their ministry at a site and transition forward to new ministries in new places. The building is often returned to the trustees. Trustees assist in the sale of closed churches, parsonages and other properties as needed. The focus of trustees is to find buyers, so that the buildings may continue to be a part of that community in another capacity.

The Annual Conference has explained the process for closing churches and supplied the guidelines from the *Discipline*. The goal is to have the transition move through the process smoothly. A training day was held in February which included the Cabinet, Trustees and District Chairpersons for the Board of Church Location and Building and other District persons. Rev. Janice Griffith presented the material and provide written information. Rev. Mike Potts and Mr. John Kauerauf, legal counsel assisted with information. When churches close it becomes a team effort to complete the transition.

Many of the Trustees continue to do volunteer labor and repairs on properties. They have used the resources of The United Methodist Men, The United Methodist Women and other church and community groups to assist them. The residents who live in the conference owned homes have gone above and beyond their responsibilities and have made repairs and assisted with maintenance.

We extend a special thanks to each person and trustee that has contributed many hours of volunteer labor and support.

FINANCIAL
The Trustees review the monthly financial reports. The Trustees have functioned within the budget. The mortgage payments are current.

INSURANCE
Please review your church and parsonage insurance annually. When properties are under insured there is potential for large losses with an impact to the local congregation and the annual conference.

During the past year, the trustees have had requests for resources that can be used by the local church and for their members. Church Mutual has develop a resource center at ***https://www.churchmutual.com/98/Safety-Resources***. This resource center has 20 categories and covers free and much needed information. The information may also be shared with individuals.

The Trustees have met with Church Mutual, the conference insurer to determine losses reported and to examine ways to eliminate some of sources for these losses.

The largest liability continues to be falls and personal accidents on properties. Encourage persons to report any visible areas of potential danger. As we know, it is easier to prevent losses than it is to correct accidents after they happen.

Just a Reminder…. Persons living in parsonages will need renter's insurance for their personal property as insurance obtained by the church or conference does not cover personal property. Be sure that the renter insurance provider includes water damage rider.

HOMES FOR PASTORS
The Cabinet and trustees developed a document to define and clarify maintenance requirements for District and Conference owned properties. A notebook has been placed in parsonages with a maintenance checklist and the standing rules. The Trustees Annual Inspection Report, copies of handbooks for appliances, information on community resources persons are stored in the binder. We continue to develop and update the binder so that persons living in the homes have information and resources.

Pastors want to understand their responsibilities when living in church owned homes. Local Churches are encouraged to develop similar guidelines and provide a checklist to the pastor which defines the roles of the pastor and the church.

CHURCHES COMPLETING THEIR MISSION
Churches have completed their mission as local congregations and the remaining members have transitioned to a new church family. Resolutions for closure can be found in the conference journal for the following churches and the resolutions will be voted on at annual conference:

- Center UMC
- Claremont UMC
- Dix UMC
- La Harpe UMC
- Lawrenceville Otterbein UMC
- New Salem UMC
- Ohio Chapel UMC
- Orange Chapel UMC
- Tiskilwa UMC
- Vermont UMC

The Annual Conference in 2019 voted to transition 14 churches. All the church buildings have been transitioned and the final one will be closed before the 2020 annual conference. Many of the above have already completed the process.

Buildings are used for ministry and sometimes homes. The communities have needs for building and some of the uses are: An African American Center, community centers and start up churches.

Let us continue to pray as together as we move through the Corona Virus recovery, we are the Church wherever we are located. As we join together in new ways and as we worship with our church family electronically. Let us find new way to Make Disciples for Jesus Christ.

Report 203: Report of the Illinois Great Rivers Conference Board of Pensions

Submitted by: Conference Board of Pensions

Estimated Financial Impact on the Annual Conference: The Administration apportionment underwrites conference-level administrative expenses of these plans. The current plan contributions are direct billed to local churches and participants.

Staff and Resource Time: The Treasurer/Benefits Officer and two assistants currently administer these programs as part of their regular duties.
Source of Funding: Direct assessments to local churches, church-related organizations and individuals, interest income and the Preachers' Aid Society and Benefits Fund, Inc.

Wespath Current Pension Liability Funding Status
The Wespath calculated Current Pension Liability Funding of the three pension plans sponsored by the Conference and administered by Wespath are currently in the following funding positions.

Pre-1982 Pension Rate and Special Grant Recommendations
The 2020 pension rate for pre-1982 years of service is $794 per service year. CBOP approved a 2% increase (rounded up to whole dollars) to $810 per service year for 2021. The CBOP would like to thank PASBF for their generous funding gift of $466,352 to the Pre-82 fund allowing for the 2% increase.

The following special grants will be made for 2020:

a. Ruth Sharrow be declared eligible to the claim of a dependent child for the service years of her father, Clarence Sharrow.
b. Mrs. Allen Morgan be given a special grant of $35.00 per month.

MPP (1982-2006)
Fully Funded

Clergy Retirement Security Program (CRSP)
Remains stable and no rate increase is required.

Therefore: The Conference Board of Pensions recommends no change in the defined benefits portion of CRSP for 2021 contributions. The 2021 rates shall remain at the 2020 rates of:

- Full-Time Pastor, $5,700 per year; $475.00 per month
- 3/4 - time Pastor, $4,275 per year; $356.25 per month
- 1/2 - time Pastor, $2,850 per year; $237.50 per month
- 1/4 - time Pastor; not eligible

Wespath Market Pension Liability Funding Status
The 2019 General Conference passed legislation allowing Wespath to calculate Market Pension Liability Funding to help UMC Conferences determine the pension liability share for churches desiring to exit the United Methodist Church. Market Pension Liability Funding uses a different criterion than Current Pension Liability Funding. The IGRC Market Pension Liability Funding balance as of June 30, 2020 is $126,656,422.

Pension Credit for Pre-1982 Student Local Pastors Years
The Conference Board of Pensions recommends that:

1. Roger K. Lyons be granted 2 years of Pre-1982 Pension Credit for Student Local Pastor Service rendered at Wanda: 06/07/1975 to 06/03/1977.

Health Insurance Proposal
The Conference Board of Pensions is providing a separate resolution to the annual conference session regarding a clergy health insurance allowance.

Report 204: Report of the Preachers' Aid Society and Benefit Fund

Subject: Report of the Preachers' Aid Society and Benefit Fund
Submitted by: Rev. Keith Anderson, Executive Director

I was sitting at the kitchen table with a grieving spouse. The stacks of paperwork scattered across the table all related to the loved one's death, including the packet from Wespath Benefits and Investments. We slowly worked our way through the paperwork to set up the survivor's benefits from Wespath and other plans. Several questions were asked as I attempted to offer words of assurance as all the fears and concerns. In between forms and decision, I listened to the love story between two individuals who built a family together. Then, tears of relief begin to flow down her cheeks as she realizes she is not alone, and PASBF will walk this journey through the shadow of the valley of death with her.

> ***We appreciate so much what you and PASBF are doing for us! It makes a real difference – I don't know where we would be without the help you give. "Thanks" may be small, but in this case – our case – it's very big! Thank you!***
>
> Rev. Don Jones, retired clergy

This scenario takes place around many different tables throughout the conference. The persons in the chairs change, but the mission and commitment of PASBF does not. For over 150 years, Preachers' Aid has been there to care and support the retirees, spouses, and any dependent children from our conference. And PASBF will continue to *Serve Those Who Served Us for another 150 years.*

<u>Current Ministries</u>
In 2019, PASBF contributed close to $2.5 million in direct benefits to retired clergy in our conference through our 17 different ministries. They are designed to meet the spiritual, financial, emotional, and physical needs.

The ministries include:

- $1.5 million for Medicare Supplement
- $ 500,000 for Medicare Part D Benefit
- Assist Selecting Medicare Part D Plan
- Health Insurance Premium Assistance
- Dental Loan Program
- Hearing Aid Discount and Loan
- Pastoral Care
- Attendance at Funerals
- Purchase and Present Grave Markers
- Fellowship Groups
- Baseball Games
- Trips
- Winter Gatherings in Florida and Arizona
- Retirement Seminar

- Interpreting Pension and Health Benefits
- Financial and Estate Planning
- Advocates for Retirees and Spouses

Ministries focused on active clergy and families include:

- Pre-Retirement Seminar
- Financial Planning Seminars
- Retirement Planning
- Consecration Sunday Leadership
- Preaching
- Fundraising Education
- Financial Education for Local Churches
- Personal Financial and Estate Planning

General Conference

Over the last few years, PASBF has been preparing for a possible split in the denomination. The Board of Directors in September 2019 passed a resolution declaring PASBF's intent to continue to serve all retired and active clergy currently in the conference. The full resolution is available at our Display Table or can be found on our webpage at *www.pasbf.org/resolution*.

Many retirees and spouses have been anxious over the possible loss of benefits offered by PASBF. This declaration is a vital first step to reassure clergy (both active and retired), spouses, and surviving spouses PASBF will be here for them. We continue to work with the conference leadership to ensure our retirees and spouses will not be forgotten.

This year at Annual Conference you will find a proposal to change PASBF's Articles of Incorporation. These changes are necessary to ensure our ability to serve all current retired and active clergy. With these changes, PASBF will be able to reach across the theological divides and serve those who have faithfully served us.

PASBF Obtains Own 501(c)3 Designation

Another vital step to enable PASBF to reach across the theological divides is obtaining our own 501(c)3 status. Working on the advice from attorneys at the General Council on Finance and Administration, as well as the advice of our own attorney, PASBF has sought this designation. The application was turned in and approved with an effective date of January 1, 2020.

PASBF has always been a separate entity from the Conference with its own Board of Directors with complete control over its assets. None of these facts are changed by this new designation. But, it does help in clarifying each other's roles. PASBF will continue to serve IGRC retired clergy, spouses, surviving spouses, and any dependent children not only today but into the future as well.

Partnering with the Conference

Preachers' Aid's commitment to the IGRC is very evident at this Annual Conference. PASBF continues to support the long-range plan by the Conference Board of Pensions and Health Benefits (CBPHB) to increase the Past Service Rate by 2% each year. This increase impacts the pensioners who receive the least amount. A cost-of-living increase is vital to their financial health. In order for the 2% increase to occur, the Conference must make a payment of over $425,000. PASBF in the past has paid these payments, saving the conference millions of dollars over the years. At the time of the report deadline, the Board of Directors has not been able to discuss this year's request. Please know PASBF will most certainly look at it closely.

The CBPHB is bringing a proposal to change the Retiree Health Insurance Program. PASBF supports their recommendation and will be assisting the Conference in implementing the change. Our staff will work alongside of the conference staff to explain the change and enable our retirees to become comfortable with the change.

Coronavirus Impact

Along with everyone else, the coronavirus has had a significant impact on PASBF. Ministries had to be postponed or cancelled. Giving has declined. Our investments have suffered significant losses. These are realities we all have encountered during 2020.

> ***PASBF is saving my life.***
>
> Spouse of a Retiree

Financial support by local churches and individuals is critical to maintain this ministry. Over the last several years, we have seen increases in giving by both individuals and local churches. We ask you to prayerfully consider supporting Preachers' Aid, enabling us to continue to make a significant difference in the lives of our retirees and spouses. We will recover from this downturn because of the faithful support of the IGRC.

The virus gave us an opportunity to step back and evaluate new possibilities. During the time of self-containment, we have pondered utilizing technology to stay in touch with retirees, active clergy, and local churches. PASBF is exploring the launch of two different podcasts: 1) personal financial planning and 2) finances in the local church. It is our hope and desire PASBF will become a resource for the financial health of both clergy and churches.

Thank You

Preachers' Aid could not make the impact we do without a faithful Board and staff. This year, we say goodbye to two faithful Board members. Both Rev. Kathy Bueker Sweet and Mr. Rufus McCollum have served 9 years on the Board. We thank them for their dedication and input!

We also say goodbye to the Rev. Floyd and Bobbi Blackard as they are retiring from serving as Program Assistants. They came on staff in 2008 and have made a huge difference in the lives of our retirees and spouses. Thank you for all you have done!

> ***Thank you for the generous gift. It is truly appreciated… You and PASBF are more of a blessing than we can say.***
>
> Susannah Tournear, daughter of Rev. Prosper & Charlotte Tournear

The Rev. Sharon Monroe (husband, Ron), Rev. Bob Edwards (wife, Linda), and Rev. Cindy Jones spend countless hours staying in touch with our retirees and spouses. We thank them for their dedication and faithfulness.

Rev. Ed Weston is our Development Director and continues to make a major impact on PASBF. Ms. Carol Sims is our Administrative Assistant who keeps all of us straight. We blessed with this fine staff.

And a big THANK YOU to all the individual and churches who have faithfully support PASBF. Because of your generosity, PASBF is Serving Those Who Served Us for over 150 years!

Report 205: Report of the United Methodist Foundation

Subject: Report of the United Methodist Foundation
Submitted by: Rev. Ted Frost, Executive Director

In the New Testament Jesus speaks most about "the kingdom of heaven." He talks about what it should look like and the importance of bringing it near. As United Methodists we interpret this as, "making disciples of Jesus Christ for the transformation of the world." The United Methodist Foundation takes Kingdom building and discipleship making to heart.

On January 1, 2019 the assets of the United Methodist Foundation totaled $26,215,201 and assets on December 31, 2019 where valued at $31,561,956.

The United Methodist Foundation was privileged to be in front of over 50 churches to help them "develop a culture of generosity." This was accomplished in two ways: first, by individual visits to local churches and their leadership teams and second, through various training events throughout the Conference.

The United Methodist Foundation was also privileged to walk alongside several of our Conference Agencies and Committees. We supported all ten of our Golden Cross Ministries, by supporting each financially to be able to care for children and seniors in need. Investments were also able to help our Conference Camping Ministry. Funds to support the Methodist Schools in Haiti made it possible for the poorest of poor children in our hemisphere to go to school. We are also walking along side and supporting Our Conference/Our Kids.

This year we received an estate gift from Vae Fultz. Some of you may remember Rev. Fultz as an advocate for the "Hard of Hearing" _ministry in our Conference. She had several disabilities herself, including being deaf, but did not let them hinder her ministry. The United Methodist Foundation is blest to be able to minister to people with disabilities until Jesus returns because of this gift from Rev. Vae Fultz.

Through the Larson Trust the United Methodist Foundation disbursed $135,000 dollars to help children and seniors throughout our conference. Local churches were supported by funding of "after school programs," weekend "snack pack" programs, helping to provide summer lunches for school children in the Granite City area. The Larson Trust also helped some of our local churches make their buildings more assessable to those with special physical needs.

College scholarships were provided for young people who are attending college. Our partnership with Midwest Mission Distribution Center helps them continue their ministry around the world.

The United Methodist Foundation feels blest to be able to be a conduit of "prudent investments" that create "spiritual dividends," while bringing the "Kingdom of God" a little closer.

Report 206: Report of Connectional Ministries Related Spending Plans

Submitted by: Rev. Dr. Curtis Brown, Director of Connectional Ministries

In cooperation with Conference Council on Finance and Administration, the Connectional Ministries Team is providing a report of 2021 spending plans for Connectional Ministries, Congregational Development, and Conference Benevolences (including Health & Welfare, Specialized Ministries, Higher Education, and Wesley Foundations). The total area amounts are included in the legislative item submitted by CCFA on the 2020 Conference Budget.

This detailed breakdown and line-items has previously been submitted for individual action by the Annual Conference Session. As we did last year, we are once again submitting it as an informational report instead of a legislative action. We've chosen to do this in order to keep as much flexibility as possible should we see significant changes to our anticipated apportionment receipts in the next two years. This report represents the budget requests submitted and negotiated by our committees and leaders with CCFA. It also represents our best plans and commitments to fund the shared ministries of our connection. Any necessary future changes would be discussed and negotiated with the respective budget writing committees, The Connectional Table, and Conference Council on Finance and Administration.

Illinois Great Rivers Conference

Leadership Reports

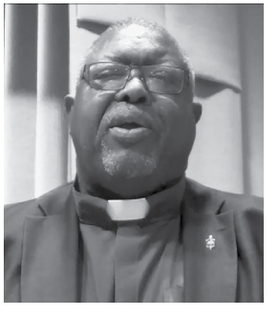
Leadership Reports

(summarized by Rev. Ethan Carnes, Conference Secretary)

Episcopal Address

We Ain't Where We Was!

Bishop Frank J. Beard
Resident Bishop, Illinois Area
The United Methodist Church



Beard opened with a story: "I am reminded of the two brothers that rented a houseboat on the Ohio River. It was late and they were tired. They found a spot and tied the front end to a branch. At some point during the night, the branch broke off and the rope was freed. The next morning, discovering their plight, one brother yelled to the other brother, "Hey Bubba, We Ain't Where We Was!" My sisters and my brothers, Clergy and Laity of the Illinois Great Rivers Conference, We ain't where we was!"

Beard then reflected on traditions of the annual conference and quoted Charles Wesley's hymn, *And Are We Yet Alive? "And are we yet alive, and see each other's face? Glory and thanks to Jesus give for his almighty grace! Preserved by power divine to full salvation here, again in Jesus' praise we join, and in his sight appear. What troubles have we seen, what mighty conflicts past, fighting's without, and fears within, since we assembled last!"*

Beard went on to say that while many things have changed in the pandemic, Jesus is still in the boat with us. He reflected on these points.

- The Pandemic has normalized Change
- The Pandemic has helped us to recover our adaptability and flexibility.
- The Pandemic has helped us increase our community and global awareness.
- This pandemic has helped us to rediscover the power of Prayer and its impact outside of the church buildings and facilities.

Bishop Beard went on to reflect on the ways in which the conference engaged in ministry throughout the pandemic. He transitioned to reflect on the future, addressing current realities and challenges.

"As we continue to relaunch and revision a post-pandemic church and Conference, let us strive to have churches where Jesus is the main attraction. Let us find new ways to preach Jesus in our new reality. Let us not shrink back from the new challenges that we face by going back to business as usual, worship as usual, or ministry limited to the old paradigms."

He then went onto reflect on his time in the conference and reflected on his priorities. "I've traveled through this Annual Conference several times and I'm not done yet. I will continue to move about our Annual Conference in hopes of knowing you

all better. I have tried to get to know you and to let you know me, warts and all. My priorities have been:"

1. To increase the Prayer Temperature throughout our entire Conference.
2. To offer a non-anxious presence while addressing areas that we need to change.

He then went onto note the changes in the last 4 years. During my first four years we have made a few changes:

Bishop Beard then reflected that we still had work to do. "We have much work to do and I will not rest until we are the strongest Annual Conference in our Jurisdiction. While I don't know the exact route, I do know what we are called to look like, as we continue to journey together. The IGRC is called to have Christ-centered churches that are vital and fully engaged in mission and ministries that meets the needs of their community. The IGRC must have mature Christian disciples that know how to make disciples for Jesus Christ and the transformation of the world. The IGRC must have pastors that are committed to pursuing clergy excellence in their call as they keep Jesus at the center of their preaching, praying, teaching, leading and loving the people they are called to shepherd. The laity of the IGRC are challenged to be ambassadors for Jesus Christ that are empowered, equipped and engaged in mission and ministry. All of us are called to serve Jesus Christ and the church, enabled by the Holy Spirit, through our prayers, presence, gifts, service and through our witness of the Lordship of Jesus Christ." He then ended quoting the hymn, *"And Are We Yet Alive?"*

Lay Leader's Address

It's Been Quite A Ride!

By Ken Miller

"Love one another with brotherly affection. Outdo one another in showing honor. Never flag in zeal, be aglow with the spirit, serve the Lord. Rejoice in your hope, be patient in tribulation, be constant in prayer. Contribute to the needs of the saints, practice hospitality. Bless those who persecute you, bless and do not curse them. Rejoice with those who rejoice, weep with those who weep. Live in harmony with one another. Do not be haughty, but take thought for what is noble in the sight of all. And, if possible, so far as it depends upon you, live peaceably with all." – Romans 12: 10-18

Miller expressed the need to turn to, 'the One who created us' as we face 'complexities and turbulence' in everyday life and ministry. "We turn to the One who created us, who loves us, and is willing to help. There are Three Simple Rules that have the power to change the world we live in. A set of rules that can be used by young and old, rich and poor, powerful and weak. The rules are not new, and they come from our Wesleyan tradition." He went onto note the challenges of the world in which we live by noting the divisions we face. "A world of constant criticism and upheaval. Nation against nation, divided communities, and even divisions in our own denomination. Groups that no longer

focus on nurture and healing, but instead on division and conquests." He then went onto note the challenge to live the simple rules. He noted an illustration regarding a schoolteacher teaching English as a second language and the use of pronouns. The illustration noted that the Christian life is about serving others and God. While this is simple in teaching, it is difficult in action. "The rules are simple, but the way is not easy. It requires great courage and faith, but the rewards are amazing and endless. The choice is up to you." Miller noted in his closing the joy of his tenure as Lay Leader. "the last eight years, I have had the great pleasure of being your conference lay leader. During those years, I've had an opportunity to work with many wonderful people and do some wonderful things for the conference." Miller closed by giving thanks to the leadership of the conference. He closed with these words, "'old lay leaders never die. They just find a new way to serve.' God bless you all and stay safe. Thank you."

