Our core value is love: We love the Lord our God with all our hearts, souls, minds and strength and our neighbors as ourselves.

This value is commanded by Jesus, inspired by our Wesleyan heritage including to spread scriptural holiness over the land, and witnessed through our integrity, accountability and inclusiveness.

A Covenant Partnership Between
The Western Pennsylvania Annual Conference And
The Zimbabwe Episcopal Area Of The United Methodist Church

In the spirit of "Chabadza" (a Shona word meaning partnership in which a passerby stops to help one already at work) we will work together to:

Develop Principled Leaders by:

- Conducting, in Zimbabwe, a bi-annual Lay Leadership School with a leadership team composed of resource people from both The United Methodist Church-Western Pennsylvania and The United Methodist Church-Zimbabwe.
- Developing a Zimbabwe Immersion Program for people from The United Methodist Church-Western Pennsylvania to spend significant time in Zimbabwe to learn church growth, discipleship, and leadership dynamics, and to further guide the Western Pennsylvania-Zimbabwe Covenant Partnership.

Create New Places for New People and Renew Existing Congregations by:

- Assisting in the strategic funding and/or construction of churches, parsonages, clinics, and other facilities to make the good news of God's love real in Zimbabwe.
- Ensuring support of the office of the Zimbabwe Episcopal Area (West) Communications and Projects Coordinator.

Engage in Ministry With the Poor by:

- Increasing the utilization of fallow, arable land according to the Zimbabwe Farm and Agriculture Development Program starting at the Nyadire Mission Centre farm.

Stamp Out Killer Diseases of Poverty by Improving Health Globally by:

- Providing better, continuous, safe, and sustainable water and electrical supply starting at the Nyadire Mission Centre Hospital.
- Providing insecticide-treated mosquito bed nets for distribution to fulfill the goals of the Imagine No Malaria – Nothing But Nets programs.
- Working with The United Methodist Church-Zimbabwe Health Board to achieve their goals and objectives for a healthier Zimbabwe.

We will seek to respond to future calls of support as the Bishops of Zimbabwe and Western Pennsylvania might liaise and determine. We will channel communications between our two conferences through the agreed structures of The United Methodist Church. This covenant partnership is open to review, evaluation, and adjustment as seen fit through mutual agreement.

This has become especially important in this year when even now there are still appointments to be made.

Thomas Verner received the award for youth, Michelle Polohonki received the award for adult laity and Randall Bain received the award for clergy. The Bishop congratulated and thanked these three for their efforts for the Kingdom.

EVANGELISM – Paul Morelli reported on the Conference Evangelism Team's work and opportunities throughout the year. He also recognized the three conference evangelists: Christine Rogan, John Zimmerman and Luella Krieger. The conference evangelists were approved with the consent calendar (RS301, RS302, RS303).

Nancy and the Bishop reported that due to our advocacy, this situation has been resolved

TRAIL OF TEARS – Randy Sweet, a member of the Cherokee Nation, reminded the conference members of a dark chapter in our nation's history: the 1839 forced removal of Indians in order to free up prime lands for white settlers. During that forced removal to "Indian Territory" (now known as Oklahoma) hundreds of Indians died. Even more died because of the harsh conditions on the reservations once they had arrived in the territory. On this 175th anniversary of that brutal and cruel time, the Bishop and Randy called upon the body to be in prayer for healing and hope.

AFFIRMING OF APPOINTMENTS TO THE FRANKLIN DISTRICT – Bishop Bickerton welcomed George Porter, District Superintendent for Franklin District and then read the names of pastors being newly appointed to the Franklin District for the coming year. VII. LEGISLATION

P 101 Solitary Confinement

(Adopted 06-07-2014)

WHEREAS Hebrews 13:3 calls us to "Remember those who are in prison as though in prison with them; and those who are ill related since you also are in the body."

WHEREAS Matthew 25:39, the Great Commission states; "When did we see thee in prison and visit thee? Truly I say to you that as you did it to the least of these my brethren, you did it also unto me."

WHEREAS The Social Principles of the *Book of Discipline of The United Methodist Church* 2012, ¶164(h) specifies: "To protect all persons from encroachment upon their personal and property rights, governments have established mechanisms of law enforcement."

WHEREAS the use of solitary confinement is entirely at the discretion of the Department of Corrections. Ponte v. Real "In November, 1982 …the (Pennsylvania) Commissioner of Corrections, Ronald Marks, decided that henceforth all prisoners under sentence of death would be confined in those prisons' Restricted Housing Units (RHU's) in administrative custody." Peterkin v. Jeffes

WHEREAS Pennsylvania taxpayers pay some $30,000 per year to maintain an inmate in general prison population. It costs them $60,000 per year to keep the same person in solitary confinement under 24/7 monitoring.

WHEREAS Pennsylvanians held in solitary confinement are in cells 9 feet tall, 7 feet wide and 9 feet long. They have a 6 foot concrete bunk, a 2 foot toilet and a sink. They are held in a zero stimulus environment at least 23 hours a day. It is possible that they may get 1 hour of walking exercise in the cell block. They are allowed 15 minutes to read, and respond to, any correspondence. Food is passed to them through slots in their cell doors. They are denied access to work programs or other rehabilitation efforts. If visitors were allowed, the interactions are conducted with no physical contact. Some Pennsylvania inmates have been held in solitary confinement for over 30 years.

WHEREAS the UN reports that the US holds more inmates in solitary confinement than any other industrialized or democratic nation. In 2011, the UN Special Rapporteur on Torture and Other Cruel, Inhuman, and Degrading Treatment advocated that solitary confinement only be used as a last resort, and for as brief a time as possible. He also called for a prohibition against solitary confinement of the mentally ill, juveniles, pregnant women, death-sentenced prisoners, and as a means of punishment. He further recommended a 15-day maximum term, based on scientific literature establishing that the impact of prolonged solitary confinement beyond that time period runs an increasing risk of permanent psychological damage.

http://www.ohchr.org/en/issues/torture/srtorture/pages/srtortureindex.aspx

WHEREAS a growing number of states are rethinking the use of long-term isolation, re-evaluating how many inmates really require it, how long they should be kept there and how best to move them out. Up to 80 percent of the inmates could probably be safely moved to less restrictive settings. Inmates who are moved into general prison population begin spending hours outside their cells, or are moved to the general population, within of six months. "Prisons Rethink Isolation, Saving Money, Lives and Sanity" *The New York Times*, March 10, 2012. Missouri completely eliminated solitary confinement for Capital

Prisoners in April 1989. It suffered no increase in violence or incidents, and a substantial reduction in costs. (Alternatives for Death Sentenced Inmates)
WHEREAS the US Department of Justice evaluated Pennsylvania's solitary confinement conditions in January 2014. Investigation of the Pennsylvania Department of Corrections Confinement on Prisoners with Serious Mental Illness and/or Intellectual Disabilities,(February 24, 2014) They determined that Pennsylvania was in violation of both the Eighth Amendment of the Constitution against "cruel and unusual punishment" and of the Americans with Disabilities Act.
THEREFORE BE IT RESOLVED that the Western Pennsylvania Conference of The United Methodist Church encourages the Pennsylvania General Assembly to develop legislation which provides the Department of Corrections with positive guidance regarding the use of solitary confinement, and limits the amount of time a person may be held in solitary confinement.
BE IT FURTHER RESOLVED that the clergy and laity of the Conference be encouraged to demonstrate their support for this resolution through letters and testimony.
BE IT FURTHER RESOLVED that the Western Pennsylvania Conference of The United Methodist Church authorize the author of this Resolution (Roger Thomas) to promptly deliver it to the Chair of the Senate Judiciary Committee in accordance with Conference Rule 2.3.8.1.3.

RS 102 Juvenile Justice

(Adopted 06-07-2014)

WHEREAS 1 Peter 2:23 provides, "Christ did not seek vengeance, but trusted all things to the God who sees into men's hearts and judges justly." Exodus 22:3 provides, "You shall not show partiality against a poor man in his dispute."
WHEREAS Pennsylvania has at least 509 people serving life sentences without possibility of parole because of crimes that occurred while they were juveniles. This is more than twice as many as the next highest state.
WHEREAS Senator Greenleaf's 2008 hearing on this problem determined that over 59% of these juveniles had never held a weapon or confronted the victim. Some did not even know that the offense had taken place.
WHEREAS Juveniles serving life sentences are at much greater risk of being victims of suicide, assault and rape while in prison.
WHEREAS 94% of felony convictions are from plea bargains which do not involve trials or juries. These plea bargains implicate other people.
WHEREAS Rep. Rob Matzie, and several other Representatives, have introduced the **Juvenile Justice Act (HB 1005)**, to address this issue. The Bill provides:
(a) An accomplice who was less than eighteen years of age when he committed a crime for which he was sentenced to serve a term of imprisonment of no less than five years, or who was sentenced to life imprisonment without parole eligibility, may be re-sentenced by the sentencing court within ten years after the date of sentencing.
(b) In determining whether to resentence an individual under this section, the sentencing court shall consider the following factors:

(1) The individual's age and level of maturity at the time of the offense.
(2) The individual's degree of participation in the offense.

(3) The nature of the offense.
(4) The severity of the offense.
(5) The individual's prior juvenile or criminal history.
(6) The likelihood of the individual to commit further offenses.
(7) Other information considered relevant by the sentencing court.

WHEREAS The **Juvenile Justice Act (HB 1005)**, would change the practice of collective culpability in favor of individual culpability.

THEREFORE BE IT RESOLVED that the Western Pennsylvania Conference of The United Methodist Church encourages the Pennsylvania General Assembly to pass the **Juvenile Justice Act (HB 1005)**, which will allow Pennsylvania Courts to consider evidence of the individual culpability of juveniles when reviewing long term sentences.

BE IT FURTHER RESOLVED that the clergy and laity of the Conference be encouraged to demonstrate their support for this resolution through letters and testimony to the Pennsylvania General Assembly.

BE IT FURTHER RESOLVED that the Western Pennsylvania Conference of The United Methodist Church authorize the author of this Resolution (Roger Thomas) to promptly deliver a certified copy of this Resolution to the Chair of the House Judiciary Committee in accordance with Conference Rule 2.3.8.1.3.

Response to Judicial Decision 1238 and Judicial Decision 1241

(Adopted 06-07-2014)

WHEREAS Missions is an incarnational ministry of the church where we are the hands and feet of Jesus Christ to make disciples for the transformation of the world. John 1:14 expresses incarnational ministry as a ministry full of grace and truth, "And the Word became flesh and lived among us, and we have seen his glory, the glory as of the Father's only son, full of grace and truth." Also as stewards of God's resources in missions we must be faithful and true, 1 Corinthians 4:2 "Moreover, it is required of stewards that they be found trustworthy."

WHEREAS The People and the Churches of the Former Pittsburgh East District raised nearly $100,000 for the Uganda Challenge for constructing the Naboole Church building, digging a water well, and providing a mobile maize mill for the churches and the people of the Busia District of Eastern Uganda.

WHEREAS In January 2005, Nancy Denardo and other persons from Western Pennsylvania visited Uganda to see the outcomes of the mission. At the site where the church was to have been constructed, they discovered only an unfinished foundation, and they were told by Reverend Wandabula that the funds had been exhausted.

WHEREAS On four subsequent occasions (2007, 2009, 2010, 2011), Nancy Denardo visited the site to determine whether additional construction had occurred, but she found only a few unfinished walls had been added.

WHEREAS On July 24, 2011 Nancy Denardo made a complaint against Bishop Wandabula following the protocol of the 2008 *Book of Discipline*. In December 2011 Nancy Denardo filed a joint complaint against Bishop Wandabula with Reverend John Kiviiri.

WHEREAS Since the last meeting of our annual conference, the General Council on Finance and Administration met August 16, 2013 in Nashville, Tennessee to consider a request from the president of the Africa Central Conference for "actions that would be necessary to satisfactorily resolve the outstanding audit issues" with Bishop Daniel Wandabula of East Africa. Bishop Michael Coyner, president of the council, listed the steps in an August 30, 2013 response to Bishop Eben Nhiwatiwa:

(1) Bishop Wandabula agrees to resign his position as a bishop and surrender his clergy credentials;

(2) Bishop Wandabula pays a full restitution of all unaccounted-for monies identified by the General Board of Global Ministries Audit Committee from the most recent documents submitted by Bishop Wandabula that total being $757,275;

(3) Bishop Wandabula agrees to the removal of Charles Bamutya as the treasurer of The East Africa Annual (regional) Conference.

(4) In response to these actions, the Board of Global Ministries and the Council on Finance and Administration agree to appoint a financial administrator of the East Africa Annual Conference "to manage properly all conference finances." The administrator would be accountable only to the two agencies and could be terminated by them. "This will be reviewed on an annual basis." (*UMConnections* 9/1/2013)

WHEREAS Since the last meeting of the Western Pennsylvania Annual Conference Bishop Wandabula asked the Judicial Council for reconsideration of the payment of $3,000 to Isaac Sebit or the Western Pennsylvania Annual Conference and the Judicial Council denied that request in Judicial Decision 1241 with this additional language in a concurring opinion "We concur with the decision not to reconsider Decision 1238. However, we also understand that the Judicial Council retains jurisdiction on the payment of money indicated in part 2."

WHEREAS After notification that Bishop Wandabula and the East Africa Annual Conference had not complied with Judicial Council Decision 1238 and 1241, The Judicial Council made the following motion at its April meeting.

"We instruct the Secretary to write Bishop Wandabula and indicate that the Judicial Council reaffirms Decision 1238 in its entirety. Because the funds were not given to Isaac Sebit by the required date of January 1, 2014, now those funds are to be returned to the Western Pennsylvania Annual Conference by June 1, 2014. Copies of the letter to Bishop Wandabula are to be sent to Bishop Warmer Brown, Bishop Rosemarie Wenner, Bishop Tom Bickerton, Robert Zilhaver, Thomas Kemper, Richard Rettberg, Isaac Sebit, and Nancy Denardo. The Secretary should include the full text of Judicial Council Decision 1238...."

WHEREAS After tireless efforts by the Western Pennsylvania Annual Conference the $3,000 was received on May 27, 2014.

WHEREAS The Judicial Council in Decision 1238 states that Nancy Denardo's complaint is still in process. "The Judicial Council, therefore, understands that the complaint process is continuing."

WHEREAS The Judicial Council in Decision 1238 notes "The complainant is certainly entitled to be included in active consultation with regard to the handling of the complaint, and the accused is certainly entitled to fair process. The Africa Central Conference College of Bishops and the Council of Bishops have responsibility for the proper handling of the complaint to its conclusion."

WHEREAS Since the last meeting of the Western Pennsylvania Annual Conference Bishop Wandabula asked the Judicial Council for reconsideration of the finding that the complaint was still in process. In his request for reconsideration he argued that the complaint by Nancy Denardo was dismissed at a meeting of the Central Conference Bishop's meeting by the College of Bishops. The Judicial Council denied that request in Judicial Decision 1241 retaining the original language of Judicial Decision 1238, "The Judicial Council, therefore, understands that the complaint process is continuing."

P 104 Request by the Western Pennsylvania Annual Conference Regarding Legality of Actions Taken in Regard to Judicial Decision 1238 and Judicial Decision 1241

THEREFORE BE IT RESOLVED That the Western Pennsylvania Conference officially petition the Judicial Council under the jurisdiction of Judicial Decision 1238, Judicial Decision 1241, ¶2609.5 of the 2012 *Book of Discipline* on the following matters:
To provide clarification as to which paragraph of the *Discipline* and which body of the church currently holds the jurisdiction over the complaint process (Nancy Denardo and John Kiviiri's complaints) that was understood as continuing under Judicial Decision 1238 and 1241. And to further clarify what action or actions that body which has jurisdiction over the complaints is required to take by the *Discipline*.

DECISION 1281

IN RE: A Request from the Western Pennsylvania Annual Conference Regarding the Legality of Actions Taken in Regard to Judicial Decisions 1238 and Judicial Decision 1241

DIGEST

Three issues were raised by Western Pennsylvania Annual Conference and addressed in Decisions 1238 and 1241. All have now been resolved. Issue one regarding the arrangement between Western Pennsylvania Annual Conference and West Africa Annual Conference was dismissed as a partnership not under the jurisdiction of the Judicial Council. Issue two, the $3,000 owed by West Africa Annual Conference to Western Pennsylvania Annual Conference, was resolved when the money was received by Western Pennsylvania Annual Conference from Bishop Daniel Wandabula. Issue three, a complaint against Bishop Daniel Wandabula, was resolved when the College of Bishops of the Africa Central Conference verified that the charges against Bishop Wandabula had been dismissed. These matters have been resolved, and the Judicial Council no longer has jurisdiction.

Kabamba Kiboko was absent.
Timothy K. Bruster, first clergy alternate, took part in this decision.

CONCURRING OPINION

Our decision now should put a closure to the unfortunate controversies. A couple of legal lessons cannot be glossed over. First, a complaint against a bishop ought to be carefully reflected upon with circumspection and due respect for the office. Second, if it cannot be avoided, the proper procedure spelled out in the Discipline must be strictly followed. The Judicial Council is not the proper forum for such complaint. Well-known is the principle of separation of powers. We have the College of Bishops and the Council of Bishops. Given the growing number of legitimate issues laid at our door, the Judicial Council could be of greater service to the church if its time and energies would not be unduly misdirected.

P 105 Request by the Western Pennsylvania Annual Conference for a Declaratory Decision Regarding the meaning and application of ¶413, ¶2702, ¶2704 and ¶2706 in the Process of Review and Dismissal of a Complaint against a Bishop

THEREFORE BE IT RESOLVED That the Western Pennsylvania Conference officially petition the Judicial Council for a ruling in the nature of a declaratory decision (¶2610) as to the meaning and application of ¶413, ¶2702, ¶2704 and ¶2706 in regards to the process of the review and a dismissal of a complaint regarding a bishop regarding, namely:

1) Upon receipt of a complaint what is the responsibility and process (including timeliness) of the President/Secretary of the College of Bishops is required to take to initiate a supervisory response process under the provisions of ¶413?

2) Who has the responsibility to conduct and who has the responsibility to oversee the supervisory response process under the provisions of ¶413? What is the process (including timeliness) and responsibility of those conducting the supervisory process under the provisions of ¶413?

3) Does ¶413 allow the action by the College of Bishops to resolve the complaint without a supervisory response to seek a just resolution?

4) Is the power to dismiss a complaint, determined by the College of Bishops to be an Administrative Complaint, retained solely by the jurisdictional or central conference committee on episcopacy under the provisions of ¶413?

5) Is the power to dismiss a compliant, determined by the College of Bishops to be a Judicial Complaint, retained solely by the Committee on Investigation ¶2704 and ¶2706?

6) Does ¶413.3.d as read in context with ¶413.3.e require the College of Bishops to refer the complaint to the jurisdictional or central conference committee on the episcopacy if the complaint is based on allegations of incompetence, ineffectiveness, or unwillingness or inability to perform episcopal duties?

7) Does ¶413.3.d as read in context with ¶2704.1.a require the College of Bishops to refer the complaint to the respondent bishop, notify active bishops of the existence and nature of the complaint, and refer the complaint to an elder in full connection within the same jurisdiction or central conference, who shall serve as counsel of the Church?

8) Has the General Conference in ¶413.3.d or in any action under ¶16.5 given the College of Bishops the power to dismiss complaints or make rulings regarding administrative or judicial processes?

DECISION NO. 1275

IN RE: A Request from the Western Pennsylvania Annual Conference for a Declaratory Decision Regarding the Meaning and Application of ¶¶ 413, 2702, 2704, and 2706 in the Process of Review and Dismissal of a Complaint against a Bishop

DIGEST

There is no provision for anyone other than the Committee on Investigation [¶2706.5(c)(1]] to dismiss a judicial complaint against a bishop. The power to refer a matter as an Administrative Complaint or a Judicial Complaint is granted to the president or secretary of the College of Bishops as the ones with whom the complaint is originally filed (¶ 413.2). Paragraph 413.3(d) permits the president or secretary of the College of Bishops to refer or not to refer the matter as an Administrative Compliant or a Judicial Complaint. If the matter is not referred, it is effectively dismissed.

The other issues raised in the request for a declaratory decision require legislative resolution by the General Conference and are not within the jurisdiction of the Judicial Council.

ANALYSIS AND RATIONALE

[Editor's Note: the following is an excerpt of the Judicial Council Decision 1275. The complete text is available online from the Judicial Council.]

Response to the first question: In that the contexts for the inquiry are complaints filed in July 2011 and March 2012, the answer is to be under the 2008 Book of Discipline. If these complaints are not the references for the request for a declaratory decision, the request is moot and hypothetical. Paragraph 413.2 indicates that "for the purposes of this paragraph, the United Methodist bishops of the central conferences shall constitute one college of bishops," but Judicial Council Decision 1149 declared that provision unconstitutional. The remaining language of ¶ 413 lacks clarity. Paragraph 413.3 calls for the appointment of two persons from the jurisdictional or central conference committee on episcopacy, but does not indicate for what purpose these appointments are made. Paragraph 413.3(b) speaks of the role of the supervising bishop, but gives no definition of who the supervising bishop is. Paragraph 413.3(b) begins with a description of "the supervisory response" as "pastoral and administrative and shall be directed toward a just resolution," but there is no indication that a supervisory response is mandatory. In fact, the language of the paragraph sometimes implies recommended procedures, not mandatory procedures: "The supervisory response should (emphasis added) be carried out in a confidential manner and should (emphasis added) be completed within 120 days." It is not clear when the General Conference has mandated action (shall), recommended action (should), or permitted action (may). Paragraph 413 assumes the requirement of a supervisory response, but the formatting and terminology of the paragraph does not make that clear, thus the Judicial Council cannot with complete assurance answer the inquiry about "the responsibility and process (including timeliness) of the President/Secretary of the College of Bishops is required to take to initiate a supervisory response process under the provisions of ¶ 413."

Response to the second question: The same limitations delineated in response one apply here. Paragraph 413.3 does not specify who has the responsibility to oversee the supervisory response. In terms of timeliness, there are deadlines that are suggested ("should"), deadlines that are permitted ("may"), and deadlines that are mandatory ("shall"). In light of this, no single timeline would be applicable in all cases.

Response to the third question: Although the language of ¶ 413 assumes a supervisory response, it does not make clear that this is a requirement rather than an option. The paragraph leaves unclear how a complaint is to be resolved apart from a supervisory response.

Response to the fourth question: The jurisdictional or central conference committee on episcopacy has the authority to dismiss an administrative complaint [¶ 413.3(e)]. However, if "unsatisfactory performance of ministerial duties" means "incompetence, ineffectiveness, or unwillingness or inability to perform episcopal duties," ¶ 413.2 does not distinguish between judicial and administrative complaints. Nevertheless, there is a separate paragraph [¶ 413.3(e)] dealing with administrative complaints. This dual approach needs to be resolved by the General Conference.

Response to the fifth question: Judicial Council Decision 1149 declared ¶ 2704.1(d) to be unconstitutional, thus the College of Bishops referenced in ¶ 2704 is the College of Bishops in which the respondent bishop is a member. There is no [provision for anyone other than the Committee on Investigation [¶ 2706.5(c)(1)] to dismiss a judicial complaint against a bishop.

Response to question six: Paragraph 413.3(d) is permissive: "If the supervisory response does not result in resolution of the matter, the president or secretary of the College of Bishops may (emphasis added) refer to matter as an Administrative Complaint (¶ 413.3(e) or a Judicial Complaint (2704.1). Paragraph 413.3e is mandatory: "…the president and secretary of the College of Bishops…shall (emphasis added) refer the complaint to the jurisdictional or central conference committee on episcopacy." The General Conference is the body to clarify the conflict. See Judicial Council Decision 557.

Response to question seven: Paragraph 413.3(d) permits the president or secretary of the College of Bishops to refer or not to refer the matter as an Administrative Compliant or a Judicial Complaint. If the matter is not referred, it is effectively dismissed. Paragraph 2704.1a describe the process for handling a complaint that is referred as a judicial complaint. If the matter has not been referred, ¶ 2704.1a is not applicable.

Response to question eight: Paragraph 413.3(d) indicates that "…the president or secretary of the College of Bishops may (emphasis added) refer the matter as an Administrative Complaint [¶ 413.3(e)] or a Judicial Complaint [¶ 2704.10)]." This provision does not grant that authority to the entire College of Bishops. The power is granted to the president or secretary as the ones with whom the complaint is filed (¶ 413.2).

In summary, the Judicial Council notes that there are portions of ¶ 413 that lack clarity and which, in fact, give contradictory processes. In the instant case, the point of reference is the Discipline 2008, but these murky areas have not been addressed by the 2012 Discipline. There would be value if a future General Conference harmonized this paragraph. Judicial Council Decision 557 says that when two options are presented, "Neither Par. 455.1 nor Par. 2623.3(b) [1984 Book of Discipline] is assured of

precedence. The district superintendent who first receives the grievance or accusation may determine which process shall be initiated, depending on the nature of the grievance or accusation and the surrounding circumstances." This determination applies in the instant case.

P 204 Change of Appointment Leave

(Adopted 06-07-2014)

WHEREAS Matthew 11:28-30 reads, "Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light." (NIV)

WHEREAS the same study has shown that the clergy rate of anxiety is also significantly high at 13.5%.

WHEREAS the study also states, "A number of factors were found to be powerful predictors of depression and anxiety, most notably job stress. Clergy engage in many stressful activities, including grief counseling, navigating the competing demands of congregants, and delivering a weekly sermon that opens them up to criticism. The strain of these roles is further amplified by having to switch rapidly between them…those who reported feeling socially isolated—were at higher risk…"

WHEREAS the University of Maryland Medical Center reports that "Acute (sudden or short-term) stress leads to rapid changes throughout the body…repeated stressful situations put a strain on the body that may contribute to physical and psychological problems."

BE IT FURTHER RESOLVED that the pastoral compensation for the pastor is to be continued by the current appointment during the 14 day change of appointment leave.

RS304 BASE COMPENSATION FOR PASTORS – Mark Stewart moved concurrence as amended by section three, 91-34-7. After a sustained call for the previous question and prayer, it was approved as amended by Stephanie Gottschalk.

Motions:

Stephanie line 35, after the word ministry add, "and also prayerfully consider giving a matching amount to the Western PA Conference Equitable Compensation Fund, Mission Support Fund, or the Central Conference Pension Fund in Keeping with the Spirit of Acts 2:42-47. Approved.

THEREFORE BE IT RSOLVED that the Commissions on Equitable Compensation shall facilitate with appropriate people/committees: 1) Obtain information from other Annual Conferences Commissions on Equitable Compensation, specifically their letters on how to set the pastor's salary. The purpose would be to identify theologically based criteria for setting clergy compensation. 2) Explore how the Proposed Just Compensation Theory below can be incorporated in to our Annual Conference's Commission on Equitable Compensation's letter on "How to set your pastor's salary for 2016" in conjunction with input from our Annual Conference and other Annual Conferences during 2014 and 2015.

Proposed Just Compensation Theory for Clergy

- Love and justice within the gracious presence and power of God are the basis for all of Christian life.
- The Christian goal is not a particular class level or style of life for some, but abundant living for all, with no one living in poverty.
- God knows what a just wage might be, and our challenge is to wrestle with discerning the level that permits living with a balance of material and spiritual necessities.
- Each individual, family, and congregation must discern an appropriate level of clergy compensation for each specific situation, using the core values of love and justice.

- Clergy compensation and lifestyle should be a positive witness to the Gospel, not self-centered or excessive.
- Neighbors should describe clergy lifestyle as simple and loving, always thinking of others and the world about us.

(Adopted 06-07-2014)

WHEREAS The Western Pennsylvania Annual Conference of The United Methodist Church (the "Conference") adopts the following resolutions relating to rental/housing allowances for district superintendents, clergy executive officers of the Conference, or clergy staff of the Conference;

WHEREAS the religious denomination known as The United Methodist Church (the "Church") of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code, Section 107) who were or are duly ordained, commissioned or licensed ministers of the Church ("Clergypersons");

WHEREAS the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of gross compensation;
WHEREAS the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a housing/rental allowance for Clergypersons who are members of this Conference;
THEREFORE BE IT RESOLVED that for the year 2015, of the annual compensation paid to each district superintendent, clergy executive officer of the Conference, or clergy staff of the Conference, living in a Church-provided parsonage, the amount of $10,000 be designated as a housing allowance, excluded from gross income pursuant to Section 107, 1986 Internal Revenue Code;

P 307 ON EVOLUTION, CHRISTIAN TEACHING and EUGENICS

(Adopted 06-07-2014)

Scriptural Foundation: *Genesis* 1:1-2:4a, *Romans* 1:20, *John* 1:1-5
WHEREAS: We believe science and theology are fully complementary rather than mutually incompatible. (2012 ¶160 F)
THEREFORE BE IT RESOLVED that the Western Pennsylvania Annual Conference petition the 2016 General Conference to amend the *Book of Discipline*, Science and Technology 160F line 6 by deleting "cosmological, geological, and biological evolution" and substituting the following: "cosmology, geology, and biology".
160 F) Science and Technology— We recognize science as a legitimate interpretation of God's natural world. We affirm the validity of the claims of science in describing the natural world and in determining what is scientific. We preclude science from making authoritative claims about theological issues and theology from making authoritative claims about scientific issues. We find that science's descriptions of ~~**cosmological**~~ **cosmology, ~~geological~~ geology, and ~~biological~~ biology ~~evolution~~** are not in conflict with theology. We recognize medical, technical, and scientific technologies as legitimate uses of God's natural world when such use enhances human life and enables all of God's children to develop their God-given creative potential without violating our ethical convictions about the relationship of humanity to the natural world. We reexamine our ethical convictions as our understanding of the natural world increases. We find that as

science expands human understanding of the natural world, our understanding of the mysteries of God's creation and word are enhanced.

P 308 Let Us Be Clear On Creation

(Adopted 06-06-2014)

Scriptural Foundation: *Romans* 1:20 "For since the creation of the world His invisible attributes, His eternal power and divine nature, have been clearly seen, being understood through what has been made, so that they are without excuse."(NAS)

WHEREAS historically within Wesleyan and United Brethren traditions, Creation has been an explicit Doctrinal Standard of the Church, a review of the language in the *Book of Discipline* reveals that since its formation in 1968, Creation has been the implicit Doctrinal Standard of The United Methodist Church. Because of the confusion and divisiveness that has arisen both inside and outside the denomination over the 2008 General Conference's amending of ¶160 E) Science and Technology through Petition 80050 to read: (2012¶160F) "We find that science's descriptions of cosmological, geological, and biological evolution are not in conflict with theology.", the UMC needs a clear and concise Statement of Principle on Creation.

THEREFORE BE IT RESOLVED that the Western Pennsylvania Annual Conference petition the 2016 General Conference by its right within The United Methodist Church, and its responsibility before God, to adopt a Statement of Principle on the topic of Biblical Creation for the denomination in the *Book of Resolutions*.

2015 BUDGET NARRATIVE

This year, the budget for 2015 is taking on a different look. I know, right now you're thinking, change? Again? But this new change is exactly what was asked for at the 2013 gathering of the Western Pennsylvania Annual Conference. In this new budget design, we have incorporated several previously asked for changes that will hopefully make understanding the budget easier.

The first change you will notice is in the format of the budget. Last year an amendment was offered from the floor of the Annual Conference asking the Council on Finance and Administration to show how much money was spent in a particular line item in the previous year, how much was afforded to each line item in the current year, and how much was being afforded to each line item for the next year.

This request is the first column in the 2015 budget. The second column is the amount allocated through the 2014 budget that was passed at last year's Annual Conference. The third column is the proposed budget for 2015.

The second change you will notice is a realignment of the budget line items according to how those teams relate to each of the Conference Connectional Leadership Teams. The committees and teams that report to each of the four areas of ministry, Nurture, Outreach, Witness and Administration, are now listed by those corresponding groups, making it easier to match up the budget area with the Nominations Report.

The third change is in the actual numbering system for budget line items. In an effort to make it easier to track those numbers in our accounting system, a fourth digit was added to help make it easier to create new categories and new ministry opportunities to the accounting system. This numbering system is subject to change as we enter the data in 2015 to realign with this new numbering system.

The Budget Team, in connection with the Council on Finance and Administration and the Conference Connectional Leadership Table, have developed the budget for 2015 with the Conference Approved Five Areas of Focus in mind. This year's budget includes monies for new places for new people, eliminating racism, dealing with poverty issues, providing principled Christian leaders, and improving the spiritual development of people in Western Pennsylvania.

The 2015 budget is slightly over 0.8% higher than the 2014 budget, which is keeping in line with current cost of living changes. It also takes into consideration the great work that the local churches have done in paying their connectional apportionment, and recognizes how difficult that process can be. It also, for the fifth year, provides for our annual conference to pay our General and Jurisdictional apportionments at the 100% mark.

You will notice that this year we have removed a direct line item request for additional monies to be placed in the reserve account. 2013 was a very good year for our annual conference financially, and we were able to restore the conference reserve fund to within a reasonable level of the required 5% rule. For 2014, last year's legislation allows us to provide for the needs of the reserve account through endowment interest income. By doing this again in 2015, it is our belief that our reserves will maintain their current level and that our financial strength will be secure.

