The number on the right hand side of the appointment list indicates the number of years the person has held this appointment.

Clergy members are listed in the directory alphabetically with the name of the spouse in italics. The appointment listed is the official appointment. Some members who are retired or attending school may also be serving parishes.

Church or office addresses are listed first, followed by the parsonage or home address. The asterisk indicates preferred mailing address. The “parsonage” designation indicates a church-owned residence. E-mail addresses are listed as they have been provided. Please note that these do frequently change as people change their Internet service providers. Clergy are encouraged to obtain a “wisconsinumc.org” Email address from the Communications Office at the Conference Center in Sun Prairie.

There are two abbreviations on the right hand margin. The first indicates “Conference Relationship.” These designations were changed at the beginning of this quadrennium. The abbreviations used are the same as those used by the General Council on Finance and Administration. The second abbreviation indicates appointment category.

## *A Word About Keeping Information Current. . .*

The information reported in the *Yearbook and Journal of the Wisconsin Annual Conference* is a compilation of material that comes from a variety of sources. The listings of Lay Members of Boards and Agencies, Lay Members of Annual Conference, and Conference Claimants have been produced from the database which is maintained by the Service Department at the Conference Office in Sun Prairie. The listings of clergy and diaconal appointments, addresses, service records, and church listings come from the database maintained by the Conference Secretary. The amount of information is immense, and it is constantly changing. Keeping that information current is a shared task.

Your assistance is needed to keep up with changes and to correct errors. Please don't assume that errors will be corrected or changes will be noted by someone else. If you find a discrepancy, report it. We would rather have the same information reported more than once than not at all.

Send all corrections to:

Kevin Rice Myers, Conference Secretary  
Wisconsin Annual Conference  
The United Methodist Church  
PO Box 620  
Sun Prairie, WI 53590

You may also Email corrections to: [krm Myers@wisconsinumc.org](mailto:krm Myers@wisconsinumc.org)

All corrections should be submitted in writing or by Email. Please refer to the specific page in the Journal where the correction needs to be made, and include the name, address and phone number/Email address of the person submitting the correction.

Thank for your continuing help in this process.