Cabinet Address

Shaking Things Up In A Time Like No Other

By Rev. Carol Lakota Eastin

Rev. Eastin began noting Joshua 3 and the story of the Israelites prior to the crossing of the Jourdan, "Before the Israelites could cross the Jordan River and go into the Promised Land, they were told, 'You have not passed this way before.' And they were required to wait three days in order to sanctify themselves." She stated, "We find ourselves amidst the global pandemic, often having to pause and wait. And perhaps for the first time in a long time as the church, we've been forced to consider how will we go forward? Do we want to go back to where we were before, business as usual? And then we ask how effective was our ministry anyway?" Eastin then went on to share the ways technology has allowed us to reach people, "a pastor shared with me that six persons have accepted Christ while participating in his online worship services."

Quoting Hebrews 12, she read, "Things are being shaken up. And his voice shook the earth, but now he has promised once more, I will shake not only the earth, but also the heavens. What can be shaken? Created things. We are receiving a kingdom that cannot be shaken. Let us be thankful and so we shipped God acceptably with reverence and awe, for our God is a consuming fire." Eastin noted that God is shaking and reshaping things to get us to our destination. She stated, "We have had to ask the question, 'What is essential to Christian life? What is essential to church and worship? We all have our favorite things, but what is essential?' She noted the words of Jesus to love one another. Eastin then stated that the words of Jesus are lived in our daily acts. These acts include fighting for social justice and covenant relationships. Noting our creativity and resources available that allow us to live into God's love she then reflected on the motto of the denomination, "'See All the People," may be finally happening. And getting outside of our buildings, we are seeing the people. Dietrich

Bonhoeffer said, "The church is a community that exists for others. The missionary character of the church is not incidental, but instead essential to our very being as the people of God." Eastin ended by sharing how Christ deconstructs what needs to be deconstructed in order for us to pass into the promise which Christ reveals.

Director of Connectional Ministries Address

Unexpected Times Brings Forth Innovation, Creative Ministries

By Rev. Dr. Curtis Brown

Dr. Brown noted the anniversary of the Midwest Mission Distribution center and gave thanksgiving for the continued partnership with them. He went on to say thank you to the Five Star Mission Churches. "Your faithfulness in supporting our missions makes a profound difference. Also, to every church that stepped up during this COVID-19 pandemic through your Food Assistance Ministries, we were so pleased to be able to give out about $75,000 in food assistant ministry grants, to about 150 of our churches that are doing everything they can to feed the folks in their communities." He then shared the adaptation of the camping program and the various programs the conference has used to connect and equip leaders. "All of these are ways that we are investing in young people so that we can help raise up a new generation of leaders for The United Methodist Church." Moving to congregational development, Brown shared that they gave, "$30,000 to over 70 churches as part of their Ministry Worship technology micro grants, to help people purchase equipment that they need to broadcast their services. We were really thrilled around our Forward in Ministry grants. We had 312 churches and we gave out slightly over $1 million as we repurposed some loan funds to make them available for our churches in order to be engaged in new and different kinds of ministries." Brown went on to discuss the Our Prairie Fire Initiative and other prayer initiatives happening. He then gave thanksgiving for the conference staff and announced changes and retirements. "Peggy Hisey took a new job in Florida to be closer to family. Bunny Wolfe retired after 17 years as our Missions Coordinator, to move to be closer to her kids in Seattle. They have done tremendous work for us, and I'm just deeply grateful for all of their service. I also want to give a shout-out to Curt Franklin who has taken on some additional roles in early response and disaster response coordination for us. And Amy Shreve, who has joined not just in higher education and young adult ministries, but also has stepped in in congregational development to take on some additional responsibilities." Brown then ended by sharing thanks and appreciation for the ministry of MacMurray College.

Our Conference, Our Kids Report

$1.4 Million And Counting...

By Rev. Dr. Keith Zimmerman and Rev. Amanda Richards

Dr. Zimmerman opened by sharing the challenges of COVID-19 and the ways in which the campaign adapted. He reminded the conference of the purpose of the campaign. "Your gifts help ensure the continued inclusion of Christ-centered spiritual care in the healing ministries of The Baby Fold, Chaddock, Cunningham Children's Home, Lessie Bates Davis Neighborhood House, and Spero Family Services." He reported that the OCOK team, "added virtual pacesetter gatherings via Lifesize June 22, and we will do so again later this month. These efforts have resulted in our now having 45 pacesetter level individuals and family donors, joining 492 donor churches who have given to this initiative so far." Rev. Keith then noted that as of July 31, donations and commitments to the Our Conference, Our Kids Endowment Fund, which is invested with and managed by the United Methodist Foundation, is $1,431,875.01. He stated, "every cent moves us closer to our goal of $2.5 million. And we're getting there, thanks to your generosity. Thank you for what you're doing in making a difference in the lives of our kids now, and for years to come."

Rev. Richards noted that the scripture calls us to be "cheerful givers." She stated, "I just can't help but think of how scripture tells us that God loves a cheerful giver. And I hope that as we have shared all of the churches and individuals who are giving generously for our kids, that you feel joy. That you feel joy in being part of this, in giving the gifts that you have given, that you are giving, that you're going to give, because that generosity is a joyful thing." Richards gave thanks to the conference and invited members to, "learn more about Our Conference, Our Kids, we do have a website. You can go to embraceocok.org to learn more. Thank you." **She ended by giving thanks to the agencies and their staff.** "And so now we extend thanks from all the folks at the agencies, the CEOs, the chaplains, a big thanks from our kids."

Board of Discipleship

The IGRC Board of Discipleship continues to focus on curating content as we seek to fulfill the responsibilities in ¶ 630 of the *Book of Discipline*. Through its Facebook page, the Board connects clergy and laity throughout the conference with disciple-making resources such as articles, blog posts, video content, websites, webinars, workshops, and online courses to equip disciple-makers. During the outbreak of COVID-19 and the resulting time of social distancing, the Board of Discipleship has shared resources to help local church leaders adapt to a rapidly changing ministry landscape. The Board plans to develop communities of practice which connect disciple-makers in various areas of ministry (such as specific age-level ministries, evangelism, stewardship of creation, or Healthy Congregations) for digital or face-to-face discussions of challenges, successes, and best practices.

Board of Higher Education and Campus Ministry

The Illinois Great Rivers Conference's support of higher education and campus ministry continues to make a difference! Specifically, in students' relationships with God, meeting physical needs within the campus communities, and creating spiritual leaders for the United Methodist Church. With your continued support this year, the impact is expanding. This year emphasized the student leaders that gaining skills and exploring God's call in their life to ordained ministry. At the 2019 Annual Conference, many young people that came forward during the ordination service were involved in a Wesley Foundation. Thirteen students from IGRC attended Exploration Conference with grants from BHECM and BOM to further explore their call, discern between elder and deacon ordination, and learn about seminary and scholarships.

The Illinois Great Rivers Conference has relationships with three institutions of higher education; namely, Illinois Wesleyan University in Bloomington, McKendree University in Lebanon, and MacMurray College in Jacksonville. Through these relationships, the United Methodist tradition and presence remains strong on the college campuses. Unfortunately, MacMurray College announced in March 2020 that they will be closing. BHECM will continue to support the MacMurray community as we can through this transition. Illinois Wesley University underwent staff changes, hiring Stuart Haruyama as the Multifaith Coordinator and Chaplain Elyse Nelson-Winger is also the Associate Dean of Students. McKendree University and Chaplain Tim Harrison invited clergy and alumni to Founders Day to celebrate the 26 years of service of President Dr. James Dennis.

In addition, Illinois Great Rivers Conference provides funding and support for five Wesley Foundations; namely, Eastern Illinois University at Charleston, Western Illinois University at Macomb, Illinois State University at Normal, Southern Illinois University at Carbondale, and University of Illinois at Urbana-Champaign. Rev. Mark Hendrickson, the director at Western Illinois University, left June 30, 2019 and after

a search, the board offered the Director position to a qualified candidate from the Philippines. However, visa and travel delays necessitated hiring Rev. Carrie Carnes as interim from September to January.

In college, critical life decisions and directions are charted. Through the campus ministries, college-age individuals receive spiritual guidance and opportunities for Christian study, community and service to help shape these decisions. Our Wesley Foundations alone have connected with over 5000 students and have welcomed over 300 students in worship. Around 50 students or former students from the past five years are either working a ministry position or are pursing a ministry-track (seminary).

Apportionment dollars provide only part of the funding necessary to provide effective ministry on our college campuses. BHECM continues to work with Wesley Foundations to increase their fundraising capacity. This year, we sponsored two fundraising seminars focusing on knowing your donors and beginning an endowment. We appreciate the conference supporting a ministry of presence through placing qualified United Methodist clergy and lay people at Wesley Foundations that is costly, but effective, and apportionment support of campus ministers' health insurance and salary that allows grants and individual donations raised to go to support students. These funds support on-campus ministries, leadership development, student internships and mission trips to St. Louis, , to mention a few. Additional fund-raising efforts are ongoing, and new ideas for fund-raising are happening throughout the campuses.

Our campus ministries are incubators of ministry to the next generation and provide innovative support to our local churches. Illini Fighting Hunger began as a student ministry at the University of Illinois Wesley Foundation and has since shared knowledge and supplies to other campus ministries, churches, and now the Midwest Distribution Center to exponentially increase the impact of bringing all ages together to repackaging meals. Illinois State University's Wesley Foundation has a thriving leadership team and process for mentoring. They recently partnered with Bloomington Wesley's youth to teach and adapt their leadership model for youth.

All of the college campuses closed on-campus activities in March of 2020 due to the Covid-19 influenzas. Instead of canceling ministry, they have moved ministry online in creative ways. Using Snapchat stories to connect with students, Facebook Live to share worship, and Zoom for small group studies, students are still connecting one another, to God, and a knowledgeable pastor.

One of the most staggering statistics is the more than 50 individuals that have come through Wesley Foundations in the past five years who are either currently in a ministry track, or serving in a ministry position. A Wesley Foundation intern, Lauren Knicl has gained valuable hands-on ministry experience that will enhance their education as she begins seminary in the Fall. Many students are developing leadership skills and serving at East Bay, Little Grassy and Beulah camps as well as summer interns through the conference internship program.

Many exciting events have happened in the past year, and some powerful ministry events are planned for this upcoming year. We celebrate and support the Wesley Foundations as they continue to equip, support and nurture young adults into a deeper Christian faith. Find out more about our campus ministries on Facebook at

Board of Pensions

Estimated Financial Impact on the Annual Conference: The Administration apportionment underwrites conference-level administrative expenses of these plans. The current plan contributions are direct billed to local churches and participants.

Staff and Resource Time: The Treasurer/Benefits Officer and two assistants currently administer these programs as part of their regular duties.

Source of Funding: Direct assessments to local churches, church-related organizations and individuals, interest income and the Preachers' Aid Society and Benefits Fund, Inc.

Wespath Current Pension Liability Funding Status

The Wespath calculated Current Pension Liability Funding of the three pension plans sponsored by the Conference and administered by Wespath are currently in the following funding positions.

Pre-1982 Pension Rate and Special Grant Recommendations

The 2020 pension rate for pre-1982 years of service is $794 per service year. CBOP approved a 2% increase (rounded up to whole dollars) to $810 per service year for 2021. The CBOP would like to thank PASBF for their generous funding gift of $466,352 to the Pre-82 fund allowing for the 2% increase.

The following special grants will be made for 2020:

a. Ruth Sharrow be declared eligible to the claim of a dependent childfor the service years of her father, Clarence Sharrow.
b. Mrs. Allen Morgan be given a special grant of $35.00 per month.

MPP (1982-2006): Fully Funded

Clergy Retirement Security Program (CRSP)

Remains stable and no rate increase is required.

Therefore: The Conference Board of Pensions recommends no change in the defined benefits portion of CRSP for 2021 contributions. The 2021 rates shall remain at the 2020 rates of:

- Full-Time Pastor, $5,700 per year; $475.00 per month
- 3/4 - time Pastor, $4,275 per year; $356.25 per month
- 1/2 - time Pastor, $2,850 per year; $237.50 per month
- 1/4 - time Pastor; not eligible

Wespath Market Pension Liability Funding Status

The 2019 General Conference passed legislation allowing Wespath to calculate Market Pension Liability Funding to help UMC Conferences determine the pension liability share for churches desiring to exit the United Methodist Church. Market Pension Liability Funding uses a different criterion than Current Pension Liability Funding. The IGRC Market Pension Liability Funding balance as of June 30, 2020 is $126,656,422.

Pension Credit for Pre-1982 Student Local Pastors Years

The Conference Board of Pensions recommends that:

1. Roger K. Lyons be granted 2 years of Pre-1982 Pension Credit for Student Local Pastor Service rendered at Wanda: 06/07/1975 to 06/03/1977.

Health Insurance Proposal

The Conference Board of Pensions is providing a separate resolution to the annual conference session regarding a clergy health insurance allowance.

Board of Trustees (IGRC)

The Board of Trustees is a not-for-profit corporation and is governed by the Bylaws of the corporation, the Constitution of the United Methodist Church and the Discipline. Voting members of the Annual Conference are voting members of the corporation.

The Mission of the Board of Trustees is to provide a safe, secure and functional environment for the Conference owned properties, including the United Methodist Center. To receive gifts from estates and trusts. To assist in the closing of church properties when the congregation has transitioned to another location.

The United Methodist Center is a meeting place for the entire Annual Conference and the high usage of the building makes it is important to have a building that is safe and meets the needs of those groups that come to Center. We can anticipate that in the future that this property which is now 17 years old will need upgrades. The United Methodist Center provides offices for the Bishop and conference staff and many programs operate at this site.

Trustees continue to focus on the responsibility of preventive maintenance, completing repairs, and the upkeep of the district and staff parsonages. Their goal is to provide housing that is well maintained, comfortable and a parsonage that the residents are happy to call home.

The Board recommends to the Annual Conference the sale and purchase of properties and carries out the directions of the Annual Conference. Churches finish their ministry at a site and transition forward to new ministries in new places. The building is often returned to the trustees. Trustees assist in the sale of closed churches, parsonages and other properties as needed. The focus of trustees is to find buyers, so that the buildings may continue to be a part of that community in another capacity.

The Annual Conference has explained the process for closing churches and supplied the guidelines from the Discipline. The goal is to have the transition move through the process smoothly. A training day was held in September which included the Cabinet, Trustees and District Chairpersons for the Board of Church Location and Building and other District persons. Rev. Janice Griffith presented the material and provide written information. Rev. Mike Potts and Mr. John Kauerauf, legal counsel assisted with information. When churches close it becomes a team effort to complete the transition. Many of the Trustees continue to do volunteer labor and repairs on properties. They have used the resources of The United Methodist Men, The United Methodist women and other church and community groups to assist them. The residents who live in the conference owned homes have gone above and beyond their responsibilities and have made repairs and assisted with maintenance. We extend a special thanks to each person and trustee that has contributed many hours of volunteer labor and support.

Financial

The Trustees review the monthly financial reports. The Trustees have functioned within the budget. The mortgage payments are current.

Insurance

Please review your church and parsonage insurance annually. When properties are under insured there is potential for large losses with an impact to the local congregation and the annual conference.

During the past year, the trustees have had requests for resources that can be used by the local church and for their members. Church Mutual has develop a resource center at *https://www.churchmutual.com/98/Safety-Resources*. This resource center has 20 categories and covers free and much needed information. The information may also be shared with individuals. The Trustees have met with Church Mutual, the conference insurer to determine losses reported and to examine ways to eliminate some of sources for these losses. The largest liability continues to be falls and personal accidents on properties. Encourage persons to report any visible areas of potential danger. As we know, it is easier to prevent losses than it is to correct accidents after they happen. Just a Reminder…. Persons living in parsonages will need renter's insurance for their personal property as insurance obtained by the church or conference does not cover personal property. Be sure that the renter insurance provider includes water damage rider.

Homes for Pastors

The Cabinet and trustees developed a document to define and clarify maintenance requirements for District and Conference owned properties. A notebook has been placed in parsonages with a maintenance checklist and the standing rules. The Trustees Annual Inspection Report, copies of handbooks for appliances, information on community resources persons are stored in the binder. We continue to develop and update the binder so that persons living in the homes have information and resources. Pastors want to understand their responsibilities when living in church owned homes. Local Churches are encouraged to develop similar guidelines and provide a checklist to the pastor which defines the roles of the pastor and the church.

Churches Completing Their Mission

Churches have completed their mission as local congregations and the remaining members have transitioned to a new church family. Resolutions for closure can be found in the conference journal for the following churches and the resolutions will be voted on at annual conference:

- Center UMC
- Dix UMC
- La Harpe UMC
- Lawrenceville Otterbein UMC
- New Salem UMC
- Ohio Chapel UMC
- Orange Chapel UMC
- Tiskilwa UMC
- Vermont UMC

The Annual Conference in 2019 voted to transition 14 churches. All the church building has been transitioned and the final one will be closed before the 2020 annual conference. Many of the above have already completed the process. Buildings are used for ministry and sometimes homes. The communities have needs for building and some of the uses are: An African American Center, community centers and start up churches. Let us continue to pray as together as we move through the Corona Virus recovery, We are the Church wherever we are located. As we join together in new ways and as we worship with our church family electronically. Let us find new way to Make Disciples for Jesus Christ.

Commission on Archives and History

The *Book of Discipline* (2016) mandates that each annual conference shall have a conference commission on archives and history with the duty to "collect, preserve and make accessible the historically significant records of the annual conference and its agencies, including data relating to the origin and history of the conference and its antecedents" (¶641.1).

The Covid-19 epidemic has significantly impacted this ministry during 2020, and as of June 1, the conference archives will be located in Wesley UMC, 1601 Salem Road in Mt. Vernon. The move was precipitated by the announcement that MacMurray College in Jacksonville was closing after 174 years of operation.

In the midst of the transition, we give much thanks and appreciation to archivist Lynne Phillips, a MacMurray employee that served the past two years both the conference and the school, and who completed her employment May 26. The Commission is in the middle of a search for a new part-time archivist that will provide 20 hours per week in ministry to the conference in Mt. Vernon.

The archives receive requests from different constituencies and stakeholders, including people looking for family histories and local churches searching for information on churches. It is conference policy that when a church closes, its records are sent to the archives.

The archives launched a digitization process of the most requested items as part of a three-year project funded by a significant budget increase for that period of time. Due to budget constraints, the three-year commitment will only span two years, but the

2021 budget includes an ongoing financial commitment to continue the work that has started.

The Commission also schedules the annual Prentice Sermon in the spring and the annual Cartwright Sermon in October. It publishes a quarterly, *The Historical Messenger,* within the conference news magazine, *The Current*.

The Commission hosts a special meal at Annual Conference in which churches celebrating its 150th, 175th or 200th anniversaries are recognized. Due to the pandemic, recognition of these churches will be in a published format and certificates will be sent once the Shelter in Place order is lifted.

Commission on Communications and Communications Ministry Team

The *Book of Discipline* (2016) agency to meet the communication, publication, multimedia, public and media relations, interpretation and promotional needs of the conference (¶646). In meeting that mandate, the Communication Ministry Team works very hard to provide an economical and yet, ever expanding system for communications."

The ever-changing playing field was never more apparent than in March 2020 when Governor Pritzker issued the Shelter in Place order that closed the Conference Center. Fortunately, the communication system in place is not confined to a building and so we have been able to innovate to meet the pandemic's new challenges.