Every year the budget process is a difficult one, and we continue to look for ways to help the committees and councils serving the churches of Western Pennsylvania to find ways of doing God's will while still being financially responsible. With over $10.2 million in requests for ministry funding, we looked for ways to honor these vitally important ministries, while still being faithful to the local church. In addition, we continue to look for ways to make it possible for the churches of Western Pennsylvania to afford to do ministry in local outreach, as well as ministry across the connection.

This year we continued the ministry team pool concept for the Conference Connectional Leadership Teams. While we do not have a lot of history to build off of with these pools, the concept has provided for some great new ministry starts and ideas. This will hopefully continue in 2015 and for years to come.

The budget process is never an easy one. But with the help of those who represent the local church in the committees that serve this Annual Conference, once again this process was well balanced and we believe as fair as possible. Our hope each year is that every church will be faithful in their contributions to the Connectional Apportionment so that ministry in the Annual Conference will be fully funded. We want to thank all those churches that paid 100% of their Apportionments in 2013. We also want to especially thank those churches that went above and beyond in paying more than 100% of their Apportionments.

Our hope continues for those churches that did not meet the 100% mark, and a few others that did not pay any Apportionments at all, that they will be able to meet their obligations in the Connectional Apportionment in 2015. To those churches that almost made it, please keep up your hard work and good stewardship, because there are a lot of people praying for your success and good work.

We continue to encourage the churches that have not paid anything towards the Apportionments to look at them not as something that can be ignored or that does not require our attention. It is as important to pay this obligation of Connectionalism as it is to pay the local church bills, tithes, utilities, salaries, and other financial obligations. Without everyone doing their part, the vital ministry provided by this budget and the lives it touches cannot happen. So to those churches that do not see the necessity of the ministry of the budget, please know

that we are praying for your ministry, and for you to be able to contribute towards the ministry of the Annual Conference of which you are a great part.

In 2011, 2012, and again in 2013, we paid our General Church Apportionments at the 100% level. It is our hope that we will be able to pay our General and Jurisdictional Apportionments at the 100% mark for 2014 and 2015. We cannot avoid this obligation any more than the local church can avoid its obligations.

Finally, it is our belief, and our hope, that this budget will fulfill our mission as the church of Jesus Christ as outlined in Matthew 28 and *The Book of Discipline*: "To make disciples of Jesus Christ for the transformation of the world." Please continue to pray for our work, for the work of the Annual Conference, and most importantly, the work of the local church, as we all continue in our covenant together to spread the Gospel of Jesus Christ throughout the world.

The Conference Treasurer shall make disbursements from this account to the local church or charge Treasurer as designated in the plan of ministry. The Conference Treasurer may not disburse funds from the Short Term Incapacity Fund if the balance of the fund is depleted;

BE IT FURTHER RESOLVED that the attached total budget for 2015 for the Western Pennsylvania Annual Conference is subject to change based on the actions taken by the Conference with regards to the Connectional Apportionment budget, endowment, and other income.

The Western Pennsylvania Annual Conference of The United Methodist Church (the "Conference") adopts the following resolutions relating to rental/housing allowances for active, retired, or disabled clergy persons of the Conference:

WHEREAS the religious denomination known as The United Methodist Church (the "Church") of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned or licensed ministers of the Church ("Clergypersons");

WHEREAS the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of gross compensation;

WHEREAS pensions or other amounts paid to retired and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired and disabled Clergypersons in consideration of previous, active service; and

WHEREAS the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a housing/rental allowance for Clergypersons who are members of this Conference and are eligible to receive such deferred compensation;

THEREFORE BE IT RESOLVED that an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the "*Discipline*"), which includes all such payments from the General Board of Pensions and Health Benefits ("GBOPHB") during the year of 2015, by each active, retired, or disabled Clergyperson who is or was a member of the Conference or its predecessor, be and hereby is designated as a rental/housing allowance for each such Clergyperson;

BE IT FURTHER RESOLVED that the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the GBOPHB and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that an active, a retired or a disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, or other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired or disabled Clergyperson's pension or disability as part of his or her gross compensation.

NOTE:

body of the Church (such as this Conference in the foregoing resolutions) for such year, (2) the amount actually expended by the Clergyperson to rent or provide a home in such year, or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

RS 502 Comprehensive Benefit Funding Plan Summary

(Adopted 06-07-2014)

WHEREAS ¶1506.6 of *The Book of Discipline of The United Methodist Church* 2012 requires each annual conference to develop, adopt, and implement a formal comprehensive funding plan or plans for funding all of its benefit obligations ;

WHEREAS this funding plan must result in the retirement of the respective annual conference's pre-82 pension obligations on or before December 31, 2021;

WHEREAS this funding plan shall identify funds designated by the Annual Conference and protected for the exclusive purpose of retiring its pre-82 pension obligations;

WHEREAS the Western Pennsylvania Annual Conference ("WPAUMC") Board of Pensions has submitted the following funding plan, which shows that, as of January 1, 2013 (the actuarial valuation date for determining 2015

Contributions due), the WPAUMC's pre-1982 obligations have been fully funded:

WHEREAS in the opinion of the General Board of Pensions and Health Benefits of The United Methodist Church, the funding plan described above meets the comprehensive funding plan requirements of ¶1506.6 of *The Book of Discipline of The United Methodist Church* 2012; and

WHEREAS The WPAUMC Board of Pensions is in receipt of a written opinion from the General Board of Pensions and Health Benefits that this funding plan meets the funding requirements of ¶1506.6 of *The Book of Discipline of the United Methodist Church* 2012;

THEREFORE BE IT RESOLVED that the Western Pennsylvania Annual Conference approve the following Western Pennsylvania Annual Conference 2015 Comprehensive Benefit Funding Plan Summary:

Western Pennsylvania Annual Conference
2015 Comprehensive Benefit Funding Plan Summary

The 2012 *Book of Discipline* ¶1506.6 requires that each annual conference develop, adopt and implement a formal comprehensive funding plan for funding all of its benefit obligations. The funding plan shall be submitted annually to the General Board of Pension and Health benefits for review and be approved annually by the annual conference, following the receipt and inclusion of a favorable written opinion from the General Board of Pension and Health Benefits (GBOPHB). This summary document is only a portion of the information contained in the actual signed funding plan. As such, it might not contain all the information required for a comprehensive view of the benefit obligations of the conference. You may request the full contents of the 2015 comprehensive benefit funding plan from your conference benefit office.

Following is the summary of the Comprehensive Benefit Funding Plan (CBFP) that received a favorable written opinion from GBOPHB for the 2015 conference benefit obligations:

Clergy Retirement Security Program (CRSP) Defined Benefit (DB) and Defined Benefit Contribution (DC)
Plan Overview: The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility designed for those who serve as clergy of The United Methodist Church. The plan is designed to provide participants with one portion of their overall retirement portfolio. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007, which replaced the Pre-82 for service rendered prior to January 1, 1982

CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to the Church, and a defined contribution (DC) plan, which provides a retirement account balance established and funded by annual conferences. The Clergy Retirement Security Program (CRSP-DB) annuities total liability as of January 1, 2013 is $923.7 million, while total plan assets are $978.5 million resulting in a current plan funded ratio of 106%. The Western Pennsylvania Conference portion of the liability is 2.17% and the 2015 contribution is $2,255,974. The conference anticipates that the amount will be funded by the redirection of assets from the Pre-82 segment overfunding. Additionally, General Conference 2012 approved a change to CRSP that provides each annual conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The Western Pennsylvania Annual Conference has elected to cover clergy serving 50%+ under CRSP effective January 1, 2015.

Effective January 1, 2014 CRSP-DC plan was reduced from a 3% to a 2% of plan compensation non-matching contribution. Clergy will have the opportunity to earn up to an additional 1% CRSP DC contribution by contributing at least 1% of their plan compensation to UMPIP, therefore if a participant contributes at least 1% of plan compensation to UMPIP, the individual will receive a contribution of 3%, which is unchanged from 2013 and prior. The 2013 CRSP-DC contribution was $705,500 and was funded by collections from local churches. It is anticipated that increases for future years will average 3%, due to anticipated increase in the Denominational Average Compensation (DAC) and/or Conference Average Compensation (CAC).

Ministerial Pension Plan (MPP)
Plan Overview: The Ministerial Pension Plan (MPP) provides clergy with a pension for their years of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. Effective January 1, 2014, exactly 65% of the account balance must be annuitized when it is to be distributed. The remainder may be rolled over to UMPIP, another qualified plan or IRA, or paid in a lump sum.

The Ministerial Pension Plan (MPP) annuities total liability as of January 1, 2013 is $2.7 billion, while total plan assets are $3.0 billion resulting in a current plan funded ratio of

109% and no required contribution for 2015. The Western Pennsylvania Conference's portion of the total liability is 2.70%. Future MPP annuitants have a total account balance of $4.4 billion and the Western Pennsylvania Conference's portion of that balance is $108.97 million or 2.49% of the total.

Pre-1982 Plan

Plan Overview: Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. When participants enter a Retired relationship with your Conference, and do not terminate, the minimum benefit payable to them is based on two factors: 1) years of Service with pension credit and 2) Conference pension rate. Years of Service with pension credit are approved by each Conference on the recommendation of the Conference Board of Pensions in accordance with plan provisions and *The Book of Discipline*. The pension rate, (also called the past service rate PSR), is the dollar amount chosen by the Conference as the amount payable for each approved year of Service with pension credit. Typically, the pension rate changes from year to year. The number of years of Service with pension credit is multiplied by the PSR, and the product is the minimum annual benefit payable to those eligible for Pre-82 Plan benefits. In certain situations the benefit received from the Pre-82 plan, may vary based on the applicability of what is referred to as Defined Benefit Service Money (DBSM), which is the defined contribution feature of the Pre-1982 Plan. At the time a participant retires, the DBSM account is converted to a life based benefit. At that point the participants benefit is the greater of the PSR benefit or DBSM benefit. As the conference increases the PSR, the participants benefit is recalculated; however the DBSM based benefit does not change.

The 2015 Past Service Rate (PSR) recommended to the Western Pennsylvania Annual Conference will be $586.15 representing a 3.22% increase from the 2014 rate. The conference expects future increases to be approximately 3.0%, which is based on: Anticipate 3.0% per year increases in CAC.

The contingent annuitant percentage is recommended to remain at the 75% level.

Based on the final actuarial valuations from the General Board of Pensions and Health Benefits as of January 1, 2013 for 2015, the portion of the Pre-82 liability attributable to the Western Pennsylvania Conference and funded status is, as of 1/1/2013, as follows:

Funding Plan Liability	$79,760,893	
Assets in the Plan	$114,994,825	
Funded status	$35,233,932	represented by a 144% funded ratio

The Projected Funded Status as of 12/31/2014 $25,504,467

The funded ratio is recalculated each year based on economic and demographic changes. These changes create the possibility that Pre-82 contributions may be required at a future date (even after 2021).

As outlined above, given the funded status of the Pre-82 Plan for the Western Pennsylvania Conference, the Conference Board of Pensions (CBOP) intends to redirect Pre-82 assets in the amount of $5,235,275 on 12/31/14. Redirection is planned to cover the conferences CRSP-DB obligation. The conference recognizes that surplus redirection increases the probability of future Pre-82 contributions.

Defined benefit plan liabilities (Pre-82, MPP and CRSP-DB) continue until the last benefit is paid to participants and their surviving spouses irrespective of the funding level of the plan. That is, even if the assets in the plan are larger than the liabilities in the plan, the conference still has a liability (obligation) with the plan.

Active Health Benefit Program
Plan Overview: The Western Pennsylvania Conference offers an Insurance program to the active participants.

During the 2013 year, the total cost of the program was $6,720,000 and was funded by Local church assessment plus use of designated reserves if required, but not anticipated. The projected average increase for future years is expected to be 5%, due to: Healthcare trend rates.

Post-Retirement Medical Benefit Program (PRM)
Plan Overview: The Western Pennsylvania Conference post-retiree medical plan currently offered is an Insurance plan made available primarily to Fund $126 monthly subsidy per participant and eligible spouse toward the insurance premium.

The current annual cost is anticipated to be $1,385,196 with funding sources to be investment growth in current fund assets and redirection of $6,000,000 of Pre-82 assets in 2013. On a longer term basis the Western Pennsylvania Conference intends to maintain current subsidy.

Based on the most recent PRM valuation dated 1/1/2013, following is the funded position of the post-retiree medical benefits:

Accumulated Post Retirement Obligation (APBO) or net conference cost	$24,993,633
Expected Post Retirement Obligation (EPBO) or net conference cost	$30,486,617
Service Cost (SC) or net conference cost	$737,609
Assets designated for PRM 12/31/2012	$25,125,952

These values are based on 3.6% long term discount rate, 7.0% long-term expected return, and a current increase trend of 7.75% decreasing to 5.0% by 2022.

Comprehensive Protection Plan (CPP)
Plan Overview: The Comprehensive Protection Plan (CPP) provides death, long-term disability and other welfare benefits for eligible clergy of The United Methodist Church and their families and is an Internal Revenue Code 414(e) "church plan" funded by plan sponsor insurance premiums. Generally, you are eligible to participate in CPP if your

conference or salary-paying unit sponsors the plan and you satisfy the eligibility requirements which include full-time episcopal appointment and plan compensation equal to or greater than 60% of the Denominational Average Compensation or the Conference Average Compensation whichever is less. The Western Pennsylvania Annual Conference has elected to make CPP-eligible clergy, who are appointed at least 100%, have mandatory participation, while full members appointed 75% or 50% may have optional participation under special arrangements.

Currently (for 2013) the Western Pennsylvania Conference has a required contribution to the Comprehensive Protection Plan of $660,721, which is anticipated to be funded by Assessment to local churches. The anticipated average increase in future years is expected to be 3% per year due to a projected increase in compensation.

United Methodist Personal Investment Plan (UMPIP) for Lay and Clergy
Plan Overview: The United Methodist Personal Investment Plan (UMPIP) is an Internal Revenue Code section 403(b) defined contribution retirement savings plan for clergy and lay employees of The United Methodist Church and affiliated organizations. Participants may make before-tax and/or after-tax contributions through payroll deductions. Participant contributions, contributions your plan sponsor may make on the participants behalf and investment earnings comprise the individual's retirement account balance.

Certain qualified conference office lay employees are eligible after 12 months for a pension contribution of 12% of salary. Lay employees are encouraged to contribute personal funds toward their retirement through payroll deductions to the UMPIP. The estimated contribution for the Western Pennsylvania Conference is anticipated to be $331,424 and is to be funded through contributions to plan by the local churches, by the conference for conference staff and also includes additional contributions by individuals.

As of January 1, 2014, the Western Pennsylvania Conference is sponsoring UMPIP for clergy appointed 25% time. They are eligible for a pension contribution of 10% of salary. The estimated contribution for the Western Pennsylvania Conference is anticipated to be $256,000 and is to be funded through the local church funding, conference apportionments and conference benefit reserve fund.

General Board of Pensions and Health Benefits Conclusion:
The 2015 Comprehensive Benefit Funding Plan and the above outlined Summary document incorporates to the best of our understanding , the Western Pennsylvania Conference's obligations and funding requirements of the benefits provided to the Clergy and Laity of the Western Pennsylvania Conference.

RS 608 VOLUNTEERS IN MISSION RECOGNITION AND AWARENESS DAY

(Adopted 06-07-2014)

WHEREAS (Background) The 1980 General Conference of The United Methodist Church (UMC) officially sanctioned the United Methodist Volunteers In Mission

(UMVIM) and directed the General Board of Global Ministries to "affirm VIM as an authentic form of personal missionary involvement and devise appropriate structure to interpret and implement opportunities for volunteers in the global community" (2012 *Discipline* ¶1302.14; 1980 *Discipline* ¶1502.13). The 1988 General Conference suggested that "each annual conference name a VIM coordinator to work cooperatively with GBGM and the Jurisdictional UMVIM offices." The 1996 General Conference created the Mission Volunteers office within GBGM to assist in the guidance and placement of volunteers; in short term mission assignments. (1996 *Discipline* ¶1312.5). The 2000 GC recognized UMVIM as a "one of the most dynamic mission outreach programs of the denomination today" (*The Book of Resolutions of the United Methodist Church*; 2000, page 165). The 2004 General Conference authorized the establishment of a Volunteer in Mission Awareness Sunday in the annual conferences. These actions clearly recognize the UMVIM program as a growing force in promoting the church in general, Christianity in particular, and personal Christian service;

WHEREAS the UMVIM program is truly a grassroots movement in allowing all persons of faith, laity and clergy alike, the opportunity to have a "hands on" experience and involvement in mission endeavors;

WHEREAS it is generally accepted that all persons cannot do everything but, that everyone can do something, the UMVIM program allows persons to offer physical support, prayer support, and/or financial support to the wide variety of programs that are designed to promote the many opportunities to utilize their many varied talents in direct service to the Kingdom of God;

WHEREAS Scripture requires us all to be active participants in the faith, to wit, "*... and you shall be my witnesses in Jerusalem and in all Judea and Samaria and to the end of the earth*" (Acts I: 8b, RSV) and "*What does it profit, my brethren, if a man says he has faith but has not works…..So faith by itself, if it has no works, is dead*" (James 2:14, 17 RSV);

WHEREAS there are opportunities to serve locally, nationally, or even internationally, and the "hands on" opportunity truly changes a missioner's perspective toward persons or cultures with different economic, ethnic, or political backgrounds;

WHEREAS the UMVIM program is one essential tool in helping to promote tolerance and understanding throughout all of God's Kingdom, a tool that helps to bring a measure of relief to those in unfortunate circumstances wherever they are, and a tool that can help Christians to fulfill the mandate of Jesus as expressed in Matthew 25:34-46.

THEREFORE BE IT RESOLVED that the Western PA Conference recommend to all local churches in the Conference:

1. That a Sunday of March 2015 be set aside and declared Volunteers In Mission Awareness Day;
2. That each local church with assistance of the conference UMVIM leadership, provide for UMVIM displays, information, resources, solicit individual or group testimonies and/or develop other ways to celebrate the UMVIM movement in whatever fashion that best suits the local congregation;
3. That local churches draw upon the available resources of the Conference UMVIM Coordinator to help make the day memorable, one of faith in action.
4. That an offering be taken on the designated UMVIM Awareness Sunday to support the Conference and Jurisdictional UMVIM offices and programs, with 90% of funds

collected going to the Conference VIMship Advance Special, and a tithe of 10% to the Jurisdictional UMVIM programming efforts.

RS 609 Retired Clergy Day

(Adopted 06-07-2014)

WHEREAS the Conference Board of Pensions may select a Sunday in each year to be observed in the churches as Retired Clergy Day, in honor of the retired clergy, their spouses, and the surviving spouses of clergy and in recognition of the church's responsibility for their support;

WHEREAS these retired clergy, their spouses, and the surviving spouses of clergy continue to support the church in various and significant ways;

WHEREAS recognition of the ministry of these persons can also provide inspiration to those considering ministry;

THEREFORE BE IT RESOLVED that the third Sunday of September 2014 & 2015 be designated as Retired Clergy Day in the Western PA Conference and that each local church and charge of the Conference be encouraged to recognize and honor on that day, or on another Sunday chosen for that purpose, the retired clergy, their spouses and any surviving spouses of clergy who may be related to such local church or charge.

RS 610 Bread for the World Sunday Offering of Letters

(Adopted 06-07-2014)

WHEREAS in *Proverbs* 31:8-9, it states "Speak out for those who cannot speak, for the rights of all the destitute, speak out, judge righteously, defend the rights of the poor and needy."

WHEREAS in *Luke* 14:13-14, it states "But when you give a banquet, invite the poor, the crippled, the lame, and the blind. And you will be blessed, because they cannot repay you, for you will be repaid at the resurrection of the righteous."

WHEREAS in *Isaiah* 58:10, it states "if you offer your food to the hungry and satisfy the needs of the afflicted, then your light shall rise in the darkness and your gloom be like the noonday."

WHEREAS in *Matthew* 25:37 it states, "Then the righteous will answer him, 'Lord, when was it that we saw you hungry and gave you food, or thirsty and gave you something to eat?"

WHEREAS in *Matthew* 25:42 it states, "for I was hungry and you gave me no food, I was thirsty and you gave me nothing to drink."

WHEREAS in *Matthew* 25:44-45 it states, "Then they also will answer, 'Lord, when was it that we saw you hungry or thirsty or a stranger or naked or sick or in prison, and did not take care of you? ' Then he will answer them, 'Truly I tell you, just as you did not do it to one of the least of these, you did not do it to me.' "

WHEREAS *The United Methodist Book of Discipline* 2012 ¶163.E states:

"As a church we are called to support the poor and challenge the rich. To begin to alleviate poverty, we support such policies as adequate income maintenance, quality education, decent housing, job training, meaningful employment opportunities, adequate medical and hospital care, humanization and radical revisions of welfare programs, work for peace in conflict areas and effort to protect creation's integrity."
WHEREAS among figures from the U.S. Census Bureau and Department of Agriculture and the non-profit Bread for the World Institute show the need for changing public policy to eliminate hunger in the U.S. and overseas are these:
1. For more than 50 years, U.S. food aid has benefited more than 3 billion hungry and malnourished people around the world.
2. While the federal government's food-aid programs do much good, smart reforms would help get more food to more people in less time—at no additional cost to U.S. taxpayers.
3. Together we can change public policy and ensure continued, improved assistance to millions of hungry people around the world.
WHEREAS through Bread for the World Sunday and Offering of Letters, the non-profit BFTW continues to educate and enable church members to work for public policies and enable church members to work for changes in public policies to alleviate hunger through contacting federal legislators by letter, telephone, e-mail and visits.
WHEREAS Bread For The World information and resources can be found on the Bread For The World website in order for local churches to be prepared to have a Bread For The World Offering of Letters Sunday. www.bread.org
THEREFORE BE IT RESOLVED that each local church in the WPA Conference consider planning for a Bread For The World Sunday Offering of Letters with the 2014 theme "To Reform U.S. Food Aid."
BE IT FURTHER RESOLVED that the district superintendents encourage his/her local churches to use the Bread For The World website to obtain the necessary materials to be prepared to have a Bread For The World Offering of Letters.

RS 611 Children's Sabbath

(Adopted 06-07-2014)

WHEREAS in *Isaiah* 6:8 it states, "Then I heard the voice of the Lord saying, 'Whom shall I send, and who will go for us?' And I said, 'Here am I; send me!"
WHEREAS in *Micah* 6:8 it states, "He has told you, O mortal what is good and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?"
WHEREAS Pope Francis has stated, "A population that does not take care of the elderly and the children and the young has no future, because it abuses both its memory and its promise.
WHEREAS *The United Methodist Book of Discipline* 2012 ¶162.C states:

"Once considered the property of their parents, children are now acknowledged to be full human beings in their own right, but beings to whom adults and society in general have special obligations. Thus, we support the development of school systems and innovative methods of education designed to assist every child toward complete fulfillment as an individual person of worth. Moreover, children have the rights to food, shelter, clothing, health care, and emotional well-being as do adults, and these rights we affirm as theirs regardless of actions or inaction of their parents or guardians. In particular, children must be protected from economic, physical, emotional, and sexual exploitation and abuse."

WHEREAS the Children's Defense Fund (an ecumenical child advocacy organization) states that we must address the needs of the whole child. Children need to have a future. They are not a number or a statistic. That we need to help them to succeed so they can have a future.

THEREFORE BE IT RESOLVED that members of the WPA Conference UM Churches will be advocates for justice for children.

BE IT FURTHER RESOLVED that each church will have a Children's Sabbath using suggested free resources from the Children's Defense Fund in October or another suitable Sunday. (www.childrensdefensefund.org)

Harry R. Applegate

August 12, 1927 **May 13, 2014**

Harry Richard Applegate was born August 12, 1927 in Sharon, PA to Salem and Catherine Rankin Applegate. He graduated from Sharon High School in 1945 and worked for 38 years at the former Sawhill Tubular Plant in Wheatland, PA. He was a member of New Virginia United Methodist Church, Hermitage, PA, where he served as head usher before I went into full time ministry. Currently he was under the pastoral care of New Leaf United Methodist in Conneaut, OH where we live.

Harry served as Assistant Boy Scout Leader of Troup 12, Sharon, PA in the 1970s. He was an avid stock car racer for over 20 years and loved watching NASCAR. Harry was a great Preacher's Spouse, and he loved to tell people that being married to him greatly helped my preaching, because of all the times I preached to him.

Survivors include myself, Rev. Julie Lonie Applegate, whom he married June 5, 1965; two sons, Harry Richard Applegate II and fiancée Jennifer Statan, of Marion, OH and Shane Donald Applegate and wife Anna, of Oil City, PA; two daughters, Nancy Miller and husband Robin of Marion, OH and Erin Hricik and husband Frank of Sharon, PA; a step-son, Scott McQuiston of Conneaut, OH; and a foster son, Steve Roadcap and wife Angelia, of Battle Creek, MI. He is also survived by seven grandchildren and a brother, Kenneth Applegate of Las Vegas, NV. Harry was preceded in death by a daughter, Janet Gail Applegate, who died in May, 2008.

Dorothy E. Blank

September 17, 1929 **December 18, 2013**

Dorothy E. Blank, last living at Arbutus Park Retirement Community, Johnstown, PA, went to be with her Lord on December 18, 2013, following a brief illness. Born September 17, 1929 in Pitcairn, PA, she was a daughter of Clair and Minola (Brown) Baker. In addition to her parents, she was preceded in death by her husband, the Rev. Robert Blank; brothers, Jack, Craig, Robert and William; and a sister, Kathleen Smith.

Dorothy is survived by her children: Dennis of Charlottsville, VA; Dawna, married to Larry Johnson of Altavista, VA; and the Rev. Daniel, married to Kim (Long) of Marietta, OH. She also is survived by her grandchildren: Dennis Mark Blank, of Pittsburgh, PA; Chris Blank, married to Theresa, also of Pittsburgh; and Jonathon Blank, married to Erica, of Portsmouth, VA; and great-grandchildren, Cole, Bradyn and Tristan Blank. Dorothy also is survived by 26 nieces and nephews.

Dorothy, who served many years in church activities, was a member of Bethel United Methodist Church, Hollsopple, PA, and was an active volunteer at Arbutus Park Retirement Community. She loved her Lord, family and friends.

One of her favorite quotes was, "God is good all the time; all the time God is good!" She will be greatly missed. Dorothy was a devoted pastor's wife, mother and grandmother who loved people, entertaining and giving to others. A funeral service was held at Bethel United Methodist Church in Hollsopple, with Pastors Keith Dunn and David Bowman officiating. Interment was in Custer Cemetery.

Dorothy was a wonderful mother, daughter, sister, aunt, friend and pastor's wife. Mother loved being a pastor's wife, collecting antiques, helping and giving to people, volunteering in many churches and at the Arbutus Manor. Mother stood up firmly as a Christian and godly example to family and friends. She lived a faithful, hospitable, generous, serving, giving, kind and living life. Giving more than just her endearing smile, she never lost sight of Jesus, serving Him and living Him. We are grateful for our Christian heritage and the precious memories we have of our dear mother. Mom and Dad, through many ups and downs, always claimed victory in the verse, Romans 8:28.

John E. Duvall, formerly of West Newton, PA, went to be with his Lord on November 6, 2013. He was born December 23, 1922, at his home in East Millsboro, a son of the late John C. and Harriet (Franks) Duvall. He was preceded in death by his wife of 55 years, Odella Grace (Prosser) Duvall, May 16, 2000; his two brothers, infant Charles Duvall and Harrison "Harry" Duvall; and son-in-law, Kenneth Lowanse. Surviving are five children: John E. "Jack" Duvall and his wife, Patty; Todd A. Duvall and his wife, Darlene; Jill A. Stewart and her husband, Bill; Deborah M. Lansperger and her husband, Larry; and Pamela L. Lowanse. He was very proud of his 12 grandchildren and 14 great-grandchildren. He is also survived by his younger sister, Samantha Verb; a

John graduated from Brownsville High School in 1941 and served in the United States Navy as a pilot until the end of World War II. He held several jobs throughout his life, including: auto salesman, hardware store clerk, paint store owner and auditor for the State of Pennsylvania, until he gave into his calling as a minister.

John's ministry started in 1957, serving a four-church circuit, the Asbury Circuit, in Greene County. He was transferred in 1962 to the Percy Charge (Lemont Furnace, Shady Grove and Cool Springs United Methodist Churches). In 1967, he was transferred to United Methodist Church in West Newton, where he served for 23 years, until retiring in 1990. Retirement was short lived. The following Sunday he was in the pulpit again, serving the Greensburg district as needed, until he was sent to Trinity United Methodist Church in Greensburg, where he served for 14 years. He retired as pastor emeritus June 24, 2007.

John was an avid golfer who spent time with friends and family, sharing in this wonderful sport. John also gave of himself through membership in the West Newton Rotary (honored as a Paul Harris Fellow). He served as a councilman and was a member of the Blyth Lodge #593 F&AM Masonic Lodge in West Newton, where he served as the Lodge's Chaplain. Richard "Dick" Eddinger

June 13, 1936 **January 24, 2014**

Richard "Dick" Eddinger went home to be with his Lord on January 24, 2014.

Dick was born in Emlenton, PA and as a teenager felt the call to ministry. After high school graduation, he married Margaret Beisel and went to work as a machinist. After several lay-off's and God's continual urging, he began his full time service as a Supply Pastor in 1962. Later he became an Associate Member of the Western PA United Methodist Conference. Throughout his years of ministry, he served five different charges and was truly a circuit-riding preacher, with the size of his charges varying from one to four churches. Dick was also a strong supporter of Cherry Run Camp, serving first as a counselor and then on the board of directors for many years. Even upon retirement, Dick continued to minister through mission trips, serving as a fill-in pastor and conducting weekly services at Rustic Acres Campground.

Dick and Maryne raised 4 children: Cindy, Brenda, David and Dena. Dick loved family time with his children, their spouses, ten grandchildren and four great-grandchildren. It was important to Dick to spend time with family and to share his love of the Lord. His children recall being quizzed over lunch to see if they were paying attention in church and the time Dick was brought to tears when one of his daughters came forward during an altar call. Dick's passion in life was to bring people to the saving grace of God, including his family.

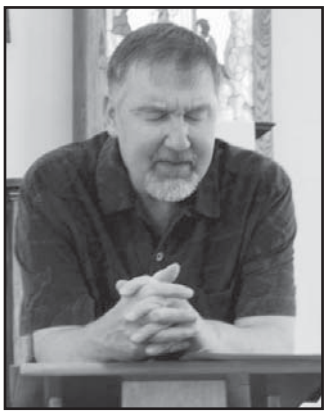
Dick enjoyed a good laugh and getting to know people. He liked to tease and did not take himself too seriously. Dick enjoyed people and his visitation times. He would lend a hand, if someone had a work project that needed done. He believed reaching those who are lost is done most effectively by one-to-one contact.

Dick and Maryne enjoyed their vacations, camping and fishing with their family. To get away from the hustle and bustle, spend time with the family, sit by the campfire, or sit with a fishing line in the water was a treasured time for relaxation. Dick also enjoyed woodworking and building for relaxation. Every Christmas after his retirement, his family received a gift that Dick had made, ranging from an end table to a Nativity set. Dick also used these talents in the many building projects for the churches he served and mission trips he participated in.

For the last couple years of his life, Dick fought a hard fight against the cancer within his body. He trusted that God would continue to use him through this struggle. Well done, good and faithful servant.

James Preston Fogg, Jr.

March 15, 1950 **June 11, 2013**



James Preston Fogg, Jr. was admitted to Jefferson Memorial Hospital on May 31st and passed away on June 11, 2013. Visitation was held at the Ferguson Funeral Home in Uniontown, PA, and the memorial service was held at Ingomar United Methodist Church, Ingomar, PA. It was officiated by Rev. David Streets, Rev. Bill Perringer, and Rev. Dean Byrom. Jim had been a member of the Western PA United Methodist Ministers' Chorus, and they had made a record. Jim was the soloist for *Amazing Grace*, so we took a record player, and Jim had another chance to sing…at his own funeral. It was very moving and comforting. Hymn text writer Brian Wren, who had often been a visitor at our home, sent the words he had just written for his brother's funeral. My thanks to Ingomar's talented organist, Don, for playing Widor's *Toccata and Fugue* at the "end of Jim's beginning."

"Rev. Jim," as his parishioners called him, was born on March 15, 1950. His parents were Lois Jean Fogg and James P. Fogg, Sr. A graduate of Beaver Area High School in 1968, Jim was a soloist in his Baccalaureate Service, singing *If With All Your Hearts* by Mendelssohn. In high school, he was in many Honor Choirs, and when he attended Otterbein College in Ohio, he became a vital part of a touring quintet called "Semblance," which traveled around the state and country, both throughout the school

year and during the summer, spreading God's Word to churches and summer camps. Jim was their master of ceremonies. Jim's major was Ministry while at Otterbein, and he continued his education at United Seminary. His home church, Zion: Rochester authorized his license to preach in June 1973. He graduated from United in 1975 and was ordained by Bishop Roy Nichols.

