The Way of the Wesleys

A Short Introduction

John R. Tyson

“In clear prose John Tyson, one of the great experts on the Wesleys, shows how their theological largesse is valid and valuable for the church today. Highly recommended!”

— **Ben Witherington III**

“An accessible and elegant introduction to our Methodist heritage.”

— **Jason Byassee**

“This invaluable study of John and Charles Wesley will serve a wide audience in the church and the academy. With great sensitivity to the Wesleys’ historical context, Tyson shows how the Wesleyan theological legacy continues to speak to issues facing Christian faith communities in the twenty-first century.”

— **Christopher H. Evans**

ISBN 978-0-8028-6954-8 • 212 pages • paperback • \$18.00

The United Methodist Archives and History Center

History matters. And the history of America's most explosively growing church movement matters to all of us. Here at the United Methodist Archives and History Center, learn about how Methodists ministered to a continent, and how they "looked to the rock" through a library full of books, diaries, letters, novels, newspapers, tracts, saddlebags, mugs, plates, staggering statistics, and even one pair of lightning-struck shoes they left behind.

The Center is open Monday to Friday, 9 a.m. to 5 p.m.