Two years ago, the Commission on Communications led the effort to install a web conferencing system that could be used by conference committees and staff members to hold meetings. While a significant number of hours have been logged on this system, the need exponentially grew during the pandemic necessitating the need to expand capacity which positioned us for a virtual annual conference session in 2020.

The Cabinet has utilized the system for appointment making and holding introduction and take-ins of pastors to new congregations and the Course of Study Extension School held its April-May session online for the first time. Connectional Ministries has been able to provide a wide array of webinars and Bishop Beard has held a significant number of meetings with pastors and laity during this time.

During the pandemic, usage of the system has been tracked. While the average meeting ranged from 50 to 60 minutes, the usage and total amount of time has significantly increased:

Month	No. of meetings	Total Time (in minutes)
February 2020	393	24,424
March 2020	1,069	57,168
April 2020	3,101	192,120
May 1-18, 2020	1,626	108,074

This system will also be a part of the communications system for the 2020 Annual Conference should the session be held virtually.

The pandemic has also not slowed the production of The Current, the conference's award-winning publication that is produced 12 times a year. An online subscription database enables churches to update their subscription list at any time through the church portal page.

Weekly e-newsletters complement the print publication with timely, informative news throughout the week. And our video ministry continues not only during annual conference but throughout the year.

We are grateful to a dedicated staff that make it all happen. Paul Black will finish his 14th year of service as Director of Communication Ministries. Paul is heavily sought for consultations, workshops and learning events by churches, districts and clusters. He is ably assisted by Michele Willson, a communications specialist that also is an assistant event manager. Kim Halusan, our graphic designer, and Bob Schafer, our video production manager, enhance the ministry with their talents. For the past three years, Kim has assisted the annual conference secretary with production of the Journal-Yearbook and Bob has been the point person on the web conferencing system in addition to his production responsibilities.

Doug Stone manages our mailroom and has provided more than 40 years of service to the conference. He is responsible for the conference database as well as printing projects. He is assisted by Polly Kinner in fulfilling the responsibilities and needs of the conference.

We are confident that even as we return to a new normal, communications is poised to provide flexibility and options that can meet the new challenges in the future. Thank you for your support and sacrificial giving that enables us to do ministry together!

Commission on Camping and Retreat Ministries

Camping and Retreat Ministries exist to Connect People, Nature and Christ. In 2019 we saw nearly 8,000 people make these connections at our sites. Through intentional data gathering, we are celebrating with you the significant impact our summer camps are having! We could not impact lives in this way without the support of our Conference and our Churches. Thank you for your continued support.

In 2019, two numbers stand out from the data collected:

95% of summer campers indicated they had significant faith experiences in 2019!

- 15% heard about God's love for the first time
- 37% asked Jesus into their life
- 25% are interested in knowing more about Christ, but were not ready to make a decision
- 18% made a decision to go deeper in their faith

93% of summer campers felt loved at camp

Studies show that young people are less likely to be part of a church than previous generations and that while they are digitally connected like never before, they are the loneliest living generation. Camp has become a vital way of countering new cultural norms to intentionally connect young people to faith communities and to a relationship with Christ.

At the 2019 Annual Conference session we shared that all sites that had been for sale were under contract and no longer being maintained by our ministry. We are celebrating all the improvements that have happened at our sites because of those funds. To date those funds were used or in the process of being used for the following updates at our sites:

At Little Grassy

- Mount Tabor Lodge - complete renovation
- Clergy Retreat Space (Gethsemane Retreat House)-complete renovation
- The Cedar Lodge Dinning Hall-new windows, flooring, lighting, improvements to the HVAC system, and additional improvements
- Masada Retreat Center -new flooring, HVAC system, and additional improvements
- Repaved the camp access road
- Various upgrades to additional buildings around camp
- Priority maintenance and infrastructure upgrades throughout the site

At East Bay

- Gatehouse Lodge - complete renovation
- Four new cabins in the Aldersgate area of camp
- Clergy retreat space will be completed this Spring
- Staff home upgrades
- Various upgrades to additional buildings around camp
- Priority maintenance and infrastructure upgrades throughout the site

Beulah Camp

- $75,000 from camp sales went to support site improvements at Beulah.

Your Camping and Retreat Ministry is building on the progress of the past few years and continues to work strategically to become a thriving ministry of the IGRC. We are rethinking camp and retreat ministry in Illinois and have left all options on the table. Our work has led to new staffing models, increased financial health, new and updated programs, and an increased emphasis on adapting to challenges in creative ways.

There is still much to do, and this ministry is not yet where we know it needs to be. We ask God to continue to guide us forward and we celebrate with you that God continues to use our Camping and Retreat Ministries to make Disciples of Christ by Connecting People, Nature, and Christ for the transformation of the world!

Commission on Equitable Compensation

(see Legislative Item 106: Commission on Equitable Compensation)

Commission on Religion and Race

The Commission on Religion and Race, IGRC, continues to partner with GCORR, NCJ CORR and BMCR to have meetings and share resources. We are still talking about what it means to live in and/or build a "beloved community." In building this "beloved community", we are working in collaboration with the IGRC Hispanic Ministries and ELCC(IGRC).

CORR is reorganizing how we work with Districts to have "vital conversations" around issues that affect us as a church, and, as God's people; given the situations that we are witnessing in society, it's evident that our work is timely. Again, this is not offered as a political issue but rather a "love thy neighbor" concern.

Our partnership with the Office of Congregational Development and other Staff persons from IGRC Connectional Ministries have been key to the growth and work of CORR, along with NCJCORR and GCORR. There is still much work to do – join us as we help build a "beloved community." Plans are underway for another "Face the Future" Conference sponsored by GCORR; this helps Ethnic Clergy to network. IGRC CORR is also planning an Ethnic Clergy Retreat with Spouses and members of our CORR group.

We pray to be able to get to more Districts and have "table talks" on vital conversations.

Committee on Alain Rocourt Endowment Promotion

Following a Volunteer in Mission trip to build a school in Haiti, William Hylbert started the Alain Rocourt Endowment Fund for the purpose of providing ongoing support for the Methodist schools in Haiti. The Endowment is named for the Rev. Alain Rocourt who was the first native Haitian to graduate from seminary and be fully ordained by the Methodist Church of England. Rev. Rocourt became director of the Methodist Schools in Haiti. Today, there are about 100 Methodist schools in Haiti. The church seeks to begin educating children as early as possible, so kindergarten studies may begin as early as age 3. The Alain Rocourt Endowment Fund collaborates with the Midwest Mission Distribution Center to provide needed desks, paper, pencils and back packs.

Haiti has been in prayers this year. For many years Haiti has been ranked as the poorest nation in the western hemisphere. Haiti has experienced hurricanes and earthquakes. In addition, there has been great political unrest. This Fall, we had to cancel the itineration of a representative from the Methodist Schools in our conference due to the unrest. The problems of Haiti can seem overwhelming, yet there is great hope. The church offers a better future for the children of Haiti through increasing the level of general education from the 65% of the population that is illiterate to the 42% of school-age children unable to attend school.

There are now almost 25,000 children enrolled in Methodist schools in Haiti. Still, more schools and more teachers are needed in order to reach more children.

In 2018, the Alain Rocourt Endowment sent $35,000 in support of the Methodist school of Haiti. We are an IGRC Advance Special, #6700.

Committee on Congregational Development

The 2019 Illinois Great Rivers Annual Conference adopted the Reach 1,000 goals: "Therefore, be it resolved that in five years the local congregations of the Illinois Great Rivers Conference will have developed systems to consistently Reach 1,000 new people through new ministries each year AND Reach 1,000 additional new people through existing ministries each year."

In the past year, Congregational Development has accelerated implementation of that plan. In July 2019 two planters were appointed: James Fielder to Champaign Urbana to start a multicultural church and Rocio Reyes Williams to Marion to start a bilingual church.

In addition to these appointments, many churches and individuals have started new faith communities and mission outposts. These new starts include Dinner Church models (Decatur Grace and St. Jacob/Troy), new worship services (Tremont and Olney Immanuel), Hispanic ministry (Moline Riverside), and many other outreaches (such as yoga church, Bible study in a dog park). There are several other new places which have been started in IGRC in the past couple years.

To increase the vision for new places and equip leaders to participate in this movement, the 2020 Reach 1,000 event was held at First UMC, O'Fallon, on March 20-21. 150 people participated in the event which featured keynote speakers Olu Brown and Kay Kotan and over two dozen breakout workshops.

In December 2019, Peggy Hisey left the Congregational Development staff. As a means of continuing to equip churches, Congregational Development made its most frequently requested workshop, Reaching New People, available as a video curriculum. Churches can now sign up online to gain access to use this resource with one or more groups within their church.

Currently two churches are engaged in the Step UP process, a year of equipping and coaching which culminates in an on-site weekend. During their weekend, each church will receive their report which will outline next steps for the church to take to increase their impact in making disciples.

Congregational Development has taken a leadership role in equipping clergy in CliftonStrengths. The IGRC Cabinet asked each pastor to take the CliftonStrengths assessment in the past year and invited them to participate in workshops to help them explore and more fully live out of their strengths. In addition, workshops have been offered for church staff teams.

Between August 2019 and March 2020, over 650 people have participated in workshops offered through the Office of Congregational Development. The 2020

Reach 1,000 event which had been scheduled for March 20-21 in O'Fallon had to be postponed. It is hoped that this equipping event will be rescheduled later in 2020.

Committee on Accessibility Ministries

(1) Disability Awareness Sunday is celebrated in the IGRC on the fourth Sunday of September or another time convenient for the local congregation. Churches are encouraged to collect an offering to support accessibility grants for local churches. Further information may be found at http://www.igrc.org/accessibilityministries or at http://umdisabilityministries.org.

Disability Awareness Sunday offerings (total of $3,878) were contributed by thirteen churches: Colchester, Taylorville, Green Valley, LaPlace, Pekin First, Batestown, Henry, Anna, Blue Ridge, Sullivan First, Pleasant Grove, Fairview Heights Prospect Park, and Hoopeston.

(2) Disability Awareness Sunday grants are awarded in two cycles. A $2,000 architectural/ministry participation grant was awarded to Taylorville First UMC for the purchase of an accessible vehicle for transporting members to and from church events. No applications were received for attitudinal/program ministry grants.

The committee received memorial funds in honor of Gretchen Sidell, who was an active member of the committee and ardent booster for accessibility and inclusion of people with disabilities in our churches. The memorial funds were granted to Green Valley UMC to help fund building a ramp into the church.

(3) At the 2019 Annual Conference, the committee hosted a meal with guest speaker Rev. Jim Aniol, founder of the Quad Cities chapter of myTEAM TRIUMPH. He showcased a racing chariot in the committee's display booth during annual conference.

(4) Changes to Religious Interpreting Program. The antecedent IGRC Deaf and Hard of Hearing Ministries Committee maintained a pool of religious sign language interpreters, and assigned interpreters to churches based on weekly requests from local churches. Analysis of the ministry made several discoveries. First, our pool has diminished over the years to a couple interpreters living in one or two of our ten districts. Local churches are better equipped to connect with local religious interpreters. Second, religious interpreters compose a small subset of the interpreter labor market. Third, the stipends we provided to interpreters are about half of the market rates for business-related interpreting services. Local churches are better equipped to make a determination in competitive compensation based on the local market. Given all these factors, the committee declined to continue central management of a pool of religious sign language interpreters.

Despite letting go of central management, the committee is not abandoning support for religious interpreting in local churches. First, grants will be available to local churches to offset the cost of religious interpreting services. Second, we will offer scholarships to students seeking a degree or certificate with a core component of sign language interpreting, and we will encourage the learning of religious sign language interpreting specifically.

We continue to rely upon the generosity of local churches to fund our three grant programs and one scholarship program. We are deeply grateful for all the churches that contribute toward these funds, and we are grateful for all the churches intentionally cultivating inclusive communities with a spirit of welcome and a commitment to ministry and discipleship alongside people with disabilities.

Committee on Pastoral Care and Counseling

The purpose of Pastoral Care and Counseling in the IGRC is to make disciples of Jesus Christ for the transformation of the world by promoting and supporting the spiritual and emotional health of the IGRC clergy and their families.

Pastoral Care and Counseling supports IGRC's active and retired clergy and their families in a variety of ways. Since 2013 we have offered the Clergy Assistance Program (C.A.P.) clergy and their families. If you are under appointment or work in the Conference office, you and your family (dependent children up to age 26) are also eligible for six free counseling sessions per person, per issue, per year. You can access the C.A.P. multiple ways including by phone (888) 881-5462, online at *www.supportlinc.com*, through their mobile app (eConnect), email at *support@curalinc.com*, and via texting using the Text.Coach downloadable app. In addition, the C.A.P. offers different types of telephonic consultations including: health, finances, legal, and identity theft. More resources are available online from SupportLinc at *www.supportlinc.com* User ID: igrc that include blogs, webinars, tip sheets and more.

Due to the COVID-19 pandemic, Pastoral Care and Counseling now offers Zoom counseling sessions with Shauna Summers LCPC, the Coordinator of PCC. We keep in touch by sending out a newsletter (since 2014) with resources, information, and supportive messages six times a year. Sign up to receive it through the Communications igrc page. PCC also provides a variety of online resources (since 2015) such as recommended articles, blogs, a list of clergy-oriented retreat locations in Illinois and surrounding states with the amount of their recommended donation or last reported cost per night in hopes of making it easier for clergy and their families to "get away" more often. These resources and more wellness resources are available from the Pastoral Care and Counseling website at *www.igrc.org/pcc*.

We continue to mail out Transitions packets to the family of clergy who are being re-appointed. Pastoral Care and Counseling began this ministry in 2015. Anonymous feedback from those who have received the Transitions packets reinforces our dedication to this ministry. We have heard: "The entire packet has been very helpful. It is professionally provided and we thank you and the IGRC for this caring package" and "Thank you! The Community Resource List is the best!"

As a Licensed Clinical Professional Counselor, Shauna Summers, our Coordinator is available to confidentially talk with any IGRC clergy or family member either in person, by phone or text (309) 642-0262, by email, or in one of our closed Facebook groups. United Methodist Women

The Illinois Great Rivers Conference of United Methodist Women represents 8900 members of the largest faith organization for women with approximately800,000 members. We inherited the vision and hard work of women's missionary societies of eight denominations. The 150 - year legacy of United Methodist Women began in 1869 when the Woman's Foreign Missionary Society first organized in Boston and answered a call to act in response to the health needs of women in India. Today, United Methodist Women continue the journey in mission. We support more than 95 national mission institutions including Lessie Bates Davis Neighborhood House and Cunningham Children's Home.

Now, let's reflect on some highlights of our conference in 2019:

- We exceeded our mission giving pledge
- We held a dinner at the IGR Annual Conference with a theme of 150 Years of Climate change reflecting one of four United Methodist Women priorities – environmental justice.
- Bring a Kid to Mission u for women accompanied by a child, 6-11 years old, and Mission u, a transformative education experiences, were held in July
- A Charter of Racial Justice brochure was developed listing ideas for implementing the Charter in districts and local units. Articles depicting racial justice was published in conference newsletters, the Bridge
- We named a conference room in the new Noel Center at Cunningham Children's Home, "Illinois Great Rivers Conference United Methodist Women", exceeding the goal of $30,000
- We signed postcards to petition Wendy's to sign the Fair Food Agreement to improve wages and working conditions of farm workers
- The theme of our signature Personal Growth Seminar, "The School-to-Prison Pipeline: The Girls' Story", was presented in all ten districts
- We gave over $48,000 to the United Methodist Women's Legacy Fund investing in another 150 years of United Methodist Women
- We delivered a petition to a Ford Dealer regarding Clean Air Standards
- We supported community programs such as food banks, homeless shelters, Baby Fold, Chaddock, Spero, Lessie Bates Davis Neighborhood House, Cunningham Children's Home, the Midwest Distribution center, St. Clair County Advocacy Center, Lion's Club, Relay for Life; and, provided transportation for the elderly, food backpacks for children on weekends, after school tutoring and stipends for college students
- A Spiritual Growth Retreat was held in February

- Our Annual Meeting Celebration held in October included Shannon Priddy, president of the board of directors of United Methodist Women, as the speaker; leadership development opportunities; and, we celebrated United Methodist Women's birthday, 150 Years of Mission
- In December, we co-sponsored a Just Energy for All event in Springfield, IL. for more than 76 attendees from across the country

United Methodist Women focuses on mission. Beginning in 1869, we have focused on ministries with women, children and youth.

IGRC Prayer Team

The IGRC Prayer Team continues to focus on rendering prayers and spiritual support for the IGRC conference. We, as Disciples of Christ, seek to fulfill the responsibilities in ¶ 136 of the *Book of Discipline*. We use the IGRC Facebook page as well as our Free Conference call system to connect people throughout the conference with prayers, scriptures, and resources, such as blog posts and devotions. These tools helped us to reach and encourage all people to stay connected and with God. Districts extensive Workshops are being developed to equip members of the conference to strengthen their faith and become strong prayer warriors of Jesus Christ. One of the vital activities that are being developed District-wide is the discipline of prayer walking our communities. The Wednesday Lenten devotions, which is our email presence, is another arm of the ministry, reaching out to so many and is strengthening the connectivity of prayer through the scriptures. The IGRC prayer team is considering ways to encourage everyone within the conference and beyond to get fully involved in the practice of praying for one another, which connects us in various areas of our mission. For the coming years, the prayer team will be introducing more digital or face-to-face video conferencing for prayer meetings and other vital gatherings.

Committee on Older Adult Ministry

The Council on Older Adult Ministries of the Illinois Great River Conference mission is to "encourage and enable all congregations in the IGRC to establish an intentional ministry by, with and for older adults." The vision of the team is to, "enhance the lives of older adults spiritually, mentally and physically and to grow disciples for Jesus Christ for the transformation of the IGRC and the world."

The Council on Older Adult Ministries has the potential to be a helpful tool for the conference and its local churches as we face an obvious increase in the number of membership over 60 years of age. According to Pew Research data, 32% of United Methodist membership is 65 or older (Pew Research 2014). An Administration on Community Living 2016 report said that over 14% of the total population in Illinois was 65 or older. The trend in having an increasingly aged church membership will

continue to grow as a U.S. Census reported indicated "In less than two decades, the graying of America will be inescapable: Older adults are projected to outnumber kids for the first time in U.S. history (U.S. Census 2018)." Given these changing demographics it is in the best interest of the conference to provide resources to help local churches foster helpful relationships between our aging membership, young adults and children in their care.

Many churches across the Illinois Great Rivers Conference have already established ministry with older adults as an intentional ministry of their church. At annual conference last year I talked to a pastor the Older Adult ministries resource table who commented "older adult ministry… that's all I do is ministry with older adults." A brief survey of 11 participants at my informational table showed, there was interest in the following items that the conference could offer local churches in ministry with older adults; 1) conference travel and retreats, 2) guest speakers to come to the church and talk about effective ministry with older adults and 3) having a conference resource page on the IGRC website to help direct ministers and laity to community resources for older adults and caregivers. Another insightful comment at my information table was, "you need to come up with a different name for your committee."

My vision for the committee would be to a) increase visibility and activity of this committee and b) revisit the mission of this committee and establish goals that reflect the mission. I'm determined to increase dialogue in regards to older adult ministry and think about ways to continue intergenerational ministries among churches in our conference. To meet the needs of an aging population we will need everyone's help of every age and generation to address the enormous strengths for ministry they bring as well as unique needs for support.

Lay Leader Report

(See Leadership Reports on page 187)

Committee on Specialized Ministries

The Committee on Specialized Ministries includes lay and clergy members from the districts across the conference. The committee fulfills several functions to support specialized urban and town and country ministries supported by the local churches, including review and recommendations for Advanced Special status of local ministries, identifying Five-Star congregations and reviewing ministries which address needs within the communities served by local churches, with emphasis on four priority areas: meeting unmet needs of children and youth, homelessness, hunger, and life skills training such as literacy, job training and English as a second language.

Direct Specialized Ministries grants for local projects are recommended at annual hearings in November, based on applications from the ministries which have also been reviewed by the appropriate District committee. The budget request submitted for 2021 reflects a 10% reduction from previous years, acknowledging the reality of our current denominational restlessness, although the number of, and amounts

of, requests for funds indicates that our communities continue to provide ample opportunities for our congregations to be in ministry relationship within their neighborhoods. Individual grants recommended for funding in the 2021 budget range from $1,000 - $10,000, and all ministries have significant participation from the local UMC, often with other community partners.