Jim was appointed to Janes United Methodist Church, Creighton (1975-1978). His next appointment was Ligonier: Calvary (1978-1986). At the end of that appointment, Jim's church presented him with a Journey to the Holy Land. He took many notes about the trip and also took many slides. In his notes, he said that he really wanted to go back and spend more time in Israel. Jim met and was married to Joan Collier Fogg, a Diaconal Minister/Music Teacher in Maryland, and their next appointment was at Ingomar UMC from 1986-1991, where Jim was the Pastor of Relational Ministries. He was very active in visitations, the choir, and also helped cook for the soup kitchen on the North Side of Pittsburgh as well as continuing to work with summer camps. They knew him by name at Camp Allegheny. Children seemed to "connect" with him and actually wanted to come to hear "Reverend Jim," as they called him. Following Ingomar, Jim was appointed to the First United Methodist Church of Kittanning (1991-1996), where he was again often seen "in the kitchen," helping to serve and mingling with the people. Summer services there were usually outdoors. On one occasion, he helped remove things from the church basement when the town was hit with a major flood that caused an ice jam, flooding the basement of the church and threatening the same thing in the parsonage. When a pastor was moving mid-year from Asbury United Methodist Church in Uniontown, Jim received that appointment, and we lived there for 6 and a half years until Jim's "retirement." During his time at Johnstown: Asbury, Jim went back to United to study and also enrolled at Seton Hill's degree program for a Family Counseling degree. He graduated from Seton Hill in 2006 and opened Life Changes Counseling Service in Rostraver Township. He also was the part-time pastor of Bridgeport United Methodist Church (2009-2011).

In between all of the "above," Jim was an animated reader and caught the attention of so many children. He was often invited to read to school classrooms or groups. You would have loved watching their faces, as the children paid attention and were so "glued" to his every word. Jim was an avid reader. When author John Updike came to Kittanning, he autographed Jim's Updike book, "To: The Earthy Preacher."

Jim's passing was such a shock to all of us. He is survived by his wife, Joan, and four children: Kevin Fogg, Traci Fogg, Samantha Adams, J.D. Adams; and eight grandchildren. He was always there for them, and the grandchildren loved his storytelling and fun times with him. When we went to his empty office to move things out, their pictures along with their "art work" were in his office. The last thing he had written on his white board was "Life Happens." Our anniversary had been on May 24th, and we both unknowingly sent each other different cards that each had a real dog and cat on the front "hugging." The inside of both cards said, "It works." I know where Jim is. "God works," and Jim is at peace. His last words in *Drifting Around in the FOGG*, the Asbury newsletter, was, "May God Bless you as you continue to work for God's Kingdom here on earth! Shalom! Rev. Jim."

John Charles Garvin

April 16, 1933 **March 16, 2014**

John Charles Garvin was born on Easter Sunday, April 16, 1933, in Finleyville, Pennsylvania to Horace and Mildred Barton Garvin, and died on March 16, 2014 in Anchorage, Alaska at Providence Alaska Medical Center at the age of 80. As a young man, he met Audrey Clark of Greentree, Pennsylvania at a church ice cream social, introducing himself by stealing candy from her plate. They were married at Greentree United Methodist Church on July 19, 1952. A husband and father of eight, he supported and encouraged, without judgment, the dreams of every member of his large family and an extended network of friends. Throughout his life he was a consummate practical joker, and even once convinced his grandchildren that his dog could do basic arithmetic!

John was a big man with a big intellect and a big heart who was informed and sustained by his faith. He was a graduate of Monongahela High School, University of Pittsburgh, and Pittsburgh Theological Seminary. He completed master's degrees in both public health and social work at the University of Pittsburgh. Initially he thought that he was called to be a medical missionary, but later his calling developed into public health ministry. Originally ordained in the United Presbyterian Church and serving in the Troy Hill area of Pittsburgh, from this location he observed the new housing project of Northview Heights and saw the need for a ministry to the multi-racial population there on the North Side of Pittsburgh. The United Methodist Church Union of Pittsburgh shared his vision, so he became an elder and was granted full membership in the Western Pennsylvania Conference in 1962.

John had a passion for Jesus' message about the poor and disenfranchised. He made that passion the driving force behind Bethany Ministries, securing donations and volunteers from UM churches in the Western Pennsylvania Conference to support the organization's efforts. Practicing what he preached, John moved the Garvin family into the Northview Heights public housing project. It was in this ministry context that John and Audrey added to their existing family of four children by adopting four children. He served as Associate Minister to Smithfield UM, Pittsburgh; Founding Director of Bethany House Ministries, Northview Heights, Pittsburgh 1962-1966; Founding Pastor of Church of Our Savior in Northview Heights, Pittsburgh 1966-1971; Calvary UMC and Evergreen UMC, Pittsburgh 1971-1975.

After finishing his Ph.D. in Social Work, Dr. Garvin accepted the position of Executive Director of Alaska Children’s Services, and moved to Anchorage, Alaska in 1975 with his family. In the years that followed his calling to serve in Alaska, Dr. Garvin’s commitment to children and families found him serving in many capacities and in churches in Alaska. He served as Executive Director of Samaritan Counseling Center of Alaska, and Director of Good News Counseling Center of Alaska. After retiring in 1989, Dr. Garvin and his wife Audrey enjoyed traveling in their recreational vehicle throughout the United States, serving churches in Florida and Pennsylvania. They cared

for several aging family members, and then once again settled in Anchorage to be near the majority of their children. Back in Alaska, God's call to service and compassion led him to create Dr. John's Ministry to Families and the Elderly, an outreach ministry totally dependent on the giving of more than 500 faithful individuals. He continued this ministry until his death. Dr. John Garvin touched many lives and brought help to those mentally, physically, and spiritually in need until his days on earth were complete.

John is survived by his wife Audrey of nearly 62 years; by their children Barbara Kenyon (Douglas), Sally Fries (Robert Wilson), Janice Nightingale (Joseph), Clark Garvin (Jennifer), Kenneth Garvin (Noriko), and Lynnette Garvin; 20 grandchildren; and 27 great-grandchildren. He was preceded in death by his son David Garvin, daughter Julianne Garvin-Thompson, and son-in-law Jerry Fries.

Myron Gramling

January 8, 1941 **July 9, 2013**

Myron K. Gramling, known better as "Bud," was born in the South Fork area of Western PA in 1941. He grew up on a farm in South Fork, and went to work in a Johnstown steel mill. Bud ended up retiring from there when the mill shut down in 1983. He then went to work at the McQuaide Trucking Company and retired from there.

Bud was a long time member of the Mount Hope UMC. It was there that he met Phyllis Ringler. They were married in June of 1971. This marriage union brought three children: Bonnie Sara, Denise May, and Rick Myron, all of whom still live around South Fork.

Myron did not know that, when God called Phyllis into the ministry, the call was for him also. He reluctantly accompanied his wife to serve the Cresson Charge. Here he grew in his faith and found many opportunities to serve. Myron suffered a stroke in November of 2007, so the couple move back home in June.

God called Bud home on July 9, 2013, but not before Myron and his family experienced many miracles and blessings. Praise be to God!

Besides Bud's children, he is survived by his wife Phyllis, and five siblings: Jane (Foster) Webb, Rose Ellenberger, Kenneth, and Donald (Agnes), all of Mount Hope, and Robert (Diane), Robesonia, PA; special friends, Barbara Walters and Joe Lappi; and four-legged companions, Bourbon, Muffin and Snuggles.

A funeral service was held at Mount Hope United Methodist Church, South Fork, with the Rev. Jason McQueen presiding. Interment was in Mount Hope Cemetery.

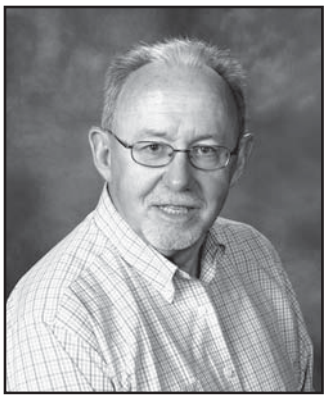
Robert W. Higginbotham, Jr.

December 8, 1949 **September 29, 2013**



Robert W. Higginbotham, Jr., called Bob, Bill, Preacher, Dad and Pap Pap by those who loved him, passed away on September 29, 2013. He was 63. He now soars on wings like eagles with his mother Delores J. Higginbotham and his beloved son Robert D. Higginbotham.

Indeed his favorite verse was Isaiah 40:31: *But they that wait upon the Lord will renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint*. This was very much his approach to life and faith – he had a patient perseverance that was unmatched.

Bob was born in Brownsville, PA to Robert W. (and Betty, Hurricane, WV) and Delores Higginbotham. He was the oldest of three siblings, and remained close to his brother Gary (Deb) Higginbotham (Ripley, WV) and sister Kathy (Ron) May (Rochester, PA) and their families. He was a graduate of Freedom Area High School (1967), Alderson-Broaddus College (1971) and the Methodist Theological School of Ohio (1974). He was awarded the prestigious Gindelsburger Award for Academic Excellence upon seminary graduation. Bob married D. Ruth McDowell on June 10, 1972. They had two children, a daughter, Rebecca, and son, Robert David.

He counted as family those that he met during his 41 years of ministry, serving the churches of the Redstone Circuit (Star Junction); Epworth (Allison Park); Bethel (Lower Burrell); Grace (Warren); during his eight years as Kane District Superintendent (under Bishops Bashore, Kim and Bickerton); and most recently as Assistant to Bishop Thomas J. Bickerton. Upon returning to Cranberry Township in 2008, Bob and Ruth worshiped at Unionville UMC (Butler District), Bob's home church. With that church, the Higginbothams sang in the choir and went on several mission trips.

Bob's passion for mission was evident. He organized numerous Hurricane Katrina recovery trips as well as service in Philippi, West Virginia. After a melanoma diagnosis in 2009, he made 4 trips to Zimbabwe as co-chair of the Conference's Zimbabwe Partnership. In June 2013, prior to surgery to remove a tumor in his lung, Bob traveled to Niagara Falls with a group of Zimbabwean Methodists who had come to attend Annual Conference. He was an active member on the Board of the United Methodist Publishing House, and served at various times throughout his ministry on the

Boards of Olmsted Manor, the Ruth M. Smith Center, Wesley Woods and Zoar Home. Bob and Ruth were also leaders in Marriage and Engaged Encounter.

Bob often ministered in unlikely places, such as a soccer field, a stage, or a trail in the woods. He was a soccer coach for countless recreational league teams, as well as the Warren Area High School Dragons (1993-1998) who captured their District Championship in 1997. And he was a dedicated PIAA soccer and swimming official. He officiated his last soccer game just 17 days after surgery to remove tumors from his brain in August 2013. He enjoyed acting, and had roles in many community theatre and church productions including *Oliver, Godspell, Cotton Patch Gospel, A Christmas Carol, Joseph and the Amazing Technicolor Dreamcoat*. He was an endurance runner, completing (among other events) the Laurel Highlands 70 mile Trail Run, the Old Dominion 100, and the Weston 6-Day Race. One of his most memorable races, though, was one that he didn't complete – the Western States 100, when he was pulled at mile 87 by the medical staff due to tendonitis in his knee. He was devastated, and immediately started planning his comeback at the Western States. The finisher's belt buckle that he earned two years later was one of his proudest possessions.

He was deeply devoted to his family. He regularly told his grandchildren (Rachel and Jared Gillam, Kansas City and Connor and R.J. Higginbotham, Kane, PA) that he loved them "whole big bunches," and was happiest when he got to spend time with them. And he loved his son-in-law, Jason Gillam, and daughter-in-law, Katie Cappello (Higginbotham), like they had been part of the family forever. Bob also shared his love with the numerous foreign exchange students that he and Ruth hosted from Europe, Korea, Kyrgystan and Afghanistan.

Always sharing: "It is well with my soul," Bob had a calming presence that was a constant reminder that, in the midst of life's chaos, God will maintain and sustain us, giving us sunshine each new day. While we continue to grieve his loss, we rest assured in God's promise that the worst thing is not the last thing.

Henry A. "Hank" Morris

September 11, 1928 **March 24, 2014**

Although he never liked being called "Pastor," Rev. Morris, as he preferred, was a gifted pastor indeed. He tended the flock and community of his appointments with his whole heart. He was there when infants did not survive birth, when tragic accidents happened, and when folks needed God's strength during serious illnesses.

Born in Cambridge Springs, PA to John "Frank" and Sarah "Sadie" Morris on December 11, 1928, Morris swept Dorothy Jean "Dottie" Earl off her feet at Houghton College and conferred upon her the MRS degree on Wednesday, September 5, 1951. He

graduated from Westminster Seminary, now Wesley, in Washington, D.C., in 1953, shortly after the birth of Ruth (Moore, retired Local Pastor). Other children include Lois (Howanec), Keith, Ronald, and Karen (Moriarty). The Morris' have eight grandchildren and five great-grandchildren.

Hank retired in June 1991 after forty years of service, mostly in western Pennsylvania. He was an avid proponent of missionary conferences, supported numerous missionaries, and he loved to sing. In nearly every pastorate, Rev. Morris had Singing Sundays and / or hymn sings. He led the music with vigor. After his retirement, he served ten years as the Pastor of Visitation with Oakland UMC in the Johnstown District.

Hank Morris loved the outdoors, fishing on Lake Champlain near Dottie's hometown in upper New York State, hunting and camping in his younger years, and gardening. He kept in touch by letter and phone calls with many family and friends, even until shortly before he died. Rev. Morris' greatest passion was sharing the good news of salvation and encouraging people to trust in Jesus, in whose Presence he now abides. His earthly body rests in Johnstown, PA's Grandview Cemetery.

David Rodney Peary

March 18, 1927 **July 26, 2013**

Dave Peary was born in Parishville, NY. He was the husband of Rev. Margaret A. Peary and the son of the late Gladys and Rodney Peary. He was the father of four children and had many grandchildren, great-grandchildren and great-great grandchildren. He was also step-father to Rev. Peary's four children, as well as step-grandfather and step-great-grandfather. He graduated from Parishville High School and the Syracuse Business School.

Dave spent most of his life as co-owner and service manager of an office machine and repair business in Elmira, NY. He served in the United States Navy, receiving an honorable discharge due to disability suffered on the deck of a ship. After retirement, his never-fulfilled dream of traveling and camping far and wide was finally realized. When health permitted, the Pearys could be found exploring new places and scenery in the Eastern United States.

David was pre-deceased by his first wife, then later married Margaret or Pastor Peg as everyone calls her. He once felt led to ministry but decided God was really calling him to be a pastor's spouse, to support her ministry in whatever way he could. He led Bible studies, taught Sunday School, was a licensed lay speaker and a hospice volunteer. His smile and his loving ways endeared everyone to him in the churches Peg served. It was once said of him, "Dave doesn't have an enemy on this earth."

Retiring to New York, the Pearys continued active participation in the Calvary UMC of Vestal, NY. In 2004, due to severe health issues, Dave became homebound but continued to have devotions with a Hospice volunteer who visited him regularly.

It was David's desire to be cremated and his ashes freed to the winds at the top of White Face Mountain in New York, where he would forever be a part of a place he loved.

Harriet Porter

April 11, 1928 **November 7, 2013**

Harriet E. Porter went home to be with our Lord and Savior on November 7, 2013 at Wesbury United Methodist Home, Meadville, PA. Born April 11, 1928, in Guys Mills, PA to Harry L. and Eleanor A. In her early years she worked at Westinghouse of Meadville. When she married, she became a farmer's wife, working in the fields and milking the cows alongside Bill. She loved taking care of her family, had a great sense of humor and enjoyed nature. She was a homemaker, had foster kids, and drove bus for Union City schools.

When Bill went into the ministry in 1965 at Miller Station, Harriet was very supportive and assisted in his ministry. They sold the Porter homestead to go into the ministry full time; she packed up the house and kids and moved to the Weedville, Caledonia, and Benezette charge in 1969. She helped to repair the parsonage and assisted Bill in church by doing the children sermons and singing anthems. She also led the youth group and assisted the women's group with making crafts to sell. She did ceramics with a few of the ladies in her spare time. In 1979 they moved to the Westford charge, where she worked as a nurse's aide at the Andover, Ohio Memorial Home and again drove bus for Jamestown, PA schools.

When Bill retired due to poor health, they moved to Stoneboro, PA and fixed up an old Amish home. They joined the Stoneboro UM Church and assisted the pastor in whatever way he needed help. Harriet enjoyed crafts, painting on slate and woodworking. She loved to garden, watch her blue birds and help others. She loved the Lord and was a great listener and advisor to those who worked at Wesbury.

Harriet is survived by a daughter, Twila Hummel and her husband, David, of Venetia, PA; two sons: Robert L. Birtciel and his wife, Nancy, of Hadley, PA and William B. Birtciel and his wife, Marilyn of Crete, IL; three brothers: Merle and Carol Burchard of Greenville, PA, Clair and Marjorie Burchard, and Bruce and Nancy Burchard of Guys Mills, PA; a sister, Wanda Richael of Stoneboro; 22 grandchildren; four great-grandchildren; and numerous nieces and nephews.

Memorial contributions were made to the Lakeview Area Helping Hands that Bill had helped to organize in Stoneboro and to the Wesbury Benevolence Fund.

Barbara Jean Bungard Reed

January 20, 1918 **October 1, 2013**

Barbara Jean Bungard began her life in Hermanie, Pennsylvania on January 20, 1918. She was the youngest of four children born to Dr. B. F and Christine (Muir) Bungard. Her father was a United Brethren pastor, so the family moved around to various places within the Western PA Conference: Herminie, Portage, Altoona, Johnstown and Somerset.

After graduating from Johnstown High School, Barbara worked as a cashier in the office of the J. C. Penny Company. It wasn't long until she met and married Allen W. Reed on November 25, 1941. They raised three children, primarily in Stoystown, Somerset, Johnstown and Mt. Pleasant. In addition to being a housewife and mother, Barbara once owned a small store not far from Camp Allegheny. In the early years of the Camp, she was responsible for ordering all their meats and groceries through her store. During this period in their lives, Allen and Barbara were very involved in the Kantner

E.U.B. Church and helped to raise the funds for the church's first building project. Years later the family moved back to Somerset, and they were also very active in the congregation at First Church.

Always very supportive of her husband's work within the church, at both a local and conference level, Barbara was even more so as Allen began to feel a call to full-time Christian work. Through the years his calling became stronger and clearer. It was after completing the Conference Course of Study in 1964 that Allen was ordained a full elder in the Evangelical United Brethren denomination. The couple first served the Cooper Avenue Church in Johnstown, which today is known as the Albright United Methodist Church. Their next assignment was the Mt. Pleasant E.U.B. Church. As the pastor's wife, Barbara worked diligently alongside Allen, as well as continuing her work in the various women's groups within the denomination. She held several different offices on a conference level on down to the local church. During the summer months, Allen and Barbara spent time at Camp Allegheny as Dean and Counselor.

In the late sixties, the opportunity presented itself for Allen to combine both his interests and his experiences into one job. It was then that they moved to Lewisburg, PA and Allen became the Administrator of The Evangelical Home, now part of the Central Pennsylvania Conference. Barbara loved her life there and could regularly be found helping in the large kitchen, sometimes serving in the dining rooms and visiting various residents daily. One of her favorite pastimes was working in her flower beds; her rose garden was a joy to behold. Members of the Board of Directors looked forward to their annual luncheon cooked and served by Barbara in her dining room. Church youth groups came to the Evangelical Home every year and worked very hard to get the grounds ready for summer and to provide a youth-led worship service. Prior to their heading home, the Reeds always had a big picnic for them. Barbara love cooking and entertaining and did both with a flourish.

After only two years in Lewisburg, Allen became quite ill and died in July of 1971. This left Barbara with Eric, a teen-ager, to finish raising and educating, without a town or house in which to live. The decision was made, and they moved to Webster, New York to be near her younger daughter, Donna, and her husband, David. Barbara held down two jobs for several years, while Eric finished high school and went on to college in Massachusetts. In 1986 Barbara retired from the Xerox Corporation where she had been Assistant Manager and hostess for important meetings. Her faith was always unwavering, and her love for her family obvious to all who knew her.

Barbara died October 1, 2013 in Webster, New York. The funeral service was held at The United Methodist Church of Webster, where she was a very active member for 43 years, with Rev. Dan Corretore leading. Each of her grandchildren and her daughter-in-law participated in the service. The committal and burial was at St. John's Cemetery in Somerset, led by her son-in-law, Ron Dietrich. Barbara was laid to rest beside her beloved Allen and in front of both their parents. She is survived by her

children: Cathie, wife of Ron Dietrich; Donna, wife of David Thomas; and Eric, husband of Debra (Gerber); seven grandchildren and fourteen great-grandchildren.

Samuel J. Weible

July 14, 1925 **October 10, 2013**

Samuel Jean Weible went home to be with the Lord on October 10, 2013 at the Somerset In Touch Hospice House. He was born on July 14, 1925, in Shade Township, Somerset County, the youngest of 11 children born to Jacob J. C. and Martha Etta Weible.

Orphaned at the age of nine, raised by an uncle and aunt, and then by his beloved sister, Erva Rivera, Sam graduated from Shade High School in 1943, immediately entered the Navy Seabees and served in the South Pacific. After the war, he worked in various coal mines in Somerset and Cambria Counties, starting as a hand loader and eventually becoming certified and working as a section foreman for the Maust Coal Company in Tire Hill, Somerset County.

Sam increasingly felt the Lord's call on his life, and in 1963 he left the mines and began his ministry on the Springfield Charge in rural Fayette County. While he served the four churches on the charge, he completed the EUB Conference Course of Study and was ordained as an Elder in The United Methodist Church in 1969.

In 1972, Sam began another phase of ministry when he accepted an appointment as a Federal Coal Mine Inspector with the Mine Safety and Health Administration. He also continued as a part-time pastor at Greensburg: Fourth Street, Lycippus, and then the

Meyersdale Charge. In 1985, he retired from the government and accepted a full time position as pastor of the Jacob's Creek Charge in Scottdale, where he served until his retirement from the ministry in 1988. In his retirement years, he was often called upon to fill pulpits, and served churches in Central City, Shanksville, Mostoller, and the HOME charge.

As a miner, a coal mine inspector, and as a minister of the gospel, Sam Weible touched the lives of many people through his personal commitment and dedication to the Lord. Until the moment he was called home, he led people to a personal relationship with Jesus. He was laid to rest in the cemetery of the Otterbein United Methodist Church in Wilbur, where his Christian journey had begun almost 60 years before.

Sam is survived by his wife of 41 years, the former Lois Maxine Younkin; his children: Calvin Weible, Vivian Gyorke, James Weible, Gerald Weible, Sheila Tressler, and Kimberly Fulmer, and their spouses; 12 grandchildren; 10 great-grandchildren; his sister, Freda Snowden; special nephew Glenn Rivera; special niece, Gloria Fleegle; and many children of the faith.

SUMMARY HISTORY OF WESTERN PENNSYLVANIA CONFERENCE

Legal settlement of southwestern Pennsylvania became possible after treaty of Fort Stanwix with the Iroquois Indians in 1768. Between that date and 1775 it is estimated that over fifty thousand settlers came into the region of southwestern Pennsylvania and northwestern Virginia, making this the trans-Appalachian frontier reaching to the Ohio River. It is known that there were Methodists from the Strawbridge region in Maryland among the settlers as early as 1772 and some unofficial religious activity was carried on among them during the 1770's. Organized Methodism came to the region in the fall of 1783 when Richard Owings, Robert Strawbridge's first Local Preacher, laid out the original Redstone Circuit, largely in the homes of relatives who had emigrated to the West. The first appointment of two Methodist itinerant preachers to the Redstone Circuit was made by Francis Asbury, John Wesley's assistant in America, in the spring of 1784, before the Christmas Conference that organized American Methodism into The Methodist Episcopal Church.

By the end of its third year the Redstone Circuit was over 300 miles in extent, and reported 756 members. So, in 1787, it was divided into three Circuits, namely: Redstone, Ohio (East of the Ohio River) and Clarksburg. By 1799 five Methodist Circuits covered southwestern Pennsylvania and northwestern Virginia. They were covered by eight circuit-riding Preachers, met in about ninety-six Societies, all of them in homes except for nine small log Chapels, and reported 1,649 members. With the defeat of the Indian confederacy and the opening of the Northwest Territory to settlement, after 1795 Methodist were among the emigrants to the new lands where they became seed plotters of new Methodist Societies. By 1804 eight new Circuits in northwestern Pennsylvania, eastern Ohio, and northwestern Virginia had been created by expansion from the original Redstone Circuit region.

When the first Methodist Conference boundaries were established in 1796 the Pittsburgh region fell within the original Baltimore Conference. With the division of the original Western Conference in 1812, into Tennessee and Ohio, northwestern Pennsylvania was placed in the Ohio Conference. The General Conference of 1824 created five new Annual Conferences, one of which was Pittsburgh. When the original Pittsburgh Conference was organized, in 1825, it included western Pennsylvania, eastern Ohio to the Muskingum and Tuscarawas rivers, northwestern Virginia, and the western tip of New York. This territory was carved from the Baltimore and Ohio Conferences, plus small sections of Genesee and Kentucky. The original Pittsburgh Conference had 43 charges, 71 preachers, and 20,355 members.

Tremendous growth marked the early years of the Pittsburgh Conference, and in 1836 the Conference was divided. The northern portion became the Erie Conference with four Districts, 50 appointments, and 16,876 members. The southern portion continued as the Pittsburgh Conference with 5 districts, 58 appointments, and 25,615 members. In 1848 the Western Virginia Conference was organized. In 1876 the East Ohio Conference was created by detaching the Ohio portions of both Pittsburgh and Erie Conferences. At that time Pittsburgh was one of the largest Conferences of the denomination, and this division reduced its membership from 60,444 to 32,000. The division reduced Erie Conference from 40,000 to 28,000.

Agitation for lay representation and more democracy in the Methodist Episcopal Church in the 1820's brought about a division in the denomination in 1828, and resulted in the official organization of The Methodist Protestant Church in 1830. The “reformer” Churches west of the mountains were organized into the Ohio Conference in 1829. In 1833 the eastern portion of the original Ohio Conference became the Pittsburgh Conference of The Methodist Protestant Church with twenty-eight appointments and 7,050 members. This Conference continued until Methodist reunion, Pittsburgh being an important headquarters of the denomination. In 1939 a new Pittsburgh Conference of The Methodist Church was created within the boundaries of the Pittsburgh Conference of the Methodist Episcopal Church by uniting the two Pittsburgh Conferences. The Methodist Episcopal Conference had 395 churches and 120,622 members at that time, and The Methodist Protestant Conference brought 63 churches and 13,578 members into the new conference.

The action of the Northeastern Jurisdictional Conference in 1960 in moving most of the Conference boundaries to State lines was a preliminary step to the merger of the Pittsburgh and Erie Conferences to form the Western Pennsylvania Conference in 1962. The Jamestown District of the Erie Conference went to the Genesee Conference and some of the Genesee Conference appointments south of the New York-Pennsylvania line came to the Western Pennsylvania Conference. The Pittsburgh Conference churches in the panhandle of West Virginia went to the West Virginia Conference. In 1962 the Pittsburgh Conference reported 467 Churches and 164,620 members, while the Erie Conference report showed 377 churches and 81,542 members. After the boundary adjustments were made the Western Pennsylvania Conference reports for 1963 showed 782 churches organized into 510 pastoral charges with 233,452 members.

THE EVANGELICAL UNITED BRETHREN SUMMARY

The Evangelical United Brethren Church was the result of two evangelical movements that arose among the German-speaking people of Eastern Pennsylvania and Maryland during the last third of the eighteenth century. The United Brethren in Christ arose under the leadership of Philip William Otterbein, a former German Reformed Pastor, and Martin Boehm, a Mennonite. The Evangelical Association arose under the leadership of Jacob Albright, a farmer and Methodist Local Preacher, who had undergone a profound spiritual experience. The theology of Evangelism, free grace, and experimental salvation, was emphasized by both movements. As a result they were closely akin to Methodism and eventually adopted the connectional system of Classes, Circuits, and Conferences.

Germans who had been touched by these movements were among the early settlers in Western Pennsylvania, and considerable numbers immigrated to Ohio when it became open to settlement. As early as 1799 Christian Newcomer, later a United Brethren Bishop, was preaching and organizing Classes and Circuits in Somerset, Westmoreland, Fayette, and Washington Counties. The first General Conference of the United Brethren convened on June 6, 1815 at Bonnet's Schoolhouse near Mt. Pleasant in Westmoreland County where delegates from the Pennsylvania and Ohio segments of the movement assembled and devised their first **Discipline.** The United Brethren preaching places in western Pennsylvania were under the supervision of the Original Conference. When the Muskingum Conference was organized in 1818, Westmoreland and Washington County circuits were added to this Ohio Conference. When the Original (Hagerstown) Conference was divided in 1829 the western Pennsylvania Circuits were placed in the Harrisburg Conference which soon adopted the name Pennsylvania Conference. In 1833 the Pennsylvania Counties in the Muskingum Conference were transferred to the Pennsylvania Conference. Then, in 1838, the Allegheny Conference was created covering the work in western Pennsylvania. It reported six circuits at its first Conference in 1839.

Jacob Albright and John Walters established the first Evangelical Association witness in western Pennsylvania near Johnstown and Hyndman in 1805 and 1806. This work expanded and was administered under the original Conference of “Albright's people” until 1827, when the division of the original Conference placed them in the Western Conference with the Ohio Circuits of this movement. In 1839 the West Pennsylvania Conference was formed. It supervised the Evangelical Association work in the region until the formation of the Pittsburgh Conference in 1852. By action of the 1875 General Conference the Erie Conference of the Evangelical Association was created to accommodate those congregations that desired to hold services completely in the German language. German speaking parishes in western Pennsylvania became a part of this Conference which continued until 1923. The denomination suffered a split when a group broke away in 1891 and organized the United Evangelical Church. Its Pittsburgh Conference was organized in 1894. Happily many of the leaders of the split in the 1890's worked to heal the breach and in 1922 the two bodies merged to form the Evangelical Church. By 1923 all the Evangelical Churches in western Pennsylvania were reunited into the Pittsburgh Conference.

The union of the two denominations, the Church of the United Brethren in Christ and the Evangelical Church, to form the Evangelical United Brethren Church was consummated in a uniting Conference held in the First (United Brethren) Church in Johnstown, Pennsylvania on November 16, 1946. Then, in 1951, the Allegheny Conference with a history of 113 years, was merged with the Pittsburgh Conference with a history of 99 years, to form the Western Pennsylvania Conference of the Evangelical United Brethren Church.

Previous to what is now known as Erie Conference, there was an old Erie Conference of the United Brethren Church which came into being in 1853 and existed for eight years. Its territory included northwestern Ohio, upper half of Mercer County, all of Erie, Warren and Crawford Counties in Pennsylvania, and all of New York. This Conference was divided in 1861 with the eastern portion continuing the name. The first session of the new Erie Conference was held at South Harbor Creek, Erie County, Pennsylvania, in 1862. The merger in 1946 with the Evangelical Church added several churches of that communion.

CREATION OF THE WESTERN PENNSYLVANIA CONFERENCE OF THE UNITED METHODIST CHURCH

The merger of the two denominations, The Methodist Church and The Evangelical United Brethren Church to form The United Methodist Church was accomplished by a uniting General Conference held at Dallas, Texas in 1968. Both Western Pennsylvania Conferences were placed in the Pittsburgh Area. The Conference sessions of 1969, meeting separately but both under the presidency of Bishop Roy C. Nichols, each adopted a common Plan of Union. This union was consummated in a Uniting Session held in Johnstown Pennsylvania on October 11, 1969 creating The Western Pennsylvania Conference of The United Methodist Church with the effective date of Union, January 1, 1970.

The first session of the new Conference was held at Grove City, Pennsylvania, June 17-21, 1970. On June 16, 1971, the churches of the Erie Conference, Evangelical United Brethren situated in the western Pennsylvania, merged with the Western Pennsylvania Conference under a Plan of Union adopted in 1970. Thus, The United Methodist Church formed in Dallas, Texas in 1968 has consummated in this area with the creation of a geographic and spiritual unity known as The Western Pennsylvania Conference of The United Methodist Church.

Dating of the Annual Conference. Since the uniting legislation permits a merged Conference to consider its date of origin as the oldest date of any of the merging bodies, this Conference may well consider its historical heritage by dating back to the organization of The Pittsburgh Conference in 1825.