There is a significant time lag between the annual hearings in November and subsequent budget consideration by Annual Conference the following summer, so the grant period begins about 15 months following the applications. To help a congregation jump-start a ministry to meet a need they have identified, without requiring a 15-month (or more) lag, the Committee reviews Emerging Needs applications throughout the calendar year. These grants are limited to $3,000, and grants are given only a maximum of two years, until the ministry can apply during the regular Specialized Ministries grant cycle. During 2019, five Emerging Needs grants were awarded.

Commission on Status and Role of Women

The *Book of Discipline* tasks each Annual Conference Commission on the Status and Role of Women (COSROW) with the work of raising awareness about the status of all women and working with leaders of our churches, districts, and conferences to move towards the full and equal participation of women in the total life of the church (2012 BOD ¶2103). To achieve this goal, AC COSROWs are encouraged to undertake the following four areas of ministry: education, advocacy, monitoring, and cooperation.

COSROW's most visible education work centers around sexual ethics training, but it also includes global women's issues, leadership, and the history of women in the church. COSROW's advocacy work focuses on holding listening sessions and reporting findings to the church leadership, setting up coaching or mentoring programs for women, and scholarships. The Commission monitors leadership information to identify where women are underrepresented and observes and shares reports on women's participation at events. COSROW cooperates and collaborates with United Methodist Women, denominational leaders, clergy women's groups and ethnic caucuses to identify and support emerging women leaders.

The IGRC COSROW began meeting in the fall of 2017 after several years of inactivity. The Commission has been revitalized and is eager to share resources, hold listening sessions, coach and mentor female leaders, and empower the clergy and lay women in the IGRC to participate in all levels of church life. While the IGRC has made some progress for female clergy, more work will need to be done, especially around salary disparity and encouraging a culture of inclusivity.

During 2020, we met twice. This was due to the Coronavirus outbreak. During our February Meeting, we did not know whether or not we would be meeting as an Annual Conference. In February, we discussed how we would be represented at Annual Conference. We were still not sure of the future and so it was decided not to have a physical presence as in years past. This would include a possible table in the Exhibit Hall and in a group of monitors for the annual conference. It was discussed that we would partner with Religion & Race Committee for conference monitoring.

The next order of business was the awarding of scholarships. It was decided that the scholarships would be open up to include women involved in Course of Study as well as women seeking the Elder and Deaconess tracks.

At our second meeting of the year, we were notified that annual conference would be on line. Therefore, there would be no need for the monitoring this year – more planning would take place for the upcoming year.

Individual Scholarships of $1000 were awarded to the following:

Bonnie Abel who is attending Eden Theological Seminary
Carol Rudzinski who is attending Asbury Seminary
Megan Hoenig who is attending Asbury Seminary
Aletha Weatherall who is attending Course of Study

Congregational Development

As Coordinator of Congregational Development, I lead the ministry area that works to establish new congregations in IGRC and equips existing congregations for greater vitality and more fruitful ministry. As with everyone else in ministry, 2020 has been a significantly different and more challenging year. The shift from in-person workshops, coaching, and meetings to virtual overnight was abrupt and at times draining.

Some of the biggest plans had to be shelved, including a major event which had been scheduled for March 20-21, 2020, related to our Reach 1,000 priority. I did not realize for quite some time the emotional toll that took on me. We were also nearing the on-site phase for the Step UP process for the two churches. That initiative has been paused.

I have pivoted to offering more online workshops and video and phone coaching. Although similar, the work seems so different without the in-person contact and without traveling around IGRC. I am finding it harder to judge what is fruitful because I had been so used to what "had been."

I continue to enjoy my ministry with churches and church leaders, clergy and lay. The investment in CliftonStrengths as a tool for helping leaders discover and live their best selves energizes me.

Although it is uncertain what the next year will hold, I believe my ministry effectively uses my strengths and gifts. I know that some of the shifts which have been necessary in "COVID-times," such as online conferences and workshops, will continue to be prevalent in the future. To that end, the Office of Congregational Development has scheduled a fully online 2021 Reach 1,000 Leadership Institute.

Evaluation

Curtis Brown, Director of Connectional Ministries, conducts regular staff evaluations. I also meet annually with the District Superintendent for consultation. I met with Rev. Nicholas Showalter, District Superintendent of the LaMoine River District in September 2020.

Continuing Education

I attended the IGRC Covenant Keepers gathering in January 2020 and plan to participate in the 2021 session in January. I have participated in a few webinars throughout 2020.

Preachers' Aid Society and Benefit Fund

I was sitting at the kitchen table with a grieving spouse. The stacks of paperwork scattered across the table all related to the loved one's death, including the packet from Wespath Benefits and Investments. We slowly worked our way through the paperwork to set up the survivor's benefits from Wespath and other plans. Several questions were asked as I attempted to offer words of assurance as all the fears and concerns. In between forms and decision, I listened to the love story between two individuals who built a family together. Then, tears of relief begin to flow down her cheeks as she realizes she is not alone, and PASBF will walk this journey through the shadow of the valley of death with her.

This scenario takes place around many different tables throughout the conference. The persons in the chairs change, but the mission and commitment of PASBF does not. For over 150 years, Preachers' Aid has been there to care and support the retirees, spouses, and any dependent children from our conference. And PASBF will continue to *Serve Those Who Served Us* for another 150 years.

Current Ministries

In 2019, PASBF contributed close to $2.5 million in direct benefits to retired clergy in our conference through our 17 different ministries. They are designed to meet the spiritual, financial, emotional, and physical needs. The ministries include:

- $1.5 million for Medicare Supplement
- $ 500,000 for Medicare Part D Benefit
- Assist Selecting Medicare Part D Plan
- Health Insurance Premium Assistance
- Dental Loan Program
- Hearing Aid Discount and Loan
- Pastoral Care
- Attendance at Funerals
- Purchase and Present Grave Markers
- Fellowship Groups
- Baseball Games
- Trips
- Winter Gatherings in Florida and Arizona
- Retirement Seminar
- Interpreting Pension and Health Benefits
- Financial and Estate Planning
- Advocates for Retirees and Spouses

Ministries focused on active clergy and families include:

- Pre-Retirement Seminar
- Financial Planning Seminars
- Retirement Planning
- Consecration Sunday Leadership
- Preaching
- Fundraising Education
- Financial Education for Local Churches
- Personal Financial and Estate Planning

General Conference

Over the last few years, PASBF has been preparing for a possible split in the denomination. The Board of Directors in September 2019 passed a resolution declaring PASBF's intent to continue to serve all retired and active clergy currently in the conference. The full resolution is available at our Display Table or can be found on our webpage at *www.pasbf.org/resolution*.

Many retirees and spouses have been anxious over the possible loss of benefits offered by PASBF. This declaration is a vital first step to reassure clergy (both active and retired), spouses, and surviving spouses PASBF will be here for them. We continue to work with the conference leadership to ensure our retirees and spouses will not be forgotten.

This year at Annual Conference you will find a proposal to change PASBF's Articles of Incorporation. These changes are necessary to ensure our ability to serve all current retired and active clergy. With these changes, PASBF will be able to reach across the theological divides and serve those who have faithfully served us.

PASBF Obtains Own 501(c)3 Designation

Another vital step to enable PASBF to reach across the theological divides is obtaining our own 501(c)3 status. Working on the advice from attorneys at the General Council on Finance and Administration, as well as the advice of our own attorney, PASBF has sought this designation. The application was turned in and approved with an effective date of January 1, 2020.

PASBF has always been a separate entity from the Conference with its own Board of Directors with complete control over its assets. None of these facts are changed by this new designation. But it does help in clarifying each other's roles. PASBF will continue to serve IGRC retired clergy, spouses, surviving spouses, and any dependent children not only today but into the future as well.

Partnering with the Conference

Preachers' Aid's commitment to the IGRC is very evident at this Annual Conference. PASBF continues to support the long-range plan by the Conference Board of Pensions and Health Benefits (CBPHB) to increase the Past Service Rate by 2% each year. This increase impacts the pensioners who receive the least amount. A cost-of-living increase is vital to their financial health. In order for the 2% increase to occur, the Conference must make a payment of over $425,000. PASBF in the past has paid these payments, saving the conference millions of dollars over the years. At the time of the report deadline, the Board of Directors has not been able to discuss this year's request. Please know PASBF will most certainly look at it closely.

The CBPHB is bringing a proposal to change the Retiree Health Insurance Program. PASBF supports their recommendation and will be assisting the Conference in

implementing the change. Our staff will work alongside of the conference staff to explain the change and enable our retirees to become comfortable with the change.

Coronavirus Impact

Along with everyone else, the coronavirus has had a significant impact on PASBF. Ministries had to be postponed or cancelled. Giving has declined. Our investments have suffered significant losses. These are realities we all have encountered during 2020.

Financial support by local churches and individuals is critical to maintain this ministry. Over the last several years, we have seen increases in giving by both individuals and local churches. We ask you to prayerfully consider supporting Preachers' Aid, enabling us to continue to make a significant difference in the lives of our retirees and spouses. We will recover from this downturn because of the faithful support of the IGRC.

The virus gave us an opportunity to step back and evaluate new possibilities. During the time of self-containment, we have pondered utilizing technology to stay in touch with retirees, active clergy, and local churches. PASBF is exploring the launch of two different podcasts: 1) personal financial planning and 2) finances in the local church. It is our hope and desire PASBF will become a resource for the financial health of both clergy and churches.

Thank You

Preachers' Aid could not make the impact we do without a faithful Board and staff. This year, we say goodbye to two faithful Board members. Both Rev. Kathy Bueker Sweet and Mr. Rufus McCollum have served 9 years on the Board. We thank them for their dedication and input!

We also say goodbye to the Rev. Floyd and Bobbi Blackard as they are retiring from serving as Program Assistants. They came on staff in 2008 and have made a huge difference in the lives of our retirees and spouses. Thank you for all you have done! The Rev. Sharon Monroe (husband, Ron), Rev. Bob Edwards (wife, Linda), and Rev. Cindy Jones spend countless hours staying in touch with our retirees and spouses. We thank them for their dedication and faithfulness. Rev. Ed Weston is our Development Director and continues to make a major impact on PASBF. Ms. Carol Sims is our Administrative Assistant who keeps all of us straight. We blessed with this fine staff. And a big THANK YOU to all the individual and churches who have faithfully support PASBF. Because of your generosity, PASBF is *Serving Those Who Served Us* for over 150 years!

Africa University

In 2019, Africa University's story was one of resourcefulness, investment and ministry growth. The university community continues to celebrate God's amazing grace with thanksgiving.

Africa University extends its thanks and appreciation to Bishop Frank Beard, the Cabinet and the committed lay and clergy leaders who inspire vitality within the local congregations of the Illinois Great Rivers Conference. The gracious support of the Illinois Great Rivers Conference resulted in a 100 percent investment in the Africa University Fund (AUF) apportionment in 2019.

Illinois Great Rivers United Methodists continue to lead in giving to address ministry needs in Africa, through Africa University. Thank you, Illinois Great Rivers Conference, for your prayers and gifts which affirm our United Methodist connection and global mission.

The generosity of Illinois Great Rivers United Methodists helps Africa University to nurture, educate, and equip leaders who think for themselves, are contextually relevant and have a passion to serve. Since 1992, Africa University has trained more than 9,000 graduates who lead and serve across sub-Saharan Africa and beyond. These young people are equipped to be ethical, responsible and responsive leaders who can discern their calling and determine how to bring hope, wholeness and stability to their communities.

Institutional Update:

- Africa University has an annual student enrollment of more than 2,800. There are 25-30 African nations represented in the student body each year.
- The university's three colleges operate as centers for teaching, research, innovation, community engagement and enterprise development. Africa University is still the only university in Zimbabwe accredited to offer online degree programs.

- Students, faculty and alumni contribute effective solutions to Africa's current challenges. Their interventions include graduate programs in migrant and refugee protection, articulated by refugee students, as well as doctoral level training for military chaplains in Africa. Why military chaplains? They are among the first responders in crisis situations in Africa. They help to address the immediate need for rescue, shelter, food and comfort for the bereaved as well as the longer-term challenge of healing shattered dreams.

- Infrastructure upgrades are underway on campus. Africa University is transitioning to solar energy provision on its main campus, with the support of the General Board of Global Ministries of The United Methodist Church. A residence hall for women and a new wing of the student union building. The buildings—constructed with a gift to the university from the Dallas, Texas-based Highland Park United Methodist Church—will be the first solar-powered facilities on the campus.

Africa University affirms its commitment to The United Methodist Church, its Cross and Flame, and the denomination's global mission to make disciples of Jesus Christ for the transformation of the world, in every season and despite a shifting social landscape.

Through its faithfulness, the Illinois Great Rivers Conference invites new partners to join in mission and ministry with Africa University and change the world.

Illinois Great Rivers Conference, thank you for your ongoing response of bold engagement and generosity. Thanks to your stewardship of God's blessings, Africa University has gone beyond what some thought was possible. "The things which are impossible with men are possible with God.' Luke 18:27 NKJV

General Board of Global Ministry

The Conference Board of Global Ministries continues to work to accomplish the ministry and mission of the United Methodist Church through all the conference committees working in the areas of mission and outreach.

International Mission Trips continue to be a key part of building relationships with our brothers and sisters around the globe. We continue to be in relationship and partnership with Liberia Annual Conference. We continue to strive to complete the New Hope Church in Paynesville. Also, scholarships for education and pastoral salary support, are ways to maintain, strengthen and build our partnership with the LAC. The IGRC has efforts with other Annual Conferences to create a Liberia Summit to help partner resources and strengthen our ministry and mission in the LAC.

We also continue to be in partnership with Philippines, Honduras, Budapest, Guatemala, Costa Rica, and Haiti, and Zimbabwe.

The IGRC continues to have Missionaries itinerate throughout the bounds of our Annual Conference. We continue to emphasize the importance of missionary covenant relationships and support.

VIM and Disaster Response training continue to important pieces of the mission and ministry. Additionally, Early Response Disaster training continues to take place. There is a constant need for trained volunteers throughout our Annual Conference and beyond so that when a disaster happens, we have trained people ready to respond.

Mission trips from local churches continue to be at a high level. Many churches continue to help with flood, tornado, and hurricane recovery and rebuilding, in IL, TX, FL, Haiti, and Puerto Rico. Due to several factors, International IGRC sponsored mission trips have declined. Some factors include, travel restrictions, IGRC staff reductions, and limited registrations for some trips.

Older Adult Ministries continue to do annual training. Work with Specialized Emerging Needs Grants continues.

The IGRC Board of Global Ministries continues to work to find ways to connect individuals and local churches to the ministry and mission of the Church. While our denomination finds itself in a time of uncertainty, there is still, much ministry and mission to do; and the IGRC Board of Global Ministries looks forward to opportunities to build relationships and emphasize the ways that bring the hope of Christ to the world.

Health and Welfare Ministries

The Baby Fold

The Baby Fold is a ministry that has been dedicated to the well-being of children and families since 1902. We successfully impact over 1200 people each year- in a 28 county area- with a wide array of programs designed to wrap services around children and strengthen families.

Our services begin at the beginning of life. The Healthy Start Program has a proven record of accomplishment; successfully changing the course of lives we touch. Many of the mothers, who voluntarily accept the in-home services provided by our case-workers, have had involvement with DCFS in their childhood history. 95% of those who complete the program do not have any further contact with DCFS. We are breaking the cycle of abuse!

Hammitt School Programs meet the educational, emotional, and social needs of students from 38 surrounding school districts. They come to one of our 3 schools when their needs exceed what public schools can provide. Over 200 students (elementary-high school) receive the individualized special education they need in classrooms especially designed and staffed for academic success. Highly trained teacher therapists and staff address each child's complex issues. Children with a history of abuse, neglect, mental health problems, or autism, get the structure they need in a safe and loving environment.

Vocational education provided to junior and senior high students prepares them for life in the workplace and the home. No matter the functioning level of the student, we prepare them for meaningful work of continued higher education so they can experience self-sufficiency and independence to live life confidently.

Foster Care Programs help foster children to recognize their strength and resiliency and to learn to how to bond with their foster families. The Baby Fold recruits and trains foster families to provide safe, stable homes for children who have been removed from their biological families by the courts, so they can heal and grow. In addition, The Baby Fold is a state leader in finding permanent families for foster children.

Adoption Support services come in to play when an adoptive family and child are struggling. Highly trained therapists come to the home and help children process past trauma and build a bright future together. This program is in high demand and has about 300 families receiving care and guidance.

Intact Family Services are called upon when families are stressed- where chaos, poverty and other factors threatens the well-being of the whole family. This early intervention is very powerful and can often prevent the need for more intensive and disruptive services in the future. Last year 89% of families receiving Baby Fold care stayed together.

Intensive Family Support Services provide urgent care when families need it most. We advocate for children, teens, and families in crisis situations, helping to stabilize the home and connect them to resources it their community. Our mental health experts provide intensive support for 90 days and then connect the family with local services needed for long-term wellness.

Chaddock

Founded in 1853 as a ministry of the Methodist Church, Chaddock currently serves nearly 400 children per day through our campus residential programs, our foster care and adoption program, and in our school-based and outreach programs. Chaddock's services for children and families suffering from the effects of severe trauma and attachment-related issues have been recognized internationally for their effectiveness and success. In 2020 we were proud to be re-accredited by the EAGLE Commission, the nation's only faith-based accrediting body, with their highest honor: Accreditation with Commendation.

In addition to the children we directly serve on our campus every day, we are taking significant steps to educate others about the effects of severe abuse, neglect, and trauma and how to mitigate them. Our Facebook group for trauma-informed therapists has over 9000 members representing 100 countries around the world, and a podcast hosted by Chaddock's Director of Program Strategy averages 2000 downloads per week. Our staff continues to provide consultations and presentations to mental health professionals around the world. Our second book, Raising the Challenging Child, has proven to be a popular resource for parents, grandparents, clergy, educators, and others involved in raising children. The Knowledge Center at Chaddock, a professional center on Chaddock's campus, provides training on our campus, via livestream, and video on demand. It also serves to centralize our publication, consultation, and research activities.

While we are proud of our accomplishments and the impact we are having, we are mindful always that we are a faith-based, mission-driven organization. While we would like to 'work ourselves out of a job', the sad fact is that children everywhere continue to be harmed and traumatized in ways most of us can't imagine. By continuing to care directly for all of the children we can on our campus, many of whom represent the nation's worst cases of abuse, neglect, and trauma, we strive to be

the hands and feet of Christ to them. By helping other professionals be successful in their work with this fragile population, we expand our influence and mission. More information is available at *www.chaddock.org*.

Cunningham Children's Home

Our rich, historical connection with the United Methodist Women (UMW) tells the story of the hundreds of amazing women who have served alongside our staff and prayed for our kids for the last 125 years. Over the decades, many things have changed at Cunningham Children's Home, but our vision—to see every child thrive—has remained constant because of the leadership of the UMW. We salute their loyal support then, now, and always.

Our Youth and Families

A recent community member said, "You changed my understanding of all that Cunningham does. I thought it was just a home for kids." Our residential treatment center continues to serve as first-class therapeutic facility for youth who have suffered from severe abuse, neglect, and trauma; however, with the opening of the Rosann Gelvin Noel Education Center, more students than ever before are attending our CIRCLE Academy Education Program in Urbana. CIRCLE Academy-Vermilion experienced record enrollment this year as well. We saw an increase in referrals at HopeSprings Counseling Services and we expanded our community based services by adding two new programs.

In fiscal year 2019, Cunningham provided care to 731 individual youth and their families. Of those we served:

- 56% are male,
- 88% are between 7 and 21 years old, and
- 95% are from central Illinois

Community Services continues to expand

Our programs and services have always addressed our top priority: the needs of kids, especially those who are most vulnerable. That's why we continue to work with youth and families in our communities who are experiencing difficult life situations. Our two newest programs in Community Services, Runaway and Homeless Youth (RHY) provides homeless youth with shelter, food and education guidance and Families Stronger Together (FST) offers trauma-informed, culturally responsive, therapeutic services for entire families in need.