ARTICLE 1. ANNUAL CONFERENCE ORGANIZATION

1.1 COMPOSITION

1.1.1 The Annual Conference shall be composed of clergy members as defined by the General Conference, together with professing lay members elected by each charge, the diaconal ministers, the active deaconesses and home missioners under Episcopal appointment within the bounds of the Annual Conference, the conference president of United Methodist Women, the conference president of United Methodist Men, the conference lay leader, district lay leaders, the conference director of Lay Speaking Ministries, the conference secretary of Global Ministries (if lay), the president or equivalent officer of the conference young adult organization, the president of the conference youth organization, the chair of the Annual Conference college student organization, and one young person between the ages of twelve (12) and seventeen (17) and one young person between the ages of eighteen (18) and thirty (30) from each district to be selected in such manner as may be determined by the Annual Conference. (2012 *Discipline* ¶ 32, Article I)

1.1.2 Each charge served by more than one clergy shall be entitled to as many lay members as there are clergy members. (2012 *Discipline* ¶ 32, Article I) (Clergy membership defined: "the clergy membership of an Annual Conference shall consist of deacons and elders in full connection, provisional members, associate members, affiliate members, and local pastors under full-time and part-time appointment to a pastoral charge.") (2012 *Discipline* ¶ 602)

1.1.3 If the lay membership should number less than the clergy members of the Annual Conference, the Annual Conference shall, by its own formula, provide for the election of additional lay members to equalize lay and clergy membership of the Annual Conference. (2012 *Discipline* ¶ 32, Article I)

1.1.4 The lay equalization members of the Annual Conference (after those designated by the *Discipline* and Rules of the Conference) shall be allocated equally among the districts. Such lay equalization members shall be elected by the respective district conferences preferably at least six months in advance. BOARD OF LAITY

On behalf of the Board of Laity of the Western Pennsylvania Annual Conference, I greet you in the Name of our Lord and Savior Jesus Christ.

Our Board of Laity is committed to promoting the importance of the role of the laity within local congregations and cultivating lay leadership that will work in partnership with clergy to fulfill the mission of the Western Pennsylvania Annual Conference in new and creative ways.

During the 2012 Annual Conference you elected me as your Conference Lay Leader, since then, I have been committed to the call by being a connecting Sparkplug with lay leadership within WPA and beyond. Let me share…

Serving as Chair of the Northeastern Jurisdiction Annual Conference Lay Leaders (NEJACLL). I coordinated with the support of the Robert Penrose, DLL Indiana and Guinevere Gregory, DLL Pittsburgh the NEJACLL annual meeting which was hosted by the Western Pennsylvania Conference Board of Laity. Under the theme, "Disciples Called to a New Direction", Sandy Jackson, former director of Laity Development-General Board of Discipleship, talked about the importance of lay leadership and the roles and responsibilities of laity. Special thanks to the J. LaVon Kincaid who extended radical hospitality by opening the doors of Laketon Heights United Methodist Church for workshop sessions, meals and fellowship.

February 2013, our District Lay Leaders and Associate Lay Leaders gathered together for an overnight time of re-connecting, bonding and assessing the needs of district and local church lay leaders to better support their services. Our discussion moved us forward in planning a conference wide laity event which will be held September 2014.

Our linking with other WPA Conference Committees and Agencies is important for strengthening ministry and mission. In April 2013, the Board of Laity invited Rita Platt, Chair of Parish and Community Development to share how lay persons can be a part of this growing ministry. We will continue to be in dialogue to create a plan of action were ministries can be more supportive of one another.

In October 2013, Don Blystone, DLL- Erie-Meadville and Guinevere Gregory, DLL Pittsburgh traveled with the Conference Lay Leader, Sharon Gregory to attend the Northeastern Jurisdiction Annual Conference Lay Leaders (NEJACLL) annual meeting hosted by the Greater New Jersey Conference. The theme for this event was "Developing Effective Lay Leaders". The invitation was open to all Conference Lay Leaders, District and Local Lay Leaders of the Northeastern Jurisdiction.

The Laity Scholarship program continues to financially help those lay persons who are eligible to attend training events, participate in mission services and to receive other resources. Since July 2013, the Board of Laity has awarded approx. $7,100. Some recipients were SPARK, Clergy Women Retreat, VIM, Walk to Emmaus, Global Leadership Summit.

In closing I would to thank the dedicated and faithful Laity (Sparkplugs) who are looking at ways to develop a more fruitful and effective Laity that will bring us together as the church of Jesus Christ.

Sharon Gregory, Conference Lay Leader

DIRECTOR OF CONNECTIONAL MINISTRIES

"*Do not be conformed to this world, but be transformed by the renewing of your minds, so that you may discern what is the will of God - what is good and acceptable and perfect*." Romans 12:2

One of the primary responsibilities of the DCM is "to serve as a leader of the continuous process of transformation and renewal necessary for the annual conference to be faithful to our Christian identity in a changing world." ¶608.c.2 2012 *Discipline*.

Transformational Leadership is difficult in The United Methodist Church. There are many who are talking about how hard it is to change and the pressures that surround us. Yet we must move away from the constant banter of negativity and move toward a more Biblical approach to how we do our work.

We are called to be visionary in our work and take bold challenges and steps to usher in the Kingdom of God. This is not our work, but the work of a higher calling. We are called in our local churches and our annual conference to be transformed. This transformation is not a "one and done" transformation - but a continual transformation.

Change is not only difficult for most of us, but it takes time. Depending upon your personality style, change can take too long and yet for others change is happening to quickly. Yet there is an urgency to our work, and we must make that critical balance between complacency and moving too fast.

The Kingdom of Heaven has come near. There is urgency in that voice that Jesus proclaims our call to bring people into relationship. It is urgent, because the Kingdom is near.

The work of the annual conference and our agencies are feeling that sense of urgency. Our work is directed to the local church and toward the reality that the local church is the single most important place for lives to be changed.

The role and function of the annual conference is to support the work of the local church. Not only are our agencies charged with that work, but the staff is given that same charge. We are resourcing the local church to be vital congregations. Everything that we do is directed toward that end.

Is it easy work? No! Are we there yet? Absolutely not!

But that does not change the focus that we should be seeking continual transformation, always looking to Christ for that guidance and that passion to change the world.

Thank you for allowing us to be a part of that transformational work.

Gregory D. Cox, Director of Connectional Ministries

Judicial Council

At the April 23-26, 2014, meeting of the Judicial Council, the Judicial Council passed the following motion: "We instruct the Secretary to write Bishop Wandabula and indicate that the Judicial Council reaffirms Decision 1238 in its entirety. Because the funds were not given to Isaac Sebit by the required date of January 1, 2014, now those funds are to be returned to the Western Pennsylvania Annual Conference by June 1, 2014. Copies of the letter to Bishop Wandabula are to be sent to Bishop Warmer Brown, Bishop Rosemarie Wenner, Bishop Tom Bickerton, Robert Zilhaver, Thomas Kemper, Richard Rettberg, Isaac Sebit, and Nancy Denardo. The Secretary should include the full text of Judicial Council Decision 1238."

Judicial Council Decision No. 1238

In Re: Request from the Western Pennsylvania Annual Conference for a Ruling on the Legality of Certain Financial Actions and the Complaint Process Regarding the East Africa Annual Conference in Light of ¶¶ 258.4f, 413, and 613.13

DIGEST OF CASE

In response to the three questions posed by the Western Pennsylvania Annual Conference, the Judicial Council finds the following:

First, the responsibility for managing the mission including the expenditure of funds was designed to be a direct partnership between the Western Pennsylvania Annual Conference and the East Africa Annual Conference. There is no legal justification in the record for inferring donor intent from the evidence presented or for requiring restoration of funds to the donor conference.

Second, the funds in the amount of $3,000 intended for compensation to Isaac Sebit should be paid to him by the East Africa Annual Conference by January 1, 2014, or be returned to the Western Pennsylvania Annual Conference.

Third, the inquiry about the complaint filed against the Bishop is hypothetical at this point and cannot be addressed by the Judicial Council.

STATEMENT OF FACTS

During the 2012 session of the Western Pennsylvania Annual Conference, a motion was approved to ask that the Judicial Council determine the legality of three actions linked to the mission program of the conference. They were stated as follows:

> Were the funds given by the Pittsburgh East District of the Western Pennsylvania Conference to the East Africa Annual Conference used in accordance with ¶ 258.4f?
>
> Were the funds given by the members of the Western Pennsylvania Annual Conference in the payment of Isaac Sebit in compliance with ¶ 258.4f and ¶ 613.13?
>
> Was the complaint filed by one member of the Western Pennsylvania Annual Conference (Nancy Denardo) properly dealt with in accordance with ¶ 413 of the 2008 *Book of Discipline*?

The questions arose in the context of a long history in the relationship between the Western Pennsylvania Annual Conference and the East Africa Annual Conference, more specifically involving the mission of the church linking the Pittsburgh East District and the people of Uganda. In 2003, the superintendent of the Pittsburgh East District initiated a "Uganda Challenge" to raise $30,000 for constructing a church building, digging a water well, and providing a mobile maize mill for the churches and the people of Eastern Uganda. The Bishop of the East Africa Central Conference approved the proposal and assigned the Project Coordinator for Uganda, The Rev. Daniel Wandabula, to manage the process. By June 2004, the Pittsburgh East District had raised $85,000 for this mission (later increasing to more than $90,000), and by August 2004 they had sent a total of $87,000 for the Pittsburgh East District Project. Additionally, the General Board of Global Ministries had committed $20,000 for the purchase of property on which the church building in Namboole was to be constructed.

In January 2005, Nancy Denardo and other persons from Western Pennsylvania visited Uganda to see the outcomes of the mission. At the site where the church was to have been constructed, they discovered only a foundation, and they were told by Rev. Wandabula that the funds had been exhausted. On four subsequent occasions (2007, 2009, 2010, and 2011), Mrs. Denardo visited the site to determine whether additional construction had occurred, but she found no evidence of it. She did find that the water well was bored, albeit at a location different from the one initially proposed, but that the mobile maize mill—which had been built—was inadequate for the purposes intended, hence it was unusable.

In a separate mission endeavor, the Western Pennsylvania Conference raised funds to provide salary support for Isaac Sebit, a pastor in South Sudan. Approximately $3,000 was raised and—beginning in March 2009—the funds were sent for this purpose. In 2010, the Western Pennsylvania Conference heard from Isaac Sebit that he received none of these funds.

In May 2006, Rev. Daniel Wandabula was elected as Bishop for the East Africa Episcopal Area. Continuing the relationship with him that had been established when he was the Uganda Project Coordinator, the Western Pennsylvania Annual Conference had repeated and direct contacts with him about the three original projects and about Isaac Sebit. Bishop Wandabula has asserted that the enthusiasm of the people in the Western Pennsylvania Annual Conference for these endeavors was not matched by a recognition of the actual costs of property acquisition and construction in Uganda, especially in the urban area of the capital, Kampala. Bishop Wandabula has further asserted that the funds allegedly intended for Pastor Isaac Sebit have never been sent to the East Africa Annual Conference. And, Bishop Wandabula contends that there is no evidence that the funds sent for the three mission projects were in any way misused.

In July 2011, Nancy Denardo filed a complaint against Bishop Wandabula. In March 2012, she filed a further complaint against Bishop Wandabula and was joined in that complaint by a clergy member of the East Africa Annual Conference. The Bishop has asserted that he has been notified that the complaint was dismissed. The complainant has said that she participated in no agreement about any resolution and has received no notification of any resolution.

The Western Pennsylvania Conference seeks the following: an affirmation of the principle that funds raised for specific purposes must be spent solely for those purposes; a determination that the funds they provided were not expended in accordance with that principle; that funds not used in accordance with this principle be restored; that any funds for projects which cannot be completed by January 1, 2015, will be restored to the annual conference where they were raised; that funds raised for Isaac Sebit be paid to him no later than January 1, 2014, or that the funds be restored to the Western Pennsylvania Annual Conference; and that the Judicial Council find the disposition of the complaints filed by Nancy Denardo has not been compliant with the requirements of the *Discipline*.

Oral Hearings were conducted in October 2012 in Elk Grove, Illinois, and in April 2013 in Seattle, Washington. The Rev. Robert Zilhaver and Bishop Daniel Wandabula participated in both Oral Hearings. Mrs. Nancy Denardo participated in the April 2013 Oral Hearing.

JURISDICTION

The Judicial Council has jurisdiction under ¶ 2610 of the 2008 *Discipline*.

ANALYSIS AND RATIONALE

The first question posed by the Western Pennsylvania Annual Conference asks whether the funds given by the Pittsburgh East District were used in accordance with the *Discipline* in ¶ 258.4f.

All of the mission endeavors identified in this matter were undertaken as a direct partnership between the Western Pennsylvania Annual Conference— more specifically, by a district within that conference—and the East Africa Episcopal Area. While some general church funds contributed to the total budget for this effort, the projects were not managed through the connectional systems in the General Board of Global Ministries or authorized as an "Advance" of the denomination. Members of the Western Pennsylvania Annual Conference raised the funds, transmitted the funds to the East Africa Annual Conference, visited the locations in Uganda, and negotiated the terms of the mission with church leaders in East Africa.

The Western Pennsylvania Annual Conference bases its argument, in significant part, on the application of ¶ 258.4f of the 2008 *Discipline*. This is one of several places where the *Discipline* specifies the importance of donor intent in the expenditure of funds (See Judicial Council Decision 976). However, this specific paragraph involves the work of the finance committee in a local church. Beyond the general principle of honoring the donor's intent, it is difficult to discern how far the limits of this citation in the *Discipline* may apply in this case. For example, it is unknowable from the record whether individual donors from the Pittsburgh East District or the Western Pennsylvania Annual Conference understood that the established connectional procedures for monitoring mission projects would be employed or whether the donors intended that Western Pennsylvania would manage the effort through its own resources. Nor is it clear from the record whether any specific officers within the Western Pennsylvania Annual Conference had the authority to adjust expenditure plans in cases where acquisition of the property became too expensive or too cumbersome, where construction (such as the mobile maize mill) proved to be too inferior for effective use, or where the water well was to be bored. To imagine a way that the narrow reference of ¶ 258.4f could be stretched legally to cover all aspects of donor intent concerning the complexities of this mission endeavor is more than the Judicial Council can achieve.

The record indicates that the Western Pennsylvania Annual Conference now seeks supervisory action by the General Board of Global Ministries to help remedy the errors that the annual conference finds in the management of this mission. But it is not clear that the Judicial Council can legally reach such a determination ex post facto.

In its second question, the Western Pennsylvania Annual Conference asks about the funds intended for Isaac Sebit, again seeking to use ¶ 258.4f as one basis for the query and invoking also ¶ 613.13 for the matter. The latter paragraph contains legislation that applies to the work of an annual conference council on finance and administration. This specific portion of ¶ 613 authorizes the annual conference council to "establish uniform and equitable policies and practices" with regard to such matters as employment and

compensation as well as to provide "pension benefits." There is no legal bridge for the Judicial Council to cross that ties ¶ 613.13 to the funds raised and sent for Isaac Sebit.

Regarding the matter of donor intent, however, the record is clearer. According to the evidence presented, all of the funds for Isaac Sebit came from one individual, namely a retired missionary who designated a portion of his own pension for Pastor Sebit. Until his death in January 2011, the donor contributed $3,000 for this purpose and the funds were transmitted to the office of Bishop Wandabula. While the Bishop has asserted that these funds "have never been sent to the East Africa Annual Conference," and while one exhibit in the record says that the only funds received for Isaac Sebit were $2,500 for the purchase of a motorcycle, it is clear from other parts of the record that the funds were sent and that the intent of the donor was well established. A separate and unrelated item in the record, namely a letter from Bamutya Charles (the Treasurer of the East Africa Annual Conference) to Barbara Jacobsen at the General Board of Global Ministries on September 28, 2012, acknowledges that financial records—which had previously been administered manually—were now in the process of being computerized. In that same letter, the Treasurer acknowledges a discovery that documents concerning construction expenditures for a school had been improperly filed.

It should be possible to locate the funds in the office of the Bishop and either direct them to Pastor Isaac Sebit or restore them to the Western Pennsylvania Annual Conference by January 1, 2014, as the petition from the conference requests.

In its third question, the Western Pennsylvania Annual Conference asks whether the complaint filed against Bishop Wandabula was handled properly in accordance with the *Discipline* in ¶ 413. The question is, at this point, hypothetical because there is no conclusive evidence in the record that the complaint process has concluded. During the Oral Hearing in October 2012, Bishop Wandabula stated that the complaint had been dismissed, and he promised to provide documentation to support this assertion after the close of the hearing. However, the Judicial Council has received no such documentation from him or from any other source, and none was provided during the Oral Hearing in April 2013. Hence, the only indication that exists in the record about the outcome of the complaint process is the Bishop's unsubstantiated claim. The Judicial Council, therefore, understands that the complaint process is continuing. The Council cannot intervene in the midst of an ongoing administrative or judicial process but can only do so in response to an appeal that is properly filed after any such processes are concluded. The complainant is certainly entitled to be included in active consultation with regard to the handling of the complaint, and the accused is certainly entitled to fair process. The Africa Central Conference College of Bishops and the Council of Bishops have responsibility for the proper handling of the complaint to its conclusion. Beyond that, the Judicial Council has no legal authority to intrude into the case.

DECISION

In response to the three questions posed by the Western Pennsylvania Annual Conference, the Judicial Council finds the following:

First, the responsibility for managing the mission including the expenditure of funds was designed to be a direct partnership between the Western Pennsylvania Annual Conference and the East Africa Annual Conference. There is no legal justification in the record for inferring donor intent from the evidence presented or for requiring restoration of funds to the donor conference.

Second, the funds in the amount of $3,000 intended for compensation to Isaac Sebit should be paid to him by the East Africa Annual Conference by January 1, 2014, or be returned to the Western Pennsylvania Annual Conference.

Third, the inquiry about the complaint filed against the Bishop is hypothetical at this point and cannot be addressed by the Judicial Council.

Beth Capen and Ruben Reyes were absent. Sandra Lutz, first lay alternate, and Warren Plowden, fifth lay alternate, participated in this decision.

Saturday, October 26, 2013.
Request denied.

CONCURRING OPINION
We concur with the decision not to reconsider Decision 1238. However, we also understand that the Judicial Council retains jurisdiction on the payment of money indicated in part 2 and in the documentation of the process and outcome of the complaint filed in March 2012 by Mrs. Nancy Denardo and the Rev. John Kiviiri.

THE POVERTY TEAM

The Poverty Team has continued to grow in its membership and its commitments of

- Educating clergy and laity regarding poverty concerns and ministries
- Igniting a passion for social justice
- Empowering churches to make a difference by providing them with resources.

We have used our funds to support ministries with the poor which include:

- mobile food banks
- street ministry health clinics and substance abuse recovery programs
- Circles programs and Bridges Out of Poverty programs
- Poverty Simulations to educate middle class, students, and others about the real experience of living in poverty

- Thanksgiving meals for those who are in need or alone on holidays
- Two of our major agencies, Connellsville Area Community Ministries and Erie United Methodist Alliance with renovations and expansion of their ministries
- A very small parish that provides assistance to people who need new identification cards or legal papers in order to access services, such as driver's licenses, birth certificates, social security cards, etc.
- An inner city program that provides young people employment that helps them to get off the streets and learn how to be employable

In addition we have collaborated with other groups:

- Pittsburgh District UMW and Greensburg District in bringing Rev. Lorenza Andrade Smith to WPA for presentations on her ministry with the homeless; and shared a meeting with OIKO credit to learn about this form of outreach and ministry.
- Provided resources to the Health and Wellness Team for their Lenten Devotional
- We communicate regularly with the DCM, News and Information Specialist, Board of Missions and Church and Society by sharing our minutes and other pertinent information.

We also produced an Advent Prayer Calendar for individuals or groups to use which had scripture readings for each day that related to ministries with the poor.

We have provided training support funds to team members who have attended conferences. The results of this were people returning and leading Bible and Book studies in their local congregations, and developing new strategies for ministries with the poor.

Our goals for the coming year are to provide more training events throughout the conference that will help churches and communities identify their local needs and means by which they can increase their witness to those with whom they live and work in a dignified and respectful way. No church is too small or too large to be in ministry with the poor.

By God's grace we seek guidance, listen for God's voice to lead us into even more ways to be effective in ministry with the poor.

We thank the Annual Conference for the funds which they provide so that we may serve.

JUSTICE REFORM

In 1997 Bishop Bashore called on us, as the institution of prophecy, to communicate with our legislators and participate in the legislative process. Since that charge, this Conference has led the campaign for victim compensation, DNA rights, restructuring jury databases, expunging misdemeanors, the care of geriatric and seriously ill inmates, removing both juveniles and persons with retardation from Death Row. We have also conducted a study of the death penalty, Death in Pennsylvania: James V. Bennett Revisited(2005), and joined in the campaign for a moratorium on death warrants.

The Governor appointed us and the Pennsylvania Legislative Black Caucus to the Pennsylvania Committee for the Analysis and Reform of Our Criminal System. This Committee made 23 recommendations, which this Conference adopted as RS 102 of 2008. Eleven of these recommendations have been implemented in Pennsylvania. Our annual Justice Reform Report has kept the Conference abreast of the progress.

- As of 2013, victim families will be allowed to testify at parole hearings.

- The SB 6 of 2011 committee has been convened to study the death penalty in Pennsylvania. Its report is due shortly.
- The "Biological Evidence Retention Act" (HB 1007 of 2013), has been re-introduced to provide law enforcement with positive guidance regarding the preservation of biological evidence from crime scenes.
- The "Care-Givers Exemption Option" (HB 1008) allows primary care givers the opportunity to decline jury duty for that term.
- The "Juror Compensation Act" (HB 1009) provides an alternative to the $9 per diem presently provided for jury service.
- The "Eyewitness Identification Act" (HB 1006) provides the police with precise guidelines for eyewitness identification. 82% of the felonies reversed on appeal are from defective eyewitness identification. Under this Bill, the eyewitness is given a written list of rights. The idea of a verbatim list of rights reflects the concept encompassed in the Miranda Rights. [Pew Forum on Religious & Public Life reports that the UMC is 18th among such lobbying groups, and 1st among mainline Protestant denominations. *The United Methodist Reporter* Dec. 2, 2011.] The Bill also provides precise guidelines for the independent investigator to follow in conducting either live of photo lineups. It further provides for the videotaping of these lineups.
- The "Snitch Testimony Disclosure Act" would require that judges be told precisely what deals were made with inmates who decide to testify against other defendants.
- The "Uniform Collateral Consequences of Conviction Act" would inform defendants of the incidental consequences of confessing to a felony. This includes the impact of the "Felony Homicide Rule" on the Defendant's friends and relatives.
- The "Solitary Confinement Reform Act" would limit the amount of time an inmate could be held in a 7x9x8 cell. The cost of solitary confinement is twice that of general population, and some Pennsylvania inmates have been in solitary confinement for 60 years. The Federal Department of Justice evaluated Pennsylvania's solitary confinement facilities. DOJ found the conditions deplorable, and determined that Pennsylvania was liable under both the Eighth Amendment and the Americans with Disabilities Act.
- The Unified Judicial System Act, (SB 1215) would consolidate the Clerk of Courts, Prothonotary and Orphans' Court under the Administrative Office of the Pennsylvania Courts and the County President Judge. The Jury Commissioner was absorbed under (HB 808).
- The Judicial Merit Selection Act (HB 1848) would establish a process to assure the qualification of appellate judges.

Racial Justice Act

The Racial Justice Act, (HB 1004), introduced by Rep. Rob Matzie (D-Ambridge) and Rep. Ron Waters (D-Philadelphia), is designed to plug a hole in the US Supreme Court decision of McCleskey v Kemp (1986). The Kemp decision allows the accused to provide evidence and testimony of racial profiling, but it does not say how. The RJA delineates what evidence may be presented, and how. All three Pennsylvania UMC Conferences adopted RJA Resolutions in 2013, and Bishop Bickerton wrote a personal letter supporting it. These resolutions and the Bishop's letter were presented to the Chairman of the Pennsylvania House Judiciary Committee and the Pennsylvania Legislative Black Caucus.

30 legislators, including every member of the Pennsylvania Legislative Black Caucus, co-sponsored the RJA.

On April 20, 2012 Superior Court Judge Greg Weeks applied the RJA in North Carolina v Marcus Robinson. Judge Weeks held that "Robinson met his initial burden of production by demonstrating –using unadjusted statistical data standing alone- that race was a significant factor" in his prosecution and sentencing. Accordingly he reduced the death sentences of four defendants. This holding was so broad that essentially no minority could ever be convicted, and all of them would have to be re-sentenced. The North Carolina District Attorneys' Association had the entire RJA repealed. Several retired members of the North Carolina Supreme and Superior Courts have filed a brief asking that Judge Weeks' four revised sentences should be sustained.

The Pennsylvania model Bill was immediately amended so that the primary proof of racial profiling would be the testimony pertaining to that specific case, and data could be used as ancillary evidence. Hearing before the House Judiciary Committee was scheduled for August 14, 2013 with experts from across Pennsylvania and the United States. Suddenly, on July 31, 2013 another group of Pennsylvania justice reform advocates contacted the Judiciary Committee and cancelled the August 14 hearing. When advocates appear to be quarrelling policy makers do nothing. ("A fragmented demand elicits a regulatory policy.")

To this date, Pennsylvania Courts have no positive guidance regarding the admissibility of Racial Profiling or Disproportionate Minority Contact.

Juvenile Justice Act

The 2013 Annual Conference also called for action on the Juvenile Justice Act (HB 1005). This Bill, introduced by Rep. Rob Matzie (D-Ambridge) and Rep. Joe Preston, Jr. (D-Pittsburgh), addresses the 10th Century common law "Felony Homicide Rule". Under this Rule, if anyone is convicted of committing a homicide in the course of any other felony every person associated with the triggerman is subject to second degree murder. It is collective culpability. Pennsylvania currently has 509 juveniles serving juvenile life without parole. Our Senate found that "59% of these juveniles never held a weapon, never confronted a victim, and did not even know a crime had taken place." The JJA would allow the sentencing court to review these cases to determine the individual culpability. 28 legislators, including the entire Pennsylvania Legislative Black Caucus, co-sponsored the bill. Sen. Dylan Leach introduced a companion Bill in the Senate.

The fortunes of the JJA were greatly accelerated when the US Supreme Court ruled, in Miller v Alabama (2012), that juveniles could no longer be automatically sentenced to life without parole. Pennsylvania then passed SB 850 which provides that if an accomplice was 15 or older on the day of the offense they could be sentenced to 35 years to life. If they were under 15 they could be sentenced to 25 years to life. The Supreme Court of Pennsylvania ruled, in Comm. v Batts and Comm. v Cunningham that the new statute's discretionary sentence provisions came into force as of June 25, 2013. There is still collective sentencing, and life without parole is still an option.

The Holy Spirit has given me several academic decrees, and has used me to nurse several Bills through legislatures. Each of these Bills pertained to inclusion or social justice. I have learned that the system works when given a chance.

Bishop Bashore's challenge is being met, the Governor's assignment is being met, and the 2008 Conference Resolution is being satisfied. We are continuously striving toward the teshuvah in Ezekiel, the Covenant Code in Exodus, and the Great Commission in Matthew. One step at a time.

UGANDA CHRISTIAN SOLUTION

Uganda Christian Solutions had a very productive and successful 2013 year of outreach. There were a total of 5 UMVIM teams that traveled to Uganda and South Sudan.

January 2013: A 15 member ecumenical mission team, from 2 UMC's and a Catholic church, based from Community UMC in Harrison City, led by Scott Mains and Rich Phipps traveled to Uganda and accomplished the following:

Provided pastoral training for 20 pastors, installed a permanent sound system in the Mt Olives UMC in Mukono along with removing a wall to enlarge the sanctuary, performing some building maintenance, and donating a keyboard, guitar, and a drum set to enhance their music program. At the Mt Olives site a second building that had been constructed previously by CUMC was completed with the addition of concrete floors, setting the windows and doors, and plastering the entire building inside and out. This structure known as the Henry's Hands building will house the UCS Mukono office and a large medical clinic. The team then traveled to the village of Banga where CUMC had previously constructed the Wesley Primary School (enrollment 150 students) and installed 2 solar panels and wired lights to the school and office, set up a charging station for the teachers electronic devices, constructed a large swing set for the children, provided agricultural supplies including a roto-tiller to assist the school to raise crops to feed the children, and paid to have the road leading into Banga graded. The team distributed 150 clothing items that were made by a sewing team from CUMC, at both locations. Traveling to Jinja, the team dedicated a new water well that was constructed with a donation of over $4,000 from the CUMC VBS offering. The team also facilitated repairs on 2 other water wells. CUMC also provides ongoing support to the Wesley school by paying the teachers' salaries, and provides a monthly stipend for both pastoral and congregational support for the Mt Olives UMC. Later in 2013, CUMC provided the funds for construction of new living quarters for 10 teachers at the school, and expanded the existing piggery to provide a source of income for the school so it can soon become self-sustaining. In addition, several individuals from CUMC sponsor students to attend other schools and training programs, from primary and secondary school to university, seminary and trade schools. The total dollar amount of support given by this team and CUMC through UCS in 2013 is around $110,000.

February/March 2013: A 22 member ecumenical mission team from 8 UMC's including one from Ohio, a Catholic church and a non-denominational church, were based from Carnegie UMC, led by Kay Rahuba and Bernie Lopretto, and conducted medical/dental/eye, pastor and laity training, and children's ministries programs in several different locations in Uganda. The medical/dental/eye team was joined by local health workers who provided free HIV/AIDS testing and education. The combined teams examined and treated the following: medical team - 2,800 persons, some were sent to the hospital for more in depth care, dental team - 300 persons received exams and/or had tooth extractions, dental hygiene and how to make toothpaste was taught, and 2,500 toothbrushes

were distributed, eye team - saw and treated 700 persons, and distributed 500 pairs of eyeglasses. The entire team ministered in the following villages: Mukono, Katosi, Busaana, and Banga, all in south central Uganda, Palisa in eastern Uganda, Jaguzi Island in Lake Victoria (accessed by boat), Odranna and Anzu in north western Uganda near Arua. Pastoral and laity training was held in 6 of the 8 locations with a combined attendance of 550 persons. Male attendees received donated neckties as a gift, female attendees received handkerchiefs. During breaks in the training, the pastoral team members and participants circulated among the waiting medical/dental/eye patients offering comfort and prayer. Ministries for children was held at 7 of the 8 locations. 150-250 children surrounded the children's team members at each location. The team taught the children songs in English and learned songs in Luganda, they had games, crafts, and Bible stories, and distributed, balls, bracelets and balloon animals. The team also distributed hundreds of dresses and shorts that were made and donated by First UMC in Waynesburg for the children. The team was also able to visit an HIV/AIDS clinic, and the Katalemwa Cheshire Home for Disabled Children in Kampala, with which UCS has a treatment agreement and refers children there on a regular basis. One of the nurses on the team is the president of the Pittsburgh Chapter of the American Association of Orthopedic Nurses, who have since sent support to the Cheshire Home. Several members of this team also individually sponsor students of all ages from Uganda and South Sudan. The total dollar amount of support given by this team and their churches through UCS in 2013 is around $55,000.

June 2013: A 15 member ecumenical mission team of United Methodists and Baptists from Georgia, Arkansas and Florida, based from the Riverside UMC in Macon, Georgia, led by Sally and Rev Steve Waldorf, traveled to the Busia area in eastern Uganda, working mostly in and around Busia town and Bwakama village. The following programs were held:

Agricultural training offered by 2 County Extension Agents included a 2 day workshop where 12 rural farmers were taught new methods of farming. Each farmer received tools and seeds. They were trained to use a tiller, and were given one to share. The agents then visited each farmer on their land to evaluate the challenges each one faced and offer solutions for their individual problems. Pastoral training was provided for 12 pastors. Youth leaders were provided with a 2 day seminar to enhance their skills, 10 leaders attended. The medical/eye team held clinics for 6 days at 4 different sites, treating 2,250 persons, sending some to the hospital for more extensive treatment, which the team paid for. 700 pairs of eyeglasses were distributed. A dental hygienist using Alfie the puppet educated the children at each site about dental care, and about the gospel of Christ. 2,000 toothbrushes and dental floss was distributed. Health education binders with picture based health guidelines were distributed to nurses and pastors in rural villages. The teacher training team provided a workshop for 12 teachers from the Bwakama Primary school about classroom management, and managing students at all learning levels. Several school supplies were given to the teachers. The team also visited a nearby orphanage and established a relationship with the couple in charge, to provide ongoing workshop aid for the Bwakama teachers. The Bwakama school scholarship program team took new photos of the sponsored children to send to their sponsors, and distributed gift bags to the children, along with suitcases of flip flops. The team also provided start-up funds for a piggery, repaired a water well, and provided funds to purchase study Bibles for the area pastors.

August 2013: A couple from Port Vue UMC, Nancy and Nick Denardo, traveled to Uganda and South Sudan, visiting and encouraging churches and pastors in eastern, northern, and south central Uganda, as well as in and around Yei, South Sudan. Local language Bibles were purchased and hand delivered to several churches. 100 mosquito nets were purchased and delivered to 2 churches in South Sudan. The Eastbrook Mission Barn in W Pa provided 125 children's outfits that were distributed to children in 3 locations in South Sudan, including a Congolese refugee camp on the border of South Sudan and the Democratic Republic of Congo. The couple met with government officials who endorsed the work of UCS, held a UCS Board of Directors meeting to assess the ongoing work of UCS, and plan for future projects, and visited with representatives of Mulago Hospital in Kampala, who provided a hospital tour to establish a working relationship with the hospital. They also obtained government published clinical treatment handbooks for the future UCS medical teams, supported the women's prison ministry program in Jinja, and purchased and delivered battery operated lanterns for the teachers quarters at the Wesley school in Banga. A meeting was held with the Wesley school teachers, Banga village leaders, parents/guardians of the students, and the students to discuss management of the school and its resources, and ways to help the school become self-sustaining within the next 18 months. They visited the site in Jinja where the Women's Empowerment Center will be constructed and discussed the plans with the project coordinator. Visits to encourage the several students of all ages, who are sponsored by members of the Port Vue UMC were accomplished.