In 1895, Judge Joseph and Mary Cunningham deeded their home and 15 acres of land to the Women of the Methodist Episcopal Church, now the United Methodist Women. Their country home was given with the understanding that it would provide a safe and nurturing environment for children in need. At the time Judge Cunningham wrote in his personal journal: "May God's blessing go with this gift, and may it be the means of doing much good."

Today, 125 years later, we celebrate all the growth and "all the good" that has happened at Cunningham. The United Methodist Women and United Methodist Church are a part of that. And, with your help, our kids and families we serve will continue to heal, learn and grow. Tours of our campus, speakers, and pulpit replacement are available by calling 217-367- 3728 or emailing *cch@cunninghamhome.org*.

We invite you to learn more about Cunningham Children's Home by visiting our website: *www.cunninghamhome.org*.

Evenglow

Evenglow is one of our United Methodist conference's dedicated Golden Cross ministries, living out what it means to be "the church beyond the doors." Evenglow serves older adults and offers all levels of care including independent and assisted living, memory care, skilled nursing, short-term rehab and adult day services.

We take joy in our aim to provide residents with all the comforts of home. Here, residents discover a new "family of friends." We offer regular religious services and a variety of activities. Thanks to donations, Evenglow is able to give our residents extra comforts that add to their quality of life …and to provide benevolent support to those residents who may have planned well but have outlived their resources – ensuring they continue to have a safe, comfortable home and receive the care they need.

Evenglow also serves our surrounding community in Pontiac, Illinois and beyond. We provide a local Meals on Wheels service, delivering meals 365 days a year (over 8,600 meals in 2019!). Each week, dozens of Silver Sneakers exercise class members come to Evenglow to build physical strength and enjoy newfound friendships with fellow members. And, thanks to generous donors, we continue providing scholarship awards to assist some of our Certified Nursing Assistants (CNAs) in reaching their goals of becoming certified nurses.

To request a speaker or find out more about Evenglow, please visit our website *www.evenglowlodge.org*, call us at (815) 844-6131 ext. 248, or find us on Facebook.

Lessie Bates Davis Neighborhood House

Throughout the history of Lessie Bates Davis Neighborhood, the ministry has always faced challenges. However, those challenges have been met and overcome by the dedicated staff and board of directors that guide the ministry. During 2019, Neighborhood House faced challenges and celebrated victories.

The Seasoned Circle Café continues to be a beacon of hope for our seniors serving two meals each weekday. Activities such as Bible Study, Exercise and Bingo are offered between meals. The Café serves 80 meals a day. In addition, the Café staff pack over 5,800 meals each month for seniors participating in the Meals on Wheels program.

The goal of the Teen REACH program is to expand opportunities for youth age 6 to 17. Teen REACH programs provide a safe environment with caring adult role models that work with youth to increase academic performance and develop the life skills necessary for future success. The program started an initiative to empower youth ages 13 and older by showcasing the importance of voting and holding individuals accountable. Participants campaigned and now hold positions at the center to help determine future activities.

The Early/Head Start Center again met all eligibility requirements for the ExceleRate Illinois Gold Circle of Quality from the IL Department of Children and Families Services. We are very proud of our director and teachers for achieving this rating which demonstrates the program's commitment to providing quality care to our children. The current enrollment for the Child Care programs is 155.

AmeriCorps is a volunteer program that envisions an Illinois where all citizens recognize their ability and responsibility to help strengthen their communities through voluntary service. Lessie Bates AmeriCorps serves in many capacities throughout the East St. Louis city area including serving in the Meals on Wheels program where meals are delivered two days a week to the seniors in the community and the agency's Food Pantry which provides meals for 3,000 families per month.

The Providing A Sure Start has grown over the past year which has enabled the agency to provide services for more families. This means that more children in the area will have access to resources and assistance to make sure they are meeting their developmental and intellectual goals so they will be ready for kindergarten. The program currently serves 269 children in 246 families.

The Community Youth Employment Program provides unsubsidized employment for youth ages 16 to 24. The program provides educational enhancement opportunities, full and part-time job placements, and case management which includes life skills, counseling and work readiness for both in-school and out-of-school youth. From July through December the program employed 77 youth through 21 employers.

The Board and Staff would like to thank the United Methodists throughout the Illinois Great Rivers for their love and generosity throughout our history. The ministry of Neighborhood House was started to reach out to the surrounding community in love to provide aid to those in need. That mission continues today because of your support.

Spero Family Services

Spero Family Services has been providing hope, help, and healing by providing Christ-centered services to children, youth and families in Southern Illinois since 1913. Over the past year, Spero served over 1,300 people through 13 different programs ranging from residential care to early childhood services.

The agency has grown to serve the greater region of 10 counties throughout the southern central part of Illinois. Spero seeks to deliver a comprehensive array of help across the journey to adulthood. There is pre-natal support for young moms and babies age 0 to 2 through Best Beginnings, Christian-based child care at Bright Start, parenting education through Family Foundations, and family preservation services through Wraparound to keep families intact through various life challenges. We

offer counseling support through the Mental Health Juvenile Justice Program, our Counseling and Wellness Center and a newly created in-home counseling support program for teens and their families. For youth who are unable to live at home with their birth families, we offer Foster Care, Group Home and a Residential Treatment center to help youth gain the skills and competencies needed to function in a healthy way. For students who need help adjusting to independence as a self-sufficient adult, we offer the Transitional Living Program, Independent Living Options, and YouthBuild which gives young people support to finish their education and gain life skills and work skill certification necessary to thrive in independence.

All of these programs are infused with the spiritual support and guidance of our amazing staff and the leadership of our Spiritual Life Coordinator Deborah Pollex. Rev. Pollex conducts spiritual life groups, helps integrate our youth in care into area church congregations, provides trauma-focused spiritual care training for staff and volunteers, and offers encouragement to employees with cards and letters, her weekly, "Pause, Ponder and Pray" devotionals and special events like prayer walks and the blessing of hands. This year, Spero is publishing a prayer book for youth authored by Rev. Pollex titled "Hey God, I Want to Talk to You, But I Don't Know What To Say."

Over the past 107 years, God has used Spero to serve the region with quality, faith-based options for personal growth and healing in partnership with the Illinois Great Rivers Conference. We invite all congregations to participate in our ministry and welcome opportunities to speak with your members and ministry leaders. Thank you for your enduring love, prayers and support of this important ministry.

Disciple Bible Outreach Ministries of Illinois, Inc.

The purpose of Disciple Bible Outreach Ministries of Illinois (DBOM-IL) is to develop and strengthen DISCIPLE Bible Study ministries in local churches and in outreach settings – especially prisons – which will transform lives, make disciples, and empower Christians for outreach ministry.

A brief story might convey some of what these study groups mean to men and women behind bars:

Lonnie grew up attending a Jewish synagogue but was looking for something more from his faith walk. One day a fellow inmate suggested he attend a Disciple Bible Study with him. What Lonnie found was a personal relationship with God and with Jesus. Lonnie is in the Medium Security Level Pekin prison, but his sentence stipulated only a Minimum-Security facility. The Bureau of Prisons recently informed him that they are planning to move him to a Minimum-Security prison in the near future, but Lonnie is appealing that relocation because he enjoys the men he has met and the brotherhood of the Disciple Study group. Imagine that . . . a chance to finish his sentence in a facility without fences, and with MUCH more personal

freedom, but he is trying to avoid that relocation because he doesn't want to leave the group that introduced him to Jesus.

One of our goals for 2020 is to begin totally new study teams in two more Illinois prison facilities:

- We are happy to report that we have permission to begin a new study group in East St Louis' Southwestern Illinois Correction Center (SWICC) on Thursday evenings between 6:30 – 8:30.

  We have thankfully identified a team of four facilitators and are awaiting their approval & badging.

- We are also happy to report that we have permission to begin a new study group at the Kewanee Prison. The study sessions will take place on Monday evenings from 6:00 to 8:00pm. We have also identified a team of volunteers to facilitate that study.

Please keep these two opportunities, facilities, chaplains, and teams in your prayers, as we wait for the "Isolation Order" to be lifted so we can get both teams trained and ready to begin. Also, please continue to help us identify people that live near any Illinois prison facility, that might consider being part of a new facilitation team.

New Streams

In 2019, The New Streams Team has been focusing on two different ways of equipping and connecting church leaders from throughout the IGRC for disciple-making ministry. The first has been reviving a series of events entitled "Walking with Jesus in the Wesleyan Spirit." This series, originally consisting of four-sessions, was first

offered in 2015-2016 in the Champaign area at the Tuscola United Methodist Church and in 2016-2017 in the Peoria area, hosted by Northwest United Methodist Church. In 2019, we had hoped to offer a three-session series focusing on the Sangamon and LaMoine River Districts, hosted at the Rochester United Methodist Church starting in September. Unfortunately, it was postponed due to low registration. We hope to reschedule it in 2020 or 2021 with the same three session format. We believe the elimination of a fourth gathering will encourage greater participation while keeping the quality and significance of the event intact. The Walking with Jesus in the Wesleyan Spirit series is designed to equip clergy and lay leadership to work together as a ministry team, returning to the local church to develop new leaders with a new understanding of what it means to be a disciple of Jesus Christ. Teams register for and participate in the whole series. We hope to continue offering the series throughout the conference in future years.

The other means by which the New Streams Team is equipping and connecting leaders for disciple-making ministry is the Community of Practice on Discipleship Pathways. Church leaders throughout the conference connect with one another via a Facebook group, Zoom and Lifesize video conference sessions throughout the year. The group is designed for leaders (both laity and clergy) in churches trying to develop or tweak a discipleship pathway – the intentional method by which churches help people to become and grow as disciples of Jesus Christ. Discussion topics are determined by the group members based on the challenges and successes each member is experiencing. In addition to mutual support, the group has established a webpage (www.igrc.org/discipleship-pathways) on which sample pathways and discipleship self-assessments can be housed, in the hope that this material will be helpful to other churches who also seek to develop a discipleship pathway.

Finally, we are planning to develop a series of videos to post on the IGRC website. Our hope is to share stories of how congregations are successfully developing intentional discipleship pathways in order to encourage and assist others.

Our Conference, Our Kids Endowment

The *OCOK Steering Team* continues its efforts on behalf of the *Illinois Great Rivers Conference* to raise $2.5 million to endow the spiritual life ministries at each of our Conference's five agencies that work with children and families.

At the heart of this initiative is the vision of:

> *Endowing the Spiritual Life Ministries at The Baby Fold, Chaddock, Cunningham Children's Home, Lessie Bates Davis Neighborhood House, and Spero Family Services to ensure the continued inclusion of Christ-centered spiritual care in their healing work.*

During the past year, the Steering Team promoted three special offerings: *Back to School, Rocking Our Kids at Christmas*, and *2020 Annual Conference* in August.

A leadership donor effort was launched in September and October, 2019, with Bishop Beard inviting individuals and couples to four smaller group gatherings to raise

Pacesetter gifts. Six additional events were scheduled for the end of February through early April, 2020. Only one of those was able to be held due to the restrictions needed in response to the pandemic.

To assist with each of the ten gatherings, *Pacesetter* donors were recruited as hosts. They have met virtually several times to offer insights and suggestions for further ways in which to encourage prayer and financial support for OCOK.

Out of those *Pacesetter Host* conversations, *Virtual Pacesetter Gatherings* via *Lifesize* were held on June 22, 2020. Bishop Beard re-invited those registering for the winter/spring gatherings or sending regrets, along with other prospective donors. Follow up contacts are being made in July to encourage attendees to prayerfully consider *Pacesetter* gifts. Similar virtual events are being considered for the fall.

The Team also engaged the input of the spiritual life leaders to create a series of five articles about their work during the pandemic. The series, "*Loving OUR KIDS in the Midst of Pandemic*", was sent by email in April and May to persons across the conference. The articles were then featured in the May and June issues of *The Current.*

Recognition of churches, individuals and families who have donated to Our Conference, Our Kids is given each month in *The Current.*

The value of the endowment fund, which is invested with and managed by the *United Methodist Foundation*, totaled $1,320,468.59 as of June 30, 2020. Additional commitments for future gifts to be added to the endowment are $84,011.15. Donations and commitments to *Our Conference, Our Kids* therefore amount to $1,404,479.74. The total that had been raised and committed at that same time in 2019 was $906,672.76.

Thank you to the many local churches, individuals, and families who have given generously to *Our Conference, Our Kids* in support of the spiritual life ministries at the five children and family serving agencies!

Preachers' Mutual Benefit Association

One-hundred-fifty years ago, in 1869, a new ministry called Preachers' Aid Society, was approved by the Illinois Conference to "serve the tired and worn-out preachers, spouses, and any dependent children." During the previous 10 years, the conference had attempted several times to start this ministry. This time, Preachers' Aid would not only survive, but it would thrive to become the ministry we are today.

From these very humble beginnings, PASBF has grown into a unique ministry and the envy of many other conferences and denominations. The IGRC is only one of two conferences to have a Preachers' Aid solely dedicated to retirees and families. Due to many who have gone before of us, we are able to contribute over $2 million each year in direct benefits to fulfill our mission.

Over the past 150-years PASBF has never wavered from our original mission to support retired clergy and families. We have changed the way we live out our mission but, we continue Serving Those Who Served Us!

Pastoral Ministries

Currently PASBF has over 15 different ministries to help retired clergy in our conference. None are more important than offering pastoral support as retirees and spouses travel down the many twists and turns of retired life.

PASBF's staff attempts to stay in touch with every single retiree and spouse from our conference – over 1,200 in 32 states and some even overseas. When the need arises, PASBF makes home and hospital calls, attends all funerals for clergy and spouses, and presents the grave marker to families at the funerals of clergy. PASBF ensures our retirees and spouses are not forgotten but are an integral part of our conference. The Regional Assistants travel the conference to be with retirees, spouses, and families during times of need.

Financial Services

In 2018, PASBF contributed over $2 million in direct benefits to retired clergy and spouses. The largest contribution is an annual payment of $1.5 million to fund IGRC's retirement health insurance plan. Due to PASBF's support, vested retired clergy pay $35 per month while vested spouses pay $70 per month. Individuals have no deductibles or co-pays – the plan pays for all of them.

But our financial support goes beyond just the Medicare Supplement. All retirees and spouses with high-cost prescription medications can apply for our Medicare Part D Benefit. We have saved lives by ensuring retirees and spouses can pay for their needed medication. PASBF assists retirees in selecting their Part D plans. Dental and hearing aid loans enable retirees and spouses to afford expensive procedures and hearing aids. In certain situations, PASBF is even able to supply short-term funding to meet the needs of retirees and spouses, restoring financial stability.

Social Services

PASBF offers several opportunities to retirees and spouses to connect with each other. Fellowship groups meet on a regular basis throughout the conference. We sponsor trips to different locations. This year we are sponsoring two trips to baseball games – a Cardinals game in St. Louis and a Cubs game in Chicago. PASBF is committed to connecting retirees and spouses with each other and the conference, reassuring that they are not forgotten but valued.

Education

Over the last few years, PASBF has expanded our ministry to include education for individuals and local churches. PASBF hosts 2 financial planning seminars for active clergy – one for clergy within 10 years of retirement and one for younger clergy. PASBF offers 7 different seminars for local churches and districts: 1) Creating a Church Budget, 2) Understanding Church Finances, 3) Fundraising in the Local Church, 4) Capital Campaigns, 5) Estate Planning, 6) Financial Planning, and 7) Retirement Planning.

PASBF believes strong local churches along with committed, faithful parishioners will not only strengthen the conference and God's kingdom but will also strengthen PASBF. We invite you to contact Rev. Ed Weston or Rev. Keith Anderson to schedule a seminar.

Free financial and estate planning is offered to all clergy and families. Pastors and clergy can also invite PASBF staff to analyze the financial position of a local church as well as suggestions to increase giving to the church. PASBF can also lead the local church in a capital campaign.

General Conference Ramifications

At the time of writing this report, the ramifications of General Conference decisions have not been realized. We continue to examine any impacts of the General Conference on PASBF. We will speak to any changes to PASBF in our oral report.

For now, all churches and clergy need to be aware PASBF serves retired clergy and families from the Illinois Great Rivers Conference. Clergy who severs their tie with the conference by turning in their credentials jeopardize any benefits from PASBF. Please consider and investigate any and all impacts if you consider leaving the UMC.

Thank You

We are grateful to those who have gone before us to make PASBF what it is today. Persons had a vision 150 years ago to care for "the tired and worn-out clergy" of the conference. Churches and individuals generously gave to build up the fund. Now, this ministry is entrusted to us.

Through the generosity of local churches and many individuals, PASBF saw an increase in giving in 2018. This occurred despite a sharp decline in charitable giving in the United States. Without the support of the entire conference, PASBF would not be able to sustain our current level of support. We say a heartfelt thank you to all who have supported our ministry. We could not do it without you.

But the need continues to grow. Over the next several years we will continue to see our numbers grow. Currently, over 70% of active clergy are age 50 and over. Persons are living longer. The needs continue to grow. Resources will need to be added to our corpus for PASBF to keep up with the growing demand.

Staff and Board of Directors

This ministry cannot happen without a strong staff of dedicated persons. PASBF is blessed with an exceptional staff. This past year we added two new Regional Assistants: Rev. Sharon Monroe (husband, Ron) and Rev. Bob Edwards (wife, Linda). They join with Revs. Floyd and Bobbi Blackard and Rev. Cindy Jones serving our retired clergy. Rev. Ed Weston is our Development Director, and through his excellent work, the corpus continues to grow. A huge thank you to Carol Sims, our Administrative Assistant who keeps track of us all! The success of PASBF is due to these wonderful and dedicated individuals.

Preachers' Mutual Benefit Association (PMBA)

Preachers' Mutual Benefit Association (PMBA) is a way to say: WE CARE!

Could your family use an extra $1,500 if something happened to you?

Would you rather send financial help instead of flowers when a colleague in ministry dies?

If you answered yes to the above, you might wish to join PMBA
It is NOT the Preachers' Aid Society.
It has NOTHING to do with insurance.
It is NOT another pension program.
It is the Preachers' Mutual Benefit Association. Members caring for members.

What is PMBA?

PMBA originated at Centralia, IL in 1911 for the purpose of meeting the needs of families of pastors and spouses at the time of their death. The purpose of PMBA is to give IMMEDIATE FINANCIAL AID to the family upon the death of a full member of the Association.

Through the years PMBA has provided a caring fellowship for participating clergy and spouses. Families often have unexpected needs at the time of the death of a loved one and PMBA has helped to meet those needs.

Presently, at the time of death of a full member, a love gift of $1,500 is sent directly to the family in lieu of flowers. This love gift not only provides these funds, but it also provides a way for all PMBA members to express their sorrow in this family's time of grief.

The funds for each love gift are provided by each member being assessed $5.00 each time another full member dies. A notice is sent by email or postcard from the secretary to inform every member of the death and to remind each member of the assessment due.

Who can join?

Clergy & Spouses:

Full membership is available to all pastors and diaconal ministers of the Illinois Great Rivers Conference, in good standing, and their spouses. In the event of death, a $1,500 love gift will be paid to the beneficiary. Assessments are $5.00 per member each time a full member dies.

Laity:

Associate membership is available to all laity. Associate members will be sent an assessment when a death of a full member occurs, but associate members are ineligible for benefit upon their death. This membership gives the associate member the opportunity to express support of a pastoral family in time of death.

United Methodist Foundation

In the New Testament Jesus speaks most about "the Kingdom of Heaven." He talks about what it should look like and the importance of bringing it near. As United Methodists we interpret this as, "making disciples of Jesus Christ for the transformation of the world." The United Methodist Foundation takes kingdom-building and disciple-making to heart.

On January 1, 2019, the assets of the United Methodist Foundation totaled $26,215,201 and assets on December 31, 2019, where valued at $31,561,956.

The United Methodist Foundation was privileged to be in front of over 50 churches to help them "develop a culture of generosity." This was accomplished in two ways: first, by individual visits to local churches and their leadership teams and second, through various training events throughout the Conference.

The United Methodist Foundation was also privileged to walk alongside several of our conference agencies and committees. We supported all ten of our Golden Cross Ministries by supporting each financially to be able to care for children and seniors in need. Investments were also able to help our conference camping ministry. Funds to support the Methodist Schools in Haiti made it possible for the poorest of poor children in our hemisphere to go to school. We are also walking along side and supporting Our conference/Our Kids.