September-November 2013: A couple from the Reynoldsburg UMC in Ohio, Mike Holm and Patty Huston-Holm, spent 6 weeks in Uganda teaching at the Uganda Christian University in Mukono. In addition to their work at the university they served as agents to facilitate some of the work of UCS. They met with the UCS Board of Directors to write new guidelines for the scholarship program structure for UCS. They visited the Womens Empowerment Center site in Jinja and went on 2 visits to the women's prison for worship and to support the craft ministry of the prisoners. The couple also spent a day at the Wesley school in Banga along with journalism students from the university who were on assignment to write articles about the school and its head teacher, which were published. While there they presented the school with textbooks, and provided funds for a piggery, and for the feeding of the students. The couple has been instrumental in setting up scholarships for several young women to attend Uganda Christian University. They also have an Artisan project that markets crafts and baked goods to provide an income for women. While there they also provided for a workshop to be held where 13 persons were trained to make shampoo and conditioner to sell as an income generating business.

Other projects in 2013 - UCS also had donations for the Karen's Wells project and dug 3 additional water wells, at $4,200 each, and constructed 2 latrines. Donations came from Level Green Presbyterian Church, and the Ingomar UMC Living Waters program.

We praise and thank God for the total amount of funds $210,000 that were donated to accomplish the work of UCS in 2013.

RUSSIA INITIATIVE

Our Annual Conference has a Partner Relationship through the General Board of Global Ministries and the Russian Annual Conference with the Embassy of Love United

Methodist Church, located in Syktyvkar, the capital city of the Komi Republic, part of the Russian Federation. Komi Republic is nestled on the western shoulder of the Ural Mountains, just below the Arctic Circle.

In 2009 the Embassy of Love burned to the ground. WPA Conference local churches responded in 2010 with an offering of $60,000 for the rebuilding of the church.

During summer of 2012 Embassy of Love asked for financial help to finish construction, so that what was already done would not be lost to weather. An additional $35,905 was raised to finish the exterior and the interior of the church, thought to be finished in 2013.

We learned in 2013 that the $60,000 gift had been utilized to retire the purchase agreement that was outstanding against the church rather than to rebuild the church. The $35,905 was expended towards church rebuilding, mainly on exterior and entry work. Additional work to plumb the church, electrical, and interior finishing remain to be done. To date there has been no running water at the church. It is serviced by an outhouse on the back boundary; they haul water in for fellowship activities.

We continue to remit annual sponsorship monies for the support of the pastor and the congregation, totaling near $9,000. The Russian UMC is encouraging congregations to work towards self-sufficiency, and we are presently beginning dialogue for a time line of fiscal self-sufficiency.

John Flower and Gary Grau attended the Russia Initiative Consultation in Tennessee in April, 2013. In November 2013 Grau, Flower, and Alexander Evanoff (mission chair of Waynesburg First UMC) traveled to Syktyvkar, Komi to meet with the pastors, church council, and District Superintendent of the church. They were housed in the homes of church members, participated in a series of business meetings, enjoyed experiencing the Russian culture, and the renewal of the partner relationship

It is of interest to note that one of the members of the Embassy of Love United Methodist Church, a person of disability who uses a wheel-chair, was chosen to carry the Olympic Torch as it came through Syktyvkar on the way to Sochi. A video is available and may be played at Annual Conference.

EASTERN GERMAN PARTNERSHIP

The partnership between the conferences of Western Pennsylvania and Eastern Germany was initiated at the beginning of Bishop Bashore's tenure in the fall of 1988. A committee was formed at that time to seek an appropriate partnership in then-communist eastern Europe; and it was determined that the greatest facility lay with eastern Germany, as Bishop Bashore and then Bishop Ruediger Minor, a native of that conference, were well-acquainted and both able to correspond in both languages. The first direct correspondences between members of the two conferences occurred about the beginning of 1989. Since those early days when our conference viewed ourselves in ministry to the German churches then under communism, to multiple cultural and mission exchanges between us in the 1990's, we have cultivated a true peer partnership in the 21st century.

Throughout the 1990's, several friendship and cultural exchanges fostered a sense of deep appreciation and friendship among us. The early and mid-'90's saw large groups of visiting youth (in both directions) highlighting our connection. The first visit by a primarily adult group from PA in November 1995 opened the way for a series of

friendship/mission visits to aid the economically recovering German churches. By the late '90's, friendship/mission groups, mostly youth, came among us to return the favor in some of the mission sites of our conference. In the summer of 1996 Ms. Uta Drutkowski (now an Eastern German pastor) broke ground by serving on staff at Jumonville.

Highlights of cultural exchange include visits by the German conference children's choir in 1995 and 2003; and the German brass band in the late '90's and in 2008. Our conference ministers' chorus toured the German churches in 2000 and 2006; Mrs. Joy Conti visited the Eastern German conference in May 2004, offering a vocational mission presentation. The most groundbreaking mission endeavor occurred when a team of 21 from our conference joined 15 Germans in a VIM mission project to Camp Voronezh, Russia. In March 2005, a second international team embarked on a reforestation mission to Nicaragua, and in summer 2008 a joint team returned for further work at Camp Voronezh.

Local church-to-church partnerships continue their work as well, and we count their contributions as priceless. Among the oldest and most fruitful has been the bond between Mt. Lebanon and Zwickau-Planitz, a partnership that involves near-annual exchanges of visiting teams for enrichment and mission.

In 2009 we celebrated 20 years since the initial contacts between our conferences with special observances at Grove City in June.—and in October-November, the fall of the Berlin Wall, where Mary Garber represented our conference partnership at the Berlin celebration.

Our committee manages three annual projects—the inter-conference prayer day in early January, with a list of prayer foci or printed liturgical prayer provided in the *Interlink* in December; a display table at Annual conference; and the Advent daily devotion booklet, distributed through the monthly mailings to all pastors in November. Anecdotal feedback indicates that these prayer and meditation tools are used by a growing number of churches across our conference each year. The Advent devotional is now made available online, on our conference website.

In 2013 the partnership sent its third delegation to our sister conference's English Camp for youth, a week-long event in August which allows teens to know the call of Jesus Christ while honing their English language skills. Eric Buzard of Pittsburgh served on the program staff of the 2013 camp.

2014 marks the 25th anniversary of our partnership with eastern Germany. Plans to observe the landmark include an exchange of delegates to our respective annual conferences: Bishop Bickerton is invited to speak at the Eastern German conference to be held May 21-25 in Schwartenburg; committee members Mary Garber and Joe Stains are also invited to represent our conference there. Rev. Werner Philipp, chair of the partnership from Germany, is expected to attend our annual conference in Grove City in June.

The next joint VIM experience is set for March 2015, where a team of Germans and Pennsylvanians will engage in a building and evangelizing project at a young church in Albania. We are in the early stages of recruiting people and resources for this event.

For information on these projects, or other ways you may be more involved in our partnership's work, inquire of chair Joe Stains, or any of the committee members listed below.

The partnership has progressed with a very modest budget, and very generous contributions from pastors and laity throughout the conference in the context of special

events and tours. Great thanks to the dedicated committee members: Rick Russell (secretary), Dean Byrom, Joy Conti, Mary Garber, Grace Killian, and Eric Buzard.

NICARAGUA PARTNERSHIP

A delegation from Western Pennsylvania UMC attended the Nicaraguan Methodist Church Annual Conference at the end of January 2014. After the Conference, we visited our WPAUMC partner church in Jinotega and the Kane District partner church in Condega. Then, we went to Pearl Lagoon (on the east coast of Nicaragua) to explore opportunities for new ministries. The east coast population is a combinations of English-speaking Creole people and indigenous natives--such as the Miskito Indians. Neither group mixes with the Hispanic population in the rest of Nicaragua and seldom visit the rest of the country. The "WPA Conference Nicaragua Partnership" is committed to seeking opportunities for reconciliation and compassion for all of the people of Nicaragua.

In April 2014, a delegation from Western Pennsylvania attended the National Nicaragua Connection in Hillsville, VA to share joys and concerns and to plan for ministry with Methodists in Nicaragua in the coming year. After the Connection, Western Pennsylvania Conference hosted Pastor Ruben Zeledon, the Vice President of the Board of the Nicaragua Methodist Church, who is also the pastor of the church in Jinotega. He visited several churches in the Conference and reported on the ministries of his church, "Jesus is Coming Soon". These ministries included: preschool, adult literacy, feeding programs for children and the elderly, vocational training, street gang reconciliation, and mentoring satellite churches--as well as several worship services and Sunday School classes each week.

A VIM team from Heritage UMC, led by John Flower and Bethany Orban, will be going to Nicaragua from July 8-22. They will be participating in different ministries in Nicaragua. Additional members are always welcome.

ERIE UNITED METHODIST ALLIANCE

EUMA (Erie United Methodist Alliance) continues our commitment to combating homelessness by providing Christ-centered ministries of shelter, support and service to families, Veterans and individuals in Erie, Pennsylvania. EUMA's roots can be traced back to 1888 as a pastoral fellowship and church planting group which led into outreach programs centered around homelessness in the mid-1980's. EUMA served 2,971 people last year through five ministry programs.

The Refuge

The Refuge is EUMA's emergency homeless shelter for families with children. The Refuge can shelter single dads, single moms, and two parent families with their children – up to 32 people on any given day. The average stay at The Refuge is 30 to 45 days, during which the family's basic needs are met and they are able to take a breath. Then their case manager begins meeting with them to determine their reasons for homelessness and create a plan and action steps to help them move forward to secure stable housing. This process becomes more challenging each year as resources continue to decline or disappear and people's situations become more complex and desperate. Despite the challenges last

year, The Refuge provided shelter and care for 72 families including 89 adults and 156 children, a 34% increase over the previous year.

Hope House

Hope House is EUMA's four-apartment transitional program for homeless families with children, providing more time and assistance to address each family's individual reasons for homelessness. With average stays of up to nine months, families are able to address financial instability, follow through on educational and vocational opportunities, and secure employment. Last year EUMA staff provided support and encouragement as well as life skills trainings to 7 families including 8 adults and 14 children through the Hope House program, a 20% increase over the previous year.

Liberty House

Liberty House is EUMA's transitional housing program created specifically for homeless, honorably discharged Veterans. The house is a safe haven for men who proudly served our country and are now in need of new beginnings. Last year this program provided 26 Veterans advocacy and support within a structured living environment to allow them to develop the skills necessary to deal positively with life issues.

Project Hope Outreach

Project Hope Outreach is EUMA's unique on-the-street ministry to the homeless community. Outreach workers seek out and meet homeless individuals and families, wherever they may be – soup kitchens, downtown parks, the public library, area shelters, public lunch programs – offering care and assistance. Last year, Outreach helped 277 people by providing hygiene items, new socks and undergarments, assistance obtaining government identification documents, referrals to available shelters and housing, transportation assistance, and vouchers for free clothing and necessities. This was a 30% increase over the previous year.

Rainbow Connection Thrift Store

The Rainbow Connection is EUMA's thrift store with a mission. The Rainbow Connection serves dual purposes in providing financial assistance to EUMA programs and helping people in the community obtain low-cost quality clothing and household necessities. In addition the store also serves the homeless community and those in need by providing these same items free of charge through a voucher assistance program coordinated through Erie's homeless shelters and social service agencies. Last year, the Rainbow Connection distributed $61,154 worth of clothing and items to 2,401 people, a 30% increase over the distribution of the previous year.

Chaplain Program

Despite losing our dedicated Chaplain mid-year, EUMA continues to provide an environment where God's unconditional love for each person is reinforced by staff in their daily interactions. Bible studies are provided by volunteers and residents/clients are prayed over daily. Pastors serving on the EUMA Board provide individualized services as needed. Individuals are treated with dignity and respect and shown the grace of God as EUMA seeks to uplift and encourage them through life's trials.

During this past year EUMA is proud to have become part of a new collaborative within the Western Pennsylvania Conference. Under the name Regional Missions Initiative, Connellsville Area Community Ministries, EUMA, United Methodist Church Union in Pittsburgh, and United Methodist Human Services of Johnstown PA have come together to learn from each other and to grow together through a collaborative process to

improve service delivery, enhance agency infrastructure, and develop staff and leadership skills. Initial meetings have been in the "getting to know you" phase with tours of each location and beginning to understand what each agency does. Future plans call for continued monthly meetings, quarterly trainings, and collaborative grant applications.

We at EUMA are very thankful for the prayers and support that allow us to meet such wonderful people and help them renew their spirits and their lives. God bless all of you for your prayers and support.

CONNELLSVILLE AREA COMMUNITY MINISTRIES

In 2014 Connellsville Area Community Ministries (CACM) is celebrating 40 years of ministry to needy families in the Connellsville area. Since its formation in 1974 the mission of the ministry is to be an extension of the church to all hurting people needing support in life's development and the struggle to obtain justice and a healthful life grounded in God's love. The Connellsville area is one of the most economically distressed areas of Pennsylvania. Recent studies revealed that 35.4% of families in Fayette County are economically distressed – unable to afford adequate food, shelter, healthcare and other necessities. CACM provides emergency assistance for individuals and families in poverty by meeting urgent basic needs through the following ministries.

Crisis Ministry This encompasses many crisis situations. We assist with utility shut off notices including electric, water and gas. Auto assistance crisis includes gas and vehicle repairs. Furniture assistance provides gently used or new furniture, appliances, household items and clothing. The crisis ministry also provides a homeless shelter, Trinity House, which consists of two apartments used for families or individuals that are made homeless due to crisis situations. This is a 30 day program to provide time for the client to secure housing.

Food Pantry CACM operates the largest food pantry in Fayette County. Our food program provides for an average of 400 families each month. We are supplied through Fayette County Community Action and supplemented through individuals, churches and local businesses. In 2013 nearly 5,000 food boxes were distributed. Due to cuts in government programs the food pantry has seen an increased need for food assistance.

Care & Share Boutique is our clothing boutique that accepts donations of clothing, household items, furniture and appliances. These items are either sold or used in our Crisis programs and given away to families in need who have experienced a loss beyond their control.

PUMP (People Under Mission to People) consists of mission groups that come to the Connellsville area to perform work projects which include wheel chair ramps, handicap accessible bathrooms, roof repair, painting, etc. Work is performed for qualifying poor or low income families or individuals. Groups can be local or from anywhere in the United States.

Our *Medical Equipment Program* was founded by the United Methodist Men and lends medical equipment to those who are unable to afford it or only need it for a short period of time. Lends include: Hoyer lifts, wheel chairs, hospital beds, walkers, canes and other medical supplies.

The *Layette Ministry* has distributed 3,700 layettes to families with newborn babies since it began in 1985. Each layette includes one quilt or blanket, one receiving

blanket, 12 disposable diapers, two undershirts or onesies, one hat, one bib, one pair of socks or booties and two sleepers or gowns. Volunteers have devoted themselves to this ministry knowing that every newborn is a special gift from God.

Circles is a new ministry that CACM is bringing to the Connellsville area. This ministry is a partnership between CACM and the local chapters of The Salvation Army and Saint Vincent de Paul Society. The three ministries have a goal of starting Circles in the Fall of 2014 and enlisting 25 low income families in the initial launch of this new ministry. Through the Circles initiative families who are in poverty will be provided a hand up not just a hand out. This is achieved by matching the people in poverty with trained middle-to-high-income community volunteers, called Allies, who support their efforts to achieve economic stability. The Circles concept began in 1992 and has shown great effectiveness in breaking the social isolation that keeps people in poverty and in providing folks with the necessary emotional and social support to move them out of poverty.

This past year has been an exciting season at CACM as we have been starting new ministries and improving existing ministries. We are continuing to renovate our headquarters that the ministry purchased in 2012. With over 21,000 square feet of space it is exciting to see this space transformed to better meet the needs of our clients. On a daily basis we see God at work at CACM as our dedicated staff and a team of over 75 faithful volunteers serve the needy in our community. Through our Sharing The Harvest campaign we raised over $100,000 to help fund the ministry. We are grateful for the support provided by the Western Pennsylvania Annual Conference and the churches throughout the Annual Conference. Your continued prayers and support are appreciated as we are enabled by God to bring light and hope into the Connellsville area.

CONNECTIONAL WITNESS MINISTRIES TEAM

The Witness Team brings together the chairpersons of Christian Unity and Interreligious Concerns, Communications, Discipleship, Evangelism, Higher Education and Campus Ministries, and Parish and Community Development along with four members at large. Our task is to find ways to collaborate to equip congregations to tell the story of God's love and grace. This has been a startup year in which we have worked on a disciple-making template or outline. Our hope is that we can eventually offer a basic approach to making disciples of Jesus Christ and a variety of resources to help implement the plan. We also had discussions to set the stage for using the pool of financial resources that are included in the 2014 budget for our work. The members of our team have participated faithfully in all these discussions. However, our efforts have been somewhat hampered by vacancies in some of the positions that make up our team.

Michael Long, Witness Team Chair

EVANGELISM

The Western PA Conference Evangelism Team continues to plan and organize training events focused on equipping laity and pastors for more effective and fruitful evangelistic efforts. In order to do this efficiently, we have created a working definition of Evangelism as follows:

Goal of Evangelism: To bring people into a personal relationship with Jesus Christ and help them become fully devoted followers of Jesus Christ, therefore we understand evangelism to be:

An: Intentional and holistic presentation of the Gospel through word, deed, and sign that;

***Introduces** people to God's grace through Jesus Christ.

* **Invites** people to respond to Jesus Christ in repentance and faith as Savior and Lord.

***Instructs** Christians in the ways of discipleship and becoming Christ like while encouraging continued spiritual growth.

***Inspires** Christians to proclaim, serve and witness in ways that testify to the Gospel of Jesus Christ and address human brokenness, suffering, shame and guilt, and that provide healing, hope and life through faith in Jesus Christ as Savior and Lord.

We continue to vision ways to reach out into the individual districts and churches to identify evangelists, both lay and clergy, to equip them to do the work of evangelism and to motivate them to go! Our vision is: **FIRE!**

To redefine our evangelistic mission by

* **F**ostering a Wesleyan based movement within our Conference.

* **I**ntentionally discovering leaders, both clergy and laity that have a passion for evangelism.

* **R**enewing spiritual passion within our congregations that springs from a transforming relationship with Jesus Christ.

* **E**stablishing our distinct United Methodist identity through our Wesleyan heritage, theology and doctrine.

Your evangelism team held a Clinic on Evangelism on April 20th at Charter Oak in Greensburg district and April 21st at Indiana Grace and Lakeside UMC in DuBois. Mark Mittelberg was our motivational and equipping speaker as well as a Christian apologetic teacher. This event helped ordinary Christians feel comfortable sharing their faith in every day circumstances and gave them answers for the tough questions that sometimes keep us fearful of sharing our faith. The Conference Parish and Community Development committee partnered with us to bring this event to our conference and provided resources in the form of books to equip our people to go and make disciples. Over 500 people were touched by the 2 days of events and more people were equipped by the books that were handed out at Annual Conference at the evangelism table.

In conjunction with the Billy Graham Association's effort called *My Hope*, we held a training at the conference center to instruct interested people to prepare to take part in the My Hope event that was held November 7, 2013.

We are planning 4 schools of evangelism in 2014 and hope to continue to build a momentum of sharing the Good News in Western PA. Please join us in the effort.

We continue to fulfill our relationship with our General Evangelists and Conference Evangelist. Our Annual Conference approved Luella Krieger to our newly formed position of Conference Evangelist last year. Our responsibilities with the evangelists include annual evaluations, recommending them to the Annual Conference and promoting them throughout our conference. We have policies and guidelines for both General Evangelist and Conference Evangelist. This information will inform those who desire to explore the calling of evangelist and provide guidelines and expectations for those who are currently approved as evangelists.

Evangelism is an integral part of discipleship and not just a segmented part of the Christian life; therefore, a holistic understanding of evangelism will encompass the varied theological focuses of our conference and inform all of the different avenues of ministry and mission carried out by our local churches.

We covet your prayers as we seek to fulfill our responsibilities in the Western PA Conference to provide leadership, connection and resources to make disciples of Jesus Christ for the transformation of the world through an effective evangelistic outreach.

Paul Morelli, Evangelism Chair

COMMISSION ON THE STATUS AND ROLE OF WOMEN (COSROW)

"So in Christ Jesus you are all children of God through faith, for all of you who were baptized into Christ have clothed yourselves with Christ. There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus." Galatians 3:26-28

AC 2013 is the third consecutive year that COSROW has monitored the conference, each year adding on to the areas monitored. Racial/ Ethnic information is now being gathered for those registering for Annual Conference. Monitoring for age and ability continues to prove difficult for us. Recruiting and training monitors is an ongoing process.

COSROW was pleased that over the course of 2 days almost 40 people attended the screening of "MissRepresentation" during Lay Academy. However it was very troubling that an anonymous note was left in one of the viewing rooms. The tone of the note was somewhat angry and in disagreement with the film. Bishop Bickerton was unequivocal in emphasizing to the body that leaving anonymous notes was not in keeping with Holy Conferencing.

Female clergy increased their contributions in legislative sections for the second consecutive year. However male clergy speak 2.4 times more often in legislative session and 3.3 times more often in plenary. The reasons for this disparity need to be determined.

COSROW held a Listening Post in October 2013, led by Audrey Krumbach of the General Commission on the Status and Role of Women. It was held in conjunction with the Greensburg Spiritfest and Helpshop. Bishop Violet Fisher attended and addressed the Listening Post. Approximately 30 people, women and men, clergy and lay, attended.

COSROW is planning a Women's program for the spring 2014.

There is a steady increase in the number of people approaching COSROW members to discuss issues of full inclusion. It appears that as a conference we are aware of this issue. It is now time to work consciously, knowledgeably and intentionally toward full inclusion. We must strive daily if we are to have it reflected in our time together at Annual Conference.

COSROW recommends that all leadership in the conference read, *Privilege, Power and Difference*, by Allan Johnson as a way for us to become conversant on the issues and begin to work together on them.

Peggy Ward and Lota Jones, Co-Chairs

COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

The Commission on Christian Unity and Interreligious Concerns (CUIC) acts as a contact point between our WPAUMC and other Christian traditions and Churches, as

well as non-Christian faiths. One of the most obvious actions, in fulfillment of our purpose, is to support and promote ecumenical relationships.

However, it should also be noted that the concept of "Christian Unity" can be applied to issues beyond ecumenism. There is precedence for CUIC, as well, being an agency capable of coordinating exploration and discussion of issues that create disunity.

Following are three of the most significant accomplishments of CUIC last year (2013):

First, we fulfilled our mission as contact and support agency for other ecumenical organizations relating to the region of the WPAUMC. We sent representatives to sit on boards of both The Pennsylvania Council of Churches and Christian Associates of Southwest Pennsylvania. Furthermore, we made and fulfilled financial commitments of support to The Pennsylvania Council of Churches, Christian Associates of Southwest Pennsylvania, Inter-Church Ministries of Erie County and Christians United of Beaver County.

Second, we have had a hand in the transition of the General Office of Christian Unity and Interreligious Relationships (OCUIR). Formerly the General CUIC, the new OCUIR has been moved in the denomination's organizational structure to become part of the Council of Bishops. Tracy Merrick, a member of our conference CUIC, has also served as a member of the OCUIR transition oversight team. Part of the transition task is to reevaluate the work and direction of the OCUIR. Our WPA commission provided input to that process. Furthermore, First UMC of Pittsburgh hosted a series of meeting for the OCUIR oversight team in October 2013.

Third, we have been sending a representative to sit on the Commission on Public Witness of the Pennsylvania Council of Churches. The WPAUMC is the only Church body in Western Pennsylvania currently participating on this committee. The mission of the Commission on Public Witness is social-political advocacy. Since the demise of United Methodist Advocacy in Pennsylvania in mid-2013, the bishops of the three Pennsylvania annual conferences are exploring the establishment of a relationship with the PCC Commission on Public Witness, to fill the void.

Finally, there are two other points that need to be mentioned: 1) CUIC is prepared to offer workshops on subjects related to Christian unity and ecumenism. 2) CUIC welcomes and invites anyone with an interest in the matter of unity and cooperation among religious groups to join our commission. For information, in either case, please contact CUIC Chair, Dai Morgan.

Dai Morgan, CUIC Chair

CHRISTIAN ASSOCIATES OF SOUTHWEST PENNSYLVANIA

Transitions are never easy. It means letting go of personal connections, comfortable ways of doing business and nurturing relationships. It comes with grief at a loss, but hopefully with joy in reflecting upon what has been accomplished in the past. Transitions also are a time for hope and new energy as new relationships are established, a new vision articulated, fresh ideas emerge and creative actions take place. Both the Conference and Christian Associates have faced and are facing transitions as I write this report.

As I write to meet publication deadlines, I am anticipating retirement from Christian Associates as Executive Director (March 31). By the time of Annual Conference

in June a new Executive Minister should be greeting you on behalf of this ecumenical association of Catholic, Orthodox and Protestant denominational judicatories. I will miss being in your presence as you celebrate your Wesleyan heritage and challenge each other to higher levels of faithfulness. But I know that the one who follows me in this office will not only bring a fresh face, but also a continuation of our deep sense of community within this region as siblings in our Lord. I will pray for you both in that meeting and beginning of new relationships.

For both the Conference and Christian Associates this past year was a difficult transition with the death of Robert Higginbotham, Assistant to the Bishop. Bob, in the absence of Bishop Bicketon, represented the Conference with integrity and fidelity to Methodism. The Council and I deeply appreciated his consistent presence, engagement in our mission, and supportive voice to our staff and his fellow Christian leaders. We are grieved at his passing. Gregory Cox, has provided a bridge to our Council until a new Assistant to the Bishop comes on board. Greg has come to be a friend to many of us at the table and we appreciate his engagement.

Personally, and on behalf of the Council of Bishops and Judicatory Executives, I want to express our sincere thanks and deep gratitude to your bishop, Bishop Thomas Bickerton for his unwavering support of Christian Associates even when his episcopal duties and international travel prevent him from being present personally.

I especially want to thank the Conference for their consistent and steadfast financial support of this ecumenical journey. Know that we are extremely grateful for the generosity of your people in providing consistent financial support to us in 2013! Thank you! The Western Pennsylvania Annual Conference, UMC has been and continues to be a model of trusting obedience to God's Word and promise. Thank you for being a model for our other judicatories to emulate. May the Spirit empower your call as a disciple to persevere in the quest for unity within the Body of Christ, His Church. May the Spirit also dwell within your 2014 Annual Conference!

Veni, Creator Spiritus!
Pax, Salaam, Shalom,

Donald B. Green, Executive Director

PENNSYLVANIA COUNCIL OF CHURCHES

REPORT ON THE COUNCIL'S WORK IN 2013

The Pennsylvania Council of Churches, rooted in an understanding of conciliar ecumenism in which its member church bodies "…seek to manifest their fellowship (koinonia) with one another, to engage in common ministries of witness and service, and to advance towards the goal of visible unity," sought through its programs and ministries to express those commitments.

FELLOWSHIP

In 2013 the Council worked to build and sustain fellowship among the leaders of its member church bodies by engaging in common worship and prayer at board meetings, encouraging the sharing of both the opportunities offered by and the concerns of member church bodies around Pennsylvania, and hosting a December overnight retreat for religious leaders at the Nittany Lion Inn in State College.

COMMON MINISTRIES OF WITNESS AND SERVICE

WITNESS FOR SOCIAL JUSTICE

Through its Commission on Public Witness and its public advocacy ministry, the Council witnessed on behalf of social justice and for the common good. Information about these activities, as well as significant information on current concerns, can be found at www.pachurchesadvocacy.org.

MINISTRIES OF SERVICE

The Council supported local churches engaging in trucker and traveler ministry along a portion of I-80, where a chaplain served along with volunteers and local church leaders. The Council also supported local churches (in the Fruitbelt and in Chester County) engaged in ministry with migrant and seasonal farm workers. Field chaplains and volunteers offer farm workers and their families worship services, spiritual counseling, clothing and other material aid, assistance with immigration issues, emergency transportation for medical care, translation services, emergency housing and food, and recreation.

WITNESS AMONG PERSONS AT LEISURE

The Council also worked with local park ministry committees to assist in chaplain recruitment and program administration. The annual training held just after the Memorial Day holiday ensured that chaplains were equipped for their ministry. Over 10,000 campers in 35 state, federal, and private campgrounds across the state participated in worship services and other activities.

CHRISTIAN UNITY

The Commission on Unity and Relationships is planning a forum, scheduled for November 10, 2014 to explore how judicatories and congregations are implementing agreements of full communion among denominations. The Very Rev. Thomas Ferguson, dean of Bexley Hall Episcopal Seminary and former ecumenical and interreligious officer for The Episcopal Church, will be the keynote speaker.

CONCLUDING NOTE

In February, 2013 the Council's executive director announced his intention to retire effective March 1, 2014. The Board of Directors has named Jan Gulick, the Council's Director of Finance and Facilities, to serve as interim director until such time as the Board has completed its planning for the Council's future.

Gary L. Hawke, Executive Director

CAMPING AND RETREAT MINISTRIES CORPORATION COMMITTEE

This Past Year

In our summer camping program at Camp Allegheny, Jumonville and Wesley Woods we were able to stop a downward trend of less and less campers each year since 2001. In 2012 we had a total of 2,365 campers and in 2013 we had a total of 2,365 campers. While this is not an increase, it is a stop of a long standing trend. We continue to offer Christ to our young people each summer. We had many new commitments to Christ and re-commitments to follow Christ during the summer. A number of young persons also experienced a call to ministry through our summer camps. Olmsted Manor continues to nurture and challenge adults within our Annual Conference in their walk with Jesus. All of our sites also host many religious and secular groups throughout the year. These four places serve and represent our Annual conference well in the name of Jesus Christ.

The Future

We have begun a four year plan of Leadership Development spending the remainder of our Fan the Flame funds. This plan includes Dean's Meetings, Leadership Training, Counselor In Training Scholarships, Games Training, Leadership Opportunities and Leadership Fundraisers.

Reminder

The 2012 Annual Conference passed RS 204 creating the Camping and Retreat Ministries Corporation Committee. This new committee replaced the former Camping and Retreat Ministries Committee.

Our structure is:

The Annual Conference

Camp Allegheny, Jumonville, Wesley Woods and Olmstead Manor remain affiliate corporations of our Annual Conference with the members of the Annual Conference functioning as members of the corporation, electing board members, approving funding and approving by-law changes.

Camping and Retreat Corporation Committee

The Camping and Retreat Ministries Corporation Committee will function as an administrative committee not as a program team. This committee will safeguard and protect the rights of the Annual Conference by reviewing mission, vision and values of our camping and retreat ministries, and our four sites, to make sure they reflect the priorities of our Annual Conference.

Our Three Camps and One Retreat Center

Camp Allegheny, Jumonville, Wesley Woods and Olmstead Manor will have full oversight of ministry, programs, finances and operations of their site. Full responsibility for our Summer Camping program will be at each site.

Allan K. Brooks, CRC Chair

CAMP ALLEGHENY

Praise the Lord! Camp Allegheny once again had a year of tremendous ministry high on the mountain! The ministry of Camp Allegheny continues to bless and be blessed by so many.

2013 was the year of preparation and change for Camp Allegheny. A tremendous amount of work was completed on preparations for the future. The board continued its work on analysis of how it works and began some critical thinking about the future. The Strategic planning committee under Bill Gregory met numerous times and laid some tremendous groundwork. Dick Dickert has proved to be a tremendous blessing as he asked important questions while sharing his wisdom. Important preparations were made with Terrie Huston, our consultant on Marketing and Communications. This work will guide us for the next few years as we strive to get the word out about this ministry.

Important changes occurred in our summer program. Changes that had been discussed for some time. We added numerous new, high energy activities and made some changes to our worship time. New Activities included laser tag, black light dodge ball, Human Hamster ball, Velcro Wall and more. We still have refinement and improvements to make but the shift has begun. The children and youth had a week filled with Fun, Faith and Friends that they will never forget. As we heard from several camper, "This was the

best week of the summer"! The survey feedback from campers was very positive as well. We took great care to ensure an accurate survey and limit counselor influence on the results.

Did God do a new thing in your life? .....95.5% Yes.
Did you enjoy the after lunch challenges?.....90% Yes
Did you enjoy the all camp activities?.....94% Yes
Would you like to come back? .....94% Yes

Summer camp attendance was up in 2013 by 28. We are looking forward to summer 2014 as we add even more high energy fun filled activities.

Our retreat groups enjoyed the addition of Black lights activities and other activity improvements. Our average retreat score based on a 1-7 scale was 6.77, up slightly from the previous year. They evaluate us in the areas of; reservation process, reception, facilities and food service. We had 5 new retreat groups and 4 new day groups in 2013. We continue to have more and more groups from Maryland, New Jersey and Virginia.

The support from the Western Pennsylvania Annual conference, local churches and individuals has been tremendous. We were blessed with over $ 74,000 in donations from 258 different churches and individuals. These funds were used to help campers attend summer camp, pay the debt on Heartwood and make improvements to our aging facilities. We cannot thank all of you enough.

Camp Allegheny continues to expand its role and involvement in the community. Our annual spring Open House is becoming a free Community Days for folks up on the mountain. We offer free black light dodge ball and volleyball on Sunday afternoons for youth groups of all denominations. We are the base of operations for the Forestry service should an emergency occur in this area. We have contacted local funeral homes to provide free meeting and meals for families that do not have a home church. We have also begun communications with the local fire and emergency services to provide assistance to those in need after an emergency. Our commitment is to use our resources to serve this community as much as we can.

We were also blessed once again with over 1,000 volunteer hours. These folks helped make improvements to the camp facilities that we could not have completed without them. The Connellsville Somerset sub district not only raised the funds but built a ramp and deck on Hemlock lodge. Kantner UMM came out for several projects including a new roof on the Maintenance building

We have some tremendous challenges before us. First, is the challenge of moving from preparation to action. It is time to implement the planning, research and advice we have received. A significant piece will be to raise the funds necessary. Increased usage will be a portion of that. We must also increase our donor base and secure planned giving gifts significantly. Without the funds all the plans in the world are useless.

How we each face the challenges and opportunities before us will determine the vitality of this ministry. We have the significant opportunity right now to secure the ministry for another 65 glorious years. Join us as we continue the ministry of the Lord here in Western Pa.

The Camp Allegheny Board of Directors, staff and I personally want to thank all of you for making this such a special place for so many.

Camp Allegheny, "Where you can reach up and be touched by God!"

Dennis D. Tawney, President/CEO

JUMONVILLE

I continue to be blessed to be a part of a ministry that continues to give youth and adults the opportunity to experience God's love and grace in such a special way. Seeing campers and guests meet Christ on God's mountain as they take part in summer camp and retreat events throughout the year still thrills my soul. I am now in my fourth decade as Jumonville's President/Executive Director. Challenges remain on a regular basis, however, the joy of seeing campers and retreat guest come to know Christ in a personal way, provides "joy in the journey."

Jumonville's Facebook page continues to grow in popularity, thanks in part to the insightful and inspiring posts that my wife, Jaye, makes on our page on a regular basis. We have reached over 6,000 people in a single day and we have almost 4,000 "likes" which is quite an accomplishment. The traffic on our Jumonville website still amazes me. This past year we also had about 7 million hits and over 2.3 million page views on our Jumonville website! My personal frustration is that while these virtual encounters with Jumonville continue to grow, we do not see the same level of growth of campers and retreat guest on site. We remain grateful for those campers and guests who continue to make the commitment to travel to Jumonville to have personal life transforming experiences with Jesus Christ. While it is great to hear from so many Jumonville alumni that post on our Jumonville Facebook page about their wonderful past experiences as campers and retreat guests, I pray that real life encounters on the Jumonville mountaintop continue to stay a priority. You have my personal commitment that we will continue to do all that we can to make sure that Jumonville remains a vital part of proclaiming the Gospel to a world that so desperately needs Jesus.

One of the greatest blessings that we have received is an abundance of support for our Kidz2Kamp program. Through the generous gift from the Jon Cline Estate and the continued support of so many friends of Jumonville, we have a great source of funds that allow us to continue reaching out to families and individuals that need assistance to pay for their mountaintop experience. Many families are struggling to make ends meet, many have mounting medical bills, and so many families are still facing either unemployment or underemployment.

Countless parents tell us how their time at Jumonville was one of the favorite experiences of their life, and in many cases it was the start of their Christian journey. They desperately want their kids to experience the joy of attending a summer camp at Jumonville like they did. What a blessing to be able to assure these families that any camper who wants to come to camp will be able to attend, regardless of limitations on their finances. Praise God for His abundant blessings!

This past year the Jumonville Board formed a Task Force and developed just a program called Every Kid to Camp! Here was the challenge: What if every child in every UM church could come to camp? What if every church committed to sending every one of their youth to be immersed in this transforming community at least once! How would it change our church, our members, our own hearts and our children's lives?

Ten churches signed up to be a part of our pilot program (although it was too late for most churches to have a significant impact during the summer of 2013). Special thanks to our first 10 pilot churches: Baldwin Community UMC, Central Highlands Community UMC, Charter Oak UMC, Monroeville UMC, First UMC: Greensburg, Grace UMC:

Indiana, Mt. Lebanon UMC, First UMC: Murrysville, Calvary UMC: Uniontown, & Dutilh UMC.

If your church is interested in investing in the future of our families, churches, and communities, please contact Larry Beatty, President, at larry@jumonville.org or call him at (724) 439-4912.

Our outstanding maintenance staff has continued making many campus improvements that help keep our facilities in great shape. Some of the more significant projects this past year included: replacing the shingles on our Food Service Supervisor's Residence, removing carpeting in several of the Washington Lodge bedrooms and replacing with ceramic tile, upgrading the upstairs meeting room in Fleming Lodge, discovering a major issue in one bedroom in Maple Cabin which led to some major reconstruction, installing new carpeting in both the Chapel and Oak Cabin, replacing all of the lower mattresses in all four Bishop's Cabins, and a major reconstruction on the back of the Inn after a report of a significant amount of rotted wood in the back stairwell. We purchased new sport court over the tennis courts, basketball and volleyball courts from an estate gift from Anita Shipp. We also removed the old wooden decking at Martha Lodge and replaced it with composite decking and installed new fencing around the swimming pool. New purchases included a used John Deere backhoe, a new zero turn mower, a new Massey Ferguson tractor, and a used 2011 Chevy Pickup truck with a plow. We are indeed blessed to "catch up" on some much needed equipment for the Maintenance staff.

We continue conducting online surveys of our summer campers to get their feedback about their summer camp experience with very positive results. On a scale of 1-10 (with 10 being the highest) last year's campers rated their week a 9.2 when asked "How was your week of Camp?" We also ask our campers to complete a paper survey form on their last day before leaving camp. This gives us a much broader sampling of our campers and helps us to show the value of attending a Jumonville summer camp experience. Here are the results for the 2013 summer camping program:

99% of our campers had an awesome time at camp.
98% of our campers felt like they learned more about God.
93% of our campers tried something new.
98% of them made a new friend.
97% of our campers feel good about themselves.
98% of our campers enjoyed the worship time.
92% of our campers learned to talk about Jesus in a new way

Our Jumonville family is wonderful. I serve a very supportive board and a fantastic dedicated staff! Our donors, deans and counselors, group leaders and guests, and friends make Jumonville a special place for so many. Thank you for helping Jumonville to be a vital part of continuing to make disciples for Jesus.

THE UNITED METHODIST HOUSE at CHAUTAUQUA INSTITUTION

In 2013, the United Methodist House, located on the grounds of the Chautauqua Institution, celebrated its 125th anniversary. The first of the Denominational Houses at Chautauqua, a number of events acknowledged that event to included presentations by John and Charles Wesley, their mother Susannah, and an evening Sacred Song service dedicated to the hymnology of Charles Wesley.

The United Methodist House (initially the Methodist House) was established, as were all denominational houses for their respective denominations at Chautauqua, to provide a place for study, worship and socialization in a manner consistent with the Institution's mission and purpose. The United Methodist House offers space for visitors who attend Chautauqua events during the season and provides hospitality to all who linger on the spacious porch. True to an ecumenical spirit, the House welcomes diverse groups who find the Chapel or porch especially appropriate for their religious or programmatic purposes. The House is staffed by Karen and Bob Douds and provides a Chaplain of the week for the activities of the House. The House works in relationship with the Hurlbut Memorial United Methodist Church staff to offer year-round retreat and small group opportunities.

We welcome applications for our Chaplaincy program and potential guests who seek a place to stay during the season or at other times of the year. Information can be gained from visiting the House's website at: http://wmhouse.com

The Board of Trustees, composed of Community Representatives, Upper New York and Western Pennsylvania Annual Conference representatives, is elected at the Annual Meeting, held on the 2nd Wednesday of July.

ARCHIVES AND HISTORY

Each year we are asked to describe how we are relevant to the Mission Statement and the Core Values of the annual conference. Our responsibility comes in the preservation of the past to give responsible help to the future.

Our role, according to ¶641.2 of the United Methodist *Book of Disicpline* is "to collect, preserve, and make accessible the historical significant records" of the conference, its agencies, and the churches.

In fulfilling the above task, we maintain the Archives Center located at the Peletier Library on the campus of Allegheny College in Meadville, PA.

One of our sad but necessary tasks is the receiving and maintaining of records of local churches that have been closed. We take great care in recording and relocating them to our center.

We are available to assist local churches, district or conference boards and agencies in the preservation of historical records.

COMMISSION ON EQUITABLE COMPENSATION

On behalf of the Commission on Equitable Compensation we thank you. Thank you for the support our group receives especially through prayers, our connectional system as a conference, jurisdiction, and globally. The funds we receive have been a tremendous blessing.

This last year has been both heartwarming and concerning. It has been heartwarming because our conference connectional system has enabled support in such a way we were able to help grant funds to ten church/charges in January through June of 2013. We were able as a conference to support sixteen church/charges in July through December 2013. I am extremely excited that we did not go over budget nor did we set too high a budget that we had extra funds not being utilized. As stewards of Christ, that you

are conference, has entrusted us to help our church/charges I believe we were and are on target with our Annual Conference's mission. We are poised to help eighteen church/charges for January through June of 2014.

It is heartwarming when we are able to see and hear of the difference God is using our committee to make. Most of the time we only have stories relayed back to us after funds have been dispersed to help dire situations where clergy may not get paid their salary otherwise. One hand written note we received in the November 2013 deadline application process stated, "Dear Committee, This support enables [an] appointment of [our] pastor within cross-racial, multi-racial, multi-church appointment…" and I very thankful to our conference that we are able to be utilized by God to help support our local church/charges in this capacity. The letter goes on to express gratitude for the necessary funding enabling ministry where the churches "witness remains vital". The concerning aspect is we have reached an all-time high in grant requests and the grant request trend seems to indicate this will only increase. We as a committee are asking for your prayers for all the church/charges in Western Pennsylvania to continue to be strengthened in Christ as we all keep our focus on Jesus, to continue to receive guidance and direction from the Holy Spirit, and to continually seek to do God's will here and now as He restores the world to Himself.

The Commission on Equitable Compensation is not always understood by everyone in our conference, but I want to express we are seeking to be diligent in working on principled leadership development, new places for new people, and renewed spirituality through the clergy we support toward their salary. We receive requests from a wide variety of needs and not just dire situations like through Key Leadership appointments, New Church Starts, and/or revitalization.

Our Committee also recommends minimum salaries and all the aforementioned factors apply as well as cost of living when we make recommendations through legislation to be brought before our Annual Conference. The biggest hope our committee has is for changing lives in our Annual Conference through being the fulcrum at local church/charges by administering funds to pay toward the clergy's salary and thus being used by God to either help shift focus or keep focus from church/charges worrying about keeping the doors open to living out our Mission, Vision, and Core Values together with a specific focus "to provide leadership, connection and resources to make disciples of Jesus Christ for the transformation of the world" (from our Conference Mission Statement).

COUNCIL ON FINANCE AND ADMINISTRATION

2013 was one of those extremely emotional years for the Council on Finance and Administration. As a Committee, our primary task is to develop, maintain, and oversee the financial plan of the Western Pennsylvania Annual Conference, but we are also tasked with overseeing the function of the connectional relationship. There were some very high moments this year in our connectional relationship, and there were also some low ones.

In the midst of difficult financial times, and an unsure economy, we celebrated with the churches of Western Pennsylvania that lived up to their understanding of the strength of the connection. This year, more churches paid their Connectional Apportionments for 2013, taking the overall payment to more than 92%. To all those churches who responded faithfully by paying their apportionments at or above the 100% mark, we say a heartfelt thank you!

We also celebrated strong investments in ministries by being able to financially support three new ministries and renewed ministry settings such as Bell Chapel and Stanton Heights. We were thrilled to invest in a variety of existing ministries that continue to provide opportunities for the churches of Western Pennsylvania to maintain strong local ministries and provide training for their members and their communities. And we also celebrated being able to pay our own General and Jurisdictional apportionments at the 100% mark for the third year in a row.

With all these successes in our Annual Conference we also must acknowledge the difficulties we experienced this year, starting with our realization that some of those ministries and obligations lowered our Conference Reserves below the required 5% level to roughly 3.4%. But through some strong work on the part of our Conference Finance staff, we were able to rebuild that reserve to a level just above 4%. With even more work into the beginning of 2014, it is our hope that by the time you are reading this report, we will have recovered that reserve to the level required by Conference Rule 3.4.6, which we needed to suspend at Annual Conference 2013. It is our hope and goal going forward this year, not to suspend that rule again.

This year was also made more difficult as we said farewell to our Conference Treasurer, Pat Morris, who retired after many years of faithful service to our Annual Conference, not only at the Conference Center, but in the local church. We thank Pat for her years of service and all her hard work.

As we closed out 2013, we realized that our Conference Finance Staff is second to none. Larry Bridge, Kathleen Lasky, Sally Bickerton and Jervais Carr all stepped up to answer the call, fill the void, and prove how knowledgeable, caring, and experienced they are. With their hard work, we were able to finish the year strong and did not miss a beat as we closed 2013 financially stronger than we were in 2012.

In looking for a new Conference Treasurer, the Council on Finance and Administration, after consulting with the General Council on Finance and Administration for The United Methodist Church, hired the Novak Group to perform a nationwide search. It is our plan to be able to announce the name of our new Conference Treasurer during our presentation at Annual Conference.

Even though 2013 was filled with emotional highs and lows, we saw the churches of Western Pennsylvania pull together and continue to show their love for the work of God in our neighborhoods, our Conference, and our world. We continue to encourage you and your churches to participate in the work of God in our world by honoring our commitment to the Connectional Apportionment, and support of the ministry that is at the heart of Methodism. As the 2012 *Book of Discipline* states, the full payment of our apportionment is each congregation's "first benevolent responsibility" (¶813). When we work together, and support one another through our love and compassion in the name of Jesus Christ our Lord, it shows our dedication to truly being his disciples.

Once again, things are going to look a little different in the budget legislation we will be presenting this year for two reasons. The first is because an amendment came to the Conference Floor in 2013 to make the budget simpler to read. We hope we would have done that by presenting total expenditures for 2013, budget approval for 2014, and budget submissions for 2015 side-by-side. The second reason this year's budget will look different, is because we wanted to make it easier to understand the structure of our mission and ministry as an Annual Conference. The categories will look familiar, but their location

is now based on how these committees line up in our structure within the Conference Connectional Leadership Team. This was done to make it easier to identify work centers based on legislative requirements that also came from Annual Conferences 2012 and 2013.

As a final statement, your Council on Finance and Administration would like to ask you to pray. Pray for the work of the Annual Conference to continue in strong and faithful giving. Pray for all the churches in our conference, and especially those that are struggling financially, that God may yet work a miracle in their lives and ministry that will allow them to continue to faithfully serve him. And please pray for our work, as we continue to work with integrity, transparency and under the full accountability of the Annual Conference.

BOARD OF PENSIONS

Finance Committee, Board of Pensions

Romans 10:15 says, "*how beautiful are the feet of those who bring good news.*" While we do not typically think of the Board of Pensions as the primary vehicle for bringing the good news of Jesus, the Board does play a vital role in enabling our clergy, their families, and our lay staff to bring the good news by providing health and pension benefits that support them in ministry. This year, The Finance Committee of the Board of Pensions is blessed to bring some good news about the financial stewardship of our resources.

The role of the Finance committee is to oversee the management and investment strategy of funds placed in our care by local churches to provide health and pension benefits to active and retired clergy, lay staff, and their families. In the 2013/14 Conference year we closely monitored all our investments and reaped the rewards of a healthy stock market. We also closely reviewed our active health care reserves and the management of our pre-82 pension plan overfunding.

The result is nothing short of good news for which we give thanks to God. In February 2014 we generated a comprehensive funding plan for 2015, revealing that we have sufficient funding at this time to make good on our projected health and pension obligations.

Shrewd management enabled us to maintain current rates in health care billing to our local churches for the fourth consecutive year, leaving valuable resources at the local church level to be used for ministry. Capitalizing on the overfunding of our pre-82 plan, we redirected $6 million of the overfunding to better secure our promise to provide a health care subsidy to our retirees.

Moving forward we continue to monitor our financial position closely as we navigate the challenges of rising healthcare costs and the ever shifting patterns of investment markets. In the midst of it all, we give thanks to God for the good news we report this year and we rededicate ourselves to maintaining faithful stewardship of all our resources in the year to come.

Steven White, Committee Chair

Administrative Committee, Board of Pensions

During 2013 our committee oversaw the restructure of the billing and collection activities for pension and health care. These processes were brought in house under the direct control of the Conference Benefits Officer and Treasurer positions. The expenses of the outside services have been redirected to the staffing of internal positions. In addition

cross training is being implemented to assure that daily demands of the streamlined process are met. The closer contact between conference in-house staff and the churches has greatly reduced the number of open issues between the conference accounting and the local churches. For the first time the 2013 retirees had the opportunity to discuss retirement options at a local seminar led by the General Board of Pensions. This event proved very valuable to the participants.

Gary Grau, Committee Chair

Health Care Committee, Board of Pensions

Health care continued its evolution towards participants increased participation and responsibility. The UPMC Healthy-U style plan was implemented effective January 1, 2014. Under this style of plan Participants can earn credits toward out of pocket cost by completing activities designed to improve health outcomes. Our plan shares the actual cost of health care equally among the churches that have full time clergy. The only way to control our costs is to have participants actively working to be healthy in mind, body, and spirit. We are striving to get the incentives correct and the participants motivated.

Don Inman, Committee Chair

My thanks to our Pension Board members: Ed Bailey, Tom Barnicott, Rich Pearson, Clay Campbell, Lamar Oliver, Gary Grau, Barbara Holcombe, Larry Homitsky, Don Inman, John McKee, Tom Parkinson, Jim Reese, Michael Studenty, Steve White, Bob Zilhaver, our Cabinet Representative Don Scandrol, and to our conference staff: Pat Morris (retired 2013), Larry Bridge, Kathleen Lasky and Sally Bickerton for their help, support, patience and hard work. Much good work is being accomplished by the Pension Board.

Terry Lyon, Board Chair

UNITED METHODIST FOUNDATION OF WESTERN PENNSYLVANIA

The year 2013 was a transition year for the Foundation with some significant staff changes as well as activities. The Board of Directors began implementing a succession plan for replacing retiring staff. Executing the well-developed plan resulted in the hiring of two individuals that will shepherd the mission, programs and day to day activities of the Foundation into the next decades.

The ease with which this transition is unfolding is a testament to the commitment of the Board to continually look to the future and assess how to respond to ever changing needs of those we serve. The following outlines the highlights of our 2013 accomplishments.

Following a national search for a new Executive Director, D. Edward Bailey of our Annual Conference was hired in July to succeed Frederick H. Leasure in August 2014. After exploring the staffing at other Foundations, it was decided that there would be a realignment of responsibilities and that Bailey would focus on providing direct contact and support to congregations, agencies and individuals, similar to the focus that had been implemented previously by Joe Reasinger who retired as Director of Programs at the end of December. So that a smooth transition would occur, Reasinger and Bailey met with many of the congregations that have endowment accounts with the Foundation.

In order to cover the more detailed administrative responsibilities of the Foundation programs and services, it was decided that a Chief Operating Officer should be hired. After interviewing several qualified candidates, Kathryn A. Gorman, CPA, was hired in mid-September to fulfill these duties. Holding a MBA from Carnegie Mellon, Gorman

has quickly taken the reigns of many of the accounting and administrative functions of the Foundation.

In November the annual Founders Day luncheon honored Reasinger with the coveted Founders Day Award for his long time commitment to Christian Stewardship and his fourteen years of faithful service to the Foundation.

With the continual decline and volatility in the fixed income market, and on the recommendation of Millcreek Capital Advisors, and the Investment Committee, the Board voted to close the Fixed Fund as an investment option. By September all accounts had been transferred to the Unified Account. Following this change, it was decided to rename the Unified Account to one that was more descriptive of the investment policy. Therefore, without any change to Investment Policy or direction, the *Unified Fund* was renamed the *Core Balanced Account.*

The long term investment philosophy of the Foundation continues to provide strong returns and a conservative approach to insure a consistent income stream to fund various ministries. The total return for 2013 exceeded 15% and the total funds under management achieved an all-time high of over 64 million dollars.

The outstanding commitment of a highly engaged Board of Directors and the enthusiasm of the recent additions to the staff leadership will ensure the broad mission of the Foundation to serve, educate and support the ministry of Christian Stewardship throughout the Conference will be of the highest quality.

ALLEGHENY COLLEGE

On the brink of its 200th anniversary in 2015, Allegheny College is beginning new initiatives to continue our tradition of excellence, access, and engagement and preparing young adults to thrive in a diverse, interconnected world. Our current strategic plan and fundraising efforts seek to ensure that exceptional young women and men will be able to attend Allegheny, regardless of their socioeconomic status.

The new Allegheny Gateway brings together civic engagement, internationalization, and diversity through both curricular and co-curricular offices. The Chaplain relates to the Gateway to increase awareness of religious diversity and to facilitate conversations about vocation. In this, the Gateway's first year, two workshops and a

sermon series encouraged students to consider what calls to them, in light of vocational decisions and other life choices.

Allegheny hosts seminary representatives on campus, and we have a small group of students considering full-time ministry. One of our May 2014 graduates, who is from the Western Pennsylvania Annual Conference, plans to enter seminary in preparation for ordination in the UMC. Even more of our students are attracted to service professions, and Allegheny College now ranks eighth in small colleges sending students into the Peace Corps, with 14 alumni currently serving around the world. Other students enter service through Teach for America, AmeriCorps VISTA, and religious service corps.

The college was awarded a Teagle Foundation grant for a facilitated conversation about the place of religion in secular liberal arts colleges. In November 2013, faculty, students, and administrators took part in a day-long discussion about where and how religion is expressed on our campus. We have shared those insights with others on campus, to make sure that both students and employees can freely express their beliefs and practice their faith.

Our religious program includes a weekly Protestant chapel service and Catholic Mass, held on campus every Sunday when classes are in session. Both have active student congregations that help to plan and lead services. Holiday observances include an annual Hanging of the Greens service, Shrove Tuesday pancake supper, Ash Wednesday and Holy Week services, and an Easter service and brunch for students who are not able to travel home.

Three Christian fellowship groups meet each week, including Fellowship of Christian Athletes, Allegheny Christian Outreach, and Sojourners Christian Fellowship. In addition, student-led Bible studies and prayer groups meet weekly. In February 2014, forty students and two staff members attended the Jubilee conference in Pittsburgh, sponsored by the Coalition for Christian Outreach (CCO). With one part-time staff member through the CCO, we are in conversation with them and with area congregations about funding an additional staff position on campus to work with athletic ministry and outdoor leadership.

Our Christian students interact with those of other faith traditions through Interfaith Fellowship, which sponsors an annual Faith Week. This year's Faith Week theme was "Human Rights Gets Spiritual," in line with the College's year-long observance of the 50th anniversary of the Civil Rights Act. With at least one program or every day, Faith Week seeks to increase awareness of religious life on campus.

Spiritual and Religious Life also brought three speakers to campus. In October, Bob Goff, attorney, human rights activist, and best-selling author of Love Does, spoke to a full house in our Ford Chapel. Rev. Dr. Nancy Wilson, Allegheny alum and Moderator of the Metropolitan Community Churches, spent for days on campus speaking to classes, student groups, and delivering a lecture on "Religion and the Global Struggle for LGBT Human Rights." In April, Rev. Dr. Traci West, UM clergywoman and professor of Christian Ethics and African American Studies at Drew University, spoke on "Racism, Christianity, and Our Moral Values That Support Sex-Trafficking."

A number of UM students are involved in our various religious groups, and our first-year class included children of two clergy from the Western Pennsylvania Annual Conference. The College also houses the Conference Archives, and the Chaplain works with that committee to support that collection and consider ways to make it available to members of both the Conference and the college community.

The College is living out its Methodist heritage by seeking to inspire in its students of faith a vital piety that is engaged with the world, and in all of its students a sense of ethics and commitment to creating a better world.

AFRICA UNIVERSITY

2013 can best be described as a watershed year for Africa University. At 21, the impact of this trailblazing, Holy Spirit-inspired ministry of The United Methodist Church transcends the brief span of its existence.

Africa University owes its vitality to local congregations such as yours, in the Western Pennsylvania Conference. Once again, local congregations invested 100% of their asking to the Africa University Fund (AUF). Western Pennsylvania was one of 25 annual conferences whose leadership in giving resulted in an overall performance of 91.77% for the AUF in 2013. Thank you for your faithfulness and generosity.

Disciple-Making, Leadership and Service: Last August, three 2013 graduates were commissioned as young adult missionaries by the General Board of Global Ministries, pushing the total number of Africa University alumni serving internationally as mission interns to seven in just two years.

"The church has a tremendous role to play in the transformation of the world," said Jacques Kazemb, an AU graduate and mission intern who worked in outreach to at-risk children and youth in Brazil. "Through a project like the Shade and Fresh Water in Brazil, the Methodist Church is contributing to a positive change in many children's lives."

Kazemb has returned to his home country, the Democratic Republic of Congo, with a plan to start a similar initiative for marginalized children and youth.

In Mozambique, where recent political violence has laid waste to homes, displaced thousands and claimed many lives, two Africa University graduates are in the forefront of caring for the victims and healing the rifts behind the conflict. Rev. Joao Sambo coordinates humanitarian relief in the Mozambique Conference and Rev. Anastacio Chembeze is mediating talks between the parties to the conflict to help them to resolve their differences.

We thank you, the members of the Western Pennsylvania Conference, for helping Africa University to be a place of opportunity, spiritual and professional growth, and transformation. Your gifts are equipping global leaders and shaping a future with hope.

Graduates: More than 450 students were awarded degree certificates in June 2013. Today, there are close to 5,000 Africa University graduates at work in communities across sub-Saharan Africa. They are dedicated health workers, teachers, pastors, agriculturalists, peace-makers, business professionals and more. Every day, these graduates manifest the promise and power of the Gospel to bring light and hope to a troubled world.

Student Enrollment: Sustained by the generosity of local congregations throughout the connection, Africa University's enrollment grew to 1,480 full-time students from 25 African countries in 2013. Females now account for 53% of the student body.

Scholarships and Financial Aid: Sacrificial giving by individuals and churches enabled Africa University to distribute more than $1.8 million in scholarships and financial aid to its students. The university also launched the Girl Child Scholarship Fund to help more African women gain access to higher education opportunities. Through a new

initiative to increase financial contributions from its alumni and others in Africa, the institution is working towards greater sustainability.

The Africa University community—students, faculty, staff and trustees, thank you and celebrate your ongoing investment in changing lives for the better. We pray that you will maintain your commitment to this ministry. Please:

- Continue to invest in the AUF at 100% of the asking or higher. This allows for the university to meet its day-to-day and operational expenses without uncertainty.
- Encourage your local church to become an annual scholarship donor.
- Consider leading an effort to have your district invest in an endowed scholarship which can support one student a year in perpetuity.
- Take advantage of our new Dream Insurance program, which allows individuals to donate all or a portion of the proceeds of an affordable Term Life Insurance plan to Africa University.
- As you make your estate plans, remember to include Africa University in your will.
- Pray without ceasing for the ongoing success of this important effort to equip disciples to contribute to a rich, impactful and vibrant future for their nations and for our global church.

• *Enhancing spiritual life* through weekly worship, reading retreats, winter retreat, daily morning prayer, and small groups.
• *Offering spiritual journeys*, including the Vocations Vacation to ministry and service sites and the Seminary Singers tour to local churches.

ENGAGING THE WORLD: BU School of Theology students and faculty have traveled and served extensively in the world during the past year:
• *Giving* hundreds of volunteer hours across the Boston region, U.S. and world in church camps, homeless shelters, peace organizations, global United Methodist programs, and other settings.
• *Traveling* in study groups to Turkey (Ephesus), Israel & Palestine, Cuba, rural and urban ministry sites, and churches and service organizations across the US.
• *Sponsoring* conferences on global Christianity and the Dictionary of African Christian Biography.
• *Serving* in local churches and community agencies in contextual education placements, courses, and special internships.

PONDERING CRITICAL ISSUES: The School's annual theme was "Free at Last," to honor Martin Luther King, Jr. and his immortal "I Have a Dream" speech. The community engaged in urgent questions regarding race, sexual orientation and gender identity, and poverty, creating open and respectful spaces to discuss themes that are important to, and controversial in, the church and larger society.

The ministry of the Boston University School of Theology is to partner with you in serving the church and in caring for the larger human family and God's precious creation.

CANDLER SCHOOL OF THEOLOG

Candler School of Theology prepares real people to make a real difference in the real world. Our commitment to authentic discipleship and relevant ministry enables us to develop uniquely well-rounded leaders who are challenged academically, encouraged spiritually, and immersed in Christian service from the first day they arrive on campus.

As one of the 13 official seminaries of The United Methodist Church, Candler is grounded in the Christian faith and shaped by the Wesleyan tradition. As one of seven graduate professional schools of Emory University, Candler provides a rich context for learning and formation supported by the extensive resources of a top-tier research university. As a school located in the metropolitan area of Atlanta, Candler offers a learning environment that reflects the highly diverse communities of our 21st century world. There is no better place for ministry preparation that addresses our major denominational priorities: developing leaders, starting and growing churches, ministry with the poor, and improving global health.

Candler celebrates its Centennial in 2014, marking our 100th anniversary with commemorative events that reflect on our past and a conference on theology and the church that envisions the future. The yearlong celebration begins in August with the opening of the second phase of Candler's new 128,600-square-foot, LEED-certified building, seven years in the making.

Not only is Candler expanding its physical space this year—it is expanding degree offerings as well. In response to the changing needs of the church, Candler is introducing five new degrees to equip Christian leaders: the Doctor of Ministry, the Master of Religious Leadership, the Master of Religion and Public Life, and two dual degrees pairing divinity and social work and divinity and development practice. With these newest additions to our degree programs, Candler graduates truly will be ready to lead wherever God calls.

Candler's student body reflects the diversity and breadth of the Christian faithful. Our enrollment stands at 441, with 340 seeking the Master of Divinity, 47 the Master of Theological Studies, 21 the Master of Theology, 15 the Doctor of Theology, and 18 enrolled as Non-Degree students. The student population is 32 percent U.S. ethnic minority, 49 percent women, and the median age of the entering class is 27. Students represent 39 denominations, with half identifying as United Methodist.

We continue to emphasize preparing our students for leadership in an increasingly global context, and now offer 14 academic exchanges with theology schools in 12 countries across five continents. In addition, Candler has an ongoing summer internship program with the Methodist Church in the Bahamas, and participates each year in travel seminars to the Middle East and in World Methodist Evangelism Institute evangelism seminars, traveling in 2014 to Nigeria, Costa Rica, and Brazil.

Candler draws considerable strength and inspiration from its relationship with The United Methodist Church. Our ability to fulfill our mission of *educating faithful and creative leaders for the church's ministries in the world* depends upon your support, gifts, and prayers. Thank you for the countless ways you advance this vital ministry in the life of our denomination. GARRETT-EVANGELICAL THEOLOGICAL SEMINARY

Garrett-Evangelical Theological Seminary continues its commitment to develop and nurture skilled, bold and articulate leaders for the church, the academy and the world. Since our founding 161 years ago, we have articulated and lived our core purpose: to know God in Christ and, through preparing spiritual leaders, help others know God in Christ.

Last fall, we welcomed 171 new students, bringing the fall Master of Divinity enrollment to 399. The gender/ethnic profile is: 51% female; 55% white; 20% Black; 5% Asian; 3% Hispanic/Latino/a. Fourteen percent of the student body is international. Thirty-five denominations, four continents, thirteen countries and thirty-three states are represented in the student body.

Seventy-percent of the students in all degree programs are United Methodist. Garrett-Evangelical is committed to making seminary education affordable, and easing the financial stress on students. This academic year, the seminary awarded over 2.5 million dollars in financial aid, offered numerous federal work-study positions, and assisted with paid internship opportunities in diverse settings through field education.

In fall 2014, Garrett-Evangelical Theological Seminary begins a guaranteed tuition rate initiative for master's level students. Students are guaranteed the same tuition rate for two or three years, depending on the program in which they enroll. Tuition rates for new Master of Divinity students will be guaranteed through the Summer 2017 Term. Tuition rates for new Master of Arts or Master of Theological Studies students will be

guaranteed through Summer 2016 Term. This initiative is yet another step in insuring students enter the world of ministry with as little student debt as possible.

Last September, the seminary celebrated the establishment of the fully-endowed Rueben P. Job Chair of Spiritual Formation. At the same time, we installed Dr. Frederick W. Schmidt as the Rueben P. Job Associate Professor of Spiritual Formation. Garrett-Evangelical is the first among Protestant seminaries in the United States to have a fully funded chair in spiritual formation.