This year we received an estate gift from Vae Fultz. Some of you may remember Rev. Fultz as an advocate for the 'Hard of Hearing' ministry in our conference. She had several disabilities herself, including being dead, but did not let them hinder her ministry. The United Methodist Foundation is blest to be able to minister to people with disabilities until Jesus returns because of this gift from Rev. Vae Fultz.

Through the Larson Trust the United Methodist Foundation disbursed $135,000 dollars to help children and seniors throughout our conference. Local churches were supported by funding of "after school programs" and weekend "snack pack" programs, as well as helping to provide summer lunches for school children in the Granite City area. The Larson Trust also helped some of our local churches make their buildings more accessible to those with special physical needs.

College scholarships were provided for young people who are attending college. Our partnership with Midwest Mission Distribution Center helps them continue their ministry around the world.

The United Methodist Foundation feels blessed to be able to be a conduit of "prudent investments" that create "spiritual dividends," while bringing the Kingdom of God a little closer.

Seminaries and Higher Education Institutions

Candler School of Theology

Since our founding in 1914, **Candler School of Theology at Emory University** has educated more than 10,000 students, shaping thoughtful, principled, and courageous leaders who are dedicated to transforming the world in the name of Jesus Christ.

This is especially important to note amid the current shifts in our denomination. It is an honor and a privilege for Candler to be one of 13 official seminaries of The United Methodist Church. Yet true to the Methodist tradition of ecumenical openness, Candler has enthusiastically welcomed the entire Wesleyan family to our community for generations. Faculty, staff, and students from the AME Church, the AMEZ Church, the CME Church, Free Methodists, Nazarenes, and others have worked, worshiped, learned, and prayed alongside United Methodists, and have been a vital part of shaping Candler and our mission. This diversity has been a wonderful gift and a rich blessing. As we move forward, we will continue to invite and welcome those from all expressions of the Wesleyan tradition. Indeed, we will continue to welcome all those who follow Jesus Christ.

This year, Candler has continued to strengthen our deep commitment to alleviating student debt and promoting financial literacy. In 2018-2019, we awarded $6.3 million in financial aid, with 100 percent of master of divinity (MDiv) students receiving support and financial coaching. In fall 2019, we announced a major expansion of our financial aid program to include full-tuition scholarships for all MDiv students who are certified candidates for ordained ministry in The United Methodist Church, and new merit scholarships covering 75% of tuition for qualifying MDiv students who identify as pan-Wesleyan, and those pursuing chaplaincy through Candler's new chaplaincy concentration. In addition, all incoming students in the master of divinity, master of theological studies, and master of religious leadership programs will receive awards covering at least 50% of tuition.

This year also saw the launch of two pilot "formation communities," off-campus student housing that focuses on intentional living and spiritual formation. Students from multiple degree programs applied to take part in these pilot groups. At the start of the year, the housemates created a "rule of life" to guide their days together, emphasizing prayer, fellowship, and celebration. A house chaplain—a Candler faculty member or church leader—supports them and shares in the journey. The ten students who took part this year describe feeling a richer sense of community and deeper connections to God and one another in the midst of their busy lives. It is clear that this fulfills a need for our seminarians, and we eagerly anticipate the program's growth in the coming years.

Candler's student body continues to reflect the diversity and breadth of the Christian faithful, with an enrollment of 470 from 12 countries and 38 states, with 40 percent people of color (U.S.) and a median age of 27 among MDivs. Students represent 42 denominations, with 45% of all students and 50% of MDivs coming from the Methodist family.

We offer six single degrees and ten dual degrees pairing theology with bioethics, business, international development, law, public health, and social work. Our Doctor of Ministry degree is 90 percent online, so students can remain in their places of ministry while completing their degrees.

Candler draws strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of educating faithful and creative leaders for the church's ministries throughout the world depends upon your prayers, partnership, and support. Thank you for the countless ways you advance this vital ministry in the life of our denomination. We invite you to visit us in person or online at *candler.emory.edu*.

McKendree University

As McKendree University celebrates 192 years of existence, the University continues to provide high quality educational experiences to 2,292 outstanding students. The 2019-2020 academic year has marked another exciting new beginning for the University.

On Jan. 1, 2020, the University welcomed its new president, Daniel C. Dobbins, who is a 1981 McKendree graduate. He succeeds Dr. James Dennis, who led McKendree for 26 years as its longest-serving president. The University honored Dr. Dennis—who will retire after a sabbatical leave this spring—with its Friend of the University Award on its 192nd anniversary celebration of Founders Day on Feb. 20. The event included remarks by special guests from the United Methodist Church, including a keynote address by Rev. Dr. Tamara Gieselman of the General Board of Higher Education & Ministry in Nashville.

We are proud of our students' accomplishments, highlighted by the fact that 98 percent of our graduates are able to enroll in graduate schools or are fully employed within six months of their graduation.

McKendree's core mission to educate leaders for the future remains the same. Total undergraduate enrollment is 1,788. The main campus in Lebanon is home to 1,211 undergraduate students from across the United States and international students from 39 different countries. The fall 2019 first-year class numbered 340. Thirty-seven percent of the incoming students were ranked in the top 25 percent of their high school class. The average SAT score of the incoming first-year class was 1150.

McKendree offers bachelor's degrees in approximately 51 major areas of study, including art, biopsychology, data analytics, English, mathematics, music, and new cyber defense and cybersecurity majors as part of our diverse curriculum. Additionally, the McKendree Honors Program challenges top students to conduct original research and develop presentations offered to the greater McKendree community. Our graduate program offerings now offer master's degrees in athletic training, criminal justice, education, clinical mental health counseling, nursing, and business administration. Total graduate student enrollment this year is 504.

In keeping with our original mission, McKendree University seeks to develop a community founded on Christian ideals and dedicated to scholarship. The University recognizes the need to develop body, mind and spirit, and in doing so we recognize Bothwell Chapel at the center of the religious programming. Each week religious opportunities are provided to meet the diverse spiritual needs of the McKendree community. These facilities and the vision behind them, provide a wonderful environment for student faith and leadership development. Important domestic and overseas immersion trips are also provided annually to students.

McKendree continues to encourage young persons from United Methodist churches to pursue their education at the University by utilizing the John Wesley Scholarship Fund. Churches interested in supporting a student should contact the University for further details. Individuals interested in pursuing careers in the ministry utilizing the Wagner Loan/Scholarship should also contact the University for information. We continue to see our effort at McKendree University as one of partnership with you, the Illinois Great Rivers Annual Conference.

Saint Paul School of Theology

Saint Paul School of Theology, a seminary of the United Methodist Church, is committed to the formation of people for innovative, creative ministry. We are one institution with

campuses in Kansas and Oklahoma. During the 2019-2020 academic year, the seminary enrollment in master and doctoral degree programs increased by 11%.

Saint Paul School of Theology began the 2019-2020 academic year with the addition of Dr. Casey Sigmon in her new role as Assistant Professor of Preaching and Worship, and Director of Contextual Education. Saint Paul also welcomed Dr. Anne Walker as the new Executive Director of the Oklahoma Campus.

With the addition of Dr. Walker to Saint Paul came a new webinar offering titled, "Explore Calling: A Guide to Helping Others Answer the Call." Offered complimentary, the webinar provides a resource for anyone looking to nurture a culture of call in their congregation; including meeting one-on-one with congregations looking to reach out to their community. Dr. Walker also launched the Vision OK Advisory Committee to serve the purpose of gaining support for and assisting in the development of the Oklahoma Campus. Similarly new this year, Dr. Melissa Pearce along with Dr. Walker hosted Listening Sessions to learn more about the challenges pastoral leaders face and dream together about how theological education might meet the changing demands of their ministry.

Honoring Saint Paul's longstanding commitment to praxis learning and ministry, part of the 2019-2020 curriculum included practicums which are workshop-style seminars that teach ministry skills. For Spring 2020 FOCUS Week, Alumnus Rev. Dr. Emanuel Cleaver III, Senior Pastor of St. James UMC, taught the course Urban Church in the 21st century which explores the Urban Church and its context in relation to ministerial practices and theological understandings.

For the 2019-2020 fiscal year, Saint Paul Course of Study (COS) School educated 265 individual students with a total registration of 650 classes; offering a total of 53 courses located Kansas, Oklahoma, and Missouri. Saint Paul launched a part-time, accelerated pilot COS satellite program (PML) in Columbia, MO in 2018 and added a second track in 2019.

Saint Paul School of Theology is blessed to be in ministry in the name of Jesus Christ and to help others respond to God's call. We are a seminary that offers classes and experiences to folks from many denominations and faith walks. Our work as faculty and staff is to provide excellence in theological and practical education for ALL persons called and capable to attend. Article I - Supremacy of The Constitution and *The Book of Discipline*

The By-Laws of The Illinois Great Rivers Conference of the United Methodist Church (hereinafter referred to as the "Corporation") have been adopted to provide for the regulation and management of the business and legal affairs of the Corporation, as allowed by Section 102.25 of the Illinois General Not for Profit Corporation Act of 1986, as amended (805 ILCS 105) (hereinafter referred to as the "GNFP Act").
In the event any provision of the By-Laws set forth herein conflicts with the Constitution of the United Methodist Church (hereinafter referred to as the "Constitution") and/or *The Book of Discipline* of the United Methodist Church, current edition (hereinafter referred to as the "*Book of Discipline*"), the provisions of The Constitution and *The Book of Discipline* shall prevail, to the extent consistent with the law of Illinois, and this document shall be considered as amended from time to time where necessary for compliance with The Constitution and *The Book of Discipline*.

Article II – Offices

Section 1. Principal Office: The principal office of the Corporation in the State of Illinois shall be located in the City of Springfield, County of Sangamon. The Corporation may have such other offices, either within or without the State of Illinois, as the Corporation may determine or as the affairs of the Corporation may require from time to time.

Section 2. Registered Office and Registered Agent: The Corporation shall have and continuously maintain in the State of Illinois a registered office and a registered agent, whose office is identical with the registered office, as required by the GNFP Act. The registered office may be, but need not be, identical with the Corporation's principal office in the State of Illinois, and the address of the registered office may be changed from time to time by the Corporation's Board of Trustees (hereinafter referred to as the "Board of Trustees").

Article III - Members

Section 1. Members: The Members of the Corporation shall consist of those clergy and lay persons designated by the Constitution, *The Book of Discipline*, and the Standing Rules of the Illinois Great Rivers Conference (hereinafter referred to as the "Standing Rules").

Section 2. Voting Rights: Each member shall be entitled to one vote on each matter submitted to a vote of the membership at a membership session; provided, however, only members designated as "clergy members" by the Constitution and *The Book of Discipline* may vote on measures concerning the granting or validation of local pastors' licenses, ordination, reception into full conference clergy membership or any question concerning the character and official conduct of ordained clergy; and, provided further, that clergy members and members designated as "lay members" by the Constitution, *The Book of Discipline*, and/or the Standing Rules shall vote separately in elections of delegates to General and Jurisdictional Conferences and in other matters, if so provided by *The Book of Discipline*. Only members who have registered to participate in the membership session may vote. Voting by proxy shall not be allowed. (Amended Aug. 15, 2020).

Article IV - Sessions of Members

Section 1. Annual session: The annual session of the members, known as the "annual conference," shall be held at such time as the bishop having residential and presidential supervision over the corporation (hereinafter referred to as the "bishop") shall designate for the purpose of electing trustees and for the transaction of such other business as may come before the session. The place of the annual session shall be designated by the membership but may be changed when necessary by a majority of the corporation's district superintendents, with the consent of the bishop. The order of business for the annual session of members shall be as prescribed in the *Book of Discipline* and the Standing Rules.

Section 2. Special Sessions of the Membership: Special sessions of the membership may be set at any annual session of the Corporation, after consultation with the Bishop, or may be called by the Bishop with a concurrence of three-quarters (3/4) of the Corporation's district superintendents. A special session of the membership shall have only such powers as are stated in the call for such special session.

Section 3. Notice of Sessions: Written or printed notice stating the place, day and hour of any session of the membership shall be delivered, either personally or in another efficient and economical way, to each member entitled to vote at such session, not less than five (5) days before the date of such session, by or at the direction of the Bishop or other persons involved in calling the session. In case of a special session, or when required by statute or by these by-laws, the purpose or purposes for which the session is called shall be stated in the notice. If mailed, the notice of a session shall be deemed to be delivered when deposited in the United States mail addressed to the member at his/her address as it appears on the records of the Corporation, with postage thereon prepaid.

Section 4. Quorum: When a session of the membership is in session, it shall require the presence of a majority of the whole number of members registered as in attendance at the session to constitute a quorum for the transaction of business; but a smaller number may vote to take a recess or adjourn from day to day in order to secure a quorum or to adjourn sine die.

Article V - Board of Trustees

Section 1. General Powers: The Board of Trustees shall have the powers assigned to the Board of Trustees by *The Book of Discipline*. The Board of Trustees shall serve as the Board of Directors of the Corporation. The Board of Trustees duties shall include the responsibility of ensuring the application of the United Methodist Trust Clause (as set forth in the *Book of Discipline*) to all of the Corporation's properties. Any authorized sale, transfer, lease, mortgage or purchase of the Corporation's real property shall be by written instrument, executed by any two of the Corporation's officers.

Section 2. Number, Tenure and Qualifications: The number of trustees shall be twelve (12), and it is recommended that one third be clergy, one third lay men and one third lay women. Trustees shall be elected in classes at the annual session of the membership for a term of four (4) years (or until their successors are elected). Trustees must be of legal age and lay members must be members in good standing of local United Methodist Churches within the bounds of the Corporation. Trustees need not be members of the Corporation.

Section 3. Ex-Officio Members: The Corporation's Treasurer/Director of Administrative Services shall serve ex officio, without a right to vote, as Treasurer of the Board of Trustees. The Bishop may appoint a Conference district superintendent to serve, ex officio, without a vote, as a cabinet representative to the Board of Trustees.

Section 4. Regular Meetings: Within four weeks of the close of each annual session of the membership, the Board of Trustees shall hold its regular annual meeting to elect officers. The Conference district superintendent assigned to the Board of Trustees as the cabinet representative shall convene the meeting.

Section 5. Special Meetings: Special meetings of the Board of Trustees may be called by or at the request of the Bishop, the president of the Board of Trustees or any three trustees. The person or persons authorized to call special meetings of the Board of Trustees may fix any place as the place for holding any special meeting of the Board of Trustees called by them.

Section 6. Notice: Notice of any special meeting of the Board of Trustees shall be given at least five (5) days previous thereto by written notice delivered personally or sent by mail to each trustee at the address of such trustee as shown by the records of the Corporation. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail in a sealed envelope as addressed, with postage thereon prepaid. Any trustee may waive notice of any meeting. The attendance of a trustee at any meeting shall constitute a waiver of notice of such meeting, except where a trustee attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or duly called special meeting of the Board of Trustees need be specified in the notice or waiver of notice of such meeting, unless specifically required by law or by these by-laws.

Section 7. Quorum: The members of the Board of Trustees present and voting at any duly announced meeting shall constitute a quorum, providing that at least 5 trustees be present. Trustees may participate in and act at any meeting through the use of

a conference telephone or other communications equipment by means of which all trustees participating in the meeting can communicate with each other. Participation in such meeting shall constitute attendance and presence in person at the meeting of the trustee or trustees so participating.

Section 8. Manner of Acting: The act of a majority of the trustees present at a meeting at which a quorum is present shall be the act of the Board of Trustees, unless that act of a greater number is required by law or by these by-laws.

Section 9. Vacancies: Vacancies occurring between sessions of the membership shall be filled as follows: Upon nomination by the Conference Committee on Nominations, the Conference district superintendents shall, by majority vote, elect a trustee to serve until the next annual meeting of the membership. Vacancies shall thereafter be filled by the membership for the unexpired term.

Section 10. Informal Action by Trustees: Any action required by law to be taken at a meeting of trustees, or any action which may be taken at a meeting of trustees, may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the trustees.

Section 11. Officers of the Board of Trustees:

(a) At the annual meeting of the trustees, the Board of Trustees shall elect a president, a vice president, and a secretary, whose duties shall be those normally associated with such positions and with such additional duties as, from time to time, are assigned by the trustees. These officers shall serve until their successors are duly elected and qualified. The president shall preside at all meetings of the Board of Trustees, and the vice president shall preside in the absence of the president. Any vacancies occurring in these offices shall be filled by the Board of Trustees at a duly called special meeting or annual meeting.

(b) The Conference's Treasurer/Director of Administrative Services shall serve ex officio as treasurer of the Board of Trustees as provided in Article V, Section 3, of these By-laws.

Article VI - Conference Council on Finance and Administration

Section 1. General Powers. The Conference Council on Finance and Administration (hereinafter referred to as the "CCFA") shall have the powers assigned to the CCFA by the *Book of Discipline*, including the power to develop, maintain, and administer a comprehensive and coordinated plan of fiscal and administrative policies, procedures, and management services for the Corporation.

Section 2. Number, Tenure, and Qualifications. The number of the members of the CCFA shall be not less than nine (9) nor more than twenty-one (21). It is recommended that there be at least one layperson more than clergy included on the voting membership of the CCFA. Members of the CCFA shall be elected in classes at the annual session of the membership for a term of four (4) years (or until their successors are elected). Members of the CCFA need not be members of the Corporation. A quorum will consist of 50% of the membership plus one (1).

Section 3. Ex-Officio Member§. The following shall be ex officio members of the CCFA without the right to vote: The Conference Treasurer/Director of Administrative Services, the Bishop, a Conference district superintendent chosen by the cabinet, and the Conference Director of Connectional Ministries, and any other persons designated by *The Book of Discipline* as ex-officio members of the CCFA.

Section 4. Regular Meetings: Within four weeks of the close of each annual

session of the membership, the CCFA shall hold its regular annual meeting to elect officers. The Conference district superintendent assigned to the CCFA as the cabinet representative shall convene the meeting.

Article VII - Officers

Section 1. Officers: The officers of the Corporation shall be a president, a vice president, an assistant vice president, a secretary, a treasurer/director of administrative services, a statistician and such other officers as may be elected in accordance with the provisions of this Article. The Corporation may elect or appoint such other officers, including one or more assistant secretaries and one or more assistant treasurers, as it shall deem desirable. The officers are to have the authority and perform the duties usually pertaining to their offices, and such other duties prescribed, from time to time, by the membership. No individual shall hold more than one office, except the treasurer/director of administrative services may also serve as statistician, if so elected.

Section 2. President: The president of the Corporation shall be the Bishop. The Bishop shall be the principal executive officer of the Corporation and shall in general supervise all of the business and affairs of the Corporation. The Bishop may sign, with the secretary, assistant secretary or any other proper officer of the corporation authorized by the Board of Trustees, any deeds, mortgages, bonds, contracts, or other instruments, except in cases where the signing and execution thereof shall be expressly delegated by the Board of Trustees, by these by-laws, by statute or by *The Book of Discipline*, to some other officer or agent of the Corporation; and in general shall perform all duties incident to the office of president.

Section 3. Vice Presidents:

(a) The President of the Board of Trustees shall serve as vice president of the Corporation. In the absence of the Bishop or in event of the Bishop's inability or refusal to act, the vice president shall have all the general corporate powers of and be subject to all the restrictions upon the president of the Corporation; provided, however, the vice president shall perform no duties of an Episcopal nature, which under *The Book of Discipline*, are performable only by the Bishop. The vice president shall perform such other duties as from time to time may be assigned by the Bishop or by the membership.

(b) The Vice President of the Board shall serve as assistant vice president of the Corporation. The assistant vice president shall perform the duties as outlined in Article VII, Section 3(a) in the absence of the vice president.

Section 4. Treasurer/Director of Administrative Services. The duties of the Treasurer/Director of Administrative Services shall be as defined in *The Book of Discipline* and as may from time to time be further defined and established by the CCFA. The functions of this position may include, but not be limited to, the following:

(a) Conference Treasurer functions, which include cash management, financial reporting, record keeping, central treasury functions, internal control, oversight of accounting functions, interpretation of the conference budget and finances, administrator of the policies of the CCFA, pension and insurance matters related to the Conference Board of Pensions, support of the office of Statistician; and

The Treasurer/Director of Administrative Services shall give bond for the faithful discharge of official duties in such sum and with such surety or sureties as the CCFA shall determine. The Treasurer/Director of Administrative Services shall have charge and custody of and be responsible for all funds and securities of the Corporation; receive and give receipts for moneys due and payable to the Corporation in such banks, trust companies or other depositories as shall be selected in accordance with the provisions of Article X of these by-laws; and in general, perform all the duties incident to the office of treasurer.