Two revered faculty retired this past year. Larry Murphy, professor of the history of Christianity, retired after 39 years of service. He was a key individual in developing the seminary's Center for the Church and the Black Experience.

Ruth Duck, professor of Christian worship, retired in December. A world-renowned hymnist, her most recent book, *Worship for the Whole People of God: Vital Worship for the 21st Century*, was published in October 2013.

Several initiatives to support clergy and lay education are under way. During the spring semester, fifteen academic classes were offered in an online format, some with a continuing education option. Among the options are:

- Plus, a first-of-its-kind cooperative executive education program of Garrett-Evangelical and Northwestern University's Kellogg School of Management, involving two-years of seminars led by experts in non-profit and church leadership for professionals in ministry;
- Intersection, an online continuing education opportunity, incorporating readings, online presentations by seminary faculty, and reflection on contemporary issues of life and ministry. Topics range from theology, biblical interpretation, and church history to ethics and the church in society. Continuing education credit is available. Additional information is available at http://www.garrett.edu/intersection.
- A Doctor of Ministry program offering five tracks of study: Congregational Leadership; African American Congregational Leadership; Spiritual Direction; and Mission in the Contemporary United States; and the Association of Chicago Theological School's (ACTS) D.Min. program in preaching.

In the coming months, Garrett-Evangelical will roll out new programs online, in Evanston, in congregational settings, and on the campuses of select United Methodist-related colleges.

Garrett-Evangelical serves over 550 students in degree-related courses, certificate programs and the summer Course of Study School.

We encourage you to visit our website, www.garrett.edu, and to visit us on campus. We are grateful to serve The United Methodist Church and the church at large.

On January 1, 2014, I became president of Garrett-Evangelical Theological Seminary. I am grateful for the opportunity to serve the seminary and the church in this capacity. Garrett-Evangelical is blessed with a great heritage and a strong future. Please let us know if there are ways we can work with you as we continue to seek to be a seminary for the church and the world. Thank you for your prayers and support.

- Wesley was named to Faith3.org's list, Seminaries that Change the World. This list was announced in the Huffington Post on November 12, 2013. One of the several reasons for the attribute was Wesley's Center for the Missional Church, which is headquartered at Wesley Downtown, in the heart of Washington, D.C.

Please be in prayer for Wesley Theological Seminary. We cannot do our ministry alone, and your participation with us in the greater mission of God enhances us mightily. We are striving to provide you with the kinds of educational opportunities that will take your ministry to the next level. In turn, we depend upon your participation in and contribution to our ministry as well. So, pray for us often, avail yourself of the school's

offerings, give to Wesley, and identify and send us persons who are called and who have a high capacity for fruitful ministry.

REPORT OF THE SITE SELECTION TASK TEAM

Mission

The mission of the Site Selection Task Team was outlined by P701 as adopted at the 2013 Western Pennsylvania Annual Conference of The United Methodist Church: "BE IT FURTHER RESOLVED that the site selection team be amenable to the Conference Connectional Leadership Team and shall bring a recommendation to the 2014 annual conference for a meeting site that will meet the overall needs of the Western Pennsylvania Conference."

Organization

The Conference Leadership Recruitment and Nominations Team, along with the Conference Sessions Ministry Team and the Council on Finance and Administration

formed the following members to serve on the Site Selection Team: LARRY BEATTY, NAOMI BOWER, Timothy Bowser, Gregory Cox, Mark Goswick, GUINEVERE GREGORY, RENAYE HOFFMAN, Renee Mikell, Barbara Moore, Beth Nelson, Joan Reisinger, Ruth Simmons, Gregory Spencer, Lance Tucker, and KEN WEST. The organizational meeting was held on October 7, 2013.

Parameters

In communication with Bishop Bickerton, the task team was instructed to look for sites that would fit the needs of the Annual Conference as we are currently conducting our yearly session. We were not given the latitude to redesign our annual meeting.

The task team realized early in its work that there are passionate positions on both sides of remaining at Grove City College or moving to another site. The team worked diligently at remaining as objective as possible.

The committee was also mindful of ¶ 603.3 of the 2012 *Book of Discipline of The United Methodist Church* which outlines the setting of the location of the Annual Conference.

In discussion with GCC about the possibility of a move, GCC asked for a two year notification.

Process

One of the first items the team recognized is the reality of the difficulty of change. Change of any kind is often accompanied by anxiety, questions, quick decisions, and apprehension.

After outlining the parameters and agreeing on the focus of our work together, the task team identified 29 sites that could possibly host our conference. Using a "Needed Facilities Guideline" that was proposed by the Conference Sessions Ministry Team and accepted by the task team as a guideline. Eighteen of those sites were then dropped for a variety of reasons (including, but not limited to geography, financial implications, space requirements, accessibility, etc.). Initial contacts were made with the remaining 11 sites (a listing of the sites is available upon request). Following the initial contacts, 8 more sites were dropped (either we discovered the site was inadequate – or the sites discovered that they did not have the necessary facilities). This left us with 3 possible sites to host the Annual Conference: Grove City College, Indiana University of Pennsylvania (IUP), and University of Pittsburgh at Johnstown (UPJ).

On March 10, 2014, representatives of the task team met with representatives of IUP in the morning, and UPJ in the afternoon for tours of their respective facilities. On the day of the tour, the site team representatives quickly discovered that UPJ simply could not meet our needs (inadequate plenary space and inadequate dining facilities were two of the major obstacles). The task team is now left with two possible sites for meeting our needs as an annual conference, namely Grove City College (GCC) and Indiana University of Pennsylvania (IUP).

The task team made a side-by-side comparison of both facilities – examining items such as location from various points within our Annual Conference, general setting, housing facilities, parking, terrain, plenary rooms, display area, visitor seating, dining, site storage of our furniture and equipment, breakout rooms, presence of a chapel, and costs.

Both settings are basically equally accessible to all points of the Annual Conference and are equally accessible from Pittsburgh International Airport (PIT to GCC is 70.8 miles – PIT to IUP is 76.5 miles). Both settings provide ample housing. By Fall of

2016, both settings will have adequate dining facilities (IUP is in process of building several new dining facilities). Both settings have the floor space needed for the Plenary sessions (differences will be discussed later in this report). Both settings have space for displays.

While GCC and IUP have the facilities needed to conduct our Annual Conference, there are some differences which merit discussion. The differences include (but are not limited to):

1) Plenary room – at GCC, we are divided into two "rooms" for plenary. At IUP, we would be in one room, however, the floor space is not adequate for the entire delegation. At least two of the surrounding "bleacher" areas would have to be used for additional bar seating.
2) Plenary room – at GCC, we need to sub-contract for air conditioning. At IUP, the entire Kovalchick center is air conditioned.
3) Plenary room – at GCC, we need to sub-contract all lighting, sound, and video. At IUP, there is pre-existing lighting, sound, and video – however, it is not adequate to meet our needs. We still would need to sub-contract some of this equipment.
4) Housing – GCC is predominately dorm housing with community bathrooms. Other than Colonial, the dorms at GCC are not air conditioned. Other than Memorial and Colonial, there are no elevators. At IUP, all the dorms are more "apartment" style – with no more than 4 people sharing a common bathroom. All dorms at IUP are air conditioned. All dorms at IUP have elevators.
5) Security of housing – GCC locks the main doors of the dorms at our direction. Other than Colonial, individual halls are not locked. At IUP, all dorms are locked at our direction. Also, all halls are locked. All conference attendees will receive a key-card for the dorm and for the hallway (individual rooms are not locked).
6) Setting – GCC is a small college town, and the college itself is somewhat secluded from the town. IUP is also considered a small college town, however, the college is in the midst of the community.
7) Cost – GCC does not charge a building use fee. However, there is approximately $130,000 in additional costs for the air conditioning and media. IUP has a building use fee for the Kovalchick center, the classrooms, and the pool. We would still have to supplement the audio/visual/lighting at IUP. IUP also adds a 10% administrative fee. A side-by-side comparison, taking all of these items into consideration, reveals that IUP would cost approximately $6,000 more than GCC.

Recommendation

After detailed attention, diligent work, spirited debate, and prayerful reflection, the Site Selection Task Team presents for the Annual Conference's consideration RS 203.

Gregory Cox, DCM, Annual Conference Site Selection Task Team

EPISCOPAL RESIDENCE COMMITTEE REPORT ON THE WORK OF 2013 RS 403

Overview

Background and Composition:

The Episcopal Residence Committee (hereafter referred to as the ERC) is tasked by the 2012 *Book of Discipline* in ¶638 to provide for the living needs of the resident Bishop in an Episcopal Area. It is the expectation that each Annual Conference will provide housing for its Episcopal leader, much in the same way that a local church provides for

housing in some form to its pastor. The formation of the ERC in 2013 was an effort to bring our Conference into compliance with the *Book of Discipline*. The committee is to be made-up of the chairpersons (or designates) of the following committees: Episcopacy; Council on Finance and Administration; and Trustees. It was the decision upon forming the committee that an additional representative from each committee be included. The ERC is comprised of the following members: from Episcopacy, Matthew Judd and Brenda Thompson; from CFA, Paul Ritchey and Vanessa Gleason; and from Trustees, Keith Simmons and Ed Pope.

History:

The current Episcopal residence was built in 2000 by the Annual Conference and has proven consistently to be insufficient for the ministry needs of our Annual Conference. It boasts no large ministry space to host larger gatherings of people and is not handicapped accessible at any of its entrances. It has also proven to be a maintenance burden resulting in higher than normal maintenance costs. The cost of upkeep on the home has risen so significantly in recent years that the Conference Trustees and CFA agreed that a 15% increase should be budgeted for yearly upkeep as long as we own the home. Maintenance and repair costs to the current residence consistently run between $15,000-25,000 per year. After much hard work and investment by our Conference Trustees, it was felt that the house was in an appropriate condition to be sold and that due consideration should be given to acquiring a new residence.

At the 2013 meeting of the Annual Conference, RS403 – Episcopal Residence Funding was passed giving the ERC permission (in accordance with ¶638 of the 2012 *Book of Discipline*) to move forward with the acquisition of a new residence, in consultation with the Trustees and CFA. Funds were included in the 2014 budget to cover both acquisition costs and maintenance costs. The motion for approval of RS 403 was approved in the section meeting by a vote of 67-3-1 and was approved as part of the consent calendar without further discussion.

Needs defined for a new residence:

The Conference "Living and Working Conditions of the Pastor" document formed the spirit of our deliberations on our needs in a new home. However, we also recognized that the needs and stresses of a Bishop and his/her family are unique and must be considered, thereby providing a home that provides such things as appropriate ministry space for meetings as well as the capability of hosting visiting persons who are providing leadership in/through our Annual Conference. In addition, the presence of the Conference Center, located in fast-growing Cranberry Township, presented us with the reality that real estate prices would be significantly higher than in most other places within the Annual Conference.

The ERC developed a list of specifications/guidelines for a new residence that included the following:

- Accessibility, including a first floor master suite with full bathroom
- Adequate living space for the Episcopal family as well as sufficient gathering space allowing use of the home for ministry functions
- A creating space/office; small lot and 3 stall garage
- Ease of access to major transportation arteries as well as the Conference Center
- Ease of access to a major airport

Timeline of the Search Process:

The ERC determined that is was not acceptable to ask the current Episcopal family to move within a year of their new appointment in September 2016 so we began the search process in earnest late last summer. We engaged a realtor to review possible properties within a 25 mile radius of the Conference Center. That search resulted in visits to several homes but none met the search criteria that we had established. We then researched a new housing development close to Cranberry Township in Allegheny County which provided the opportunity to design and build a home to our specifications.

At that point, the ERC felt prepared to report our findings to a joint meeting of Episcopacy, CFA, and Trustees (the three entities who brought forth RS 403). After much discussion at that joint meeting, the work and direction of the ERC was embraced although particular concerns were expressed about locating the new residence in Allegheny County due to property tax concerns (estimated to be about $21,000 per year) and matters of accessibility. With modifications further requested at this meeting, the home we were prepared to build cost approximately $785,000. The committee affirmed the recommendation of the ERC with only one vote in opposition but did ask that the ERC again review the housing market for possible properties in Butler County due to the significant differences in property tax expenses as a matter of due diligence.

At that point, the ERC re-engaged our realtor and conducted a two-pronged search for both available homes and property in Butler County. A piece of property was found to build on but we determined that the price of the lot, in addition to the additional costs of replicating our designed home on that lot would be cost prohibitive. However, this time around, three homes were discovered in the search that we believed were close to meeting our specifications. Through a couple visits and on-site inspections, the committee determined that one of these houses was the best option. Although the asking price was higher than we liked, it met almost all of the guidelines that we were looking for. Pursuant to the request of the joint committee, this home is easily adapted for accessibility and the property taxes are only around $8,000 per year.

At that time, we made a decision to terminate the building option and pursue the acquisition of this home in Butler County instead. The decision to terminate our contract was reviewed and approved by the Conference Chancellor.

The new Episcopal residence was purchased by the ERC for $810,000 on February 27, 2014. The former residence is under contract to sell for $410,000 with an expected closing date of June 10, 2014 or sooner. The entire amount of the sale price will be paid against the purchase price of the new home to reduce the mortgage requirement, as stipulated by the enacted legislation. Once this has been done, our yearly mortgage payments will be approximately $35,000, within the cost parameters outlined by RS 403. The mortgage term will be 20 years at an anticipated interest rate of 4.5%.

Financial Impact

To purchase the new residence, CFA made funds available in the amount of $850,000 into an account at the Keystone United Methodist Federal Credit Union. This action allowed us to make the purchase as “cash sale” and so we were able to avoid many of the closing costs normally associated with purchasing a home. Moving forward, as mortgage payments are made, those funds will be used to repay the CFA Long-term Cash Investment Account.

Although there have been some incidental expenses associated with the purchase and sale of these properties, those costs are within the budget limits set for the annual budget. These items include painting, minor repairs, carpet cleaning, etc. In addition, moving expenses had to be paid by the Annual Conference as the General Church only pays for a Bishop to move at the end of the Quadrennium. The committee is thankful that our Episcopal family assisted in keeping these costs down by moving many items themselves.

The funds available for maintenance and upkeep of the home include the following:
$40,000 – for mortgage payments from the Conference budget (per RS 403)
$30,000 – for maintenance and upkeep costs from the Conference budget
$10,000 – the annual grant from the General Council on Finance and Administration (GCFA) for upkeep of the Episcopal residence. It is the intention of the ERC to set-aside these funds into a separate account to help fund capital needs in the future for the residence, thereby avoiding extra future impact upon the Conference budget.

FINANCIAL SUMMARY

Exit costs for the initial construction option were $20,000. These costs will be recovered in approximately one and one-half years from lower property taxes.

At the conclusion of all transactions Conference Reserve Funds will be negatively impacted by the $20,000 exit costs from the construction option. On an interim basis Conference Reserve funds, held in the CFA Long-term Cash Investment Account, were used to provide the collateral for the secured credit instrument to purchase the new residence. Upon the sale of the former residence and the establishment of a mortgage for the residual cost of the new residence the Conference Reserve funds will be fully restored. Future apportionments will provide for annual mortgage payments as approved by the 2013 Annual Conference (RS 403).

The members of the Episcopal Residence Committee are thankful for the trust placed in us to accomplish this work on behalf of the Annual Conference and we are grateful for the wisdom of so many who have helped us accomplish this task in a timely fashion. It has not been an easy task but it has been carried out with joy, integrity, and a desire to serve the needs of the Annual Conference and our present and future Episcopal families by providing a place of sanctuary, hospitality, and ministry usage. We believe that this new residence will serve our Annual Conference well for many years into the future and we look forward to seeing all the ministry possibilities that will arise through its purchase. As always, if there are any questions about this matter, please ask a member our team.

CONFERENCE CENTER RENOVATION PROJECT (2012 & 2013)

OVERVIEW

On October 15, 2011, the Conference Board of Trustees reviewed preliminary plans for renovating the Conference Center, located at 1204 Freedom Road in Cranberry Township, and authorized efforts to prepare detailed plans and solicit competitive bids to construct a new storage building and renovate the interior of the existing 25-year-old facility. Detailed plans were prepared by Ed Pope, Licensed Architect, in consultation with the Resident Bishop and key conference staff. After plans were completed construction bids were solicited and received. On April 3, 2012 the Council on Finance and Administration and the Conference Board of Trustees met jointly to approve the building plans and finalize funding sources. Go Green Construction of Pittsburgh was selected as the general contractor, and the project budget, including contingencies, was set at $522,000.

Committed funding sources were as follows. The Council on Finance and Administration committed $125,000 from Conference Reserves with a provision to add an additional $25,000 as necessary to provide for contingencies; the Conference Connectional Leadership Team committed $100,000 of "Believe Again" funds; and the Keystone United Methodist Federal Credit Union committed $100,000 to support renovation to their portion of the building. Finally, the Conference Board of Trustees committed $180,000 from the Trustees Capital Improvement Fund. In all, committed and available funds totaled $530,000.

The renovation work began in early 2012. On September 13, 2012, the Conference Board of Trustees reviewed the status of the renovation project and the projected costs to complete. The project had experienced modest cost growth, and the Trustees anticipated there could be up to 10% cost growth bringing the projected total project cost to $574,000.

On September 20, 2012, the Council on Finance and Administration committed an additional $44,000 from Conference Reserves, bringing the total committed from Conference Reserves to $194,000. Further, the Council on Finance and Administration agreed it would provide up to an additional $26,000 in funds from Conference Reserves if needed, bringing the total committed, and available funds for the project to $600,000.

In early 2013 the project concluded with the completion of "punch list" items and the final capitalized cost was $589,426 which was 13% above the original estimate. A detailed tabulation of expenditures and a breakout of the final sources of funds follows below. We expect the renovated Conference Center to serve the Annual Conference for many years to come.

BOARD OF GLOBAL MINISTRIES

God's work in the world through the church continues and the Conference Board of Global Ministries is always privileged when we can support, sustain, and spark those divine inclinations. Thirty-three grants were given to empowering and engaging outreach ministries from all ten districts in 2014 through our Mission Support in addition to funding to support Conference-level ministries of equipping and sending.

We engage in collaborative ministry with other groups and agencies in Western PA and the North East Jurisdiction. This includes WPA United Methodist Women, Mission u, Appalachian Ministry Network, Mission Ambassadors, and the NEJ UMVIM program.

Connectional giving and special offerings continue to provide the backbone of support for ongoing ministries and development such as VIMships, Doorways to Hope at Home, and One Great Hour of Sharing.

Churches and individuals across our regions and beyond should be commended for the response to several disasters and needs in our area, especially in Dubois and Union City. Great thanks goes to the on-site coordinators, Lance Tucker and Thomas Carr, and our Conference Disaster Response Coordinators, Ricky Nelson and Calvin Cook, for their efforts in coordinating the relief efforts.

At the 2013 session, the Annual Conference charged us with the task of responding to the Judicial Council Decision 1238 regarding East Africa in several ways. In the important and serious task of developing a system of financial accountability and protocols for the mission relationships of the Annual Conference. The Board has contacted the appropriate agencies to request their guidelines to be incorporated in our process of developing protocol and accountability for direct partnerships at the annual conference level. Discussion was initiated among the leadership of our current direct partnerships, East Germany, Latin America Encounter with Christ, Nicaragua, Russia, and Zimbabwe, around common elements and issues and contextual differences. The process for developing a standard protocol will continue through the next year in order that our work be of a thorough quality and can bring that to the Conference Council on Finance and Administration and Connectional Leadership Table that this be a comprehensive and consistent policy with formalized accountability measures.

In the meantime, the current partnerships of Western Pennsylvania Annual Conference continue to work within the channels of The United Methodist Church administered through the General Board of Global Ministries and General Council on Finance and Administration, include the Advance and local annual conference treasurers.

It has also been a transitional year for us. We celebrate the commitment and passion of Diane Miller, who retired from the position of Conference Coordinator of Missions and Volunteers in Mission in October. As a Conference, we owe a debt of gratitude to her for seeing the importance of these ministries to the local church and the world and committing herself to seeing it succeed and thrive. Diane has actively touched

many congregations and VIM teams and has been an important tool in the work of this Board.

Stephanie Gottschalk, our former chair, will continue to work with us as a Board as the new Coordinator of Missions/Volunteers in Mission. She, in addition to Director of Connectional Ministries, Greg Cox, have been working with our four Regional UM Mission Agencies to facilitate greater connection, collaboration, and stewardship.

We expect great things coming out of all of the transitions and important discussions as we humbly and corporately reach out in service to the world in the name of our Lord and Savior, Jesus Christ. May all we do bring praise to God and be made complete by the Holy Spirit.

Mark E. Hecht, Chair

ENCOUNTER WITH CHRIST IN LATIN AMERICA AND THE CARIBBEAN

The first and most important event for this missional emphasis of our Conference is that we have achieved and surpassed the $100,000 support goal adopted by the Western Pennsylvania Conference in its 2000 session. Encounter is a mission initiative of the entire denomination, established to promote initiatives in the autonomous Methodist Conferences of Latin America and the Caribbean. The General Board of Global Ministries holds all donations in a permanent fund, and distributes the interest earnings annually to be given in grants to projects in the member conferences. Encounter grants are issued to foster ministries in (1) health promotion (2) leadership training and pastoral education (3) ministries to women, children, and youth. The greater the permanent fund, the more ministries can be supported.

When the Western PA Conference adopted the support goal in 2000, it was hoped that the goal would quickly be realized. Challenges in the churches and the economy extended the time and effort needed to reach the goal. When we had reached the level of $88,000 in 2012, however, the Conference Encounter Committee hoped that "one big push" would bring us through, so we proposed a special offering to be lifted on a Conference-wide basis on May 5, 2013. The Conference adopted the proposal, and the Bishop and Cabinet promoted the offering as the date approached. However, the offering brought in only $6,000 of the $12,000 needed. In Plenary Session at the 2013 Conference, a moment that was intended to be a celebration of achieving the goal turned, of necessity, into another plea. For several months, nothing more came in.

By the grace of God, two events changed everything. On the one hand, the Conference Global Ministries Committee voted to grant sufficient funds to complete the goal. On the other hand, the General Board of Global Ministries sponsored a special "Offering Day", dollar matching incentive on December 3. This program would match dollars up to $10,000, and would take place just as we were preparing to send in our Encounter funds. Thus, we exceeded our goal substantially, after struggling so hard just to achieve it! Praise be to God! This would not have happened without the vision and administrative talents of Stephanie Gottschalk, Mark Hecht, and especially Larry Bridge. We are blessed to have such servants of Christ working for us!

We should be aware of what we have achieved in meeting our goal. The permanent fund for Encounter currently holds about $2,000,000 to generate mission projects, as stated above. Our contributions, being over 5% of the total holdings, essentially mean that, whenever Encounter fosters a mission, 5% of every project has been supported by our efforts. We are well represented in all of these missions. For that reason, the Encounter Newsletter, printed internationally, gave a note of special recognition to the Western PA Conference, as we fulfilled our promises.

Because Encounter exists as a permanent initiative of United Methodism, our Conference Encounter Committee still has a mandate to make interested donors and congregations aware of Encounter as a worthy channel of Christian mission support. We will also serve to foster contacts and UMVIM missions with the Methodist conferences of Latin America and the Caribbean.

An example of just such a mission emphasis was undertaken again this year, as the Encounter Committee sponsored a mission to Sincelejo, Colombia, in April 2013. We organized a UMVIM team to continue the construction project undertaken as a project of the NE Jurisdiction. The congregation is Sincelejo is badly in need of a building for

children's ministry. Many children are orphaned or fatherless, due to the ravages of the drug traffic. The church provides a trusted "safe haven" for the children and their leaders in Christian nurture. The team divided its efforts between construction and VBS style programs for the children. When the time in Sincelejo was done, the team had opportunity to visit the Methodist mission center at Brisas del Mar. This rural community was decimated a few years ago by the drug cartels, with a decade of teens "disappeared" in the conflict. The Colombian Bishop Cardona and UM mission professional Clinton Rabb made a heroic stand for human life, that changed the course of life in that community. Today, the Clinton Rabb Clinic fosters health in all the surrounding area, and the Methodist school (the only school) has had its first high school graduation in a decade, now that kids are surviving long enough to graduate. Mission experiences like this teach us all how vital it is that there be a witness for Christ for the essentials of humanity in this world. Lives, and souls, are being saved. This is our Encounter with Christ in Latin America.

OLMSTED MANOR

Olmsted Manor continues to be an active and effective retreat facility for many individuals on personal retreat, as well as to groups across western Pennsylvania and beyond. We provide a quiet and secluded place of rest and renewal for many people. In an effort to increase usage and occupancy, we continue to seek new groups and market these services through our website, www.olmstedmanor.org and other social media sites. We also rely on the recommendations of those who have used our facility, and we contact potential new users through other marketing strategies.

Officers of the Olmsted Manor Board of Directors are: Eric Leonard, President- Jeff Sterling, Vice President- Jackie Campbell, Secretary- Connie Johnson, Assistant Secretary- Tom Ball, Treasurer- and Jim Willats, Assistant Treasurer.

In 2013, the board of directors welcomed newly elected members, Joe Short, Rob Wilson, Mandy Woodford, and Jackie Campbell. Retiring members included David Street, Susan Wilson, and Louwana Mock. We thank God for their gifts and talents that helped guide our ministry.

Olmsted Manor offered many educational and high quality programs in 2013. Among those were, the Pastor's Academy- "*Practicing Hospitality in the 21st Century,*" with Christine Pohl from Asbury Seminary. The Spring Women's Spirituality retreat was led by the mother and daughter team of Sarah Roncolato and Carolyn Roncolato entitled, "*Deep & Wide.*" The annual Senior Citizen event's theme was "*Seasons of the Gospel,*" lead by Bill and Lois Hiles from Port Orange Florida. The Music and Worship Arts retreat was titled, "*Walking with the Spirit*," and this event celebrated its 44th year at Olmsted. The Fall Women's Spirituality retreat featured Pam Gardner entitled, "*Finding our Mentors, Being Women in a New World of Options*." Dean Zeigler led a retreat on photography called, "*In a Good Light, a Fall Photo Playshop*." Other programs included Church Secretaries, led by Rebecca Taylor and a clergy workshop led by Chris Kindle.

Olmsted Manor was also privileged to host many church groups from Annual Conference as well as other denominations from Pennsylvania, New York and Ohio.

Olmsted Manor is blessed to have many "Friends." Through the years many of the people who have used our facility have provided financial support for our ministry. In

2013 our Friends of Olmsted campaign raised a total of $48,400 in support of the mission and ministry of Olmsted. We are very grateful for the generosity of all our contributors.

In December, Olmsted Manor welcomed 180 area residents to an open house. Christmas at Olmsted Manor featured extensive decorations and refreshments in the Manor for a two night gala event. The Olmsted staff and volunteers did all the preparation and hosted this very successful holiday happening. This has been the sixth year that we have held this event which has continued to strengthen relationships with our neighbors in the local communities.

On behalf of the Board of Directors and staff, I am pleased to report that Olmsted Manor continues to serve God and the church by "Providing Christian Hospitality in a Hostile World."

WESLEY WOODS

God is good and faithful to those who love and serve the Lord. Wesley Woods has had a wonderful year living into that promise. The Ministry of the Gospel of Jesus Christ at Wesley Woods has continued to change lives and impact the world for the Kingdom.

2013 saw the beginning stages of change in our facility. Out a Ga-Ga Ball pit was completed close to the dining hall and is creating a new outdoor activity for our campers. With the help of Matt Jud, our Finance Chair, we have been able to balance the budget and dramatically reduce our debt. Wesley Woods is on track to be debt free by the end of 2014. We also received a significant gift toward our debt reduction from the Giles Family. Matt Kennedy is continuing to manage our website and increase our digital foot print; we also use our Facebook page to get the word out about events at Wesley Woods.

Wesley Woods is currently re-evaluating our ministry model and looking for ways to tweak, or completely rearrange (if necessary) our programming to match the changing needs and desires of our culture. We have a large campus and need to prayerfully consider how we manage our land for God's Glory. We are developing a vision for the future with the Board. We are also developing a strategic plan for the future and core tactics for execution to achieve our goals.

One of our goals is to increase the usage of the summer camping program; which has stayed flat from 2012 to 2013, exactly 763 registered campers. Another goal is to increase off season use, which has dwindled in part because we have officially been closed December through February. It is our plan to slowly rebuild our winter retreat ministry through targeted marketing in the local church and establishing collaborative efforts with local school and government institution where possible.

Wesley Woods is currently working on cleaning up our donor database. There are several reasons for this but primarily we need to know who is actively giving and where they designate their giving. Knowing this information will allow us to target a person based on their funding preference and enhance our efficiency for mailings. Further, cleaning this Database will make the year-end contribution receipts easier to process.

The Wesley Woods Board of Directors has voted to pursue a recreation facility to replace Harbin Hall. Harbin Hall is currently unusable due to ground shifting from the frigid winter. We are in the early stages of developing a capital campaign and will be rolling out information in the following months as we clearly define the parameters and goal of

the building. It is worth noting that there will be no programming offered in Harbin this year. At this moment we are currently building an outdoor replacement for our bouldering wall and have made the appropriate changes to our emergency action plans.

We at Wesley Woods are in the process of developing surveys to gain measured results of our staff experience as well as our camper experience. It is our belief that this data will allow Wesley Woods to improve our program offering and staff training to increase our effectiveness as Ministers of the Gospel of Jesus Christ.

Doug Woodcook, Director of Maintenance, has done an incredible job of managing our facilities. The number of "fire drills" has reduced dramatically and we are convinced that is because of his care, attention to detail and his methodical approach to maintenance. We recently purchased a used Kubota 490 to replace our damaged 490. We are still seeking a maintenance truck. We have also utilized the resources our Creator gave us for our financial benefit. We have implemented a selective cutting program to manage our forests, funneling those funds into debt reduction and capital improvements. Recently we upgraded our Missionary 2 Cabin bathrooms so they are ADA compliant. Finally in maintenance, we have ensured that we have enough pasture to be compliant with the EPA regulations regarding amount of 1.66 acres per horse stall in the barn. This spring we have expanded our acreage from just over 10 acres to nearly 45 acres of horse pasture. The bouldering wall and the new horse pastures will be completed in time for our first full week of camp starting June 8, 2014.

The Wesley Woods Community is warm welcoming and wonderful. As I enter into this new phase of my life and ministry within this Faith community, I anticipate eagerly what the Holy Spirit will do through our shared ministry at Wesley Woods. Thank you for your continued prayers and support of our ministry. Without your assistance and coverage we would not be able to stand for the Gospel of Christ as a summer camp or retreat center.

Nate Greenway, Executive Director

ANNUAL REPORT OF THE DISTRICT SUPERINTENDENTS

We, your cabinet, greet you in the name of our Risen Lord and Savior Jesus Christ.

On my wall in my office is an oil canvas painting of the "Woman at the Well." It has special meaning for me. First, it is important to me as it is a painting that I acquired years back when the annual conference was raising funds for missions, through a silent auction. The second reason is that it tells the story of the Samaritan woman being brought into a deeper relationship with Christ. The encounter begins with Jesus asking her for a drink of water. As the conversation continues, a meaningful relationship is established. The relationship deepens to the point that she says that she longs for the water that will remove her thirst forever. We know the importance of relationships.

We, as a Cabinet, have spent the past months solidifying our relationship. This has been important as there have been many transitions. Colleagues have rotated off or will be. Seven members of the Extended Cabinet will have less than two years of service. We have celebrated the life and witness of our friend and historian, Bob Higginbotham. He taught us how to fight one of many of life's challenges with dignity and grace.

It has been important for us to cultivate our relationships in order that we can do our work effectively. We shoulder the burdens and the struggles of ministry, while also celebrating the joys of being in ministry together. We have cried and laughed together. We

are fervent in our prayer life. It is our privilege to serve amongst and with you as both colleagues and partners in ministry.

One of the challenges we continue to face is the foundational principles of our life together, known as itinerancy. We have seen a growing phenomenon where we receive tremendous push back on itinerancy. We understand that appointment making is different in the 21st century. We have adjusted our thoughts and seek to be relevant as a cabinet. Yet, we cannot do what is best for the corporate body when pastors refuse to live into their covenantal vows made at ordination.

Congregations push back at the very thought of their pastor being appointed to another context in ministry. At times, it seems as if we have forgotten that we are in this shared and mutual ministry together. The body suffers when we seek only what is best for me. We have to move beyond the notion that, so long as things are going well for me or us, then I/we do not care about our colleagues or sister congregations. This does not help us in our desire to offer each congregation the best opportunity to make disciples for the transformation of the world, while using the appointment process. Each congregation is important to us. We spend time in prayer and discernment for the ministry of each congregation, while at the same time affirming the appointment process. We desire for ministry to flourish in places where it is currently happening and long for the day that ministry will grow stronger in other places through God's grace. We know folks love their congregations and folks love their pastors. But there are other congregations to be loved, nurtured, and cared for.