Section 5. Secretary: The secretary shall keep the minutes of the sessions of the members in one or more books provided for that purpose; see that all notices are duly given in accordance with the provisions of these by-laws or as required by law; keep a register of the post office address of each member which shall be furnished to the secretary by such member, and in general perform all duties incident to the office of secretary and such other duties as from time to time may be assigned by the membership.

Section 6. Statistician: The statistician shall compile all data pertaining to membership, finances and other information concerning the local Charges and prepare reports on such data for the Conference Journal. The statistician shall also compile such other information as the membership shall, from time to time, assign.

Section 7. Assistant Treasurers and Assistant Secretaries: If required by the CCFA, the assistant treasurers shall give bonds for the faithful discharge of their duties in such sums and with such sureties as the Administration shall determine. The assistant treasurers and assistant secretaries, in general, shall perform such duties as shall be assigned to them by the treasurer/director of administrative services or the secretary or by the membership.

Section 8. Election and Term of Office: The vice president and assistant vice president shall be elected annually by the Board of Trustees. The secretary, treasurer/director of administrative services and statistician shall be elected by the membership for a term of four years or until their successors in office are duly elected and qualified. The Treasurer/Director of Administrative Services must be nominated by the CCFA. The terms of any additional officers elected by the membership shall be set by the membership at the time of their election. New offices may be created and filled at any regular or duly called special session of the membership.

Section 9. Vacancies and Removal: In the event a vacancy shall occur, the office shall be filled as follows: (1) The Board of Trustees shall elect a new vice president (president of the Board of Trustees) or assistant vice president (vice president of the Board of Trustees). (2) The Bishop, after consultation with the Corporation's district superintendents, shall appoint a person as secretary or statistician to serve until the next session of the membership. (3) If a vacancy shall occur in the office of treasurer/director of administrative services, the CCFA, in consultation with the Bishop, shall fill the vacancy until the next session of the membership. Vacancies filled at the session of the membership shall be for the unexpired term of the officers.

Section 2. The Board of Trustees shall assist other local church boards of trustees, and if necessary, intervene, in opposing any governmental effort to involuntarily designate any church owned property as a cultural, historical or architectural landmark.

Section 3. The Board of Trustees, or the board of trustees of any agency, organization or local church which voluntarily wishes to cooperate with a governmental body in having any property landmarked which said board of trustees holds in trust for The United Methodist Church, must do the following:

Relational Covenant

of the Illinois Great Rivers Conference

(Adopted by the 2008 Annual Conference)

- As disciples of Jesus Christ and as members of the Illinois Great Rivers Conference, we believe that we can change the church and the world through honest conversations on matters about which we deeply care. We, therefore, covenant to be a worshiping community, which provides a safe sanctuary open to dialogue: a welcoming environment full of grace. To do this we further covenant to:
- Center on God and on His Holy Scripture as the authoritative word of God as we come to the table, anticipating a holy and healthy experience and being prepared spiritually, emotionally and mentally
- Pray constantly for God's wisdom to understand God's will, trusting and believing that God works with and through us
- Welcome, honor and respect each individual as a unique child of God
  - Affirm each individual's gifts and ministry and help everyone see the need for cooperation and connection among our ministries
- Be patient and kind with each other, realizing that we all bring a history

- Listen to each voice at the table, respecting the viewpoints, opinions, communication styles and perspectives
- Invite and welcome people of all viewpoints to the table, respect the cultural and ethnic differences
  - Believe that the Holy Spirit speaks through each person at the table
  - Be engaged, not distracted or distracting
  - Keep an open mind and open heart
  - Show that you have heard and understood the other
  - Hear the truth in love
- Speak respectfully
  - Take holy pause before speaking or voting – invite the Holy Spirit into your speech
  - Be honest, genuine and transparent
  - Honor time constraints
  - Speak the truth in love
- Commit to work through differences
  - Hold one another accountable to this relational covenant
  - Keep the decision-making process at the table
  - Honor all decisions and participants after the conversation concludes
  - Follow up with each other in regard to any resolution
  - Leave with an understanding of next steps where there is no resolution
- Allow the Peace and Word of Christ to rule in our hearts

Displays at Annual Conference

Purpose of Displays

Displays facilitate the ability of conference members to connect with groups who have information to share on their ministry. Displays are provided to encourage conference members to learn more about the resources that are available through the wide variety of agencies and ministries in the annual conference. A few displays are targeted for sale of goods. The parameters for their purpose are discussed in a separate paragraph.

Requesting Space and Obtaining Permissions

- Forms requesting display space must be submitted to the Event Coordinator by the fourth Friday in March. The request is then forwarded to the Local Arrangements Committee for space assignment.
- Groups or individuals requesting display space for the first time must submit plans for content of the display to the Director of Connectional Ministries by no later than 30 days prior to the annual conference session. Failure to comply will result in display request being denied.

- The Sessions Committee has the discretion to approve all displays and set and publish guidelines for display space assignments.
- The subject and content of the display is expected to be in compliance with the *Book of Discipline*, the Social Principles, and The Book of Resolutions is expected.
- In the event content is deemed to be inappropriate, it will be removed by one of the following officers: annual conference secretary, or chairperson of the Sessions Committee.
- Groups officially recognized by and/or related to The United Methodist Church may request display space. Each group requesting space must agree to use their display area in accordance with the purpose statement in this document. Groups "officially recognized by" or "related to" The United Methodist Church include the following:
  - Approved Advance (Conference or General) Specials
  - Ministries included and approved in the Conference Budget
  - Ministries included in and approved in the Nominations Report
  - Ministries approved as a Conference Special Offering
  - Ministries which are initiated, supervised, and housed within a local United Methodist church or local United Methodist Church-owned facility within the boundaries of the IGRC.
  - University Senate-Approved seminaries
- Because of limited space and the need of the annual conference to limit its space use to non-commercial organizations, no commercial organizations (other than the exceptions noted in this policy document) shall be permitted to rent or otherwise use display space.
- No group will be allowed to place signs, displays or vehicles on convention center property without the permission of the Sessions Committee.

Size and Location of Space

- The amount of space available for displays varies depending on the site of the annual conference session. The Sessions Committee believes it is proper to allocate the same size space to each group requesting space prior to the deadline for such requests.
- Each group setting up a display must agree to keep their display within the space allotted to them and not to encroach onto the display space assigned to another group.
- Display spaces are assigned to specific locations, and groups setting up displays cannot move their display to another location. Because some locations are considered prime locations, each year display space assignments may be rotated to allow all groups the opportunity to use a prime location.

Special Permissions

In the past, display space has been granted to Cokesbury for a bookstore at annual conference. Since Cokesbury is the denomination's publishing house, they are granted an exception to the stated policy above. Other organizations providing free or reduced fee services to the annual conference session may also be allowed to have display space where demonstrations or product sales will take place.

Fees and other financial considerations

- Fees for requested use of electrical outlets are paid by the group requesting space.
- Fees for requested phone lines are paid by the group requesting space.

- Fees for tables and table skirting (if not provided) are paid by the group requesting space.
- Please note that in the eyes of the Illinois Department of Revenue and the Illinois Great Rivers Conference there is no difference between selling items and giving away items for a donation. Please do not put the IGRC tax-exempt status at risk by exchanging any goods for money.

Publicity

A list of all display booths will be distributed in the on-site packet that members receive. Advertisements for display spaces may not be publicized in other printed materials at annual conference.

Legislative Items: Reports and Resolutions

Submitting Reports and Resolutions

Any Illinois Great Rivers Conference member or entity may submit a resolution for consideration by the annual conference. Resolutions will be ruled out of order if they conflict with the *Book of Discipline*, which can be changed only by the General Conference. No resolution containing information deemed to be libelous will be printed.

For this reason such resolutions must be submitted by the February 15 deadline. (See Standing Rule III.D.3)

3. Legislative Items with implications for either CCFA or CBOP are first submitted to the conference secretary, who will forward the items to the appropriate body for review.
4. Failure to follow these procedures will prevent items from being printed in the Pre-conference Workbook or Supplemental Packet.

Letters Directed by Annual Conference Action

Any individual or group requesting letters be sent by the annual conference secretary needs to be aware of the following procedure. The maker of the motion, report, or resolution will be required to furnish a sample letter (electronically), as well as the names and complete postal addresses for all recipients to whom the letters are to be sent.

The Journal-Yearbook - Secretarial Practices

What is it?

The Book of Discipline (¶606) requires each conference to keep an exact record of its proceedings. A hard copy of this record becomes part of a number of general, jurisdic-

tional, and annual conference committees and commissions. The IGRC also publishes a limited number of hard copies for those who order them. The Journal-Yearbook is available to everyone in electronic form.

What's in it?

The Book of Discipline requires the inclusion of the following items in this order:

- Daily proceedings

- Appointments
- Reports as ordered by the annual conference
- Annual report of the district superintendents, if any
- Memoirs as ordered by the annual conference following the guidelines of the General Commission on Archives and History
- Roll of dead: deceased clergy members
- Historical

When resolutions or reports are not adopted

Reports, resolutions, amendments to the Standing Rules, policy statements, policy statement amendments, or petitions that are not adopted will not be printed in the Journal-Yearbook. The vote indicating defeat of the resolution will be recorded in the Daily Proceedings.

Council on Finance and Administration Policies

1. All Illinois Great Rivers Conference (IGRC) related entities (except local churches) shall comply with the provisions of ¶613.2 (2016 *Book of Discipline*) prior to embarking on any capital funds campaign or conference-wide appeal.
2. Entities that are designated as Conference Advance Specials are authorized to present their ministries through pulpit presentations, personal contacts, direct mail or electronic means (within the guidelines of the IGRC Information Technology and Communications policies.)
3. Salaries for District Superintendents: CCFA shall consider the yearly percentage difference in the Conference Average Compensation as calculated by the General Board of Pension and Health Benefits for the latest possible year when recommending salaries of the District Superintendents.

4. The Annual Conference Treasurer, the Conference Board of Trustees and their staffs; and the President of CCFA are bonded by a fidelity bond in the amount of $1,000,000. Local church treasurers and financial officers are bonded by an Annual Conference Blanket Bond which is a supplement to any coverage specified in the local church's own insurance policy.
5. In accordance with the 2016 *Book of Discipline* (¶617.2), CCFA will annually review the audits of all Annual Conference Institutions which receive money from the Annual Conference. Other agencies receiving funds from the IGRC shall submit annually an audited Treasurer's report or financial statement if a formal separate audit is not available.
6. The Annual Conference grants CCFA the authority to make adjustments in apportionments of individual churches. All such requests will be made with regard to the facts presented and with the knowledge and consent of the District Superintendent.
7. Mileage Reimbursement: Travel to all approved District and Conference meetings shall be reimbursed at the rate of $0.20 per mile. For Annual Conference Staff persons, including District Superintendents, the rate shall be the current IRS rate.
8. Moving Allowance for Retirees/Disabled/Surviving Spouses: The maximum moving allowance shall be $1,500, plus $500 for packing and insurance for up to 18,000 pounds. The same rule for the retiree moving allowance shall apply once to any minister who qualifies for disability payment. A minister who has received the disability moving allowance shall not be eligible for an additional moving allowance at the time of his/her retirement. The same moving allowance shall be available once to the surviving spouse of a pastor who dies in active service.
9. At year end, remittances from local church treasurers must be made to the Annual Conference Treasurer by the fifth working day of the new year in order to be credited to the prior year.
10. Apportionments shall be based solely on the latest year end statistical report expenses (currently, lines 39-47of Table II). [Direct-billed Clergy Benefits, Pastor's Salary, Associate Pastor's Salary, Housing, Utilities and Other Allowances Paid, Accountable Reimbursements Paid to the Pastors, Other Cash Allowances Paid to the Pastors, Deacon's and Diaconal Minister's Compensation, Other Staff Compensation, Current Expenses for Program, Other Current Operating Expenses]
11. In compliance with ¶619 and with the consent of the Bishop, Michael Potts was elected at the 2018 session of the Illinois Great Rivers Annual Conference as the Annual Conference Treasurer/Director of Administrative Services for the 2016-2020 quadrennium.
12. The IGRC has established as its policy that salaries, travel allowances, and benefits of Conference employees be treated as prior claims and paid each month at 100% of the budgeted amount.
13. The IGRC has established as its policy that all budgeted line items not considered to be "prior claims" be paid at a rate not to exceed the amount received in apportionments during the fiscal year.
14. The IGRC has established as its policy that budget line items designated for non-prior claims, when apportionment collections shall have been received in an amount sufficient to allow an expenditure of funds, shall then only be paid in 11 monthly installments totaling no more than 65% of the budgeted amount.

15. The IGRC has established as its policy that a final payment will be made at the end of the fiscal year for budget line items designated as non-prior claims in an amount equal to the difference between the line item's pro-rata share of apportionments received during the fiscal year and the sums for said line item paid out previously in the fiscal year pursuant to the formula set forth in the preceding paragraph.
16. The IGRC has established as its policy that any resolution approved by the Annual Conference authorizing the expenditure of funds for special projects not included in the budget be approved annually by the Annual Conference until the project is completed and that this review will be initiated by a report on the project submitted to the Annual Conference by the CCFA and the Conference organization responsible for the project.
17. The General and Jurisdictional Conference Apportionments shall be paid at 100% of the amount apportioned to the Illinois Great Rivers Conference.
18. CCFA must approve the establishment of all financial accounts opened in the name of the Illinois Great Rivers Conference, including all districts, boards, committees and commissions.
19. When the Conference receives contributions that are restricted in terms of the use or timing of the expenditure, the amounts are recorded as restricted net assets. These accounts demonstrate the conference's compliance with legal restrictions on the use of contributions. As a general rule restricted net asset accounts do not earn interest for the restricted purpose.
20. Custodial (in/out) accounts are not part of the net assets of the IGRC and shall be established when the following criteria are met:
    a. The source of funds for the account are derived from user fees and the funds are not donor-restricted.
    b. CCFA and/or the Director of Administrative Services agree to accept the funds.
21. Board designated accounts are unrestricted net asset accounts which have been set aside for a specific purpose by a agency/board/committee/commission within the Conference. In order for CCFA to classify funds as board designated amounts a written request must be received from the appropriate agency/board/committee/commission. CCFA may also request and approve its own designations. Apportioned funds will generally not be board designated unless approved by CCFA. Since board designated accounts are a segregation of conference funds, they as a general rule do not earn interest. Unlike restricted net assets, board designations are unrestricted net assets and can be undesignated by CCFA or Annual Conference action.
22. Contracts: CCFA designates the Conference Treasurer/DAS as the authorized signer of any contract which obligates the Illinois Great Rivers Conference financially or for potential liability. In all instances, the responsibilities of the Conference Board of Trustees as outlined in ¶2512 of the 2016 *Discipline* shall be maintained. If the stated amount of the contract exceeds $10,000, an additional signatory is necessary which may be any appointed or elected officer of the Conference with fiduciary responsibilities, such as: the Bishop, Assistant Treasurer, Conference Secretary, CCFA President, Trustees President or another Director. If the stated amount of the contract exceeds $25,000, legal review by the Conference Chancellor is required. All contracts signed by unauthorized persons are null and void.

Committee on Nominations Policies

I. Introduction. Boards, committees, commissions, councils, task forces, teams, and other elected and appointed program and administrative entities (hereafter, "committees") are an important means by which the Annual Conference carries out its mission. Many such entities are specifically mandated or recommended by *The Book of Discipline*, and others are created by the Annual Conference under the provisions of ¶610.2.

II. The IGRC nominations process
    A. The Illinois Great Rivers Conference uses a connectional process for matching the interests and gifts of individuals with opportunities for service on committees:
        1. Individuals listen for God's call in their lives and volunteer for or respond to leadership and service opportunities through their District Committee on Nominations.
        2. District Committees on Nominations discern potential matches between individuals and service opportunities, and make recommendations to the Conference Committee on Nominations.
        3. The Conference Committee on Nominations maintains communication with districts about individual gifts and with conference committees about needs and opportunities, and nominates committee members from among the names provided by the districts.
        4. The Annual Conference elects committee members at its annual session based on the nominations from the Conference Committee on Nominations.
    B. The IGRC nominations process is implemented with the following considerations in mind.
        1. The process described in II.A shall be the primary means by which persons are named to Annual Conference committees, except where otherwise provided by *The Book of Discipline* or by Annual Conference rules or policy.
        2. It is anticipated that the large majority of the persons nominated and elected will be drawn from the pool of names recommended by the District Committees on Nominations.
        3. In accordance with ¶610.5 of *The Book of Discipline*, special attention shall be given in the IGRC nominations process "to the inclusion of clergywomen, youth, young adults, older adults, persons from churches with small memberships, people with disabilities, and racial and ethnic persons[.]" Special attention shall also be given to geographic diversity.

III. Annual Conference committee membership
    A. Terms of office on committees shall begin and end with the adjournment of the annual conference session each year. For the purposes of determining tenure limitations, the term of office of persons elected or appointed to committees after the adjournment of the annual conference session but before the end of that calendar year shall be regarded as having begun with the end of that session; persons elected or appointed after the start of the calendar year but before the next annual conference session shall be regarded has starting their terms at the adjournment of the next session.
    B. In order to provide for clear connections between the Annual Conference

and its committees, and except where otherwise provided by *The Book of Discipline* or by Annual Conference rules or policy, all committee chairs, presidents, or other lead presiding officers (hereafter, "chairs") will be nominated by the Committee on Nominations and elected by Annual Conference. Other officer positions shall be filled by committees from within their membership, in accordance with any applicable Disciplinary or Annual Conference requirements.

C. Persons wishing to resign from a committee office shall notify the chair or acting chair of their committee, or in the absence of a chair or acting chair, the chair or acting chair of the Committee on Nominations. Any committee may enact procedures for automatic resignation of members after a defined number of unexcused absences from committee meetings or activities, provided that every reasonable attempt has first been made by that committee to establish communication with the member; such resignations must be jointly approved on a case-by-case basis by that committee and the Committee on Nominations.

D. When a vacancy exists in a committee office for which the Committee on Nominations is responsible, the Committee on Nominations may submit to the Connectional Table an interim nomination for that office. Upon approval by the Connectional Table, the individual nominated shall immediately take office. The individual shall serve until the adjournment of the following annual conference session or, if further nominated by the Committee on Nominations and elected at the annual conference session, shall serve until the end of the normal term for that office.

E. Upon the resignation of the chair of a committee subject to III(B) above, another officer or member selected according to the committee's succession procedure shall serve as acting chair until a new chair takes office under the provisions of III(D) above or until the adjournment of the next annual conference session, whichever occurs first.

F. Annual Conference staff or cabinet members assigned as liaisons to committees shall have the right of voice but not vote, unless otherwise provided by *The Book of Discipline* or by Annual Conference rules or policy.

IV District Committees on Nominations.

A. District Committees on Nominations shall consist at minimum of the members of the Conference Committee on Nominations representing that district and the assigned District Superintendent. It is recommended that the committee additionally include the District Lay Leader, the District Director(s) of Lay Speaking Ministries, and representatives of the district United Methodist Women and United Methodist Men chapters, and that the committee select additional at large members if it sees fit.

B. District Committees on Nominations shall meet at least once per year and are encouraged to conduct additional meetings in person or electronically.

Abuse Prevention Policy

for Children and Vulnerable Adults
for IGRC Conference & Districts
(Adopted 2015)

Introduction

Jesus said, "Whoever welcomes one such child . . . welcomes me" (Matthew 18:5 CEB).

Children are our present and our future, our hope, our teachers, our inspiration. They are full participants in the life of the church and in the realm of God.

Jesus also said, "As for whoever causes these little ones who believe in me to trip and fall into sin, it would be better for them to have a huge stone hung around their necks and be drowned in the bottom of the lake" (Matthew 18:6 CEB). Our Christian faith calls us to offer both hospitality and protection to the little ones, the children. The Social Principles of the United Methodist Church state that "children must be protected from economic, physical, emotional, and sexual exploitation and abuse" (¶162C).

God calls us to make our churches safe places, protecting children and other vulnerable persons from sexual and ritual abuse. God calls us to create communities of faith where children and adults grow safe and strong. (From The *Book of Resolutions* of The United Methodist Church – 2012, p. 240.)

Thus, we adopt this policy for reducing the risk of abuse of children and vulnerable adults in the ministries and activities of the Illinois Great Rivers Conference.

Scope

This policy and its provisions shall apply to all staff and volunteers, clergy or lay, who have contact with children under the age of 18 or vulnerable adults in conference and district sponsored events. This policy does not supersede the responsibility of local churches to develop and implement their own policies for the prevention of abuse to children and vulnerable adults.

Purpose

Our conference's purpose for establishing this Abuse Prevention Policy and accompanying procedures is to demonstrate our strong and unwavering commitment to the safety and spiritual growth of all of our children and vulnerable adults.

Statement of Covenant

Therefore, as a Christian community of faith and a United Methodist Annual Conference, we pledge to engage in the ministry of the Gospel in ways that assure the safety and spiritual growth of all of our children and vulnerable adults as well as all who work with them. We will follow reasonable safety measures in the selection and recruitment of workers; we will implement prudent operational procedures in all programs and events; we will educate all of our workers with children and vulnerable adults regarding the use of appropriate policies and methods; we will have a clearly defined procedure, conforming to the requirements of Illinois law, for reporting a suspected incident of abuse; and we will be prepared to respond to media inquiries if an incident occurs.

Conclusion

In all of our ministries with children and vulnerable adults, this conference is committed to demonstrating the love of Jesus Christ. "We will surround each other with a community of love and forgiveness . . . that we may be true disciples who walk in the way that leads to life." (Adapted from "Baptismal Covenant I," United Methodist Hymnal, p. 35.)

Definitions

Abuse is generally categorized in five primary forms, defined below: physical abuse, emotional abuse, neglect, sexual abuse, and ritual abuse. (Safe Sanctuaries, p. 29)

- **Physical Abuse** is any deliberate act that inflicts bodily harm to a person.
- **Emotional Abuse** is abuse in which a person exposes another person to spoken and/or unspoken violence or emotional cruelty. Emotional abuse sends a message

to the other person that he or she is worthless, bad, unloved, and undeserving of love and care. Youth exposed to emotional abuse may have experienced being deprived of all parental affection, being locked in closets or other confining spaces, being incessantly told they are bad, or being forced to abuse alcohol or illegal drugs. This type of abuse is difficult to prove and is devastating to the victim. (Safe Sanctuaries, p. 61)

- **Neglect** is failure to provide the proper or necessary nourishment or medically indicated treatment or other care necessary for well-being, including adequate food, clothing and shelter; or a child who is abandoned by his or her parents or other person responsible for the child's welfare without a proper plan of care. (Adapted from 325 ILCS 5/3)
- **Sexual Abuse** is abuse in which sexual contact between a child and an adult (or other older and more powerful youth) occurs. Examples may include fondling, intercourse, incest, and the exploitation of and exposure to child pornography or prostitution. (Safe Sanctuaries, p. 30)
- **Ritual Abuse** is abuse in which physical, sexual, or psychological violations of a child are inflicted regularly, intentionally, and in a stylized way by a person or persons responsible for the child's welfare. The abuser may appeal to some higher authority or power to justify the abuse. (Safe Sanctuaries, p. 30)

Bullying is a form of emotional abuse. It involves intentional, repeated, hurtful acts, words, or other behavior on the part of one or more other individuals. Among children (or youth), bullying may be physical (hitting, or damaging possessions), verbal (name-calling or taunting), emotional (threatening or stalking), or social (spreading rumors or the imposition of isolation). In adults, bullying manifests itself primarily through ongoing harassment and psychological intimidation that happens when one is ridiculed, insulted, degraded, threatened, or slandered.

Cyberbullying is bullying utilizing technology (including email, social networking sites, texts, websites, gaming sites, chat rooms, or blogs). Cyberbullying can include disclosure of personal, humiliating, or embarrassing information about another person without permission to share or fraudulent use of another person's internet accounts. It can also become cyberstalking, in which cyberbullying is carried out in a pattern of events and/or behavior that creates extreme emotional distress over an extended period of time.

Bullying and cyberbullying may produce any or all of the following results:

a. Adverse effects on an individual's ability to participate in or to benefit from the programs or activities of the Conference, its districts, or its agencies by placing the individual in reasonable fear of physical harm or substantial emotional distress.
b. An actual and substantial detrimental effect on an individual's physical or emotional health.
c. Substantial disruption in, or interference with, the orderly operation of the programs or activities of the Conference, its districts, or its agencies.

Bullying and cyberbullying will not be tolerated by the Illinois Great Rivers Conference.

Children are any persons "under the age of 18 years, unless legally emancipated by reason of marriage or entry into a branch of the United States armed services." (325 ILCS 5/3) For the purposes of this policy and accompanying procedures, teens typically

labeled "youth" are included in the term "children" as defined by the State of Illinois.

Conference means the Illinois Great Rivers Conference of The United Methodist Church.

Event is defined as a conference or district sponsored activity or ministry that involves a gathering of children or vulnerable adults.

Participants are children under the age of 18 who are registered, enrolled, attending or otherwise participating in an event or activity sponsored by the conference or a district. Participants are also persons who are considered to be vulnerable adults.

Social media includes various forms of electronic communication (such as websites for social networking) through which users share information, ideas, personal messages, and other content (such as videos or pictures). A few examples of social media are Facebook, GroupMe, Instagram, Pinterest, Snapchat, Twitter, and Tumblr (and new forms are constantly being developed).

Staff includes any paid employee of the conference or district and any paid employee of any group, committee, team or agency of the conference or district who has been charged with the care and supervision of participants at an event.

Supervision is the ability for a person to be in charge of a group of children or vulnerable adults, giving direction, setting boundaries, disciplining appropriately, maintaining safety and being the responsible leader in all situations.

Volunteer is any non-staff worker who has been charged with the care and supervision of participants at an event.

Vulnerable Adults are persons 18 years of age and older with physical, mental, and/or developmental disabilities.

Procedures

Preface

The procedures outlined below shall serve as minimum standards for all conference and district sponsored events in which participants include children under the age of 18 or vulnerable adults. Various conference entities, such as Camping and Retreat Ministries, may develop procedures specifically related to events sponsored by that entity so long as they contain provisions to meet all the procedures outlined below.

Selection and Recruitment of Workers

Four-Years-Older Rule: All volunteers and staff supervising children under 18 will be at least four years older than the oldest participant. Youth age 14-17 and young adults who do not meet the four-years-older rule may serve as staff/volunteers once they have completed training, provided that they serve under the supervision of one or more adults who do meet the four-years-older rule. No one under 18 and no one who does not meet the four-years-older rule will be given sole responsibility for a group of children.
Criminal Background Checks: Prior to beginning service, each prospective staff member or volunteer must complete an application form and an authorization for criminal background check. All criminal background checks for volunteers and staff of district and conference events must be run through the conference office. Criminal background checks for volunteers and seasonal or single-event staff will be repeated

annually. The conference, in its discretion, may allow a person to serve as a volunteer whose local church presents on the person's behalf evidence of a criminal background check generated within the previous twelve months.

Operational Procedures

Two Adult Rule: During all district and conference events, one adult staff or volunteer will not be alone with a child or vulnerable adult. For small group activities in which one adult staff or volunteer supervises each group, groups are to meet in open areas, ideally in sight or sound of another group. At no time will a child or vulnerable adult participant be left unsupervised during an event.

Open Door Rule: All district and conference activities with children under 18 or vulnerable adults shall be held in open areas or rooms with windows in the doors. Where this is not possible, doors should be left open. Safety gates or similar measures may be necessary to protect young children's safety where doors must be left open. Where it is necessary for a participant to speak privately with a staff member or volunteer, such conversations should take place in an open area in sight of others. Where this is not possible, a second adult should be alerted to monitor the conversation.

Social Media: Any social media group set up in the name of a conference camp, youth event, or other ministry shall have at least two adult staff/volunteer administrators. Social media communication, texting, or other electronic communication between staff/volunteers and children under 18 should be confined to public posts or copied to another adult leader and/or the participant's parent. Staff/volunteers will not post photos or personal information regarding participants under 18 years of age (to whom they are not related) on a personal social media page or website, even with permission.

Special Situations: When individuals under 18 years of age attend an event not designed for children or youth (or unexpectedly accompany an adult to an event designed for adults), then those in charge of the event cannot be expected to have had screening of volunteers or staff or appropriate supervision requirements established, nor can they be expected to assume responsibility for such attendees.

Transportation: Written permission from a parent/legal guardian is required for conference and district events requiring transportation during the event itself. This policy does not apply to transportation to and/or from a conference or district sponsored event, when the transportation is not part of the event itself. Where local churches are providing transportation to or from a conference or district event, such transportation falls under the local church's policy.

Drivers providing transportation during events shall:

- Possess a valid driver's license and appropriate insurance.
- Drive a legally licensed and insured vehicle.
- Not be under the influence of any substance that impairs their driving.
- Be at least 21 years of age.
- Adhere to applicable motor vehicle laws.

All drivers shall be screened in the same manner as other leadership for an event and in addition thereto shall be subject to a review of their driving record abstract.

Drivers shall require that seat belts be used at all times (where available), and the number of passengers shall not exceed the number of seat belts. Child safety seats shall be used according to Illinois law (as applicable).

Drivers shall not use cell phones or mobile devices while driving and shall not text message while driving. Hands-free GPS may be used. Hands-free cell phone use is allowed when necessary for communication with other drivers in a caravan.

Where possible, two screened adults should be present in each vehicle. Where this is not feasible and there are multiple vehicles in a caravan, one adult may drive each vehicle, but the vehicles should stay together. Whenever one adult is driving a vehicle, he or she should never be alone in the vehicle with one child or vulnerable adult.

Training

The group (board, agency, committee, team, etc.) hosting each conference or district event is responsible for training and orientation of staff and volunteers. No individual will be allowed to serve until he/she has completed the appropriate training. Staff and volunteers for any conference-sponsored event will receive training which will include this policy and accompanying procedures along with site- or event-specific procedures. Before beginning service, each staff member and volunteer will sign a statement that they have read, understand, and agree to abide by this policy and accompanying procedures.

Reporting Suspected Incidents

Mandated Reporting: The State of Illinois Abused and Neglected Child Reporting Act requires "any person who came to know the child through an official capacity or position of trust, including but not limited to health care professionals, educational personnel, recreational supervisors, members of the clergy, and volunteers or support personnel in any setting where children may be subject to abuse or neglect" to report observed or suspected child abuse to the Illinois Department of Children and Family Services (DCFS).

It is enough to have "reasonable cause" to suspect child abuse. DCFS and not an IGRC supervisor will determine if the information given by the reporter meets the legal requirements to initiate an investigation.

Procedure for Reporting Child Abuse: If and when a volunteer or staff person suspects child abuse, whether committed by another volunteer or staff person or by someone else in the child's life, he/she must report that suspicion immediately to his/her supervisor (or supervisor's supervisor), or the person in charge of the event. The supervisor will provide to the volunteer or staff person DCFS contact information and a list of questions DCFS will ask when the call is made (see below). The volunteer or staff person who suspects the abuse makes the call.

The information DCFS needs includes:

- Names, birth dates (or approximate ages), races, genders, etc. for all adult and child subjects.
- Addresses for all victims and perpetrators, including current location.
- Information about the siblings or other family members, if available.
- Specific information about the abusive incident or the circumstances contributing to risk of harm—for example, when the incident occurred, the extent of the injuries, how the child says it happened, and any other pertinent information.
- If this information is not readily available, the reporter still should not delay a call to the hotline. The Child Abuse Hotline is 800-25-ABUSE or 800-252-2873.

Reporting Policy Violations: If you witness a violation of this policy, please report it to the person in charge of the event, his/her staff, supervisor, Director, District Superintendent, or the Area Office. Contact information can be found at the conference website (*www.igrc.org*).

Honest and good faith complaints are welcomed. The conference, including the aforementioned persons, will not retaliate against any person who brings forward a complaint. Prompt and appropriate investigation and corrective action will be taken.

After Care: Following any report of incident within a district or conference event, the person in charge of the event shall work with conference staff, the District Superintendent, and/or the local church to provide ongoing support and care for all involved.

Media Inquiries

Should a staff member or volunteer of any district or conference event be contacted by the media for comment on any alleged violation of this policy involving IGRC or The United Methodist Church, that staff member or volunteer should direct the media person to the Director of Communications. No other staff member or volunteer is authorized to speak on behalf of the conference or district.
This Abuse Prevention Policy and accompanying definitions and procedures will be reviewed at least once per quadrennium. Responsibility for ensuring this review rests with the Bishop's Resource Team on Relational Ethics in partnership with the Area Office/Assistant to the Bishop.

Well Child Policy

For those using childcare at Annual Conference

- Child care will not admit a child if he/she has any of the following: diarrhea, fever 100 or higher with symptoms of other illness, known contagious disease, questionable rash, vomiting, conjunctivitis or a severe cold/cough.
- If a child is on antibiotics, he/she should have been treated for at least 24 hours before admittance to child care.
- If a child becomes ill and the illness prevents the child from participating comfortably in activities as determined by the child care provider or the illness results in a greater need for care than child care can provide without compromising the health and safety of the other children as determined by the child care provider, parents will be notified and the child will need to be removed from child care.
- Upon notification of a sick child, the parent(s) will come immediately to pick up his/her child. In case of a serious emergency, appropriate emergency personnel will be contacted as well.
- Re-admittance into child care following an illness while at Annual Conference will be at the sole discretion of the head of child care and must adhere to number 1 and 2 of the stated policy. A doctor's note granting permission to return to child care is highly encouraged.

IV. ANNUAL CONFERENCE STRUCTURES

A. The Local Church (¶ 243, 2016 *Book of Discipline*)

1. The local church is the foundation of Nurture, Outreach and Witness of all ministries to the community of believers and beyond.
2. Each local congregation is urged to assess annually its programs and the needs and opportunities for ministries in the community and on the basis of this assessment develop a mission statement to be adopted at a charge or church conference.

B. The District Superintendents will partner with clergy and lay leadership in ordering the work of the district to equip and connect the local church and extension ministries in making disciples of Jesus Christ for the transformation of the world.

C. The Annual Conference Vision and Mission Statements

Vision: All the physically and spiritually hungry people of our world feasting on God's abundant grace at God's table so that they experience God's unconditional love for them, are formed in that love, and are sent to live and share that love with individuals and institutions of our world.

Mission: The purpose of the Annual Conference is to form disciples of Jesus Christ for the transformation of the world by equipping its local churches for ministry and by providing a connection for ministry beyond the local church; all to the glory of God. ¶ 601, 2016 *Book of Discipline*)

D. Conference Agencies (¶ 610, 2016 *Book of Discipline*)

1. [A]n "annual conference shall provide for…clear connections between the General Conference agencies, annual conference program and administrative entities, and the local congregations."
2. Boards, committees, commissions, councils, task forces, teams, and other elected and appointed program and administrative entities (hereafter, "committees") are an important means by which the Annual Conference carries out its mission. Many such entities are specifically mandated or recommended by the Book of Discipline, and others are created by the Annual Conference under the provisions of ¶ 610.2.
3. Similarly, district-level committees play an important role in the life of the Annual Conference.

e. When a pastor is paid a housing allowance, the amount of the housing allowance shall be reviewed annually by the Staff/Pastor Parish Relations Committee for adequacy to the cost of housing in the prevailing local market. This review and any adjustments made to the housing allowance shall be recorded annually at charge conferences.

D. Safe Sanctuaries: Each local church of the Illinois Great Rivers Conference is strongly urged to:

1. Develop and implement an ongoing education plan on the reality of child abuse, risk factors leading to child abuse, and strategies for prevention.
2. Adopt screening procedures (use of application forms, interviews, reference checks, background clearance, etc.) for workers (paid and unpaid) directly involved in the care of children and youth.
3. Develop and implement safety procedures for church activities such as having two or more non-related adults present in classrooms or activity; leaving doors open or installing half doors or windows in doors or halls; providing hall monitors; instituting sign in and sign out procedures for children ages 10 or younger, etc.
4. Advise children and young persons of an agency or a person outside as well as within a local church whom they can contact for advice and help if they have suffered abuse.
5. Carry liability insurance that includes sexual abuse coverage.
6. Assist the development of awareness and self-protection skills for children and youth through special curriculum and activities.
7. Be familiar with annual conference and other church policies regarding clergy sexual misconduct.

The latest edition of Safe Sanctuaries, *Reducing the Risk of Child Abuse in the Church,* should serve as the primary resource text for all of the above.

E. Setting Boundaries for Church Participation by a Registered Sex Offender: Each local church of the Illinois Great Rivers Conference is strongly urged to:

1. Hold discussions in the church council and in adult education settings about the possibility of facing the situation of a convicted sex offender returning to, attending, or joining the church. These discussions should be held and general agreements reached about actions to be taken should the church find itself in this circumstance.
2. Develop a carefully constructed and openly negotiated covenant between the offender and the church community. The covenant should include agreements in the following areas: participation in a professional counseling program for at least the entire time of church membership or participation; adult "covenant partners" to accompany the offender while on church property or attending church activities; areas of church facilities that are "off limits"; restrictions on leadership in or on behalf of church; no role in church that includes contact with children or youth; any additional conditions for presence of participation. The local church is strongly advised to consult with legal counsel and the church's liability insurance carrier during the process of developing the covenant agreement.

3. Assure that the covenant is maintained by having it written and signed by the offender, the pastor(s), and the chairperson of the church council. While confidentiality of victims should be respected, the covenant should not be secret. Monitoring of the covenant should be taken seriously as a permanent responsibility.

VII. MISCELLANEOUS

A. Expenses for Annual Conference Meetings: Travel expenses for the Annual Conference shall be set at the rate adopted by the Annual Conference at the recommendation of the Annual Conference Council on Finance and Administration. The pooling of rides shall be encouraged for Annual Conference meetings.

B. Incurring indebtedness for capital improvements: All boards and agencies shall be required to consult with the annual Conference Board of Trustees and the Annual Conference Council on Finance and Administration and to obtain the approval of the Annual Conference before incurring any indebtedness for capital improvements for which the Annual Conference would be responsible.

C. Unpaid Apportionments: Any unpaid apportionments shall be a claim against church property in the event said property is abandoned and/or sold.

D. Sale of Discontinued, Abandoned, or Retired Properties:

1. Sale of Discontinued or Abandoned Properties: (¶s 2542 and 2549, 2016 *Book of Discipline*): After the local church has exercised the provisions of ¶ 2541 regarding the sale of church properties and structures declared discontinued or abandoned (¶ 2549.3), the net proceeds from the sale of discontinued or abandoned Annual Conference, church and parsonage properties or sites shall be divided equally between the Church Extension Fund and the Repair and Replacement Fund or their equivalent structures.
2. Sale of Retired Camp Properties: When a camp site is retired and sold in accordance with ¶ 2515 and ¶ 2516, 2016 *Book of Discipline*, the net proceeds from the sale of that camp property shall be retained by the annual conference and used for the purchase, repair, and development of other properties on which IGRC camping and retreat ministries are conducted. The disposition of camp site equipment and other moveable property shall be the responsibility of the Commission on Camping and Retreat Ministries. Proceeds from any sale of such equipment shall be retained for purchase of equipment that furthers the mission of IGRC camping and retreat ministries.

E. Background Check: Every person involved in child care and children and youth programs at all Annual Conference events must have passed a background check.

Historical Record of Clergy

Historical Record of Clergy

Illinois Great Rivers Conference

Notes

- This record is for archival purposes and is not used for calculating pension credit. Nonetheless, it is important for the historical record to contain an accurate representation of a clergy's service record. As readers note missing information or inaccuracies, they are asked to contact the Conference Secretary at *ACSecretary@igrc.org*
- No distinctions are made between appointments and statuses in the IGRC and predecessor conferences except in cases of clergy transferring in from other conferences.
- Laity serving as Supply (SY) are not included in the historical record unless they were previously or subsequently licensed, commissioned, or ordained.
- When the clergy's relationship with the conference is severed through surrender of credentials, discontinuation, transfer to another conference, or death the name is removed after five years.
- The General Archives maintain paper copies of the Journal-Yearbooks of all conferences.
- Student appointments and appointments in other conferences are included in the record if information is available.