Congregations can benefit from a change in pastoral leadership. We would do well to live into the words from the second verse of the hymn “This is my Song.” "My skies are bluer than the ocean, and sunlight beams on cloverleaf and pine; but other lands have sunlight too, and clover and skies everywhere are as blue as mine. O hear my song, thou God of all the nations, a song of peace for their land and for mine.” We do as best as we can through the appointment process, acknowledging that any human system is not perfect, but we are perfected in God's love. We must remain open to the movement of God's spirit.

We are committed to living into 2013 Annual Conference Resolution P 703 *Creating District Task Teams on New Congregations* (additional information below) where each district has a team in place to look at other places where we can bring new people into a relationship with Christ. We recognize some ask the question, why do we need another place when many of our congregations are less full than in years past? We do believe that we need these places and seek to make new disciples in new places. We balance this by challenging existing congregations to find new ways to reach out into their communities to revitalize ministry, and to bear witness to how God is calling them to respond to the needs around them. We partner with conference staff to visit and to work alongside congregations as you seek to move deeper into the water where you will thirst no longer. Our desire is for ministry to flourish in every context. We believe that this can happen because folks have great commitment and love God and make tremendous sacrifices for the sake of the gospel.

As a Cabinet, we are aware that creating new places for new people also involves supporting and encouraging them to answer the call to set apart ministry, both licensed and ordained. When persons begin the journey of discerning a call into ministry, we, as superintendents, have the privilege of engaging in an initial conversation about that call. Over the past months, we have discussed ways to be more intentional in our recruitment

effort, particularly with youth and young adults. Recently, the Cabinet was blessed to have in our midst during our devotional time several young adults who have attended Exploration, a national United Methodist event designed to assist 18-25 year olds in answering the call to licensed, ordained, and mission ministry. We are committed to discovering and implementing additional ways to aid persons of all ages to hear the call of God, to serve, thus undergirding the goal or creating new places for new people.

Equally important, however, as we move deeper into the 21st Century, ministry must be practiced differently than in the past. Congregations must find their way into various forms of cooperative and shared ministry. Insular thought and doing ministry in isolation (or 'solo') alone from other congregations is a thing of the past.

Congregations must be willing to work together for the sake of Christ. This must be modeled by key lay persons and pastors. Some cabinet members have initiated these conversations within their districts. If we who claim to be Christians cannot work together as partners in ministry, how can we expect those outside of the church to join with us in ministry? We also know that financially congregations find it difficult to maintain their funding of ministry. Yet, we hear the stories of the many ways through which congregations find creative and practical ways to engage in funding ministry. We also find that many congregations do not wish or desire to implement an annual stewardship campaign. We believe it is critical that congregations have an intentional plan to fund ministry and a Christian Educational plan to teach and to practice what it means to live faithfully and effectively using all of the resources that God has given to us to manage. Stewardship is more than money. Yet, financial resources cannot be removed from stewardship emphasis. Intentional ministry that takes into account all of the spiritual disciplines offers the best opportunity for revitalization as we live into the future.

Our hearts ache given where we are as a denomination as it relates to human sexuality. We stand with our Bishop as he referenced in his pastoral letter. We see our role as an extension of his Cabinet to seek the unity of the church. We seek to be pastoral to all persons under our care and to those we seek to bring into relationship with Christ. We all need to remember we long for the water that will quench our thirst forever. We are finding our way into conversations across theological perspectives. Conversation is necessary and offers the best opportunity for us to be in relationship in an era of diverse thoughts, while at the same time reminding us of our theological positions as a denomination. These are not easy times for us as a church but it is an opportunity for us to be the church. We are with you in the midst of the challenges that we face.

Finally, we are grateful for your faithfulness to the connection. We continue with payment of Connectional Apportionments. Many go the second and third miles in the area of mission giving. Connected to this point, our Zimbabwe Partnerships continues to grow stronger. Districts continue their support of sister district projects in Zimbabwe. Six persons will head over as part of the immersion experience, and there will also be a youth delegation going over to visit district partnerships to be part of the Ebenezer experience – a three day Revival celebrating 110 years of Methodism in Zimbabwe.

Friends, we continue to lift you in prayer, challenge you to continue to be the church, by extending the gifts of grace, mercy, and peace, just as Jesus extends those gifts to us.

William B. Meekins, Jr., Dean of the Cabinet

DISTRICT RESPONSES FOR NEW CHURCH STARTS

BUTLER

The Butler District's response is we are adding a sub-team to focus on new church starts to our District Mission Team.

CONNELLSVILLE

The Connellsville District is well saturated with churches and has little population in any area. However, we do seek to find a new place for new people. Our District Resource Council has discussed this and all the members of the council have been asked to scour their areas for any possibilities. Our council notes that the Hidden Valley-Seven Springs area has many new homes, and while many are vacation homes, there remains a possibility there. There is also a large need to reach a changing demographic in the Uniontown area where the new growth in population is African American. The council also connected the District Superintendent with a young couple who is leading a home group in the Uniontown area without a church connection in hopes that a plant might begin there, but they are resistant to a connectional system. We also discussed some ministries that are happening outside the walls of the church in the Point Marion, Scottdale and Somerset areas. We do see new people joining in those outreach ministries. We also remain hopeful and prayerful that one of these other possibilities will enjoy a fresh breath of God's empowerment.

ERIE-MEADVILLE

The EM District Superintendency Committee met to map out a plan through which to live into 2013 Resolution P 703. We have identified a number of persons from around the district to be a part of our district task force. We also empowered the district Nominating Committee to name a chair for the task force. These names will all be placed on our ballot at District Conference in April for election.

The group is coming together nicely. So far, everyone discerned is willing to be a part. The idea of finding new places for new people seems appealing to them!

GREENSBURG

"*After this the Lord appointed seventy others and sent them on ahead of him in pairs to every town and place where he himself intended to go. He said to them, "The harvest is plentiful, but the laborers are few; therefore ask the Lord of the harvest to send out laborers into his harvest*." Luke 10: 1-2

In response to the mandate passed at the 2013 Annual Conference, William Meekins has established the Greensburg Districts' New Church Start Task Team. We have been charged with the discernment of a viable location for the planting of a new congregation within the Greensburg District. For our first meeting, we called upon Chris Brown, co-coordinator of the New Church Plant Initiative from Pittsburgh Theological Seminary to guide our discussion. Brown is also co-pastor of the Upper Room, a new Presbyterian Church start, in Squirrel Hill.

Our discussion centered on the various approaches we might consider when discerning a new church start. Should our main focus be geography (Rt. 22/30 corridor, areas of population growth), a target demographic (age group, undocumented peoples), or a called pastor with the gifts and graces necessary for a new church? While giving us much to consider, we have developed some concrete next steps to take.

Next Steps:

Prayer

Connecting with clergy cluster groups for input concerning their local context of ministry.

Prayer

Visiting suggested sites for a new church.

Prayer

Being open to and seeking out potential leaders and clergy for the new church.

Did I mention prayer?

We look forward to serving the Greensburg District and are excited about the work of the Holy Spirit among us to develop new places for new people! We welcome your input and most importantly keep this committee in your prayers.

JOHNSTOWN

The Johnstown District has recently formed a "Johnstown District City Summit" to examine the present and future viability of our United Methodist presence, particularly in the Greater Johnstown region. Under the leadership of Alyce Weaver Dunn, the District Superintendent, the following persons are currently serving on the City Summit planning team: Randy Bain (Oakland UM); Bruce Griffith (Roxbury St. Paul's UM); Carol Hickman (United for God Cooperative); Terry Knipple (Franklin Street UM); Kathleen McCoy-Schoeneck (Park Avenue & Christ UM Charge); and Kara Ketley, new Director of Johnstown United Methodist Human Services. By mid-February 2014, the planning team will have met two times, and plans include ongoing work in this area, perhaps expanding the conversation to include more clergy and laity.

The over-arching vision of the City Summit planning team is to re-vitalize ministry in the city of Johnstown. In addition to discussion about improving connections with the community, making worship more relevant, consolidating worship sites, and encouraging better stewardship of resources, the team is talking about where the

appropriate places in our region are where "new places for new people" need to be started. There has been some initial discussion about some of our larger, healthier churches launching satellite ministries into neighborhoods where the good news of Christ needs to be shared in transforming ways. Another concept that has been lifted is "re-purposing" one of our church buildings (where corporate life is waning) to be a site for a new worship service/ministry center. In conjunction with Johnstown UMHS, there is a dream emerging about designing a faith community centered in and around our ongoing work with the many persons who live in poverty in our city. Although there are not currently any specific plans set to plant a "new place for new people," the conversation has certainly begun to give serious consideration as to when, where and how to begin a "new place for new people."

The Ebensburg United Methodist Church started a new "satellite worship service" on the campus of St. Francis University in October 2013. A lay campus minister is providing onsite leadership for a live simulcast of the Sunday 11:30 AM contemporary worship service that is held in the Ebensburg UM Church. At the beginning of 2014, the satellite worship site is averaging 15-20 college students. The Ebensburg church is exploring ways to expand this new ministry.

The Mount Union UM Church, one of three churches on the Fishertown Charge in the Bedford County region of the District, recently started a "house church" ministry in a local trailer park. The gathering is held on a weeknight in the home of one of park residents, and includes a meal, worship and fellowship. This new ministry grew out of a growing passion to reach "new people" for Christ in the area.

KANE

November 9, 2013: The Kane District Council approved a proposal for organizing the district for the development of missional strategy (see attached). The District Council designated itself as the "task team on new congregations," that is referred to in 2013 Resolution P-703.

January 11, 2014: The Kane District Council met with Jim Walker, Director of Congregational Development & Revitalization, to seek his advice as to how our team should proceed in the task of birthing new congregations. Walker suggested that we focus on generating ideas "from the ground up" rather than "from the top down." The District Council decided to enlist the help of our nine cluster groups in the task of discerning potential sites for new communities of faith.

February 12, 2014: An initial meeting of cluster representatives was held, and the assignment was given to return to our next meeting with a list of potential sites in each region.

Organizing the Kane District for the Development of Missional Strategy

PROPOSAL: To establish clusters / "ministry facilitation groups" (where they do not currently exist) and to augment their function (where they do currently exist) for the purpose of developing a missional strategy throughout the Kane District.

PURPOSE: The purpose of such Ministry Facilitation Groups (MFG's) would be as follows: 1) to oversee our United Methodist Christian witness within a geographic region; 2) to provide a forum for "connecting" pastors and laity in that area; 3) to encourage shared ministry conversations, and the development of new community ministries, as deemed appropriate in each locale; 4) to create a new venue for leadership recruitment and training.

BIBLICAL & DISCIPLINARY FOUNDATION: *There is but one ministry in Christ, but there are diverse gifts and evidences of God's grace in the body of Christ* (Ephesians 4: 4-16). The ministry of all Christians is complementary. No ministry is subservient to another. All United Methodists are summoned and sent by Christ to live and work together in mutual interdependence and to be guided by the Spirit into the truth that frees and the love that reconciles. (2012 *Book of Discipline*, ¶ 131)

Journey of a Connectional People – Connectionalism in the United Methodist tradition is multi-leveled, global in scope, and local in thrust. Our connectionalism is not merely a linking of one charge conference to another. It is rather a vital web of interactive relationships. (2012 BOD, ¶. 132)

ACTION NEEDED:

Establish your cluster/MFG group, if not already existent.
Determine leadership and meeting schedule, in light of local needs.
Elect one clergy and one lay representative to the District Council.

These efforts include:

- Daily Bread, a meal event offered several times per week, which 14,000 meals per year, up from 8,000 meals in 2008.

- The Reading Mentoring program, a weekly reading program at a North Side Elementary School staffed by forty volunteers from six district congregations. In 2013 over 3,500 children participated in these readings, as well as trips to museums and other cultural events.
- A free Eye Glass Ministry offering routine screening for children, which screening the made available eye glasses to more than forty recipients.

2) Renewed outreach of the Church of Our Savior at Northview Heights, which included significant interaction and service with the adjacent Bethany House Ministry. This ministry is reaching the broader community with regular, dynamic worship. 256 attended the 2013 Maundy Thursday Dinner and worship at Church of Our Savior. A twice-weekly program called "Sweating in the Spirit" has provided 60 people opportunity to improve their fitness levels and their health. This program is in its third year.

3) Possible congregational renewals are being attempted in Dormont and in Shadyside/ Bloomfield from the Albright Church, which the building is in disrepair.

4) A new church start is budding in Stanton Heights, which start has commenced with community outreach and participation.
5) Fox Chapel Faith Church has initiated worship and outreach into nearby Sharpsburg along the Allegheny River.
6) Living Spirit Ministries of Swissvale is a new iteration of the former Swissvale United Methodist Church, which building was sold in 2009. Living Spirit, now in its 5th year, is reaching new people with its open worship and community outreach and witness in Swissvale in the transitioning Mon Valley.
7) Hot Metal Bridge Faith Community, a worship and service venture of the Western PA Conference and the Pittsburgh Presbytery, continues to reach a constantly changing audience of young adults and students from its home in Pittsburgh's South Side. While Hot Metal Bridge has been around for almost a decade, its target constituency is constantly changing.
8) Numerous congregations -- specifically Allison Park: St Paul's, Baldwin, Bethel Park: Christ, Coraopolis, Cranberry Township: Dutilh -- have partnered with neighborhood congregations and / or have begun additional worship experiences aimed at a broadening their demographic outreach. In some cases the worship services have been added at the primary site. In other cases the opportunities have been expanded within the wider community or in adjacent communities.

INDEPENDENT AUDITORS' REPORT

To the Council of Finance and Administration of
Western Pennsylvania Annual Conference
of the United Methodist Church:

We have audited the accompanying financial statements of Western Pennsylvania Annual Conference of the United Methodist Church (the "Conference"), which comprise the statements of financial position as of December 31, 2013 and 2012, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Western Pennsylvania Annual Conference of the United Methodist Church as of December 31, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

WESTERN PENNSYLVANIA ANNUAL CONFERENCE OF THE UNITED METHODIST CHURCH

NOTES TO FINANCIAL STATEMENTS

1. NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

OPERATIONS

Western Pennsylvania Conference of the United Methodist Church (the "Conference" or "WPAUMC") is a not-for-profit corporation organized under the provisions of the Non-Profit Corporation Law of the Commonwealth of Pennsylvania. The Conference is the primary level judiciary above the local church within the United Methodist denomination. The Conference is the enabling and administrative body to approximately 900 churches located within the geographic boundaries (Western Pennsylvania) of the Conference. It is subdivided into ten geographical districts headed by clergy district superintendents (who, together with the resident Bishop constitute the "Cabinet") who link the Conference to the individual churches in each respective district. The "primary function" of the Conference is equipping spiritual leaders to lead congregations as they seek to serve "for the sake of transforming the work through Jesus Christ." The Conference, through the Cabinet, appoints pastors to lead congregations (churches) within the Conference, meets annually to review and pass legislation to further the mission and ministry of the church, and maintains administrative and financial records relative to its clergy members, member churches, and related organizations. The Conference implements its mission and ministry through its established councils, ministry teams, boards, and agencies.

The Conference organizes its activities in order to achieve its vision, mission, and goals, namely:

- Our vision is to ignite and sustain a passionate, spiritual connection with Christ among all people in Western Pennsylvania.

- Our mission is to provide leadership, connection and resources to make disciples of Jesus Christ for the transformation of the world.

- Our core value is love: We love the Lord our God with all our hearts, souls, minds and strength and our neighbors as ourselves. This value is commanded by Jesus, inspired by our Wesleyan heritage including to spread scriptural holiness over the land, and witnessed through our integrity, accountability and inclusiveness.

The Western Pennsylvania Annual Conference, also known as the Western PA Conference or WPAUMC, includes all or part of 23 counties in the western third of Pennsylvania. The Conference has 10 districts and is entirely within the region known as Northern Appalachia.

WESTERN PENNSYLVANIA ANNUAL CONFERENCE OF THE
UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS

The Conference Connectional Network, which embodies all ministry teams of the Annual Conference, and all local churches, are directing their work toward the Four Areas of Focus of the United Methodist Church. Over this quadrennial, the church will seek to focus the work of making disciples for Jesus Christ for the transformation of the world around these areas of ministry:

- Combating the diseases of poverty by improving health globally.
- Engaging in ministry with the poor.
- Creating new places for new people and revitalizing existing congregations.
- Developing principled Christian leaders for the church and the world.

In addition, the Conference has chosen Dismantling Systemic Racism as a fifth area of Focus.

BASIS OF PRESENTATION

The Conference is required to report information regarding its financial position according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted.

Net assets of the Conference are reported in the following categories:

- Unrestricted net assets consist of resources available for the various programs and administration of the Conference, which have not been restricted by a donor or grantor.

The designated funds are established by the Conference and represent unrestricted funds which are used for future retiree healthcare benefits, campus ministry, educational assistance, and various other programs.

- Temporarily restricted net assets consist of donor-restricted contributions. Amounts restricted by the donor or grantor for a particular purpose are reported as temporarily restricted net assets in the statement of financial position. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets. The Conference does not imply a time restriction on gifts of long lived assets. The donor restriction expires when the assets are placed in service.

- Permanently restricted net assets represent endowments which require that the principal be invested in perpetuity and only the income be used as designated by the donor.

WESTERN PENNSYLVANIA ANNUAL CONFERENCE OF THE
UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

INCOME TAXES

The Conference is a tax-exempt not-for-profit organization under Section 501(c)(3) of the Internal Revenue Code under a denominational group filing exemption granted to the United Methodist Church. This filing exemption may extend to affiliates who meet applicable Internal Revenue Code requirements as Supporting Organizations. Accordingly, no provision for federal and state income taxes is recorded.

CASH AND CASH EQUIVALENTS

The Conference considers all highly liquid investments with an original maturity date of three months or less that are readily convertible to cash to be cash equivalents.

ACCOUNTS RECEIVABLE

Prior to 2013, the Conference outsourced the medical insurance benefit program processing to a third party administrator. The third party administrator billed the individual churches for the participants' contribution towards their medical insurance. The third party administrator also paid the insurance premium to the insurance carriers.

During 2013, the Conference chose to no longer outsource the medical insurance benefit program processing. As a replacement, the Conference administered the medical insurance benefit program internally, which resulted in sending bills to and collecting from the individual churches with respect to their portion of the medical insurance. The Conference is also paying the medical insurance premium directly to the insurance carriers.

Accounts receivable are reported at net realizable value. Amounts are written off when they are determined to be uncollectible based upon management's assessment of individual accounts. The allowance for doubtful accounts is estimated based upon periodic review of individual accounts. There was no allowance for doubtful accounts considered necessary as of December 31, 2013 and 2012.

WESTERN PENNSYLVANIA ANNUAL CONFERENCE OF THE
UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS

INVESTMENTS

Investments in marketable securities with readily determinable fair values and all investments in debt securities are recorded at fair value in the statement of financial position.

Although the Conference's investments are invested in a variety of financial instruments managed by investment advisors, the fair values, reported in the statements of financial position, are subject to various market risks including changes in the equity markets, the interest rate environment, and economic conditions. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the fair value of investment securities, it is reasonably possible that the fair value of investments reported in the accompanying statements of financial position could change materially in the near term.

FAIR VALUE MEASUREMENTS

The Conference follows Accounting Standards that define fair value, establish a framework for measuring fair value and enhance disclosures about fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The framework for measuring fair value includes a hierarchy used to classify the inputs used in measuring fair value. The hierarchy prioritizes the inputs used in determining valuations into three levels. The level in the fair value hierarchy within which the fair value measurement falls is determined based on the lowest level input that is significant to the fair value measurement. The levels of the fair value hierarchy are as follows:

Level 1 – Fair value is based on unadjusted quoted prices in active markets that are accessible to WPAUMC for identical assets. These generally provide the most reliable evidence and are used to measure fair value whenever available.

Level 2 – Fair value is based on significant inputs, other than Level 1 inputs, that are observable either directly or indirectly for substantially the full term of the asset through corroboration with observable market data. Level 2 inputs include quoted market prices in active markets for similar assets, quoted market prices in markets that are not active for identical or similar assets, and other observable inputs.

Level 3 – Fair value is based on significant unobservable inputs. Examples of valuation methodologies that would result in Level 3 classification include option pricing models, discounted cash flows, and other similar techniques.

WESTERN PENNSYLVANIA ANNUAL CONFERENCE OF THE
UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS

PROPERTY AND EQUIPMENT

Property and equipment are reported at cost, net of accumulated depreciation. When determination of cost between land and building was unknown, ten percent of the cost or appraisal value was allocated to land value. Depreciation is provided over the estimated useful lives of the respective assets on a straight-line basis.

POST-RETIREMENT HEALTHCARE BENEFITS

Accounting Standards require WPAUMC to recognize the overfunded or underfunded status of a defined benefit postretirement plan as an asset or liability in the statements of financial position and to recognize changes in that funded status in the year in which the changes occur through changes in unrestricted net assets.

The Standards require postretirement benefit plan obligations other than pension plans (as applies to WPAUMC) to be measured as the accumulated benefit obligation ("ABO").

ENDOWMENT AND BOARD DESIGNATED FUNDS

Accounting Standards provide guidance on the net asset classification of donor-restricted endowment funds for a not-for-profit organization that is subject to an enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 ("UPMIFA") and also improves disclosures about an organization's endowment funds (both donor restricted endowment funds and board designated endowment funds) whether or not the organization is subject to UPMIFA.

The Commonwealth of Pennsylvania has not adopted UPMIFA and instead follows PA Act 141. The Conference is governed by the Book of Discipline of the United Methodist Church. The Conference has determined that the majority of its contributions are subject to the provisions of the Book of Discipline. Certain contributions are subject to other gift instruments, or are subject to specific agreements with the Conference.

Under terms of the Book of Discipline and in conjunction with the United Methodist Foundation ("Foundation"), the Conference has the ability to distribute a percentage of the corpus of any trust, separate gift, bequest, or fund as it shall determine. As a result of the ability to distribute corpus, all contributions not classified as temporarily restricted or permanently restricted are classified as unrestricted net assets for financial statement purposes.

Temporarily restricted net assets consist of restricted contributions receivable and the remaining portion of donor-restricted endowment funds that are not classified as permanently restricted net assets. When donor restrictions expire, that is, when a time restriction ends or a purpose restriction is fulfilled, temporarily restricted assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Permanently restricted net assets represent the fair value of the original gift as of the gift date and the original value of subsequent gifts to donor-restricted endowment funds.

The Conference in conjunction with the Foundation have adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowments while seeking to maintain purchasing power of the endowment assets. The Conference's spending and investment policies work to achieve this objective. The investment policy establishes an achievable return objective through diversification of asset classes. The current long term objective is a return of 7%, net of investment fees. Actual returns in any given year may vary from this amount.

The current spending policy utilizes a "total return" approach, as contemplated by Pennsylvania Act 141, to determine the amount of its quarterly distributions. This methodology bases income distributions upon the combination of interest, dividends, other earnings and capital appreciation/depreciation. Annual distributions can be between 2%-7% of the average unit value of the trailing twelve quarters. The actual distribution is determined by the Board of Directors of the United Methodist Foundation (which serves as the trustee for the Conference's endowment accounts) at the end of each calendar year. The annual distribution for 2013 and 2012 was 4.00%. This is consistent with the primary objective of the endowment policy to provide for current income as well as long-term growth consistent with the conservation of principal.

ADVERTISING

Advertising costs are expensed as incurred. Advertising expense was $1,113 and $1,830 for the years ended December 31, 2013 and 2012, respectively.

Certain reclassifications were made to the 2013 financial statements to conform to the 2012 presentation.

7. POST-RETIREMENT HEALTHCARE BENEFITS

The Conference maintains a defined benefit post-retirement healthcare plan for clergy and their spouses. The eligibility for receiving benefits depends upon the retiree's length of service (ranging from 10 to 40 years) with the Conference and whether or not the retiree or spouse has reached Medicare eligibility. The plan provides for various percentages of cost sharing by the retiree and spouses. Contributions by the Conference after the retiree becomes Medicare eligible are based upon a Medicare supplemental program.

Annual costs are recognized when billed by the respective insurance companies (pay-as-you-go). Plan amounts as of January 1, 2014 and 2013, (for December 31, 2013 and 2012) respectively, were as follows:

	2013	2012
Projected benefit obligation:		
Active participants	$ 15,579,685	$ 18,373,776
Retirees and beneficiaries	12,260,692	12,112,841

Plan assets at fair value	33,168,304	25,125,954
Funded status over (under)	$ 8,731,555	$ 132,321

During 2013, $6,000,020 was redirected from the Pre-82 Plan assets as described in Note 13 to the Conference's medical reserve account which is used to offset the Post-Retirement Healthcare Benefits Obligation.

There were no redirections during 2012.

The accumulated benefit obligation ("ABO") and the changes in the ABO do not reflect any amounts associated with the Medicare Prescription Drug, Improvement and Modernization Act of 2003 (the "Act") because the plan is not directly entitled to the Act's subsidy. The Conference is not able to determine whether benefits provided by its plan are actuarially equivalent to Medicare Part D.1.

Net periodic benefit cost was $517,102 in 2013 and $737,609 in 2012.

11. SERVICES TO AFFILIATES

The Conference treasurer's office performs bookkeeping and accounting services as to the collecting, disbursing, and recording of funds for various affiliated corporations. The Conference performs these services at no charge (which are not material) to the affiliates because these programs are considered to support the Conference's mission and ministry.

	2013	2012
Program	$ 10,038,198	$ 10,429,395
General & administrative (a significant portion which can be attributed to program services)	12,268,908	12,747,039
	$ 22,307,106	$ 23,176,434

13. PENSION AND OTHER BENEFIT PLANS

The Conference participates in several multi-employer defined contribution and defined benefit pension plans for ministers and lay employees administered by the General Board of Pension and Health Benefits of the United Methodist Church (the "General Board"). The plans qualify as "church plans" under Sections 414(e) and 403(b) of the Internal Revenue Code.

The following plans are separate multi-employer plans and accordingly the respective plan assets and corresponding benefit obligations are not recorded on WPAUMC's financial statements.

CLERGY RETIREMENT SECURITY PROGRAM ("CRSP")

CRSP includes both a defined benefit and defined contribution plan. The defined benefit component is based on either denominational average compensation, as defined, or actual compensation, as defined.

The defined contribution component provides for a contribution of at least 3% of actual compensation. CRSP covers all US United Methodist clergy appointed within annual conferences. Contributions to CRSP from WPAUMC were $621,358 in 2013 and $684,906 in 2012.

The defined benefit contributions due were $2,971,576 for 2013 and $2,982,958 for 2012. In accordance with plan provisions and an election made by the Conference, this contribution was funded by allocating to the CRSP an equivalent amount of overfunding from the "Pre-82 Plan" as shown on the table below.

SUPPLEMENT ONE TO THE CLERGY RETIREMENT SECURITY PROGRAM ("PRE-82 PLAN")

The Pre-82 Plan covers substantially all United Methodist clergy for service prior to 1982. The General Board determines contributions to the Plan. As a multi-employer plan, all assets of the Plan are available to pay all benefits of the Plan, regardless of the annual conference from which contributions came or under which benefits were accrued. Each conference controls certain benefit provisions of the Plan and may elect to fund faster than required. Consequently, funding requirements are determined separately for each conference. There were no contributions to the Pre-82 plan required or made by WPAUMC for 2013 and 2012.

During 2013, $6,000,020 was redirected from the Pre-82 Plan assets as described in Note 7 to the Conference's medical reserve account which is used to offset the Post-Retirement Healthcare Benefits Obligation.

There were no redirections during 2012.

The following summarizes the funding status of WPAUMC as of January 1, 2014 and 2013 with respect to the Pre-82 Plan:

	January 1, 2014	January 1, 2013
Total Pre-82 plan assets	$ 109,492,777	$ 125,587,442
Liabilities	(77,049,700)	(77,599,210)
Funded status	$ 32,443,077	$ 47,988,232
Funded ratio	142%	162%

SUPPLEMENT THREE TO THE CLERGY RETIREMENT SECURITY PROGRAM – MINISTERIAL PENSION PLAN ("MPP")

The Ministerial Pension Plan (MPP) provided benefits for US Clergy from 1982 through 2006. It is primarily a defined contribution retirement plan, with the requirement that clergy must convert at least 75% of their total account balance to an annuity at retirement. The annuity is a defined benefit feature. The plan was terminated in 2006 with respect to further contributions for service and was combined with the CRSP-DB. The General Board adopted a Corridor Funding methodology for managing CRSP-DB and MPP Annuities. Under this approach, the benefit programs' assets and liabilities are combined to determine a combined funded ratio, which indicates the corridor that the combined plan is in. The corridor establishes both the general investment allocation for assets supporting MPP Annuities and the method for determining the combined contribution. The general investment allocation for assets supporting CRSP-DB remains constant at 65% equities. The combined funded ratio as of January 1, 2014 is 108%.

The Conference's portion of this liability is $80,778,992 for the MPP Annuities and $24,037,910 for the CRSP-DB. The Conference does not expect to make a contribution during 2014 for MPP and CRSP-DB.

There were no contributions to the MPP by WPAUMC for 2013 and 2012.

UNITED METHODIST PERSONAL INVESTMENT PLAN ("UMPIP")

WPAUMC participates in The United Methodist Personal Investment Plan ("UMPIP") administered by the General Board. UMPIP is a participant directed defined contribution plan. Participants may contribute a percentage of their compensation on either a before-tax or after-tax basis. WPAUMC may also make contributions on behalf of each participant.

WPAUMC contributions to UMPIP were $274,279 in 2013 and $270,226 in 2012.

COMPREHENSIVE PROTECTION PLAN ("CPP")

WPAUMC participates in Clergy Protection Plan ("CPP") administered by the General Board. The CPP provides both a disability and death benefit for active clergy and a death benefit for retired clergy.

The General Board has notified Annual Conferences that the funded status of the CPP allows it to grant a "premium holiday" for three years to each Annual Conference (beginning in 2010 or 2011 at each respective Annual Conference's option) during which it intends that Annual Conferences apply the monies normally collected for CPP premiums to fund increased pension contributions.

WPAUMC has chosen to implement the "premium holiday" as the General Board intends, beginning on January 1, 2011 and continuing through 2013. As permitted and intended by the "premium holiday", WPAUMC collected contributions from each salary-paying unit on behalf of each participant with such contributions being deposited in the Conference's Benefit Reserve Fund. The contributions were used to satisfy the WPAUMC MPP obligation to the extent monies were available from these remittances.

CPP remittances collected by WPAUMC in the remaining 2012 and 2013 years of the "premium holiday" were deposited in the Conference's Benefit Reserve Fund as described in Note 15.

WPAUMC contributions to CPP were $579,669 for 2013 and $641,477 for 2012.

WPAUMC has investments designated as temporarily and permanently restricted net assets to provide pension benefits for its clergy. These investments will be utilized based on the discretion of the General Board. The temporarily restricted portion of net assets as of December 31, 2013 and 2012 are as follows:

	2013	2012
Temporarily restricted for pension support	$ 15,776,780	$ 7,803,839

The permanently restricted portion of net assets, from which investment income can be used to provide pension benefits, as of December 31, 2013 and 2012 are as follows:

	2013	2012
Permanently restricted for pension support	$ 3,417,056	$ 3,417,056

14. CONCENTRATION OF CREDIT RISK

The Conference maintains cash accounts, which, at times, may exceed federally insured limits. The Conference has not experienced losses from maintaining cash accounts in excess of federally insured limits. Management believes it is not subject to any significant credit risk on its cash accounts.

WESTERN PENNSYLVANIA ANNUAL CONFERENCE OF THE
UNITED METHODIST CHURCH
NOTES TO FINANCIAL STATEMENTS

15. RECOGNITION OF BENEFIT RESERVE FUND

In addition to the contributions to the various plans as described in Note 13, the Conference receives contributions to a Benefit Reserve Fund for possible future Clergy Retirement Security Program ("CRSP") defined benefit unfunded liabilities and other retiree needs. Contributions to the Fund are made by the churches and other participating salary paying units and amounted to $414,764 and $454,984 in 2013 and 2012, respectively, of which $22,507 and $24,690 were a Conference expense in the respective years. The Benefit Reserve Fund, which aggregated $6,256,266 and $4,343,195 at December 31, 2013 and 2012, respectively, is maintained under the direct control of the Conference, acting through its Board of Pensions, outside any particular benefit plan. The Fund also receives contributions from the Conference's implementation of the so-called Comprehensive Protection Plan ("CPP") "premium holiday" described in Note 13.

Prior to 2013, the Benefit Reserve Fund could only be used to fund "Supplement One to the Clergy Retirement Security Program ("Pre-82 Plan")". Accordingly, the Benefit Reserve Fund was not recorded on the Conference's financial statements since the corresponding liability was not recorded as described in Note 13. During 2013, changes in legislation at the Annual Conference combined with the Corridor Funding methodology adopted by the General Board of Pensions also described in Note 13, released this restriction on the Benefit Reserve Fund permitting its use in funding future CRSP defined benefit unfunded liabilities and other retiree benefit needs. As a result, the entire balance in the Benefit Reserve Fund of $6,256,266 has been recognized on the financial statements for the year ended December 31, 2013.
